5"	13.50	14.50
		<u>\$ per sq. ft.</u>
Cost for detailed patterns in wearing course:		1.50
Clear Coat of Polyurethane coating material:		
Clear coat		2.75

Pave Edge \$8.00 per lineal foot

Add \$2.25 per square foot for aliphatic binder instead of polyurethane binder for all thicknesses. Determine critical fall height for playground required prior to determining thickness of material and necessary compacted stone base or hard base. Base material of compacted stone or hard base, such as concrete or asphalt must be specified prior to determining critical fall height and thickness of surface required. All base preparation is to be completed by others. Pricing is based on standard colors. Custom colors available for additional charge. Add \$750 fee for orders less than 1000 square feet in size. All prices are subject to change.
