The purpose of this cooperative effort is to obtain proposals from experienced audit firms to perform audits of WSCA and NASPO Cooperative Contracts and other state's individual contracts. The goal is to establish WSCA Master Agreements with multiple audit firms. Phase I will consist of the awarding of WSCA Master Agreements to audit firms. Under Phase II firms awarded a WSCA Master Agreement will be invited to submit proposals for specific audits of WSCA/NASPO cooperative contracts. The master price agreements resulting from this solicitation will be utilized by WSCA/NASPO to (1) validate that suppliers under contract with WSCA/NASPO are charging state agencies and political subdivisions the correct contract prices; and/or (2) validate that WSCA/NASPO suppliers are accurately reporting the amount of contract sales and remitting the appropriate administrative fee payments. In addition to auditing WSCA/NASPO cooperative contracts, individual WSCA/NASPO states may use the WSCA Master Agreement to engage awarded firms in conducting audits of their individual state contracts.
