The use of competitive sealed proposals is necessary to:

- Conduct oral or written discussions with offerors concerning technical and price aspects of their proposals; or
- Afford offerors an opportunity to revise their proposals through best and final offers; or
- Compare the different price, quality and contractual factors of the proposals submitted; or
- Award a contract in which price is not the determining factor.

**2. CONTRACT REQUIREMENTS:**

This contract will be issued to cover the Food and Yard Waste Removal for Composting requirements for all State Agencies and shall be accessible to any School District, Political Subdivision, or Volunteer Fire Company.
