ADDENDUM #1

The purpose of this addendum is to answer questions received.

Q:	Based upon the wording throughout the solicitation, it appears this contract is directed to forensic service companies who meet all of the requirements as described in the RFP. <u>Is it also open to individuals who meet all the training and experience requirements but who do not meet all the RFP business requirements such as bonding, multiple insurance coverage and licensing?</u>
A:	The solicitation is open to both individuals and companies. Vendors may elect to take exceptions to the specifications, terms and condition of this RFP. Refer to Attachment 3, Exception Form. Acceptance of exceptions is not guaranteed, and within the sole discretion of the evaluation committee.

All other terms and conditions remain the same.
