Changes to the surcharge will be effective the first Monday of each month and posted approximately two weeks prior to the effective date. For billing convenience, Vendor will also post a 90-day surcharge history. The surcharge will be based on the National U.S. Average on Highway Diesel Fuel Prices reported by the U.S. Department of Energy for the month that is two months prior to the adjustment.

If required, the State will request a written cost estimate and a schedule of the work plan. The State must approve the fees and/or work plan prior to initiation of the work. Upon failure to arrive at a negotiated fee schedule and work plan, the State may, at its option, contract for the services through a competitive process.

10. **PRIME CONTRACTOR RESPONSIBILITIES**

The selected Vendor, and any successor Vendor (in the event of merger/acquisition or other change in operating status), will be required to assume sole responsibility for the complete effort of any contract(s) awarded to the Vendor subsequent to its bid submission, and assume all cost incurred by the State, directly or indirectly, in connection with or as a result of the transition. If a merger/acquisition has been announced prior to or during the Vendor's proposal preparation period, identify all relevant or emerging dates surrounding the merger relative to official name change, system changes, account number changes, etc. if known at the time of bid submission. The State will consider the prime contractor to be the sole point of contact with regard to contractual matters. The prime contractor is responsible for the professional quality, technical accuracy, timely completion of any and all services awarded to the Vendor as a result of the solicitation, and without additional compensation, corrects or revises any errors, omissions, or other deficiencies in his products, services, reports, equipment, information, etc. in order to meet the requirements as specified herein.

11. **ASSIGNMENT**

The Vendor is prohibited from assigning, transferring, conveying, subletting or otherwise disposing of this agreement or its rights, title or interest therein or its power to execute such agreement to any other person, company or corporation without the previous consent and approval, in writing, by the State.
