TO: ALL OFFERORS

FROM: COURTNEY MCCARTY
STATE CONTRACT PROCUREMENT OFFICER

SUBJECT: REQUEST FOR PROPOSAL – ADDENDUM
NO.: GSS13599-BLDG_SECURE
BUILDING ACCESS SECURITY

ADDENDUM #1

The purpose of this addendum is to answer questions submitted regarding the solicitation.

Information regarding the current contract can be found online at:
http://contracts.delaware.gov/contracts_detail.asp?i=412

1. Requirement of the Vendor, the second requirement states: “Copy of certification showing you are a Honeywell Pro-Watch dealer/installer.” Are you willing to accept bids utilizing a manufacturer other than Honeywell? If so, can we have that vendor requirement eliminated for those not submitting bids on Honeywell systems?

Statement should read: “Copy of certification showing you are an authorized dealer/installer for all manufacturer or systems you wish to include in your proposal response.”

2. Is there an estimated budget determined for the Building Access Security Services?

As stated in the solicitation, the goal of this solicitation is to develop a short list of pre-qualified vendors for building access security services that Agencies can use to obtain quotes from. The list will allow agencies to move quicker through the process and avoid the need to go out to bid for each installation. Therefore, there is no budget associated with this solicitation/contract.

All other terms and conditions remain the same.
