The Statewide Contract is not intended to permanently replace any current State employee or position. At the same time, this contract can not dictate whether the agency requires a temporary employee for two weeks, or six months. However, in order to meet agency operational requirements and at the same time, promote maximum competition and business among potential and qualified vendors, it is recommended that the agency not retain any one employee for more than one year. The vendor must then provide the State with a suitable replacement or give at least four hours notice that a replacement cannot be found.
