

REQUEST FOR PROPOSAL: AUTOMATED RECRUITMENT AND SELECTION SYSTEM

Appendix F5: Implementation Plan

Vendor Name	
--------------------	--

Vendor must:

- detail the nature and scope of the Vendor's proposed direct involvement in setup and implementation
- describe methodology and tools which the Vendor will provide to assist OMB/HRM with implementation
- include a copy of a proposed project plan (or project plan used for a similar implementation) which includes tasks and objectives with estimated timelines based on past experience. (See instructions at the end of this appendix.)

Nature and Scope of Vendor Proposed Direct Involvement in Setup and Implementation

What State Resources/Support Will Be Need For Setup and Implementation

Methodology and Tools To Be Used

Attachment: Project Plan

Insert project plan below or include in a separate file labeled Vendor Name project plan. If included as a separate file, Vendor must add the file name to the Vendor Table of Contents (Appendix B).
