I. INTRODUCTION

A. PURPOSE

It is the goal of this Request for Proposal to identify a vendor(s) and execute a contract to implement a supplemental contract for Process Serving in Sussex County (Zone 3) for two or more agencies.

1. COMPETITIVE SEALED PROPOSAL

It has been determined by Director, Government Support Services, pursuant to **Delaware Code Title 29, Chapter 6924 (a)** that this solicitation be offered as a request for competitive sealed proposals because the use of competitive sealed bidding is not practical and/or not in the best interest of the State. The use of competitive sealed proposals is necessary to:

- Use a contract other than a fixed-price type; or
- Conduct oral or written discussions with vendors concerning technical and price aspects of their proposals; or
- Afford vendors an opportunity to revise their proposals through best and final offers; or
- Compare the different price, quality and contractual factors of the proposals submitted; or
- Award a contract in which price is not the determining factor.

2. CONTRACT REQUIREMENTS

This contract will be issued to cover the Process Serving requirements in Sussex County for all State Agencies and shall be accessible to any School District, Political Subdivision, or Volunteer Fire Company.

3. MANDATORY USE CONTRACT

REF: Title 29, Chapter 6911(d) Delaware Code. All Covered Agencies as defined in 29 Del. C. §6902(6) shall procure all material, equipment and nonprofessional services through the statewide contracts administered by Government Support Services, Office of Management and Budget. Delaware State University, Delaware Technical and Community College, school districts, and the Legislative Branch are specifically exempted from the requirements of this subchapter. In addition, the Delaware Transit Corporation is exempt from the entire procurement chapter. Pursuant to 29 Del. C. §6904(l) and (n) respectively, the Department of Elections and the Board of Pension Trustees have certain exemptions from the procurement chapter which may or may not apply to this Request for Proposals.

4. MULTIPLE SOURCE AWARD

The Agency reserves the right to award this contract to more than one vendor pursuant to 29 Del.C. §6926. Government Support Services reserves the right to reject any or all bids in whole or in part, to make multiple awards, partial awards, award by types, item by item, or lump sum total, whichever may be most advantageous to the State of Delaware.

Vendor(s) must submit such information in a separate, sealed envelope labeled "Proprietary Information" with the RFP number. The envelope must contain a letter from the Vendor's legal counsel describing the documents in the envelope, representing in good faith that the information in each document is not "public record" as defined by 29 Del. C. § 10002(d), and briefly stating the reasons that each document meets the said definitions.

Upon receipt of a proposal accompanied by such a separate, sealed envelope, the State of Delaware will open the envelope to determine whether the procedure described above has been followed.

V. INTRODUCTION

The Family Court Billing system is designed to track and maintain the flow of documents between Family Court and the process service vendor. This system will be used for billing the State of Delaware charges for service of documents.

The steps below describe the flow of documents between the Delaware Family Court and process service vendor. This is a SUGGESTED method and may be subject to change.

- A. The document from Family Court is given to the process service vendor. The process service vendor keys in the date and time the process vendor received the document. They will also key the type of document (i.e. subpoena, summons, notice, order etc.) Family Court due date (as set in terms of contract), emergency indicator, the billable and non-billable amounts and the Family Court assigned control number (civil petition or criminal case/incident number).
- B. The process service vendor will serve the document(s) and key in the date/time the document(s) is (are) served, as well as any special notations (who served, if other than named party; where served, if other than address on face of document etc).
- C. For any documents that are not successfully served (non-est.) the document will be keyed as non-est. and no billable amount will be assessed.

STATE OF DELAWARE
Office of Management and Budget
Government Support Services

- D. For any documents delivered after the 6th document to the same address, the documents shall be keyed as no cost and no billable amount will be assessed.
- E. The document is returned to Family Court. Family Court will key the date they receive the document. The received date is compared to the Family Court due date. - G. The billing program is run which provides a report of names with the amounts shown as billable and non-billed. This report should be capable of being generated several times if any errors are found and corrected. Once there is an agreement of charges between Family Court and the process service vendor, the final billing is run. The reported names will have their status updated to "BILLED".
- H. The process service vendor has the flexibility to determine the programming language/database structure to best represent the required data elements. Information must include at minimum to ensure accuracy and billing continuity:

ADDITIONAL SPECIFICATIONS FOR TITLE IV-D CASES ONLY

I. BACKGROUND

The United States Department of Health and Human Services, Office of Child Support Enforcement (OCSE), is responsible for promulgating the regulations which govern the operations of state child support enforcement programs. The Division of Child Support Enforcement (the "DIVISION"), Delaware Health and Social Services (the "DEPARTMENT") has been designated as the Delaware Title IV-D agency.

A Child Support Enforcement Program is designed to provide services to families in securing financial assistance from non-custodial parents for their children to whom support is owed. In order to qualify for Federal matching funds, a child support enforcement program must be operated pursuant to a State Plan approved under Title IV of the Social Security Act. This Plan is commonly referred to as the IV-D Plan.

The IV-D agency is the single State agency designated to administer the State IV-D Plan. The DIVISION is the agency responsible for administration of this Plan in the State of Delaware and it may delegate or contract for activities set forth in the Plan. However, any such delegation of authority does not relieve the DIVISION of overall responsibility for the following: (1) ensuring that Contractors are notified of any lack of compliance with the State IV-D Plan and (2) reporting on all State IV-D activities.

Listed below are the six different IV-D activities:

- 1. Location of absent parents.
- 2. Establishment of paternity.
- 3. Establishment of child and medical support orders.
- 4. Collection and distribution of child support.
- 5. Enforcement of child and medical support obligations.
- 6. Cooperation with other states in child support related activities.

Each non-custodial parent against whom the IV-D agency is attempting to secure or enforce child support is considered to be an IV-D case. Where an individual is responsible for supporting children in more than one family, each separate family is considered as a separate and distinct case for funding and reporting purposes. Title IV-D cases consist of six types:

- 1. Temporary Assistance to Needy Families (TANF) Program Cases. Cases involving non-custodial parents whose children are receiving assistance payments through TANF.
- 2. Non-TANF Cases: Cases involving a non-custodial parent whose children are not receiving TANF, but where an application for IV-D services has been made by the custodial parent in accordance with the State Plan.

3. Foster Care Cases: Cases involving a temporary placement made by the Division of Family Services for children living with a custodian other than with their own parents.
4. Interstate Cases: Cases that have been referred by one state to the IV-D agency or the Family Court in a different state for assistance with part or all of the IV-D activities.
5. Medical Assistance Only (MAO) Cases: Cases in which Medicaid recipients are receiving medical benefits for their minor children.
6. Medical Support Cases: Cases with an established order for medical support; these cases may also be included with any of the other five types of cases listed above.
