0

Please fill in the yellow cells.

Responders may provide volume based pricing allowing deeper discounts on volume purchases (greater than Qty 1)

1. Per Transaction Multiple Unit Discount

Responders may propose a contractual volume discount program or plan based on dollars in a single purchase order or combination of purchase orders submitted at one time by a Participating Entity or multiple entities conducting a cooperative purchase. Include a table indicating the additional discount percentage to be earned by volume purchased at one time.

2. Cumulative

Responders may propose a cumulative volume discount based on dollars resulting from the cumulative purchases by all governmental purchasers for the duration of their Master Agreement. Include a table indicating the additional discount percentage to be earned by cumulative volume purchased.

3. Other Discounts

Describe additional discounts available.

Responders may provide volume based pricing allowing deeper discounts on volume purchases (greater than Qty 1)

1. Per Transaction Multiple Unit Discount

Responders may propose a contractual volume discount program or plan based on dollars in a single purchase order or combination of purchase orders submitted at one time by a Participating Entity or multiple entities conducting a cooperative purchase. Include a table indicating the additional discount percentage to be earned by volume purchased at one time.

2. Cumulative

Responders may propose a cumulative volume discount based on dollars resulting from the cumulative purchases by all governmental purchasers for the duration of their Master Agreement. Include a table indicating the additional discount percentage to be earned by cumulative volume purchased.

3. Other Discounts

Describe additional discounts available.

BAND 2: LAPTOP -Volume Discounts

Responder Name:

0

Please fill in the yellow cells.

Responders may provide volume based pricing allowing deeper discounts on volume purchases (greater than Qty 1)

1. Per Transaction Multiple Unit Discount

Responders may propose a contractual volume discount program or plan based on dollars in a single purchase order or combination of purchase orders submitted at one time by a Participating Entity or multiple entities conducting a cooperative purchase. Include a table indicating the additional discount percentage to be earned by volume purchased at one time.

2. Cumulative

Responders may propose a cumulative volume discount based on dollars resulting from the cumulative purchases by all governmental purchasers for the duration of their Master Agreement. Include a table indicating the additional discount percentage to be earned by cumulative volume purchased.

3. Other Discounts

Describe additional discounts available.
