Due to the mandatory requirement that all interpreters/translators successfully complete a criminal background check prior to filling a service request the following stipulations have been included in the award.

Only those languages identified as having at least one interpreter/translator with a successfully completed background check will be included in the initial award. As additional languages become covered, the language will be added to the award. The quicker the background checks are completed the quicker your award will be updated online to include the additional languages.

The State reserves the right to spot check counts to ensure that the background checks have been completed successfully (by requesting documentation showing the background has been completed).

To limit the number of addendums I will have to complete, adding languages to your award below is a report timeline:

- Starting February 1st: Each Friday an updated count report is to be submitted to me by 1:00pm (this information will be used to update the Award Notice posted online.)
- Starting March 1st: Once a month, due no later than the 15th, an updated count report is to be submitted to assigned Contract Officer.
