1. INTRODUCTION

A. ABOUT NJPA

1.1 The National Joint Powers Alliance®- (NJPA)- is a public agency serving as a national municipal contracting agency established under the Service Cooperative statute by Minnesota Legislative Statute §123A.21 with the authority to develop and offer, among other services, cooperative procurement services to its membership. Eligible membership includes cities, counties, governmental agencies, both public and non-public educational agencies, colleges, universities and non-profit organizations. This Minnesota Statute also allows for service to NJPA Member agencies in Minnesota and all other states.

1.2 To this end, NJPA has established a series of procurement contracts with various Vendors of services/products and which NJPA Members desire to procure. These procurement contracts are created in compliance with applicable Minnesota Municipal Contracting Laws. A complete listing of NJPA cooperative procurement contracts can be found at www.njpacoop.org.

1.3 NJPA's publicly elected Board of Directors calls for all proposals, awards all Contracts, hosts those resulting Contracts and offers them for the benefit of its Membership.

1.3.1 Subject to Approval of the Board: Any award of Contract made by an authorized NJPA Employee will be subject to such action by the NJPA Board of Directors.

1.4 NJPA currently serves over 30,000 member agencies. Both membership and utilization of NJPA Contracts continues to expand at exponential rates. The value of our Contracts driven to our Members is reflected in our growth.

B. JOINT EXERCISE OF POWERS LAWS

1.4 NJPA cooperatively shares those contracts with its Members nationwide through various "Joint Exercise of Powers Laws" established in Minnesota and most other States. The Minnesota "Joint Exercise of Powers Law" is Minnesota Statute §471.59 which states "Two or more governmental units...may jointly or cooperatively exercise any power common to the contracting parties..." Similar Joint Exercise of Powers Laws for each State of the United States can be found on our website at <http://www.njpacoop.org/LEARN/About/Legal.html> and clicking on that state at the bottom of the web-page.

C. WHY PROPOSE A NATIONAL COOPERATIVE PROCUREMENT CONTRACT

1.6 National Cooperative Procurement Contracts create value for both Municipal buyers and their Vendors of services/products in two ways:

1.6.1 We **save the time and effort** of many municipal buyers bringing individual procurement proposals AND the time and effort of the Vendors in responding individually to those invitations. A single invitation for a cooperatively held contract can replace potentially thousands of invitations for the same items from individual NJPA Members.

1.6.2 We earn **volume purchasing discounts** which are passed on to our Members. A single awarded proposal is likewise exposed to thousands of potential Municipal purchasing units nationwide creating efficiency and savings to the business community as they sell products and services to government and education agencies..

1.7 State laws that permit or encourage cooperative purchasing contracts do so with the belief that lower prices, better overall value and time savings will be the result.

1.8 The collective purchasing power of thousands of NJPA Members nationwide offer the opportunity for volume pricing discounts. Although no volume is guaranteed by a Contract resulting from this RFP, substantial volume is anticipated and volume pricing is requested and justified.

1.9 NJPA and its Members desire the best value for their procurement dollar as well as a competitive price. Pre-competed procurement contracts offer NJPA and its Members the ability to more directly compare non-price factors in their procurement analysis and it offers Vendors the opportunity to display those attributes without the timing and interpretation constraints of a typical individual proposal process.

D. THE INTENT OF THIS RFP

1.10 The intent of this RFP is to award an Exclusive Single Award Contract to a qualifying service provider Proposer demonstrating a solution which meets and/or exceeds the requirements of NJPA and its Members within the scope of “**UNIFORMS AND/OR UNIFORM SERVICES TOGETHER WITH RELATED ACCESSORIES**”. Qualifying Proposers must be able to demonstrate the knowledge of any and all applicable industry standards, laws and regulations; and the ability to both market to and service NJPA Members in all 50 states. All proposals received will be evaluated based on (among several other factors) their ability to provide the greatest utility to NJPA and NJPA Members and across the widest spectrum of services and products.

1.11 A response to this RFP can be in the form of a Line-Item Pricing and/or Percentage Discount from Catalog or Category Pricing purchasing contract. NJPA desires a relationship with a vendor providing a broad array of services, supplies, accessories anticipated and generally requested and desired by NJPA members from the “**UNIFORMS AND/OR UNIFORM SERVICES TOGETHER WITH RELATED ACCESSORIES**” industry. Those services and products must include those most commonly used and desired by NJPA and its Members. NJPA is seeking a Prime and Exclusive Vendor relationship to best serve the overall needs of NJPA and NJPA Members nationally.

1.13 Multiple Awards: Although it is NJPA’s intent to award a contract to a single Vendor, NJPA reserves the right to award a Contract to multiple Proposers where the responding Proposers are deemed to lack the ability to appropriately service a national contract or such action is deemed to be in the best interests of NJPA and its Members

1.14 Award by Board of Directors: An Award of Contract may be made by the NJPA Board of Directors based on the recommendation of the NJPA Proposal Review Committee and on the best interests of NJPA and its Members. NJPA is seeking a Prime, Exclusive Vendor relationship(s) to meet this need. The goal and intent of this RFP is to follow through with a proposal award and contract to be marketed nationally through a cooperative effort between the awarded vendor(s) and NJPA to its participating members.

1.15 Best Responsive – Responsible Proposer: It is the intent of NJPA to award a Contract to the best responsible and responsive Proposer(s) offering the best overall quality and selection of services/products and services meeting the commonly requested specifications of the NJPA and NJPA Members, provided the Proposer’s Response has been submitted in accordance with the requirements of this RFP.

1.16 Sealed Proposals: NJPA will receive sealed proposal responses to this RFP in accordance with accepted standards set forth in the Minnesota Procurement Code and Uniform Municipal Contracting Law. Awards may be made to responsible and responsive Proposers whose proposals are determined in writing to be the most advantageous to NJPA and its current or qualifying future NJPA Members.

1.17 Use of Contract: Any Contract resulting from this solicitation shall be awarded with the understanding that it is for the sole convenience of NJPA and its Members. NJPA and/or its members reserve the right to obtain like goods and services solely from this Contract or from another contract source of their choice. NJPA most desires an Exclusive Contract to a qualifying Proposer together with their network of service providers demonstrating a solution which meets or exceeds the needs of NJPA or

NJPA Members within the scope of “**UNIFORMS AND/OR UNIFORM SERVICES TOGETHER WITH RELATED ACCESSORIES**”. Qualifying Proposers must be able to demonstrate knowledge of applicable industry standards, laws and regulations. National Proposers must also demonstrate the ability to both market to and service NJPA Members in all 50 states, with potential to serve internationally. All proposals received will be evaluated based on (among other factors) your ability to provide the greatest utility to NJPA and NJPA Members and across the widest spectrum of services/products.

1.18 NJPA’s Interest in a contract resulting from this RFP: Notwithstanding its own use, to the extent NJPA issues this RFP and any resulting contract for the use of its Members, NJPA’s interests and liability for said use shall be limited to the competitive proposal process performed and terms and conditions relating to said contract and shall not extend to the services, products, or warranties of the Awarded Vendor or the intended or unintended effects of the goods and services procured there from.

1.19 Sole Source of responsibility- NJPA desires a “Sole Source of Responsibility” Vendor meaning the Vendor will take sole responsibility for the performance of delivered services/products. NJPA also desires sole responsibility with regard to:

1.19.1 Scope of Services/products: NJPA desires a single provider for the broadest possible scope of the goods and services being proposed over the largest possible geographic area and to the largest possible cross-section of NJPA Members.

1.19.2 Vendor use of sub-contractors in sourcing or delivering goods and services: NJPA desires a single source of responsibility for services/products proposed. Proposer’s are assumed to have sub-contractor relationships with all organizations and individuals whom are external to the Proposer and are involved in providing or delivering the goods and services being proposed. Vendor assumes all responsibility for the services/products and actions of any such Sub-Contractor.

E. SCOPE OF THIS PROPOSAL

Proposers will be expected to express willingness to explore service to NJPA Members located abroad; however the lack of ability to serve Members outside of the United States will not be cause for non-award. The ability to serve Canada, for instance, will be viewed as a value-added attribute.

1.22 Contract Term: A contract resulting from this RFP will become effective the date of execution by NJPA of the “Offering and Award” (Form D). NJPA is seeking a Contract base term of four years subject to annual renewals as allowed by Minnesota Contracting Law. Full term is expected, however will only occur through successful annual renewals. One additional one-year renewal-extension may be offered by NJPA to Vendor beyond the original four year term if NJPA deems such action to be in the best interests of NJPA and its Members.

1.23 Minimum Contract Value: NJPA anticipates considerable activity resulting from this RFP and subsequent award; however no commitment of any kind is made concerning actual quantities to be acquired. NJPA does not guarantee usage. Usage will depend on the actual needs of the NJPA Members and the value of the awarded contract.

1.24 Estimated Contract Volume: Estimated quantities and sales volume are based on potential usage by NJPA and NJPA Members.

1.25 Largest Possible Solution: If applicable, Contracts will be awarded to Proposer(s) able to deliver a proposal meeting the entire needs of NJPA and its Members within the scope of this RFP. NJPA prefers Proposers submit their complete product line of services and products described in the scope of this RFP. NJPA reserves the right to reject individual, or groupings of specific services/products proposals as a part of the award.

1.25 Contract Availability: This Contract must be available to all current and potential NJPA Members who choose to utilize this NJPA Contract to include all governmental agencies, public and private primary and secondary education agencies, and all non-profit organizations nationally.

1.28 Industry Standards: Except as contained herein, the specifications or solutions for this RFP shall be those accepted guidelines set forth by the **UNIFORMS AND/OR UNIFORM SERVICES TOGETHER WITH RELATED ACCESSORIES** industry, as they are generally understood and accepted within that industry across the nation. Submitted services/products, related services, and their warranties and assurances are required to meet and/or exceed all current, traditional and anticipated needs and requirements of NJPA and NJPA Members.

1.28.1 Deviations from industry standards must be identified by the Proposer and explained how, in their opinion, the services/products they propose will render equivalent functionality, coverage, performance, and/or service. Failure to detail all such deviations may comprise sufficient grounds for rejection of the entire proposal.

1.29 Important note: NJPA does not typically offer specific product and service specifications; rather NJPA is requesting an industry standard or accepted specification for the requested services and products. Where specific line items are specified, those line items should be

considered the minimum which can be expanded by the Proposer to deliver the Proposer's "Solution" to NJPA and NJPA Member's needs.

3.26 Value added services/products and expanded services, as they relate to RFP, will be given positive consideration in the award selection. Consideration will be given to an expanded selection of **UNIFORMS AND/OR UNIFORM SERVICES TOGETHER WITH RELATED ACCESSORIES**, and advances to provide services/products, supplies meeting and/or exceeding today’s industry standards and expectations. A value add would include a program or service that further serves the members needs above and possibly beyond standard expectation and complements the services/products and training. Value add could include areas of product and service, sales, ordering, performance, maintenance,

technology, and service that furthers the functionality and effectiveness of the procurement process while remaining within the scope of RFP.

3.27 Minority, Small Business, and Women Business Enterprise (WMBE) participation: It is the policy of some NJPA Members to involve Minority, Small Business, and WMBE contractors in the purchase of goods and services. Vendors should document WMBE status for their organization AND any such status of their affiliates (i.e. Supplier networks) involved in carrying out the activities invited. The ability of a Proposer to provide “Credits” to NJPA and NJPA Members in these subject areas, either individually or through related entities involved in the transaction, will be evaluated positively by NJPA. NJPA is committed to facilitating the realization of such “Credits” through certain structuring techniques for transactions resulting from RFP.

3.28 Environmentally Preferred Purchasing Opportunities: There is a growing trend among NJPA Members to consider the environmental impact of the services/products they purchase. Please identify any “Green” characteristics of the goods and services in your proposal and identify the sanctioning body determining that characteristic. Where appropriate, please indicate which services/products have been certified as “green” and by which certifying agency.

3.29 On-Line Requisitioning systems: When applicable, on-line requisitioning systems will be viewed as a value-added characteristic. Proposer shall include documentation about user interfaces that make online ordering easy for NJPA Members as well as the ability to punch-out from mainstream e-Procurement or Enterprise Resource Planning (ERP) systems that NJPA Members may currently utilize.

3.30 Financing: The ability of the Proposer to provide financing options for the services and products being proposed will be viewed as a Value Added Attribute.

In addition, Proposer shall require all subcontractors occupying the premises or performing work under the contract to obtain an insurance certificate showing proof of Workers Compensation Coverage with the following minimum coverage’s: Bodily injury by accident--per employee \$100,000; Bodily injury by disease--per employee \$100,000; Policy limits \$500,000.

(2) Commercial General Liability Policy per occurrence \$1,000,000.

(3) Business Auto Policy to include but not be limited to liability coverage on any owned, non-owned and hired vehicle used by Proposer or Proposer’s personnel in the performance of this Contract. The Business Automobile Policy shall have a per occurrence limit of \$1,000,000.

3.33 The foregoing policies shall contain a provision that coverage afforded under the policies will not be

canceled, or not renewed or allowed to lapse for any reason until at least thirty (30) days prior written notice has been given to NJPA. Certificates of Insurance showing such coverage to be in force shall be filed with NJPA prior to commencement of any work under the contract. The foregoing policies shall be obtained from insurance companies licensed to do business nationally and shall be with companies acceptable to NJPA, which must have a minimum AM Best rating of A-. All such coverage shall remain in full force and effect during the term and any renewal or extension thereof.

3.34 Within ten (10) days of contract award, the Proposer must provide NJPA with two (2) Certificates of Insurance. Certificates must reference NJPA RFP 012111 by number.

J. ORDER PROCESS AND/OR FUNDS FLOW

3.35 Please propose an order process and funds flow in Tab 9 for your proposal. Please choose from one of the following:

3.35.1 B-TO-G: The Business-to-Government order process and/or funds flow model involves NJPA Members issuing Purchase Orders directly to a Vendor and pursuant to a Contract resulting from this RFP.

3.35.2 Other: Please fully identify.

K. ADMINISTRATIVE FEES

3.37 Proposer agrees to authorize and/or allow for an administrative fee payable to NJPA by an Awarded Vendor in exchange for its facilitation and marketing of a Contract resulting from this RFP to current and potential NJPA Members. This Administration Fee shall be:

3.37.1 Calculated as a percentage of the dollar volume of all services/products provided to and purchased by NJPA Members or calculated as reasonable and acceptable method applicable to the contracted transaction, and

3.37.2 Included in, and not added to, the pricing included in Proposer's Response to this RFP, and

3.37.3 Set based on the anticipated costs of NJPA's involvement in facilitating the establishment, Vendor training, and the order/product/funds flow of the Contract resulting from this RFP.

3.37.3.1 Typical administrative fees for a B-TO-G order process and funds flow is 2.0%.

3.38 The opportunity to propose these factors and an appropriate administrative fee is available in the Proposer's Questionnaire, and submitted in Tab 9 of your response.

4. PRICING STRATEGIES

4.1 NJPA requests Potential Proposers respond to RFP only if they are able to offer a wide array of services/products and at prices lower and better value than what they would ordinarily offer to single government agency, larger school district or regional cooperative.

4.2 RFP is an "Indefinite Quantity Service/products Price Request" with potential national sales distribution and service. Proposers are agreeing to fulfill Contract obligations regarding each service/products to which you provide a description and a price. If your solution requires additional supporting documentation, describe where it can be found in your submission. If Proposer offers the solution in an alternative fashion, describe your solution to be easily understood. All pricing must be tabbed and organized under Tab 9, and copied on a CD along with other requested information as a part of a Proposer's Response.

4.3 Regardless of the payment method selected by NJPA or NJPA Member, a total cost associated with any purchase option of the services/products and being supplied must always be disclosed at the time of purchase.

4.4 Primary Pricing/Secondary Pricing Strategies- All proposers will be required to submit “Primary Pricing” in the form of either “Line-Item Pricing,” “Percentage Discount from Catalog Pricing,” or a combination of these two pricing strategies. Proposers are also encouraged to offer OPTIONAL pricing strategies including “Hot List,” “Sourced Goods,” and “Volume Discounts,” as well as financing options such as leasing.

A. LINE-ITEM PRICING

4.5 Line-Item pricing- A pricing format where specific individual services/products are offered at specific individual Contract prices. Services/products are individually priced and described by (where applicable) characteristics such as manufacturer name, stock or part number, size, or functionality. This method of pricing offers the least amount of confusion as service/products prices are individually identified, however Proposers with a large number of services/products to propose may find this method cumbersome. In these situations, a percentage discount from catalog or category pricing model may make more sense.

4.6 Unit Pricing: Unit Pricing is a line-item technique of pricing for services/products including the related services/products on a unitized basis. The unitized basis may be per quantitative measure such as per service, per square foot, per lineal foot or per occurrence. As an example (not necessarily related to the scope of this RFP), sheetrock may be line item priced as a product only, delivered to the end users location, AND unit priced delivered and installed at that end users location. The sheetrock, hung and taped logical combination of product and service and could be priced per square foot. Whether pricing services or logical combinations of services/services and products, pricing per unit of product/product and service must be quoted (i.e. cost per square foot of sheetrock hung and taped).

4.8 Line-Item Pricing items or services are to be submitted in an Excel spreadsheet format and are to include all appropriate identification information necessary to discern the line item from other line items in each Proposer’s proposal.

4.9 The purpose for the excel spreadsheet format for Line-Item Pricing is to be able to use the “Find” function to quickly find any particular item of interest. For that reason, Proposers are responsible for providing the appropriate product and service identification information along with the pricing information which is typically found on an invoice or price quote for such services/products.

4.10 All services/products typically appearing on an invoice or price quote must be individually priced and identified on the line-item price sheet, including any and all ancillary costs.

4.11 Proposers are asked to provide both a “List” price as well as a “Proposed Contract Price” in their pricing matrix. “List” price will be the standard “quantity of one” price currently available to government and educational customers excluding cooperative and volume discounts.

B. PERCENTAGE DISCOUNT FROM LIST

4.12 Percent Discount From Published List or Catalog or Category Pricing- A specific percentage discount from a “Base or List Price” defined as a published manufacturers list, or catalog price for the services/products being proposal. The “Base or List Price” is the price charged to an average government/education buyer absent reductions for cooperative or volume purchasing agreements.

4.13 A Percentage Discount from Catalog or Category Pricing identifies a percentage discount to be applied to a “Base Price” for services from one or more published catalogs. The “Base Price” will be the price generally applicable to government and education customers absent the discounts contemplated herein. The catalog may be published by the Proposer or by the Proposer’s supplier. “Published” means generally available to a dealer network distributing those services and products being proposed in either print or electronic formats where an “Auditor” may verify the “Base Price” of a service proposed during the term of a Contract.

4.14 When a Proposer elects to use “Percentage Discount from Catalog or Category,” Proposer will be responsible for providing and maintaining current “Base or List Pricing” with NJPA both in their proposal and throughout the term of any Contract resulting from this RFP.

4.15 New “Base or List Price” Catalogs may be submitted for review throughout the term of the Contract. NJPA reserves the right to review subsequent catalogs submitted to determine if the represented services reflect the contracted services. Each new catalog received may have the effect of adding new product offerings and deleting products no longer carried by the Vendor. New catalogs shall apply to the Contract only upon approval of the NJPA. Non-approved use of catalogs will result in termination for convenience. New price lists or catalogs found to be offering non-contract items during the Contract would be grounds for terminating the Contract for convenience. New optional accessories for services may be added to the Contract at the time they become available.

C. HOT LIST PRICING

4.16 Where applicable, NJPA also invites the Vendor, at their option, to offer a specific selection of services/products, defined as a Hot List Pricing, at greater discounts than those listed in the standard Contract pricing. All service/products pricing, including the Hot List Pricing, must be submitted in hard copy as well as electronically provided in Excel format. Hot List pricing must be submitted in a Line-Item format. Providing a “Hot List” of services/products is optional. Services/products may be added or removed from the “Hot List” at any time provided that current “Hot List” prices are provided to NJPA at all times.

4.17 Hot List pricing when applicable may also be used to discount and liquidate close-out and discontinued services/products as long as those close-out and discontinued items are clearly labeled as such. Current ordering process and administrative fees apply. This option must be published and made available to all NJPA Members.

4.18 Hot List Pricing is allowed to change at the discretion of the Vendor within the definition of Hot List Pricing. The Vendor is responsible to maintain current Hot List service/products descriptions and Pricing with NJPA.

D. CEILING PRICE

4.19 Proposal pricing is to be established as a ceiling price. At no time may the proposed services/products be offered pursuant to this Contract at prices above this ceiling price without approval by NJPA. Prices may be reduced to allow for volume considerations and to meet the specific and unique needs of an NJPA Member.

4.20 Allowable specific needs may include certain purchase volume considerations or the creation of custom programs based on the individual needs of NJPA Member.

E. VOLUME PRICE DISCOUNTS

4.21 Proposer’s are free to offer volume discounts from the quantity-of-one pricing documented in a Contract resulting from this RFP. Volume considerations shall be determined between the Vendor and individual NJPA Members on a case-by-case basis.

4.22 Nothing in this Contract establishes a favored member relationship between the NJPA or any NJPA Member and the Vendor. The Vendor will, upon request by NJPA Member, extend this same reduced price offered or delivered to another NJPA Member provided the same or similar volume commitment, specific needs, terms and conditions, and similar time frame, seasonal considerations and provided the same manufacturer support is available to the Vendor.

F. SOURCED GOODS OR SERVICES

4.23 NJPA and NJPA Members may, from time to time, request goods and/or services/products within the scope of RFP which are not included in an awarded Vendor's line-item product /service listing or "list or catalog" known as Sourced Goods and services.

4.24 An awarded Vendor resulting from RFP may "Source" these service/products for NJPA or NJPA Member to the extent they:

4.24.1 Provide as many quotes for the Member's "Total Cost of Acquisition" for the goods and services to be sourced as may reasonably be required by NJPA or NJPA Member.

4.24.2 Provide "Sourced Goods" only to the extent that they are incidental to the total transaction being contemplated.

G. TOTAL COST OF ACQUISITION

4.25 The Total Cost of Acquisition for the services/products being proposed, including those payable by NJPA Members to either the Proposer or a third party, shall be disclosed in the Proposer's response including but not limited to:

- The capitalized cost of the listed services/products being proposed,
- The cost of accessories, alterations, and customizations typically incurred in the acquisition of the services/products being proposed.
- The cost of delivery, setup and installation (where applicable) of the services/products and any accessories being proposed.
- Other costs, where applicable, typically associated with the purchase, delivery, set-up, and installation of the services/products being proposed and making it operational at the purchaser's site.

H. REQUESTING SERVICE ADDITIONS/DELETIONS

4.26 Requests for service/products, and price additions, deletions or changes must be made in written form and shall be subject to approval by NJPA.

4.27 New services/products may be added to a Contract resulting from RFP at any time during that Contract to the extent those services/products are within the scope of RFP. Those requests are subject to review and approval of NJPA. Allowable new services/products generally include new updated models of services/products and or enhanced services previously offered which could reflect new technology and improved functionality.

4.28 NJPA's due diligence in analyzing any request for change is to determine if approval of the request is 1) within the scope of the original RFP, and 2) in the "Best Interests of NJPA and NJPA Members." We are looking for consistent pricing and delivery mechanisms and an understanding of what value the proposal brings to NJPA and NJPA Members.

4.29 Documenting the "Best Interests of NJPA and NJPA Members" when out-dated goods and services are being deleted is fairly straight forward since the product is no longer available and not relevant to the procurement Contract.

4.30 Requests must be in the form of (1) a cover letter to NJPA a) asking to add the service, b) making a general statement identifying how the services/products to be added are within the scope of the original RFP, and c) making a general statement identifying that, if appropriate, the pricing is consistent with the existing Contract pricing and (2) the detail as to what is being added at what price will then be an attachment to that cover letter.

4.31 NJPA’s intent here is to encourage Proposers, to provide and document NJPA’s due diligence in a clear and concise one page format on which we can stamp and sign our acknowledgment and acceptance. This information must ultimately come from Proposers, and NJPA are requiring it in this format.

I. REQUESTING PRICING CHANGES

4.32 Price Decreases: Requests for standard Contract price decrease adjustments (percentage discount increases) are encouraged and will be allowed at any time based on market place efficiencies, market place competitiveness, improved technologies and/or improved methods of delivery or if Vendor engages in innovative procurement practices such as strategic sourcing, aggregate and volume purchasing. NJPA expects Vendors to propose their very best prices and anticipates price reductions due to the advancement of technologies and market place efficiencies. Documenting the “Best Interests of NJPA and NJPA Members” is pretty easy when we are documenting price reductions.

4.33 Price increases: Requests for standard contract price increases (or the inclusion of new generation services/products/services at higher prices) can be made at any time. These requests will again be evaluated by NJPA based on the best interests of NJPA and NJPA Members. As an example, typically acceptable requests for price increases for existing services/products may cite increases to the Vendor of input costs such as petroleum or other applicable commodities. Typically acceptable requests for price increases for new services/products enhance or improve on the current solutions currently offered as well as cite increases in utility of the new compared to the old. Vendors are requested to reasonably document the claims cited in their requests. Your written request for a price increase, therefore, is an exercise in describing what you need, and a justification for why you need it in sufficient detail for NJPA to deem such change to be in the best interests of our self and our Members.

4.34 Price Change Request Format: An awarded Proposer will use the format of a cover letter requesting price increases in general terms (a 5% increase in product line X) and stating their justification for that price increase (due to the recent increase in petroleum costs) by service category. Specific details for the requested price change must be attached to the request letter identifying service/productss where appropriate, both current and proposed pricing. Attachments such as letters from suppliers announcing price increases are appropriate for documenting your requests here.

J. PRICE AND SERVICE CHANGES FORMAT

4.35 NJPA’s due diligence regarding service and price change requests is to consider the reasonableness of the request and document consideration on behalf of our members. We would appreciate it if you would send the following documentation to request a pricing change:

4.35.1 A cover letter:

- a. Please address the following subjects in your cover letter:
 - i. What service/products prices are changing?
 - ii. How much are the prices changing?
 - iii. Why are the prices changing?
 - iv. Any additions or deletions from the previous service list and the reason for the changes.
- b. The specifics of the service/productss and price changes will be listed in the excel spreadsheets indentified below. Please take a more general “Disclosure” approach to identifying changes in the cover letter.
 - i. If appropriate, **for example**, state, “All paper services/products increased 5 % in price due to transportation costs.”
 - ii. If appropriate, for instance, state, “The 6400 series floor polisher added to the product list is the new model replacing the 5400 series. The 6400’s 3% price increase reflects the rate of inflation over the past year. The 5400 series is now

included in the “Hot List” at a 20% discount from previous pricing until remaining inventory is liquidated.”

4.35.2 An excel spreadsheet identifying all services/products being offered and their pricing. Each subsequent pricing update will be saved using the naming convention of “[Vendor Name] pricing effective XX/XX/XXXX.”

- a. Include all services/products regardless of whether their prices have changed. By observing this convention we will:
 - i. Reduce confusion by providing a single, easy to find, current pricing sheet for each Vendor.
 - ii. Create a historical record of pricing.

K. SINGLE STATEMENT OF PRICING/HISTORICAL RECORD OF PRICING

4.36 Initially; and with each request for product addition, deletion, and pricing change; all services/services and products available, and the prices for those services/services and products will be stated in an Excel workbook. The request for price changes described above will serve as the documentation for those requested changes. Each complete pricing list will be identified by its “Effective Date.” Each successive price listing identified by its “Effective Date” will create a “Product and Price History” for the Contract.

4.37 Proposer’s may use the multiple tabs available in an Excel workbook to separately list logical product groupings or to separately list product and service pricing as they see fit.

4.38 All services/products together with their pricing, whether changed within the request or remaining unchanged, will be stated on each “Pricing” sheet created as a result of each request for product, service, or pricing change.

4.39 Each subsequent “Single Statement of Product and Pricing” will be archived by its effective date therefore creating a product and price history for any Contract resulting from RFP.

L. PAYMENT TERMS

4.40 Payment terms will be defined by the Proposer in the Proposer’s Response. Proposers are encouraged to offer payment terms through P Card services.

4.41 Leasing- If available, identify any leasing programs available to NJPA and NJPA Members as part of your proposed. Proposers must submit an example of the lease agreement to be used. Proposers must identify:

- General leasing terms such as:
 - The percentage adjustment over/under an index rate used in calculating the internal rate of return for the lease; and
 - The index rate being adjusted; and
 - The “Purchase Option” at lease maturity (\$1, or fair market value); and
 - The available term in months of lease(s) available.
- Leasing company information such as:
 - The name and address of the leasing company; and
 - Any ownership, common ownership, or control between the Proposer and the Leasing Company.

M. SALES TAX

4.41 Sales and other taxes, where applicable, shall not be included in the prices quoted. Vendor will charge state and local sales and other taxes on items for which a valid tax exemption certification has not been provided. Each NJPA Member is responsible for providing verification of tax exempt status to Vendor. When ordering, if applicable, NJPA Members must indicate that they are tax exempt entities.

Except as set forth herein, no party shall be responsible for taxes imposed on another party as a result of or arising from the transactions contemplated by a Contract resulting from RFP.

N. NORMAL WORKING HOURS

4.52 Prices quoted are for services/products delivered during normal business hours. Normal Business hours will be as specifically defined herein, defined through industry standards OR defined through statement contained in the purchase/work order issued pursuant to a Contract resulting from RFP.

5. MARKETING PLAN

5.1 Internal Marketing Plan: An award of Contract resulting from RFP is an opportunity for the awarded contractor to pursue commerce with, and deliver value to NJPA and NJPA Members nationwide. An award of Contract is not an opportunity to see how much business NJPA can drive to an awarded Vendor's door. Your internal marketing plan should serve to:

5.1.1 Identify the appropriate levels of sales management whom will need to understand the value of, and the internal procedures necessary to deliver this Contract opportunity to NJPA and NJPA Members through your sales force.

5.1.2 Identify, in general, your national foot print and dedicated feet-on-the-street sales force who will be carrying this Contract message and opportunity in the field to NJPA Members. Outline the sale force in terms of numbers and geographic distribution.

5.1.2.1 Identify whether your sales force are employees or independent contractors.

5.1.3 Identify your plan for delivering training to these individuals.

5.1.3.1 Will you have your sales force gathered at national or regional events in the near future? Does your sales force have the ability to participate in webinar or webcast events?

5.1.3.2 NJPA is prepared to provide our personnel in your location for sales training and/or on a webinar or webcast where sufficient efficiencies can be shown in reaching the appropriate groups within your employee base, and sufficient numbers of personnel trained.

5.1.4 Identify your personnel involved in training.

5.1.4.1 NJPA can provide personnel to deliver training regarding the Contract itself, the authority of NJPA to offer the Contract vehicle to its Members, the value the Contract vehicle delivers to NJPA and NJPA Members, the scope of NJPA Membership, and the authority of NJPA Members to utilize our procurement contracts.

5.1.4.2 Your personnel will be needed to provide training regarding employee compensation and internal procedures when delivering the Contract opportunity, and how this Contract purchasing opportunity relates with other such opportunities available.

5.2 Success in marketing is dependent upon 1) the delivery of value as defined herein, 2) the delivery of knowledge of the program and its proper use and utility, and 3) the delivery of opportunity and reward which creates a personal commitment to the program. NJPA desires a marketing plan that:

5.2.1 Identifies the value delivered in a competitively proposed national cooperative procurement contract by relieving both the NJPA Member and the Vendor/Vendor's sales staff of the responsibility for bringing and answering many similar and individual RFP's; and

5.2.2 Identifies the appropriate Vendor personnel from both management and sales staff's who will be trained on the use and utility of such a contract and a general schedule of when and how those individuals will be trained; and

5.2.3 Identifies in general how the reward system for the marketing, delivery, and service chain of the Vendor will be affected by the implementation of the proposed Contract and how that will be proposed to those individuals in terms of the value created for them and their departments in 5.1.1 above.

5.3 External Marketing Plan: NJPA is seeking the ability to serve all our current and potential members nationwide. The Proposer must demonstrate the ability to both market and service their services/products nationwide. Please demonstrate your sales and service force contains sufficient people in sufficient proximities, to receive the knowledge, opportunity, and reward in order to make a personal commitment to serving NJPA and NJPA Members nationwide.

5.4 The Proposer must exhibit the willingness and ability to develop marketing materials and participate in marketing venues such as:

5.4.1 Printed Marketing Materials. Proposer will initially produce and thereafter maintain full color print advertisements in camera ready electronic format including company logos, identifying the Vendor, the Vendor's general utility for NJPA and NJPA Members, and contact information to be used by NJPA and NJPA Members in a full page, half page, and quarter page formats. These advertisements will be used in the NJPA Catalog and publications.

5.4.2 Press releases and advertisements. Proposer will identify a marketing plan identifying their anticipated press releases, contract announcements, advertisements in industry periodicals, or other direct or indirect marketing activities.

5.4.3 Proposer's Website. Proposer will identify how an Awarded Contract will be displayed on the Proposer's website. An on-line shopping experience for NJPA and NJPA Members is desired when applicable and will be viewed as a value-added attribute to a Proposer's response.

5.4.4 Trade Shows. Proposer will outline their proposed involvement in the promotion of a Contract resulting from RFP through trade shows. Vendors are encouraged to identify trade-show, and other appropriate venues, for the promotion of any such Contract. Vendors are strongly encouraged to participate in cooperation with NJPA at the following NJPA embraced trade shows:

NAEP	National Association of Education Procurement
I-ASBO	International Association of School Business Officials
NIGP	National Institute of Government Purchasing

5.5 Proposer must also work in cooperation with NJPA to develop a marketing strategy and provide avenues to equally market and drive sales through the Contract and program to all NJPA Members nationally. Awarded Vendor agrees to actively market in cooperation with NJPA all available services/products to current and potential NJPA Members. NJPA reserves the right to deem a proposer non-responsive or to waive an award based on an unacceptable marketing plan.

5.6 As a part of this response, submit a complete Marketing Plan on how you would help NJPA rollout this program to current and potential NJPA Members. NJPA requires the Vendor actively promote the Contract in cooperation with the NJPA. Vendors are advised to consider marketing efforts in the areas of 1) Website Link from Vendors website to NJPA's website, 2) Attendance and participation with a display booth at national trade shows as agreed upon/required by NJPA, and 3) Sales team and sales training

programs involving both Vendor sales management and NJPA staff. NJPA requires awarded Vendors to offer the NJPA Contract opportunity to all current and qualified NJPA Members.

5.7 Facilitating NJPA Membership: Proposer should express their commitment to determine the membership status of their customers whom are eligible for NJPA Membership, AND their commitment to establishing that membership.

5.7.1 Membership information: Proposer should further express their commitment to capturing sufficient member information as is deemed necessary by NJPA to appropriately facilitate membership and certain marketing activities as agreed to by NJPA and an Awarded contractor.

7. EVALUATION OF PROPOSALS

7.1 NJPA will use a 1000-Point Evaluation System to help determine the best overall Proposer(s) selection. Bonus points may be available for specific proposal characteristics identified such as "Green Product Certifications."

7.2 NJPA reserves the right to use a "Cost Scoring Evaluation" through a product comparison process of like services/products. This process will establish points for submitted price levels. See Cost Scoring Evaluation.

7.3 NJPA shall use a final overall scoring system to include consideration for best price and cost evaluation. The total possible score is 1000 points. NJPA reserves the right to assign any number of point awards or penalties it considers warranted if a Proposer stipulates exceptions, exclusions, or limitations of liabilities.

7.4 To qualify for the final evaluation, a Proposer must have been deemed responsive as a result of the criteria set forth under "Proposer Responsiveness."

7.5 Responses will be evaluated first for responsiveness and thereafter for content. The NJPA Board of Directors will make awards to the selected Proposer(s) based on the recommendations of the Proposal Review Committee.

preparation, answering Proposer questions, advertising the solicitation, distribution of RFP upon request, conducting an evaluation and making recommendation for possible approval to NJPA Board of Directors.

B. PROPOSER RESPONSIVENESS
