**ADDENDUM #1**

The purpose of this addendum is to answer questions received.

Q:	Section Number: II.D.1, Indoor Range: "...no less than once every week and no more than one per weeks." Should that read as "...no less than once every two weeks and no more than once per week"?
A:	Section is corrected to read "...no less than once per week or more as identified by the Range OIC."

Q:	Appendix B, Vendor Cost Proposal: Only one row is provided under "rates". Can we propose multiple rates to reflect the use of senior and junior-level staff?
A:	Hourly rate to be provided is for your "bill rate". Refer to section G. Hourly Billing Rates on page 5 for additional information.  Additionally, section H. Invoicing on page 5 is corrected to read: "The Contractor shall invoice the State on a monthly basis, at the awarded <b>hourly</b> rate, plus..."
