25. PAYMENT

The agencies or school districts involved will authorize and process for payment each invoice within thirty (30) days after the date of receipt of a correct invoice. The contractor or vendor must accept full payment by procurement (credit) card and/or conventional check and/or other electronic means at the State's option, without imposing any additional fees, costs or conditions.

26. PRODUCT SUBSTITUTION

All items delivered during the life of the contract shall be of the same type and manufacture as specified or accepted as part of the bid proposal unless specific approval is given by Government Support Services to do otherwise. However, awarded vendors are highly encouraged to offer any like substitute product (s); either generic or brand name, at any time during the subsequent contract term, especially if an opportunity for cost savings to the state exists. In such cases, the state may require the submission of written specifications and/or product samples for evaluation prior to any approvals being granted.

27. OPPORTUNITY BUYS

The Director for the State of Delaware, Office of Management and Budget, Government Support Section can waive use of a central contract pursuant to 29 Del. C. §6911(e). A process has been developed to permit any vendor the opportunity to submit an Opportunity Buy offer to the State for goods and/or services for consideration despite the existence of a central contract. See http://gss.omb.delaware.gov/contracting/documents/agencyboilers/opportunity_buy_flowchart.pdf. The Director will afford any vendor on an existing central contract an opportunity to match or to beat the Opportunity Buy offer made by a non-contracted vendor prior to a waiver being granted.

28. I FOUND IT CHEAPER

Director for the State of Delaware, Office of Management and Budget, Government Support Section can waive use of a central contract pursuant to 29 Del. C. §6911(e). A process has been developed to permit any State employee or Vendor to identify a lower price for material and or services for consideration despite the existence of a central contract. See http://gss.omb.delaware.gov/contracting/documents/agencyboilers/opportunity_buy_found_cheaper_flowchart.pdf. The Director will afford any Vendor on an existing central contact an opportunity to match or to beat the I Found It Cheaper suggestion and if not matched or beaten, approve the purchase via a waiver.

29. BID/CONTRACT EXECUTION

Both the non-collusion statement that is enclosed with this Invitation to Bid and the contract form delivered to the successful bidder for signature **shall** be executed by a representative who has the legal capacity to enter the organization into a formal contract with the State of Delaware, Government Support Services. The awarded vendor(s) will be required to complete the new W-9 Form by visiting the Division of Accounting's Website: <http://accounting.delaware.gov> .

30. CONTRACTOR RESPONSIBILITY

The State will enter into a contract with the successful contractor. The successful contractor shall be responsible for all products and services as required by this ITB. Subcontractors, if any, shall be clearly identified in the financial proposal.

- c. None of the work or services covered by this contract shall be subcontracted without the prior written approval of the State.

32. LIFE CYCLE COSTING

33. ENVIRONMENTAL PROCUREMENT REQUIREMENTS

- a. Energy Star - If applicable, the Contractor must provide products that earn the ENERGY STAR rating and meet the ENERGY STAR specifications for energy efficiency in order to keep overall event costs to a minimum. The Contractor is encouraged to visit www.energystar.gov for complete product specifications and updated lists of qualifying products.
- b. Green Products – third party certification of green products accepted from GSS w/approved green certification shall be offered wherever available in addition to or as a substitute for non-green products.
- c. Contractors shall report all green items procured during the monthly reporting period using the Usage Report that will be provided to the awarded Vendor(s).
- d. Environmental Procurement Policies of the State shall determine acceptable consideration and credit for environmentally preferred products and services in the performance of this award. The State Environmental Procurement Policies may be found:
<http://gss.omb.delaware.gov/contracting/documents/agencyboilers/espp.pdf>.

34. TERMINATION FOR CONVENIENCE

Contracts shall remain in effect for the time period and quantity specified unless the contract is terminated by the State. The State may terminate the contract at any time by giving written notice of such termination and specifying the effective date thereof, at least sixty (60) days before the effective date of termination.

35. TERMINATION FOR CAUSE

If, for any reasons, or through any cause, the Contractor fails to fulfill in timely and proper manner its obligations under this Contract, or if the Contractor violates any of the covenants, agreements, or stipulations of this Contract, the State shall thereupon have the right to terminate this contract by giving written notice to the Contractor of such termination and specifying the effective date thereof, at least 5 days before the effective date of such termination. In that event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs, and reports or other material prepared by the Contractor under this Contract shall, at the option of the State, become its property, and the Contractor shall be entitled to receive just and equitable compensation for any satisfactory work completed on such documents and other materials which is usable to the State.

36. AUDIT ACCESS TO RECORDS

The Vendor shall maintain books, records, documents, and other evidence pertaining to this Contract to the extent and in such detail as shall adequately reflect performance hereunder. The Vendor agrees to preserve and make available to the State, upon request, such records for a period of five (5) years from the date services were rendered by the Vendor. Records involving matters in litigation shall be retained for one (1) year following the termination of such litigation. The Vendor agrees to make such records available for inspection, audit, or reproduction to any official State representative in the performance of their duties under the Contract. Upon notice given to the Vendor, representatives of the State or other duly authorized State or Federal agency may inspect, monitor, and/or evaluate the cost and billing records or other material relative to this Contract. The cost of any Contract audit disallowances resulting from the examination of the Vendor's financial records will be borne by the Vendor. Reimbursement to the State for disallowances shall be drawn from the Vendor's own resources and not charged to Contract cost or cost pools indirectly charging Contract costs.

37. VENDOR EMERGENCY RESPONSE POINT OF CONTACT

The awarded vendor(s) shall provide the name(s), telephone, or cell phone number(s) of those individuals who can be contacted twenty four (24) hours a day, seven (7) days a week to meet a critical need for commodities or services when the Governor of the State of Delaware declares a state of emergency under

STATE OF DELAWARE
Office of Management and Budget
Government Support Services

the current Delaware Emergency Operations Plan. Failure to provide this information could render the bid as non-responsive.

38. ELECTRONIC CATALOG

The successful vendor(s) may be required to submit their items list in electronic format designated by the State.

Note: The State of Delaware is in the process of implementing a new financials system, which will require the use of:

- Electronic catalogs
- Commodity/classification code: United Nations Standard Products and Services Code (UNSPSC).
- A unique item ID for all items in our system

The state has made the determination to include the requirement in this contract for two reasons:

1. To find out what vendors can offer.
2. To give the agencies and school districts a level of comfort in using electronic catalogs.

39. SUBCONTRACTS

Subcontracting is permitted under this ITB and contract. However, every subcontractor shall be identified in the Proposal (Attachment 8) and agreed to in writing by the State or as are specifically authorized in writing by the Agency during the performance of the contract. Any substitutions in or additions to such subcontractors, associates, or consultants will be subject to the prior written approval of the State.

The Vendor(s) shall be responsible for compliance by the subcontractor with all terms, conditions and requirements of the ITB and with all local, State and Federal Laws. The Vendor shall be liable for any noncompliance by any subcontractor. Further, nothing contained herein or in any subcontractor agreement shall be construed as creating any contractual relationship between the subcontractor and the State.

If a company elects to be a subcontractor for another vendor, the subcontractor may not independently bid on this solicitation.

40. AGENCY'S RESPONSIBILITIES

The Agency shall:

- a. Examine and review in detail all letters, reports, drawings and other documents presented by the Vendor to the Agency and render to the Vendor in writing, findings and decisions pertaining thereto within a reasonable time so as not to delay the services of Vendor.
- b. Give prompt written notice to the Contractor whenever the Agency observes or otherwise becomes aware of any development that affects the scope or timing of the Contractor's services.
- c. When an ordering agency first experiences a relatively minor problem or difficulty with a vendor, the agency will contact the vendor directly and attempt to informally resolve the problem. This includes failure to perform by the date specified and any unacceptable difference(s) between the purchase order and the merchandise received. Ordering agencies should stress to vendors that they should expedite correction of the differences because failure to reply may result in an

STATE OF DELAWARE
Office of Management and Budget
Government Support Services
unfavorable rating in the execution of the awarded contract.

- d. The state has several remedies available to resolve non-performance issues with the contractor. The Agency should refer to the Contract Terms and Conditions to view these remedies. When a default occurs, the Agency should first review the contract to confirm that the issue is a part of the contract. If the issue is not covered by the contract, the state cannot expect the contractor to perform outside the agreement. If the issue is a part of the contract, the Agency or GSS - Contracting must then contact the contractor, discuss the reasons surrounding the default and establish a date when the contractor will resolve the non-performance issue.
- e. If there is a performance deficiency, a Corrective Action Report (CAR) may be used. Complete this form to report concerns with vendors or commodities. Be sure to furnish as much detail as possible. <http://gss.omb.delaware.gov/divisionwide/forms.shtml>.

41. CONFIDENTIALITY

All documents submitted as part of the vendor's proposal will be deemed confidential during the evaluation process. Vendor proposals will not be available for review by anyone other than the State of Delaware/Proposal Evaluation Committee or its designated agents. There shall be no disclosure of any vendor's information to a competing vendor prior to award of the contract.

The State of Delaware is a public agency as defined by state law, and as such, it is subject to the Delaware Freedom of Information Act, 29 *Del. C.* Ch. 100. Under the law, all the State of Delaware's records are public records (unless otherwise declared by law to be confidential) and are subject to inspection and copying by any person. Vendor(s) are advised that once a proposal is received by the State of Delaware and a decision on contract award is made, its contents will become public record and nothing contained in the proposal will be deemed to be confidential except proprietary information.

Vendor(s) shall not include any information in their proposal that is proprietary in nature or that they would not want to be released to the public. Proposals must contain sufficient information to be evaluated and a contract written without reference to any proprietary information. If a Vendor feels that they cannot submit their proposal without including proprietary information, they must adhere to the following procedure or their proposal may be deemed unresponsive and will not be recommended for selection. Vendor(s) must submit such information in a separate, sealed envelope labeled "Proprietary Information" with the ITB number. The envelope must contain Attachment 4 describing the documents in the envelope, representing in good faith that the information in each document is not "public record" as defined by 29 *Del. C.* § 10002(d), and briefly stating the reasons that each document meets the said definitions.

Upon receipt of a proposal accompanied by such a separate, sealed envelope, the State of Delaware will open the envelope to determine whether the procedure described above has been followed.

If the Vendor does not have any documents it declares confidential or proprietary, Attachment 4 should be completed by checking the appropriate box found at the top of the attachment.

TECHNICAL SPECIFICATIONS

1. **BIDS**

In order to be eligible for award, a bidder must be the manufacturer of offered products or an authorized dealer or supplier of the manufacturer's products.

Manufacturers bidding this contract may offer more than one dealer to insure coverage for all agencies. Dealer lists noting if the dealer is authorized to receive purchase orders and payment directly, must be electronically attached to bid.

If a bidder is not the manufacturer of offered products, bidder must scan and electronically attach with its bid a letter signed by the manufacturer to be included on the required CD or DVD discs stating the bidder is authorized to sell the manufacturer's products, and also provide a letter authorizing the dealer to bid the manufacturer line direct. The manufacturer will honor any responsibilities under warranty for products sold by bidder, if bidder fails to perform such service. Bidders failing to provide signed, manufacturer's letter attesting to authorization to sell/bid manufacturer's product may result in rejection of bid.

2. **AWARDS**

Awards will be made to the responsible bidders offering the greatest discount from the most recent manufacturer's official, dated price list, one (1) hard copy and/or (1) electronic copy of which must be submitted with bid. Failure to comply may result in bid rejection. One award will be made for each particular manufacturer's complete line of available products.

3. **MINIMUM ORDER**

No minimum order amount.

4. **SINGLE DISCOUNT**

Only one discount will be accepted. Where suppliers are offering multiple discounts, only the greatest discount offered will be accepted. Multiple discounts on a single price list must be averaged or the bid may be rejected. The percentage discount from the appropriate price list must contain a numeric figure not to exceed for (4) digits (example: 26.15%).

NOTE TO ALL BIDDERS: ALL DISCOUNTS WILL REMAIN FIRM FOR THE LENGTH OF THE CONTRACT.

5. **PRODUCT ORDERS**

Vendors are reminded that a request for a bid or quote for available products and/or services is not a guarantee that the product identified will be ordered. Vendors shall not place orders for any products until a properly executed Purchase Order (PO) has been delivered, and all aspects of the installation, delivery, and/or modification have been completed.

If a vendor pre-orders based on the receipt of a quote, the agency will not be accountable for the purchase of the product until a PO has been received.

STATE OF DELAWARE
Office of Management and Budget

6. **DELIVERY**

All Deliveries will be F.O.B. DESTINATION to any using agencies within the State of Delaware.

All items ordered from this contract shall be delivered within a reasonable time, not to exceed thirty (30) calendar days after receipt of purchase order, unless otherwise agreed to, in writing, between the Department of General Services and the Contractor. If no delivery date is specified, it is understood delivery will be thirty (30) days ARO.

All agencies reserve the right to issue a single purchase order that requires delivery at multiple locations.

The awarded vendor(s) shall be required to deliver, assemble, and demonstrate the equipment ordered on each purchase order. Failure to provide these services may be determined breach of contract.

7. **PACKAGING**

Packaging shall conform to acceptable industry standards.

8. **PRICE LISTS**

Price lists are submitted with the bid proposal for the sole purpose of providing a reference to the various items on the price list and the manufacturer's price for each item. Any reference, which may appear on any price list, to any terms and conditions, such as, F.O.B. Shipping Point or prices subject to change, will not be part of any contract with the successful bidder(s) and will be disregarded by the Commonwealth. Contractors agree to supply both hard and electronic copies of the Catalogs and Price Lists as requested by utilizing agencies. All price lists/catalogs must be identified in bid proposal.

9. **PRODUCT UPDATE**

The Awarded Suppliers may update the contract price lists at the end of each six (6) month period, during the contract period to reflect new products, manufacturer's price changes, and deletion of discontinued products. The first update is allowed after the contract has been in effect for 6 months. Price updated must be received by the 15th of the month and will be processed by the end of the month.

To request review and approval of the updated price list suppliers shall submit a letter to:

**Government Support Services
Attn: Shelly Alioa, State Contract Procurement Officer
State of Delaware
100 Enterprise Place, Suite 4
Dover, DE 19904-8202**

The Supplier shall itemize all changes in a clear and concise fashion. It is the responsibility of the supplier to adequately justify changes. All requests for updates must be accompanied by the manufacturer's latest, official, published price list along with a letter of verification from the manufacturer. If approved, an updated contract will be issued listing the updated price list; it will then be the responsibility of the supplier to distribute the price list to the users.

At no time are awarded suppliers allowed to unilaterally change products or pricing. Orders will be monitored to ensure compliance.

STATE OF DELAWARE
Office of Management and Budget

10. **WARRANTY**

Vendor must warrant all equipment including parts and labor, against defects in workmanship and materials for a minimum of one (1) year unless the manufacturer's standard warranty applies for a longer term which must then be held past the one (1) year minimum. Warranty service may be performed at the requesting agency site or at the vendor's service center, however, the vendor shall be responsible for the removal, shipping, transportation, and installation costs involved with the repair or replacement. During the warranty period, manufacturers' standard warranties for equipment will apply, unless they conflict with the above warranty provisions.

WARRANTY SHALL COMMENCE WITH FINAL ACCEPTANCE AND:

- a. The contractor warrants that all equipment will perform in accordance with the published specifications and shall be free from defect in materials, workmanship, and title for a period of one (1) year from date of acceptance by the buyer.
- b. During the warranty period, vendor agrees to repair or replace any defective part(s) without charge to the using agency as outlined under these specifications. All parts removed shall become the property of the vendor.
- c. The successful bidder(s) shall be required to extend any policy guarantee usually offered to the general public, FEDERAL, STATE, COUNTY, or MUNICIPAL governments, on material in this contract against defective material, workmanship, and performance.

11. **CONDITION OF PRODUCT**

ALL EQUIPMENT OFFERED IN RESPONSE TO THIS INVITATION TO BID MUST BE NEW. NO REMANUFACTURED EQUIPMENT MAY BE OFFERED UNDER THIS CONTRACT.

All equipment delivered shall be free from physical and operational defects. Items that are defective on receipt shall be corrected, repaired or replaced at the agencies direction. The vendor may modify the delivered price for any small physical defects so long as the equipment operates as new and warranty is not affected. On written agreement with the agency, the agency shall waive rights to future claims to correct the same defect in exchange for a reduction in price.

12. **SERVICES**

Bidders may offer to provide additional related services (maintenance, training, relocation of equipment, etc.) in conjunction with the equipment items they are offering to supply under this contract. Bidders should include with their bids a list of all such services with the associated prices. The prices will provide using agencies with better capability to analyze manufacturers' products based upon life cycle costs. These services and their associated prices will not be a factor in bid evaluation and award of the contract. The State of Delaware does, however, reserve the right to restrict the services which can be procured under the contract and not to include any services if either the prices are unacceptable or services are outside of the acceptable scope of additional services.

13. **INSTALLATION**

If the ordering agency requires installation of the equipment, the agency should negotiate an installation price with the awarded supplier and add it to the purchase order as a separate line item. If installation is required certain statutory provisions (as outlined in item 13. Below) may be required based upon the total cost of the equipment, the type of equipment, and type of installation.

14. MINIMUM WAGE RATES

Contractor and agencies should be aware certain aspects of work performed under this contract may fall under the State of Delaware Minimum Wage Rates or the Delaware Prevailing Wage rates. Prior to issuing a purchase order, the ordering agencies must obtain from the Department of Labor a determination if prevailing wage applies to the project and, if appropriate, what the applicable prevailing wage rates would be for the work to be performed. No work shall proceed without a determination by the Department of Labor.

Request for prevailing wage certification can be found at:

<http://www.delawareworks.com/industrialaffairs/services/LaborLawEnforcementInfo.shtml#pw1>.

The prevailing wage law, 29 Del.C. §6960, is enforced by the Department of Labor and states that the specifications for every contract or aggregate of contracts relating to a public works project in excess of \$100,000 for new construction (including painting and decorating) or \$15,000 for alteration, repair, renovation, rehabilitation, demolition or reconstruction (including painting and decorating of building or works) to which this State or any subdivision thereof is a party and for which the State appropriated any part of the funds and which requires or involves the employment of mechanics and/or laborers shall contain a provision stating the minimum wages to be paid various classes of laborers and mechanics which shall be based upon the wages that will be determined by the Delaware Department of Labor, Division of Industrial Affairs, to be prevailing in the county in which the work is to be performed.

15. PERFORMANCE BONDS AS REQUIRED BY AGENCY

Performance Bond Waived for overall contract.

The requesting agency reserves the right to require the successful bidder furnishes a 100% Performance Bond to the requesting agency with surety in the amount of 100% of the specific project award. Said bonds shall be conditioned upon the faithful performance of the contract. This guarantee shall be submitted in the form of good and sufficient bond drawn upon an Insurance or Bonding Company authorized to do business in the State of Delaware.

16. MANUFACTURER PARTS OR ACCESSORIES

Vendors are encouraged to offer discounts off of catalog prices on separately supplied manufacturer parts or accessories. IF a vendor opts to include this option, the submitting vendor shall provide a current part and/or accessory catalog with list prices and one (1) percentage discount offered from each of the catalog(s) supplied. The discount does NOT have to equal the discount offered on the primary kitchen equipment identified in the solicitation.

Please note the percentage part and/or accessory discount on the Exceptions page provided (Attachment 3).

Service and repair outside of manufacturer's warranty is covered under a separate contract.

17. ACCESS TO OTHER CONTRACTS

The State of Delaware may maintain other independent contracts that may overlap with the services offered by a submitting vendor. At a minimum, the following contracts may provide some related services:

Contract No. GSS12610A-ICEMACHINE, Ice Machine and Refrigeration Preventive Maintenance and Repair http://contracts.delaware.gov/contracts_detail.asp?i=1145

STATE OF DELAWARE
Office of Management and Budget
Government Support Services

Contract No. GSS12661-KITCHENPMR, Kitchen Equipment Preventive Maintenance & Repair
http://contracts.delaware.gov/contracts_detail.asp?i=1241

For any agency seeking repairs or preventative maintenance for the referenced products, the above referenced contracts will take precedence. If the contracted vendors are unable or unwilling to complete repairs then agencies shall retain the right to utilize services bid and awarded through the Commercial Food Service contract.

18. AGENCY UTILIZATION PARAMETERS

All agencies utilizing the referenced vendors for the procurement of Food Service Equipment and installation are encouraged, but not required, to obtain quotes from multiple vendors. Based on initial expectations of the award structure, there will be several vendors that will offer similar or equivalent products. By obtaining multiple bids from the contracted vendors, the agency will attempt to ensure efficient utilization that meets their best interests.
