This includes repairing any failure of any magnitude, using Original Equipment Manufacturer (OEM) procedures and guidelines, OEM parts, and OEM recommended oils, seals, gaskets, supplies, etc. to have a single, responsible bidder capable of providing the services described within this agreement. It is not intended that this Preventative Maintenance plus Repair Service be subcontracted out to another vendor.

NOTE: This contract does not cover the replacement and/or rebuild of any equipment. No refrigeration equipment is included in the scope of this contract.

1. PREVENTATIVE MAINENANCE DEFINED

Providing all necessary labor, parts, materials, supplies, supervision that will allow for the successful bidder to perform regular, scheduled preventative and predictive maintenance tasks, utilizing equipment history, operating hours, and OEM requirements and procedures on a day-to-day basis. Minimum guidelines are provided in this document. **Preventative Maintenance shall be performed on a bi-annual (twice a year) basis. The “Preventative Maintenance required” section on the vendor proposal/price section is not all inclusive; vendor shall perform all preventative/maintenance services as standard preventative/maintenance services dictate.**

2. REPAIR SERVICE DEFINED

The successful bidder will not subcontract liabilities for equipment failures. Comprehensive routine maintenance should protect against most mechanical failures. Any failures that are covered within the scope of this agreement must be repaired without any delays. The covered equipment shall be returned to operational duty as quickly as good repair maintenance dictates. If so directed, around the clock service must be provided to return a failed piece of equipment to operating condition if it is of a critical nature. The Facility contact will determine “Critical Nature” of equipment. It is crucial to discuss this information with the Facility contact, Food Service Director or designee. The terms of this specification are for repair service of the listed equipment.
