

The following questions and answers regarding Delaware RFP GSS1264-ASGTM

Question and Answer regarding GSS12654-ASGTM

Question	Answer
In section II Scope of work under Detailed Requirements (D): it states that there will be no substitutions allowed on appendix A	YES. Bidders may present additional items as an additional tab in the Excel Spread Sheet. The State will welcome alternative presentation of such items. However, those items may or not become part of a final core list of awarded items in the contract.
