1. INTRODUCTION

A. ABOUT NJPA

1.1 The National Joint Powers Alliance®- (NJPA)- is a public agency serving as a national municipal contracting agency established under the Service Cooperative statute by Minnesota Legislative Statute §123A.21 with the authority to develop and offer, among other services, cooperative procurement services to its membership. Eligible membership includes cities, counties, governmental agencies, both public and non-public educational agencies, colleges, universities and non-profit organizations. This Minnesota Statute also allows for service to NJPA Member agencies in Minnesota and all other states.

1.2 To this end, NJPA has established a series of procurement contracts with various Vendors of products/services which NJPA Members desire to procure. These procurement contracts are created in compliance with applicable Minnesota Municipal Contracting Laws. A complete listing of NJPA cooperative procurement contracts can be found at www.njpacoop.org.

1.3 NJPA's publicly elected Board of Directors calls for all proposals, awards all Contracts, and hosts those resulting Contracts and offers them for the benefit of its Membership.

1.4 NJPA currently serves over 30,000 member agencies. Both membership and utilization of NJPA Contracts continues to expand at exponential rates. The value of our Contracts driven to our Members is reflected in our growth.

B. JOINT EXERCISE OF POWERS LAWS

1.5 NJPA cooperatively shares those contracts with its Members nationwide through various "Joint Exercise of Powers Laws" established in Minnesota and most other States. The Minnesota "Joint Exercise of Powers Law" is Minnesota Statute §471.59 which states "Two or more governmental units...may jointly or cooperatively exercise any power common to the contracting parties..." Similar Joint Exercise of Powers Laws for each State of the United States can be found on our website at <http://www.njpacoop.org/LEARN/About/Legal.html> and clicking on that state at the bottom of the webpage.

C. WHY PROPOSE A NATIONAL COOPERATIVE PROCUREMENT CONTRACT

1.6 National Cooperative Procurement Contracts create value for both Municipal buyers and their Vendors of products/services in two ways:

1.6.1 We **save the time and effort** of many municipal buyers bringing individual procurement proposals AND the time and effort of the Vendors in responding individually to those invitations. A single invitation for a cooperatively held contract can replace potentially thousands of invitations for the same items from individual NJPA Members.

1.6.2 We earn **volume purchasing discounts** which are passed on to our Members. A single awarded Proposal is likewise exposed to thousands of potential Municipal purchasing units nationwide creating efficiency and savings to the business community as they sell products and services to government and education agencies.

1.7 State laws that permit or encourage cooperative purchasing contracts do so with the belief that lower prices, better overall value and time savings will be the result.

1.8 The collective purchasing power of thousands of NJPA Members nationwide offers the opportunity for volume pricing discounts. Although no volume is guaranteed by a Contract resulting from this RFP, substantial volume is anticipated and volume pricing is requested and justified.

1.9 NJPA and its Members desire the best value for their procurement dollar as well as a competitive price. Pre-competed procurement contracts offer NJPA and its Members the ability to more directly compare non-price factors in their procurement analysis and it offers Vendors the opportunity to display those attributes without the timing and interpretation constraints of a typical individual proposal process.

D. THE INTENT OF THIS RFP

1.10 The intent of this RFP is to award an Exclusive Single Award Contract to a qualifying manufacturer or distributor Proposer demonstrating a solution which meets and/or exceeds the requirements of NJPA and its Members within the scope of **PUBLIC UTILITY VEHICLES AND/OR SERVICES, APARATUS, EQUIPMENT AND/OR ACCESSPRIES**. Qualifying Proposers must be able to demonstrate the knowledge of any and all applicable industry standards, laws and regulations; and the ability to both market to and service NJPA Members in all 50 states, All proposals received will be evaluated based on (among several other factors) their ability to provide the greatest utility to NJPA and NJPA Members and across the widest spectrum of products and services.

1.11A response to this RFP can be in the form of a Line-Item Pricing and/or Percentage Discount from Catalog or Category Pricing purchasing contract. NJPA desires a relationship with a vendor providing a broad array of equipment, products, supplies, accessories and services anticipated and generally requested and desired by NJPA members from the **PUBLIC UTILITY VEHICLES AND/OR SERVICES, APARATUS, EQUIPMENT AND/OR ACCESSPRIES** industry. Those products and services must include those most commonly used and desired by NJPA and its Members. NJPA is seeking a Prime and Exclusive Vendor relationship to best serve the overall needs of NJPA and NJPA Members nationally.

1.12 Non-Manufacturer Awards: NJPA reserves the right to make an award related to this invitation to a non-manufacturer such as a mass distributor if such action is in the best interests of NJPA and its Members.

1.13 Multiple Awards: Although it is NJPA's intent to award a contract to a single Vendor, NJPA reserves the right to award a Contract to multiple Proposers where the responding Proposers are deemed to lack the ability to appropriately service a national contract or such action is deemed to be in the best interests of NJPA and its Members

1.14 Award by Board of Directors: An Award of Contract may be made by the NJPA Board of Directors based on the recommendation of the NJPA Proposal Review Committee and on the best interests of NJPA and its Members. NJPA is seeking a Prime, Exclusive Vendor relationship(s) to meet this need. The goal and intent of this RFP is to follow through with a proposal award and contract to be marketed nationally through a cooperative effort between the awarded vendor(s) and NJPA to its participating members.

1.15 Best Responsive – Responsible Proposer: It is the intent of NJPA to award a Contract to the best responsible and responsive Proposer(s) offering the best overall quality and selection of products/services and services meeting the commonly requested specifications of the NJPA and NJPA Members, provided the Proposer's Response has been submitted in accordance with the requirements of this RFP.

1.16 Sealed Proposals: NJPA will receive sealed proposal responses to this RFP in accordance with accepted standards set forth in the Minnesota Procurement Code and Uniform Municipal Contracting Law. Awards may be made to responsible and responsive Proposers whose proposals are determined in writing to be the most advantageous to NJPA and its current or qualifying future NJPA Members.

1.17 Use of Contract: Any Contract resulting from this solicitation shall be awarded with the understanding that it is for the sole convenience of NJPA and its Members. NJPA and/or its members reserve the right to obtain like goods and services solely from this Contract or from another contract source of their choice.

1.18 NJPA's Interest in a contract resulting from this RFP: Notwithstanding its own use, to the extent NJPA issues this RFP and any resulting contract for the use of its Members, NJPA's interests and liability for said use shall be limited to the competitive proposal process performed and terms and conditions relating to said contract and shall not extend to the products, services, or warranties of the Awarded Vendor or the intended or unintended effects of the goods and services procured there from.

1.19 Sole Source of responsibility- NJPA desires a "Sole Source of Responsibility" Vendor meaning the Vendor will take sole responsibility for the performance of delivered products/services. NJPA also desires sole responsibility with regard to:

1.19.1 Scope of Products/Services: NJPA desires a single provider for the broadest possible scope of the goods and services being proposed over the largest possible geographic area and to the largest possible cross-section of NJPA Members.

1.19.2 Vendor use of sub-contractors in sourcing or delivering goods and services: NJPA desires a single source of responsibility for products/services proposed. Proposer's are assumed to have sub-contractor relationships with all organizations and individuals whom are external to the Proposer and are involved in providing or delivering the goods and services being proposed. Vendor assumes all responsibility for the products/services and actions of any such Sub-Contractor.

E. SCOPE OF THIS RFP

1.20 Solutions Based Invitation:

1.20.1 All potential Proposers are assumed to be professionals in their respective fields. As professionals you are deemed to be intimately familiar with the spectrum of NJPA and NJPA Member's needs and requirements with respect to the scope of this RFP.

1.20.2 With this intimate knowledge of NJPA and NJPA Member's needs, Proposers are instructed to provide their proposal response in a format describing their solutions to those current and future needs and requirements. Proposers should take care to be economical in their response to this RFP.

1.20.3 Multiple solutions to the needs of NJPA and NJPA Member's are possible. **Examples could include:**

1.20.3.2 Turn-Key Solutions: A Turn-Key Solution is combination of materials and services which provides a single price for materials, delivery, and installation to a properly operating status. Generally this is the most desirable solution as NJPA and NJPA Members may not possess, or desire to engage, personnel with the necessary expertise to complete these tasks internally or through other independent contractors

1.20.3.3 Good, Better, Best: Where appropriate and properly identified, Proposers are invited to offer the CHOICE of good – better – best multiple grade solutions to NJPA and NJPA Member's needs.

identified spectrum of technology solutions to NJPA and NJPA Member's needs both now and into the future.

1.21 Geographic Area to be Proposed: This RFP invites proposals to provide **PUBLIC UTILITY VEHICLES AND/OR SERVICES, APARATUS, EQUIPMENT AND/OR ACCESSPRIES** to NJPA and NJPA Members throughout the entire United States and possibly internationally. Proposers will be expected to express willingness to explore service to NJPA Members located abroad; however the lack of ability to serve Members outside of the United States will not be cause for non-award. The ability to serve Canada, for instance, will be viewed as a value-added attribute.

1.22 Manufacturer as a Proposer: If the Proposer is a Manufacturer or wholesale distributor, the response received will be evaluated on the basis of a response made in conjunction with that Manufacturer's Dealer Network. Unless stated otherwise, a Manufacturer or wholesale distributor Proposer is assumed to have a documented relationship with their Dealer Network where that Dealer Network is informed of, and authorized to accept, purchase orders pursuant to any Contract resulting from this RFP on behalf of the Manufacturer or wholesale distributor Proposer. Any such dealer will be considered a sub-contractor of the Proposer/Vendor. The relationship between the Manufacturer and wholesale distributor Proposer and its Dealer Network may be proposed at the time of the proposed submission if that fact is properly identified.

1.23 Dealer/Re-seller as a Proposer: If the Proposer is a dealer or re-seller of the products and/or services being proposed, the response will be evaluated based on the Proposer's authorization to provide those products and services from their manufacturer. Where appropriate, Proposers must document their authority to offer those products and/or services.

1.24 Contract Term: A contract resulting from this RFP will become effective the date of execution by NJPA of the "Offering and Award" (Form D). NJPA is seeking a Contract base term of four years subject to annual renewals as allowed by Minnesota Contracting Law. Full term is expected, however will only occur through successful annual renewals. One additional one-year renewal-extension may be offered by NJPA to Vendor beyond the original four year term if NJPA deems such action to be in the best interests of NJPA and its Members.

1.25 Minimum Contract Value: NJPA anticipates considerable activity resulting from this RFP and subsequent award; however no commitment of any kind is made concerning actual quantities to be acquired. NJPA does not guarantee usage. Usage will depend on the actual needs of the NJPA Members and the value of the awarded contract.

1.26 Estimated Contract Volume: Estimated quantities and sales volume are based on potential usage by NJPA and NJPA Members.

1.27 Largest Possible Solution: If applicable, Contracts will be awarded to Proposer(s) able to deliver a proposal meeting the entire needs of NJPA and its Members within the scope of this RFP. NJPA prefers Proposers submit their complete product line of products and services described in the scope of this RFP. NJPA reserves the right to reject individual, or groupings of specific products/services proposals as a part of the award.

1.28 Contract Availability: This Contract must be available to all current and potential NJPA Members who choose to utilize this NJPA Contract to include all governmental agencies, public and private primary and secondary education agencies, and all non-profit organizations nationally.

1.29 Proposer's Commitment Period: In order to allow NJPA the opportunity to evaluate each proposal thoroughly, NJPA requires any response to this solicitation be valid and irrevocable for ninety (90) days after the date proposals were opened regarding this RFP.

F. EXPECTATIONS FOR PRODUCTS/SERVICES BEING PROPOSED

1.30 Industry Standards: Except as contained herein, the specifications or solutions for this RFP shall be those accepted guidelines set forth by the **PUBLIC UTILITY VEHICLES AND/OR SERVICES, APARATUS, EQUIPMENT AND/OR ACCESSPRIES** industry, as they are generally understood and accepted within that industry across the nation. Submitted products/services, related services, and their warranties and assurances are required to meet and/or exceed all current, traditional and anticipated needs and requirements of NJPA and its Members.

1.30.1 Deviations from industry standards must be identified by the Proposer and explained how, in their opinion, the products/services they propose will render equivalent functionality, coverage, performance, and/or service. Failure to detail all such deviations may comprise sufficient grounds for rejection of the entire proposal.

1.31 Important note: NJPA does not typically offer specific product and service specifications; rather NJPA is requesting an industry standard or accepted specification for the requested products and services. Where specific line items are specified, those line items should be considered the minimum which can be expanded by the Proposer to deliver the Proposer's "Solution" to NJPA and NJPA Member's needs.

1.32 Commonly used Goods and Services: It is important that the products/services submitted are the products/services commonly used by public sector entities.

1.33 New Current Model Goods: Proposals submitted shall be for new, current model products and services with the exception of certain close-out products allowed to be offered on the Proposer's "Hot List" described herein.

All products and equipment should carry a minimum industry standard manufacturer's warranty that includes materials and labor. The Proposer has the primary responsibility to submit, as a part of Tab 9, product specific warranty as required and accepted by industry standards. Dealer/Distributors agree to assist the purchaser in reaching a solution in a dispute over warranty's terms with the manufacturer. Any manufacturer's warranty which is effective past the expiration of the warranty will be passed on to the NJPA member. Failure to submit a minimum warranty may result in the non-award.

1.37 Proposer's Warrants: The Proposer warrants all goods and services furnished hereunder will be free from liens and encumbrances; and defects in design, materials, and workmanship; and will conform in all respects to the terms of this RFP including any specifications or standards. 3.26 Value added products/services and expanded services, as they relate to this RFP, will be given positive consideration in the award selection. Consideration will be given to an expanded selection of PUBLIC UTILITY VEHICLES AND/OR SERVICES, APARATUS, EQUIPMENT AND/OR ACCESSPRIES, and advances to provide products/services, supplies meeting and/or exceeding today’s industry standards and expectations. A value add would include a program or service that further serves the members needs above and possibly beyond standard expectation and complements the products/services and training. Value added could include areas of product and service, sales, ordering, delivery, performance, maintenance, technology, and service that furthers the functionality and effectiveness of the procurement process while remaining within the scope of this RFP.

3.27 Minority, Small Business, and Women Business Enterprise (WMBE) participation: It is the policy of some NJPA Members to involve Minority, Small Business, and WMBE contractors in the purchase of goods and services. Vendors should document WMBE status for their organization AND any such status of their affiliates (i.e. Supplier networks) involved in carrying out the activities invited. The ability of a Proposer to provide “Credits” to NJPA and NJPA Members in these subject areas, either individually or through related entities involved in the transaction, will be evaluated positively by NJPA. NJPA is committed to facilitating the realization of such “Credits” through certain structuring techniques for transactions resulting from this RFP.

3.28 Environmentally Preferred Purchasing Opportunities: There is a growing trend among NJPA Members to consider the environmental impact of the products/services they purchase. Please identify

any “Green” characteristics of the goods and services in your proposal and identify the sanctioning body determining that characteristic. Where appropriate, please indicate which products have been certified as “green” and by which certifying agency.

3.29 On-Line Requisitioning systems: When applicable, on-line requisitioning systems will be viewed as a value-added characteristic. Proposer shall include documentation about user interfaces that make on-line ordering easy for NJPA Members as well as the ability to punch-out from mainstream eProcurement or Enterprise Resource Planning (ERP) systems that NJPA Members may currently utilize.

3.30 Financing: The ability of the Proposer to provide financing options for the products and services being proposed will be viewed as a Value Added Attribute.

I. BID SECURITY

3.31 A bid security in the amount of \$10,000, in the form of a bid security or a cashier’s check payable to NJPA, will be required of all Proposers to insure the Proposer’s performance in completing the “Contract” contemplated herein. The bid security (or cashier’s check) will be released to the Proposer following the execution of all documents required to complete the proposed “Contract” or the end of the required 90 day commitment period, whichever comes first. Bid securities must be issued by an Admitted Surety rated A or better (an insurance organization authorized by the Insurance Commissioners in all 50 states to transact surety insurance during this calendar year).

- ACCEPTABLE BID SECURITY MUST BE PROVIDED WITH THE PROPOSAL SUBMITTAL.
- INDUSTRY STANDARD DOCUMENTS ARE ACCEPTABLE.
- THE BID SECURITY SHALL IDENTIFY NJPA AS THE OBLIGEE/PAYEE.
- THE BID SECURITY SHALL HAVE THE PROPOSER IDENTIFIED AS THE OBLIGOR/PAYOR.

3.32 THE PURPOSE OF THE NJPA SOLICITATION BID SECURITY IS TO ENSURE THAT THE AWARDED PROPOSER FOLLOWS THROUGH IN THE DEVELOPMENT AND EXECUTION OF THEIR MARKETING PLAN. NJPA RESERVES THE RIGHT TO ACTIVATE THE CASH VALUE OF THE BID SECURITY OR CASHIERS CHECK IN THE EVENT THE AWARDED PROPOSER FAILS TO INITIATE AND EMBRACE SAID MARKETING PLAN TO THE SATISFACTION OF NJPA.

J. CERTIFICATE OF INSURANCE

3.33 Proposer shall procure and maintain insurance which shall protect the Proposer and NJPA (as an additional insured) from any claims for bodily injury, property damage, or personal injury covered by the indemnification obligations set forth herein. The Proposer shall procure and maintain the insurance policies described below at the Proposer’s own expense and shall furnish to NJPA an insurance certificate listing the NJPA as certificate holder and as an additional insured. The insurance certificate must document that the Commercial General Liability insurance coverage purchased by the Proposer includes contractual liability coverage applicable to this Contract. In addition, the insurance certificate must provide the following information: the name and address of the insured; name, address, telephone number and signature of the authorized agent; name of the insurance company (authorized to operate in all fifty United States); a description of coverage in detailed standard terminology (including policy period, policy number, limits of liability, exclusions and endorsements); and an acknowledgment of notice of cancellation to the NJPA.

3.34 Proposer is required to maintain the following insurance coverage’s during the term of the NJPA Contract:

(1) Workers Compensation Insurance (Occurrence) with the following minimum coverage’s: Bodily injury by accident--per employee \$100,000; Bodily injury by disease--per employee \$100,000; Policy

limits \$500,000. In addition, Proposer shall require all subcontractors occupying the premises or performing work under the contract to obtain an insurance certificate showing proof of Workers Compensation Coverage with the following minimum coverage's: Bodily injury by accident--per employee \$100,000; Bodily injury by disease--per employee \$100,000; Policy limits \$500,000.

(2) Commercial General Liability Policy per occurrence \$1,000,000.

(3) Business Auto Policy to include but not be limited to liability coverage on any owned, non-owned and hired vehicle used by Proposer or Proposer's personnel in the performance of this Contract. The Business Automobile Policy shall have a per occurrence limit of \$1,000,000.

3.35 The foregoing policies shall contain a provision that coverage afforded under the policies will not be canceled, or not renewed or allowed to lapse for any reason until at least thirty (30) days prior written notice has been given to NJPA. Certificates of Insurance showing such coverage to be in force shall be filed with NJPA prior to commencement of any work under the contract. The foregoing policies shall be obtained from insurance companies licensed to do business nationally and shall be with companies acceptable to NJPA, which must have a minimum AM Best rating of A-. All such coverage shall remain in full force and effect during the term and any renewal or extension thereof.

3.36 Within ten (10) days of contract award, the Proposer must provide NJPA with two (2) Certificates of Insurance. Certificates must reference NJPA RFP 031710 by number.

K. ORDER PROCESS AND/OR FUNDS FLOW

3.37 Please propose an order process and funds flow in Tab 9 for your proposal. Please choose from one of the following:

3.37.1 B-TO-G: The Business-to-Government order process and/or funds flow model involves NJPA Members issuing Purchase Orders directly to a Vendor and pursuant to a Contract resulting from this RFP.

3.37.3 Other: Please fully identify.

I. ADMINISTRATIVE FEES

3.38 Proposer agrees to authorize and/or allow for an administrative fee payable to NJPA by an Awarded Vendor in exchange for its facilitation and marketing of a Contract resulting from this RFP to current and potential NJPA Members. This Administration Fee shall be:

3.38.1 Calculated as a percentage of the dollar volume of all products/services provided to and purchased by NJPA Members or calculated as reasonable and acceptable method applicable to the contracted transaction, and

3.38.2 Included in, and not added to, the pricing included in Proposer's Response to this RFP, and

3.38.3 Set based on the anticipated costs of NJPA's involvement in facilitating the establishment, Vendor training, and the order/product/funds flow of the Contract resulting from this RFP.

3.38.3.1 Typical administrative fees for a B-TO-G order process and funds flow is 2.0%.

3.39 The opportunity to propose these factors and an appropriate administrative fee is available in the Proposer's Questionnaire, and submitted in Tab 9 of your response.

4. PRICING STRATEGIES

4.1 NJPA requests Potential Proposers respond to this RFP only if they are able to offer a wide array of products/services and at prices lower and better value than what they would ordinarily offer to single government agency, larger school district, or regional cooperative.

4.2 RFP is an "Indefinite Quantity Product/Service Price Request" with potential national sales

distribution and service. Proposers are agreeing to fulfill Contract obligations regarding each product/service to which you provide a description and a price. If Proposer's solution requires additional supporting documentation, describe where it can be found in your submission. If Proposer offers the solution in an alternative fashion, describe your solution to be easily understood. All pricing must be tabbed and organized under Tab 9, and copied on a CD along with other requested information as a part of a Proposer's Response.

4.3 Regardless of the payment method selected by NJPA or NJPA Member, a total cost associated with any purchase option of the products/services and being supplied must always be disclosed at the time of purchase.

4.4 Primary Pricing/Secondary Pricing Strategies- All Proposers will be required to submit "Primary Pricing" in the form of either "Line-Item Pricing," "Percentage Discount from Catalog Pricing," or a combination of these two pricing strategies. Proposers are also encouraged to offer OPTIONAL pricing strategies including "Hot List," "Sourced Goods," and "Volume Discounts," as well as financing options such as leasing.

A. LINE-ITEM PRICING

4.5 Line-Item pricing- A pricing format where specific individual products and/or services are offered at specific individual Contract prices. Products and/or services are individually priced and described by characteristics such as manufacture name, stock or part number, size, or functionality. This method of pricing offers the least amount of confusion as products and prices are individually identified, however Proposers with a large number of products to propose may find this method cumbersome. In these situations, a percentage discount from catalog or category pricing model may make more sense.

4.6 Unit Pricing: Unit Pricing is a line-item technique of pricing for services including the related materials for those services on a unitized basis. The unitized basis may be per quantitative measure such as per square foot, per lineal foot or per occurrence. As an example (not necessarily related to the scope of this RFP) , sheetrock may be line item priced as a product only, delivered to the end users location, AND unit priced delivered and installed at that end users location. The sheetrock, hung and taped, is a logical combination of product and service and could be priced per square foot. Whether pricing services, or logical combinations of products and services, pricing per unit of product and services must be quoted (i.e. cost per square foot of sheetrock hung and taped).

4.7 All Line-Item Pricing items must be numbered, organized, sectioned, including SKU's (when applicable) and easily understood by the Proposal Review Committee and members.

4.8 Line-Item Pricing items are to be submitted in an Excel spreadsheet format and are to include all appropriate identification information necessary to discern the line item from other line items in each Proposer's proposal.

4.9 The purpose for the excel spreadsheet format for Line-Item Pricing is to be able to use the "Find" function to quickly find any particular item of interest. For that reason, Proposers are responsible for providing the appropriate product and service identification information along with the pricing information which is typically found on an invoice or price quote for such products and services.

4.10 All products and services typically appearing on an invoice or price quote must be individually priced and identified on the line-item price sheet, including any and all ancillary costs.

4.11 Proposers are asked to provide both a "List" price as well as a "Proposed Contract Price" in their pricing matrix. "List" price will be the standard "quantity of one" price currently available to government and educational customers excluding cooperative and volume discounts

B. PERCENTAGE DISCOUNT FROM CATALOG OR CATEGORY

4.12 Percent Discount From Catalog, list or Category Pricing- A specific percentage discount from a “Base or List Price” defined as a published manufacturers list, or catalog price for the products or services being proposed. The “Base or List Price” is the price charged to an average government/education buyer absent reductions for cooperative or volume purchasing agreements.

4.13 Individualized percentage discounts can be applied individually to any number of defined product groupings. Product groupings can be defined by manufacturer, product type, or other factor as long as the Proposer sufficiently defines those product groupings

4.14 A Percentage Discount from Catalog or Category Pricing offered by the Proposer is acceptable if the products and equipment are far too numerous to name and price individually.

4.15 A Percentage Discount from Catalog or Category Pricing identifies a percentage discount to be applied to a “Base Price” for products from one or more published catalogs. The “Base Price” will be the price generally applicable to government and education customers absent the discounts contemplated herein. The catalog may be published by the Proposer or by the Proposer’s supplier. “Published” means generally available to a dealer network distributing those products and services being proposed in either print or electronic formats where an “Auditor” may verify the “Base Price” of a product proposed during the term of a Contract.

4.16 When a Proposer elects to use “Percentage Discount from Catalog or Category,” Proposer will be responsible for providing and maintaining current “Base or List Pricing” with NJPA both in their proposal and throughout the term of any Contract resulting from this RFP.

4.17 New “Base or List Price” Catalogs may be submitted for review throughout the term of the Contract. NJPA reserves the right to review subsequent catalogs submitted to determine if the represented products reflect the contracted products and equipment. Each new catalog received may have the effect of adding new product offerings and deleting products no longer carried by the Vendor. New catalogs shall apply to the Contract only upon approval of the NJPA. Non-approved use of catalogs will result in termination for convenience. New price lists or catalogs found to be offering non-contract items during the Contract would be grounds for terminating the Contract for convenience. New optional accessories for equipment may be added to the Contract at the time they become available.

C. CORE LIST PRICING

4.18 Based on NJPA Members needs, a “CORE LIST” which contains a selection of most commonly used products/services is requested. Proposer must submit their anticipated “CORE LIST”, including SKU’s and pricing in a Line-Item format, in a separate spreadsheet labeled as “Core List.” Consideration and valuation points will be given to the most advanced selection of commonly purchased Core list products/services.

D. HOT LIST PRICING

4.19 Where applicable, NJPA also invites the Vendor, at their option, to offer a specific selection of products/services, defined as a Hot List Pricing, at greater discounts than those listed in the standard Contract pricing. All product/service pricing, including the Hot List Pricing, must be submitted in hard copy as well as electronically provided in Excel format. Hot List pricing must be submitted in a Line-Item format. Providing a “Hot List” of products/services is optional. Products/services may be added or removed from the “Hot List” at any time provided that current “Hot List” prices are provided to NJPA at all times.

4.20 Hot List pricing when applicable may also be used to discount and liquidate close-out and discontinued products/services as long as those close-out and discontinued items are clearly labeled as

such. Current ordering process and administrative fees apply. This option must be published and made available to all NJPA Members.

4.21 Hot List Pricing is allowed to change at the discretion of the Vendor within the definition of Hot List Pricing. The Vendor is responsible to maintain current Hot List product/service descriptions and Pricing with NJPA.

E. CEILING PRICE

4.22 Proposal pricing is to be established as a ceiling price. At no time may the proposed products/services be offered pursuant to this Contract at prices above this ceiling price without approval by NJPA. Prices may be reduced to allow for volume considerations and to meet the specific and unique needs of an NJPA Member.

4.23 Allowable specific needs may include certain purchase volume considerations or the creation of custom programs based on the individual needs of NJPA Members.

F. VOLUME PRICE DISCOUNTS

4.24 Proposers are free to offer volume discounts from the quantity-of-one pricing documented in a Contract resulting from this RFP. Volume considerations shall be determined between the Vendor and individual NJPA Members on a case-by-case basis.

4.25 Nothing in this Contract establishes a favored member relationship between the NJPA or any NJPA Member and the Vendor. The Vendor will, upon request by NJPA Member, extend this same reduced price offered or delivered to another NJPA Member provided the same or similar volume commitment, specific needs, terms, and conditions, a similar time frame, seasonal considerations and provided the same manufacturer support is available to the Vendor.

4.26 All price adjustments are to be offered equally to all NJPA Members exhibiting the same or substantially similar characteristics such as purchase volume commitments, and timing including the availability of special pricing from the Vendor's suppliers.

G. SOURCED GOODS

4.27 NJPA and NJPA Members may, from time to time, request goods and/or products/services within the scope of this RFP which are not included in an awarded Vendor's line-item product /service listing or "list or catalog" known as Sourced Goods.

4.28 An awarded Vendor resulting from this RFP may "Source" these products/services for NJPA or NJPA Member to the extent they:

4.28.2 Provide as many quotes for the Member's "Total Cost of Acquisition" for the goods and services to be sourced as may reasonably be required by NJPA Member.

4.28.3 Provide "Sourced Goods" only to the extent that they are incidental to the total transaction being contemplated.

H. TOTAL COST OF ACQUISITION

4.29 The Total Cost of Acquisition for the products/services being proposed, including those payable by NJPA Members to either the Proposer or a third party, shall be disclosed in the Proposer's Response including but not limited to:

- The capitalized cost of the listed products/services being proposed,
- The cost of accessories, alterations, and customizations typically incurred in the acquisition of the

- products/services being proposed.
- The cost of delivery, setup and installation (where applicable) of the products/services and any accessories being proposed.
- Other costs, where applicable, typically associated with the purchase, delivery, set-up, and installation of the products/services being proposed and making it operational at the purchaser's site.

4.30 The Total Cost of Acquisition is to be stated "As Proposed." As an example, a materials only proposal, or portions of proposals, must include the total cost of acquisition for those materials delivered. In contrast, the Total Cost of Acquisition for a turn-key proposal must include the total costs to be incurred in the process of delivering that combination of products/services.

I. REQUESTING PRODUCT AND SERVICE ADDITIONS/DELETIONS

4.31 Requests for product, service, and price additions, deletions, or changes must be made in written form and shall be subject to approval by NJPA.

4.32 New products/services may be added to a Contract resulting from this RFP at any time during that Contract to the extent those products/services are within the scope of this RFP. Those requests are subject to review and approval of NJPA. Allowable new products/services generally include new updated models of products/services and or enhanced services previously offered which could reflect new technology and improved functionality.

4.33 Proposers representing multiple manufacturers, or carrying multiple related product lines may also request the addition of new manufacturers or product lines to their Contract to the extent they remain within the scope of this RFP.

4.34 NJPA's due diligence in analyzing any request for change is to determine if approval of the request is 1) within the scope of the original RFP, and 2) in the "Best Interests of NJPA and NJPA Members." We are looking for consistent pricing and delivery mechanisms and an understanding of what value the proposal brings to NJPA and NJPA Members.

4.35 Documenting the "Best Interests of NJPA and NJPA Members" when out-dated equipment is being deleted is fairly straight forward since the product is no longer available and not relevant to the procurement Contract.

4.36 Requests must be in the form of 1) a cover letter to NJPA a) asking to add the product line, b) making a general statement identifying how the products to be added are within the scope of the original RFP, and c) making a general statement identifying that, if appropriate, the pricing is consistent with the existing Contract pricing and 2) the detail as to what is being added at what price will then be an attachment to that cover letter.

4.37 NJPA's intent here is to encourage Proposers to provide and document NJPA's due diligence in a clear and concise one page format on which we can stamp and sign our acknowledgment and acceptance. This information must ultimately come from Proposers, and NJPA is requiring it in this format.

J. REQUESTING PRICING CHANGES

4.38 Price Decreases: Requests for standard Contract price decrease adjustments (percentage discount increases) are encouraged and will be allowed at any time based on market place efficiencies, market place competitiveness, improved technologies and/or improved methods of delivery or if Vendor engages in innovative procurement practices such as strategic sourcing, aggregate and volume purchasing. NJPA expects Vendors to propose their very best prices and anticipates price reductions due to the advancement of technologies and market place efficiencies. Documenting the "Best Interests of NJPA and NJPA Members" is pretty easy when we are documenting price reductions.

4.39 Price increases: Requests for standard contract price increases (or the inclusion of new generation products/services/services at higher prices) can be made at any time. These requests will again be evaluated by NJPA based on the best interests of NJPA and NJPA Members. As an example, typically acceptable requests for price increases for existing products/services may cite increases to the Vendor of input costs such as petroleum or other applicable commodities. Typically acceptable requests for price increases for new products/services enhance or improve on the current solutions currently offered as well as cite increases in utility of the new compared to the old. Vendors are requested to reasonably document the claims cited in their requests. Your written request for a price increase, therefore, is an exercise in describing what you need, and a justification for why you need it in sufficient detail for NJPA to deem such change to be in the best interests of our self and our Members.

4.40 Price Change Request Format: An awarded Proposer will use the format of a cover letter requesting price increases in general terms (a 5% increase in product line X) and stating their justification for that price increase (due to the recent increase in petroleum costs) by product category. Specific details for the requested price change must be attached to the request letter identifying product/services where appropriate, both current and proposed pricing. Attachments such as letters from suppliers announcing price increases are appropriate for documenting your requests here.

K. PRICE AND PRODUCT CHANGES FORMAT

4.41 NJPA's due diligence regarding product and price change requests is to consider the reasonableness of the request and document consideration on behalf of our members. We would appreciate it if you would send the following documentation to request a pricing change:

4.41.1 A cover letter:

- a. Please address the following subjects in your cover letter:
 - i. What product/service prices are changing?
 - ii. How much are the prices changing?
 - iii. Why are the prices changing?
 - iv. Any additions or deletions from the previous product list and the reason for the changes.
- b. The specifics of the product/services and price changes will be listed in the excel spreadsheets indentified below. Please take a more general "Disclosure" approach to identifying changes in the cover letter.
 - i. If appropriate, **for example**, state, "All paper products/services increased 5 % in price due to transportation costs."
 - ii. If appropriate, for instance, state, "The 6400 series floor polisher added to the product list is the new model replacing the 5400 series. The 6400's 3% price increase reflects the rate of inflation over the past year. The 5400 series is now included in the "Hot List" at a 20% discount from previous pricing until remaining inventory is liquidated."

4.41.2 An excel spreadsheet identifying all products/services being offered and their pricing. Each subsequent pricing update will be saved using the naming convention of "[Vendor Name] pricing effective XX/XX/XXXX."

- a. Include all products/services regardless of whether their prices have changed. By observing this convention we will:
 - i. Reduce confusion by providing a single, easy to find, current pricing sheet for each Vendor.
 - ii. Create a historical record of pricing.

L. SINGLE STATEMENT OF PRICING/HISTORICAL RECORD OF PRICING

4.42 Initially; and with each request for product addition, deletion, and pricing change; all

products/services and services available, and the prices for those products/services and services will be stated in an Excel workbook. The request for price changes described above will serve as the documentation for those requested changes. Each complete pricing list will be identified by its “Effective Date.” Each successive price listing identified by its “Effective Date” will create a “Product and Price History” for the Contract.

4.43 Proposers may use the multiple tabs available in an Excel workbook to separately list logical product groupings or to separately list product and service pricing as they see fit.

4.44 All products/services together with their pricing, whether changed within the request or remaining unchanged, will be stated on each “Pricing” sheet created as a result of each request for product, service, or pricing change.

4.45 Each subsequent “Single Statement of Product and Pricing” will be archived by its effective date therefore creating a product and price history for any Contract resulting from this RFP.

M. PAYMENT TERMS

4.46 Payment terms will be defined by the Proposer in the Proposer’s Response. Proposers are encouraged to offer payment terms through P Card services.

4.47 Leasing- If available, identify any leasing programs available to NJPA and NJPA Members as part of your proposed. Proposers must submit an example of the lease agreement to be used. Proposers must identify:

- General leasing terms such as:
 - The percentage adjustment over/under an index rate used in calculating the internal rate of return for the lease; and
 - The index rate being adjusted; and
 - The “Purchase Option” at lease maturity (\$1, or fair market value); and
 - The available term in months of lease(s) available.
- Leasing company information such as:
 - The name and address of the leasing company; and
 - Any ownership, common ownership, or control between the Proposer and the Leasing Company

N. SALES TAX

4.48 Sales and other taxes, where applicable, shall not be included in the prices quoted. Vendor will charge state and local sales and other taxes on items for which a valid tax exemption certification has not been provided. Each NJPA Member is responsible for providing verification of tax exempt status to Vendor. When ordering, if applicable, NJPA Members must indicate that they are tax exempt entities. Except as set forth herein, no party shall be responsible for taxes imposed on another party as a result of or arising from the transactions contemplated by a Contract resulting from this RFP.

O. SHIPPING AND SHIPPING PROGRAM

4.49 Shipping program for material only proposals, or sections of proposals, must be defined and tabbed under Tab 9 as a part of the cost of goods. If shipping is charged to NJPA or NJPA Member, only the actual cost of delivery may be added to an invoice. Shipping charges calculated as a percentage of the product price may not be used, unless such charges are lower than actual delivery charges. No COD orders will be accepted. It is desired that delivery be made within ninety-days (90) of receipt of the Purchase Order.

4.50 Any shipping cost charged to NJPA or NJPA Members will be considered to be part of “proposal pricing.”

4.51 Additional costs for expedited deliveries will be at the additional shipping or handling expense to the NJPA Member.

4.52 Selection of a carrier for shipment will be the option of the party paying for said shipping. Use of another carrier will be at the expense of the requester.

4.53 Proposers must define their shipping programs for Alaska and Hawaii and any location not served by conventional shipping services. Over-size and over-weight items and shipments may be subject to custom freight programs.

4.54 Proposals containing restocking fees are less advantageous than those not containing re-stocking fees. That being said, certain industries cannot avoid restocking fees. Certain industries providing made to order goods may not allow returns. With regard to returns and restocking fees, Proposers will be evaluated based on the relative flexibility extended to NJPA and NJPA Members relating to those subjects. Where used, restocking fees in excess of 15% will not be considered excessive. Restocking fees may be waived, at the option of the Proposer/Vendor. Indicate all shipping and re-stocking fees in price program under Tab 9.

4.55 Proposer agrees shipping errors will be at the expense of the Vendor. For example, if a Vendor ships a product that was not ordered by the member, it is the responsibility of the Vendor to pay for return mail or shipment at the convenience of the member.

4.56 Unless specifically stated otherwise in the “Shipping Program” of a Proposer’s Response, all prices quoted must be F.O.B. destination with the freight prepaid by the Vendor. Time is of the essence on this Contract. If completed deliveries are not made at the time agreed, NJPA or NJPA Member reserves the right to cancel and purchase elsewhere and hold Vendor accountable. If delivery dates cannot be met, Vendor agrees to advise NJPA or NJPA Member of the earliest possible shipping date for acceptance by NJPA or NJPA Member.

4.57 Goods and materials must be properly packaged. Damaged goods and materials will not be accepted, or if the damage is not readily apparent at the item of delivery, the goods shall be returned at no cost to NJPA or NJPA Member. NJPA and NJPA Members reserve the right to inspect the goods at a reasonable time subsequent to delivery where circumstances or conditions prevent effective inspection of the goods at the time of delivery.

4.58 Vendor shall deliver Contract conforming products in each shipment and may not substitute products without approval from NJPA Member.

4.59 NJPA reserves the right to declare a breach of Contract if the Vendor intentionally delivers substandard or inferior products which are not under Contract and described in its paper or electronic price lists or sourced upon request to any member under this Contract. In the event of the delivery of a non-conforming product, NJPA Member will immediately notify Vendor and Vendor will replace non-conforming product with conforming product.

4.60 Throughout the term of the Contract, Proposer agrees to pay for return shipment on goods that arrive in a defective or inoperable condition. Proposer must arrange for the return shipment of damaged goods.

4.61 Unless contrary to other parts of this solicitation, if the goods or the tender of delivery fail in any respect to conform to this Contract, the purchasing member may: 1) reject the whole, 2) accept the whole or 3) accept any commercial unit or units and reject the rest.

P. NORMAL WORKING HOURS

4.62 Prices quoted are for products/services delivered during normal business hours. Normal Business

hours will be as specifically defined herein, defined through industry standards OR defined through statement contained in the purchase/work order issued pursuant to a Contract resulting from this RFP.

5. MARKETING PLAN

5.1 Internal Marketing Plan: An award of Contract resulting from this RFP is an opportunity for the awarded contractor to pursue commerce with, and deliver value to NJPA and NJPA Members nationwide. An award of Contract is not an opportunity to see how much business NJPA can drive to an awarded Vendor's door. Your internal marketing plan should serve to:

5.1.1 Identify the appropriate levels of sales management whom will need to understand the value of, and the internal procedures necessary to deliver this Contract opportunity to NJPA and NJPA Members through your sales force.

5.1.2 Identify, in general, your national foot print and dedicated feet-on-the-street sales force that will be carrying this Contract message and opportunity in the field to NJPA Members. Outline the sale force in terms of numbers and geographic distribution.

5.1.2.1 Identify whether your sales force are employees or independent contractors.

5.1.3 Identify your plan for delivering training to these individuals.

5.1.3.1 Will you have your sales force gathered at national or regional events in the near future? Does your sales force have the ability to participate in webinar or webcast events?

5.1.3.2 NJPA is prepared to provide our personnel in your location for sales training and/or on a webinar or webcast where sufficient efficiencies can be shown in reaching the appropriate groups within your employee base, and sufficient numbers of personnel trained.

5.1.4 Identify your personnel involved in training.

5.1.4.1 NJPA can provide personnel to deliver training regarding the Contract itself, the authority of NJPA to offer the Contract vehicle to its Members, the value the Contract vehicle delivers to NJPA and NJPA Members, the scope of NJPA Membership, and the authority of NJPA Members to utilize our procurement contracts.

5.1.4.2 Your personnel will be needed to provide training regarding employee compensation and internal procedures when delivering the Contract opportunity, and how this Contract purchasing opportunity relates with other such opportunities available.

5.2 Success in marketing is dependent upon 1) the delivery of value as defined in section 1.4, 2) the delivery of knowledge of the program and its proper use and utility, and 3) the delivery of opportunity and reward which creates a personal commitment to the program. NJPA desires a marketing plan that:

5.2.1 identifies the value delivered in a competitively proposed national cooperative procurement contract by relieving both the NJPA Member and the Vendor/Vendor's sales staff of the responsibility for bringing and answering many similar and individual RFP's; and

5.2.2 identifies the appropriate Vendor personnel from both management and sales staff's who will be trained on the use and utility of such a contract and a general schedule of when and how those individuals will be trained; and

5.2.3 identifies in general how the reward system for the marketing, delivery, and service chain of the Vendor will be affected by the implementation of the proposed Contract and how that will be

proposed to those individuals in terms of the value created for them and their departments in 5.1.1 above.

5.3 External Marketing Plan: NJPA is seeking the ability to serve all our current and potential members nationwide. The Proposer must demonstrate the ability to both market and service their products/services/services nationwide. Please demonstrate your sales and service force contains sufficient people in sufficient proximities, to receive the knowledge, opportunity, and reward in order to make a personal commitment to serving NJPA and NJPA Members nationwide.

5.4 The Proposer must exhibit the willingness and ability to develop marketing materials and participate in marketing venues such as:

5.4.1 Printed Marketing Materials. Proposer will initially produce and thereafter maintain full color print advertisements in camera ready electronic format including company logos, identifying the Vendor, the Vendor's general utility for NJPA and NJPA Members, and contact information to be used by NJPA and NJPA Members in a full page, half page, and quarter page formats. These advertisements will be used in the NJPA Catalog and publications.

5.4.2 Press releases and advertisements. Proposer will identify a marketing plan identifying their anticipated press releases, contract announcements, advertisements in industry periodicals, or other direct or indirect marketing activities.
