ADDENDUM #3

The purpose of this addendum is to further clarify how vendors should identify State Agencies they may currently do business with.

Q - I currently do work for the State in other contracts, may I obtain references from State Employees to represent how they believe I perform under those awards?

A - Paragraph E, of the solicitation prohibits any “direct contract with State of Delaware employees other than the State of Delaware Designated Contact regarding this RFP is expressly prohibited without prior consent.” If a vendor wishes to represent that they perform work under a current award with the State they are instructed to list the contract and the contact person should the State wish to consider that in the evaluation process.

All other terms and conditions remain the same.
