8. **BILLING:**

The successful vendor is required to "Bill as Shipped" to the respective ordering agency(s). Ordering agencies shall provide at a minimum the contract number, ship to and bill to address, contract name and phone number.

9. **PAYMENT:**

The agencies or school districts involved will authorize and process for payment each invoice within thirty (30) days after the date of receipt. The contractor or vendor must accept full payment by procurement (credit) card and/or conventional check and/or other electronic means at the State's option, without imposing any additional fees, costs or conditions.

10. **PRODUCT SUBSTITUTION:**

All items delivered during the life of the contract shall be of the same type and manufacture as specified unless specific approval is given by Government Support Services to do otherwise. Substitutions may require the submission of written specifications and product evaluation prior to any approvals being granted.

11. **ORDERING PROCEDURE:**

Successful contractors are required to have either a local telephone number within the (302) area code, a toll free (800) number, or agree to accept collect calls. Each agency is responsible for placing their orders and may be accomplished by written purchase order, telephone, fax or computer on-line systems. The contractor or vendor must accept full payment by procurement (credit) card and/or conventional check

and/or other electronic means at the State's option, without imposing any additional fees, costs or conditions.

12. HOLD HARMLESS:

The contractor agrees that it shall indemnify and hold the State of Delaware and all its agencies harmless from and against any and all claims for injury, loss of life, or damage to or loss of use of property caused or alleged to be caused, by acts or omissions of the contractor, its employees, and invitees on or about the premises and which arise out of the contractor's performance, or failure to perform as specified in the Agreement.

13. NON-PERFORMANCE:

In the event the contractor does not fulfill its obligations under the terms and conditions of this contract, the ordering agency may purchase equivalent product on the open market. Any difference in cost between the contract prices herein and the price of open market product shall be the responsibility of the contractor. Under no circumstances shall monies be due the contractor in the event open market products can be obtained below contract cost. Any monies charged to the contractor may be deducted from an open invoice.

14. FORCE MAJEURE:

Neither the contractor nor the ordering agency shall be held liable for non-performance under the terms and conditions of this contract due, but not limited to, government restriction, strike, flood, fire, or unforeseen catastrophe beyond either party's control. Each party shall notify the other in writing of any situation that may prevent performance under the terms and conditions of this contract.

15. AGENCY'S RESPONSIBLIITIES:

The Agency shall:

a. Examine and review in detail all letters, reports, drawings and other documents presented by the Contractor to the Agency and render to the Contractor in writing, findings and decisions pertaining thereto within a reasonable time so as not to delay the services of Contractor.

b. Give prompt written notice to the Contractor whenever the Agency observes or otherwise becomes aware of any development that affects the scope or timing of the Contractor's services.

c. When an ordering agency first experiences a relatively minor problem or difficulty with a vendor, the agency will contact the vendor directly and attempt to informally resolve the problem. This includes failure to perform by the date specified and any unacceptable difference(s) between the purchase order and the merchandise received. Ordering agencies should stress to vendors that they should expedite correction of the differences because failure to reply may result in an unfavorable rating in the execution of the awarded contract.

d. The state has several remedies available to resolve non-performance issues with the contractor. The Agency should refer to the Contract Terms and Conditions to view these remedies. When a default occurs, the Agency should first review the contract to confirm that the issue is a part of the contract. If the issue is not covered by the contract, the state cannot expect the contractor to perform outside the agreement. If the issue is a part of the

contract, the Agency or GSS - Contracting must then contact the contractor, discuss the reasons surrounding the default and establish a date when the contractor will resolve the non-performance issue.

e. If there is a performance deficiency, a Corrective Action Report (CAR) may be used. Complete this form to report concerns with vendors or commodities. Be sure to furnish as much detail as possible. http://gss.omb.delaware.gov/divisionwide/forms.shtml.

You shall, at all times, do and perform all acts and things necessary and within your control in order to assure that such interest component shall be so excluded. If any interest is determined not to be excludible from gross income, your Monthly Payment shall be adjusted in an amount sufficient to maintain our original after tax yield utilizing our consolidated marginal tax rate, which adjusted Monthly Payments you agree to pay as provided in this Agreement, subject to Section L10. The rate at which the interest portion of Monthly Payments is calculated is not intended to exceed the maximum rate or amount of interest permitted by applicable law. If such interest portion exceeds such maximum, then at our option, if permitted by law, the interest portion will be reduced to the legally permitted maximum amount of interest, and any excess will be used to reduce the principal amount of your obligation or be refunded to you. At the time of your execution of this Agreement, you shall provide us with a properly prepared and executed copy of the appropriate US Treasury Form 8038-G or 8038-GC and you appoint us as your agent for the purpose of maintaining a registration system as required by Section 149(a) of the Code. L12.3 We may sell, assign, or transfer all or any part of this Agreement or the Equipment. Any sale, assignment, or transfer will not affect your rights or obligations under this Agreement.

L12.4 If there is a conflict between any of the terms and conditions in this Agreement, your State's Participating Addendum and the Master Agreement ADSPO11-00000411, this Agreement shall prevail.

L12.5 This Agreement is being offered to any purchasing entity who is authorized to file a 8038-G and/or 8028-GC and such form must be included provided when placing an order.
