DELAWARE DEPARTMENT OF CORRECTION
SECURITY REQUIREMENTS & PROCEDURES

I. REQUIREMENTS FOR ALL VENDORS/CONTRACTORS:

The Delaware Department of Correction (DDOC) has established criteria for authorized entry into a correctional facility by Vendors/Contractors conducting business with the Department and requires the Vendor/Contractor to complete a Security Clearance Application (Attachment 1) and complete the Prison Rape Elimination (PREA) Acknowledgement Form (Attachment 2) prior to entering a DDOC facility. This security criterion shall be observed by all professional service visitors, volunteers, vendors, contractors, subcontractors (if any) and any applicable employee providing services in relation to the contract. While working inside the prison facilities, it must be clearly understood that prison security requirements will at all times take precedence over service and/or construction operations. The vendor shall comply with all such regulations and consider the regulations when preparing their bid response.

II. CONTRACTORS PERFORMING CONSTRUCTION/REPAIR SERVICES:

A. Site Security

The following regulations must be observed by all persons having any association with the construction of this project (employees, subcontractors, workmen, service men, manufacturer’s representative, etc.):

1) Prime contractor shall submit a list of all proposed workers who will be working on site to the Regional Maintenance Superintendent or Security Superintendent. The list shall include name, social security number, age, sex, race and date of birth. This list shall include all sub-contractors (if any) and any vendors requiring access to the secure perimeter of the facility.

2) Each trade subcontractor shall notify the Maintenance Superintendent twenty four (24) hours in advance, but not later than 12:00 Noon, on the previous work day before sending men to the project site so an officer can be assigned to accompany all his personnel.

3) Contractors are required to notify the Regional Maintenance Superintendent Security Superintendent upon the termination of worker’s services in order that the identification card on file can be pulled and rendered inactive.

4) Contractor must carry a Photo Identification Card.

5) It is essential that construction operation and debris removal be conducted in a manner to assure that materials that may be used as weapons do not fall into the hands of inmates.

6) Anything of unusual nature as loss of a key, identification cards, tools, piping, etc., shall be reported immediately to the escorting officer.

7) In the event that construction requires the disruption of plumbing, electrical power, etc., the Regional Maintenance Superintendent must receive at least twenty four (24) hours advance notice in order to preserve security and not to disrupt routine activities. When temporary shutdown of service is unavoidable, the work shall be completed at night during a time when the institution’s routine will not be interfered.

8) Workers will be denied access to controlled areas should they have relatives or close friends incarcerated in the facility.
9) Workers shall be subjected to all rules and regulations and shall comply with the escorting officers' instruction accordingly.

10) Construction Personnel Vehicle Parking
    1. Parking spaces for privately owned vehicles operated by construction personnel may be limited.
    2. The Maintenance Superintendent will assign areas within the prison site for parking. Sufficient space will be provided to park privately owned vehicles operated by construction personnel on site.
    3. Parked vehicles must always have the ignition and doors locked.

11) Prison Records - Where a workman or representative visiting the institution has a prison record, the trade subcontractor shall be responsible for obtaining the particulars concerning his record and notifying the institution at least seventy two (72) hours in advance of his visit. The institution will then notify the trade subcontractor and either provide or deny permission for that person to enter the institution. Any workman denied entrance to the institution must be replaced by the trade subcontractor or subcontractor at no additional cost.

12) Workmen Lunch Area/Searches
    1. Workmen are expected to stay in their respective working areas during their lunch period unless leaving the grounds is permitted.
    2. All workmen are expected to submit to a search of themselves, toolboxes, lunch containers, and vehicles at any time if the search is deemed necessary.

13) It is forbidden to aid or abet the escape of any inmate, or to advise, connive or assist in any escape, or to conceal any inmate after escape, or withhold information pertaining thereto. Violation of this prohibition can result in prosecution and the law provides for punishment of fine and imprisonment.

14) It is forbidden to bring into or take out of the prison either for pay, or for favor, for any inmate, any article, without the proper authorization from the Maintenance Superintendent.

15) It is forbidden to roam at will throughout the prison. Workers are restricted to going directly to those places where the work is conducted and remaining away from all areas where they have no business to conduct.

16) It is prohibited to socialize, exchange pleasantry, or conduct business with inmates in traffic areas hallways, center areas, etc. Affectionate or intimate behavior between official visitors and inmates is prohibited.

17) No photographs may be taken without proper authorization. No public news releases may be given without similar authorization.

18) Escorting of any person, not previously approved, onto the prison grounds or into the prison is prohibited.

19) The offering and giving of any tips, gratuities, fees, etc. to any inmates or prison personnel are strictly prohibited.

20) The use of indecent, abusive, or profane language is forbidden anywhere on the prison property.

21) Civilian or other clothing should not be left carelessly in places where it may be acquired and worn by inmates.

22) In the event an acquaintance, friend, or relative of contractor's employee should be
an inmate of the institution at which work is being conducted, it is advisable that the contractor communicate this confidentially to the Maintenance Superintendent.

B. Equipment/Tool Inventory

1) Inventory of all tools, equipment and supplies shall be taken by the Contractor at the beginning and end of each workday (Attachment 3). All unnecessary tools and equipment should be left at the shop. An assigned DDOC employee shall escort the Contractor or other non-employee workers while in the institution. At entry control points, vehicles and personnel will be searched to include any tools or related equipment. No tools will remain on the work sites upon departure. Activities must be performed as authorized with proper security and safety precautions.

2) Restricted Tools: The DDOC classifies a restricted tool as one that can be used by inmates either in effecting an escape or causing death or serious injury. The following tools are typical examples of a tool classified as restricted and shall not be considered all inclusive:

   a. Diamond-point drills
   b. Ice picks
   c. Hones and sharpening stock
   d. Metal cutters, blades
   e. Bolt cutters
   f. Cleaners
   g. Cutting torches
   h. Electric drills, portable
   i. Electric bench and portable grinders
   j. Files
   k. Gear pullers
   l. Diamond point and regular hacksaw blades

3) Flammable Liquids: Maintain flammable liquid (e.g., gasoline, fuels, etc.) in secure containers at all times, in compliance with OSHA regulations.

4) Powder Actuated Tools: Comply with Owner's and Maintenance Superintendent directions for control of powder used and stored.

5) Lost or stolen tools must be reported to security of the Department of Correction immediately.

6) Broken saw blades must be removed from the property (not left or discarded on site).

7) Trucks should be kept clean of debris. Trash within the vehicle increases the amount of time required to inspect the vehicles.

8) Contractors shall include, in their bid, a sufficient amount of time to enter and depart the facility in a given day. As an example, it takes between one half hour to one hour to enter or leave the facility.

9) Proper construction clothing is required. Short pants are not permitted.

10) Contractors are advised that only limited movement will be permitted while inside the compound.

11) Completion of a Security Clearance Form is required for all employees working on the project and will remain on file for one (1) year from clearance date.
C. **Special Requirements**

1) Materials shall be moved through the buildings using rubber tire vehicles which shall be properly controlled at all times to avoid damage to existing walls, floors, and ceiling surfaces, including doors and door and/or window frames.

2) Water damage will not be tolerated and it is incumbent upon the contractor to take all steps necessary to keep the existing premises dry at all times.

3) All welding and cutting shall be performed by qualified and certified welders. Certificates shall be on file with the Construction Manager prior to commencement of any welding.

4) Existing streets, pavements, lawns, curbs and other finished surfaces disturbed or damaged by excavation or other construction activities shall be repaired and restored to their original conditions to the satisfaction of the Owner and local authorities.

III. **CONTRABAND**

A. Title 11, Section 1256 of the Delaware Code specifies that “a person is guilty of promoting prison contraband when: (a) The person knowingly and unlawfully introduces any contraband into detention facility; or (b) The person possesses with intent to deliver any contraband to any person confined within a detention facility; or (c) Being a person confined in a detention facility, he knowingly and unlawfully makes, obtains, or possesses any contraband.”

B. The following items are considered contraband and shall not be permitted near, in possession of or on the grounds of any DDOC facility:

1) Intoxicating beverages.

2) Narcotics, hypnotics, barbiturates, hallucinogenic drugs, central nervous stimulants, tobacco or drugs, except as authorized or approved by an institution affiliated physician.

3) Firearms or instruments customarily used or designed to be used as a dangerous weapon, or an explosive device, except as authorized or approved by an institution and/or Departmental Administrator.

4) Instruments that may be used as an aid in attempting an escape.

5) Hypodermic needles, syringes, or other articles, instruments or substances specifically prohibited by the institution administration, except as authorized by an institution and/or Departmental Administrator.

C. In addition to above, no inmate may possess:

1. Tools, instruments or implement which could be used as a dangerous weapon except as are assigned by and used under the supervision of authorized personnel.

WHO SHOULD COMPLETE THIS FORM:

A GUIDE TO THE PREVENTION AND REPORTING OF SEXUAL ABUSE AND MISCONDUCT WITH OFFENDERS

PREA Information for Contractors, Vendors, and Volunteers with Limited Contact with Offenders

*Please Read, Sign, and Return this Acknowledgement Form with the Security Clearance Application*

**Staff Sexual Misconduct**

Delaware Department of Correction (DDOC) policy 8.60 specifically forbids any activity associated with or that promotes acts of sexual conduct, including sexual harassment between offenders and DOC staff. In this definition, “staff” includes: contractors, vendors and volunteers of the DOC. An “offender” means someone incarcerated in a correctional facility or under supervision in the community. DDOC policy 8.60 contains detailed descriptions of what constitutes sexual misconduct and staff misconduct of a sexual nature (Policy 8.60 is available on the DDOC website at: [http://www.doc.delaware.gov/downloads/policies/policy_8-60.pdf](http://www.doc.delaware.gov/downloads/policies/policy_8-60.pdf))

**Forms of sexual misconduct include, but are not limited to:**

1. Any behavior of a sexual nature directed toward an offender by a Department staff, contract staff, or volunteer.
2. Inappropriate touching between offenders and staff.
3. All completed, attempted, threatened, or requested sexual acts between Department staff and the offender.
4. Sexual comments and conversations with sexually suggestive innuendos or double meanings.
5. Display or transmittal of sexually suggestive posters, objects, or messages.

Depending on the investigation findings of an alleged incident, the outcome may result in the loss of your job/assignment and the possibility of criminal charges. In addition, persons accused of sexual harassment in civil or criminal proceedings may be held personally liable for damages to the person harassed.

**An Abuse of Power**

Due to the imbalance of power between offenders and staff in correctional settings, sexual interactions between staff (who have power) and offenders (who lack power) are unprofessional, unethical and illegal. Some offenders who lack power may become sexually involved with staff in an effort to equalize the imbalance of power. Occasionally an offender may try to use sex to improve his/her standing or circumstances (e.g., better job, avoid disciplinary action, affect a release plan, gain privileges, etc.).

As a DOC contractor, vendor or volunteer, your designated assignments place you in a position of authority over the offenders with whom you interact in a professional capacity. It is not possible to have a relationship as equals because you have a responsibility to maintain custody, evaluate work performance, and/or provide input to issues that affect release dates, return to prison, or other sanctions.

Because of the imbalance of power between offenders and staff, vendors, contractors and volunteers, there can never be a consensual relationship between staff and offenders. In fact, the law states “consent” is not a defense to prosecution. Here are some factors to consider.
History of Victimization

Some staff don’t think of offenders as ‘victims’ of staff sexual misconduct, especially when the offender appears to be a willing participant or even initiated the sexual or ‘romantic’ interactions with a staff member. The offender is always the victim because of the imbalance of power. The consent or willingness of an offender to participate may be a survival strategy or a learned response to previous or current victimization. Many offenders have a history of victimization (physical and/or sexual abuse), which may make them especially vulnerable to the sexual overtures of persons in positions of authority. Their perception of affection/love may be skewed by this background of abuse, making it impossible for them to refuse advances of a staff member.

In some instances, particularly for female offenders, their survival in the community has been directly related to using their sexuality to obtain the means to survive. Coupled with low self-esteem, this carries over into their conduct in prison and while under community supervision.

As the person in authority, it is your responsibility to discourage, refuse and report any overtures as well as maintain professional boundaries at all times. Boundaries in relationships can be difficult. If you question your professional boundaries with an offender or feel uncomfortable with his/her actions or advances toward you, talk to another person you respect and/or bring this matter to the attention of a DOC employee before it gets out of control.

Red Flags:

The following are behaviors or ‘red flags’ that may signal you or someone you work with is in danger of engaging in sexual misconduct with an offender:

- Spending a lot of time with a particular offender
- Change in appearance of an offender or staff member
- Deviating from agency policy for the benefit of a particular offender
- Sharing personal information with an offender
- Horseplay
- Overlooking infractions of a particular offender
- Doing favors for an offender
- Consistently volunteering for a particular assignment or shift
- Coming to work early/staying at work late
- Flirting with an offender

Some Other Things to Consider:

Amorous or sexual relationships with an offender are seldom a secret. Such behavior will subject you to disrespect and manipulation from other offenders that may be aware of your situation. Once in a relationship, professional judgment becomes clouded and the normal defenses that exist to protect you will be compromised. When acting on emotions, you may take actions that would otherwise be considered inappropriate in a correctional environment (either in custody or in the community).

Amorous or sexual relationships are inappropriate and illegal when they occur between an offender and any staff member, contractor, vendor or volunteer. Offenders depend upon staff to provide for their board and care, ensure their safety, address their health care needs, supervise their work and conduct, and act as role models for socially acceptable conduct. Your conduct and the decisions you make reflect not only on your own reputation, but also on that of your peers and the agency you represent.
How to Maintain Appropriate Boundaries:

Most staff/offender sexual misconduct occurs only after seemingly innocent professional boundaries have been crossed. The following behaviors will assist you in maintaining appropriate boundaries:

- Maintain professional distance
- Focus behavior on duties and assignments
- Do not become overly close with offenders
- Do not share your own or other staff person’s personal information with or around offenders
- When speaking to offenders about other staff, refer to the staff by their title or as Ms. or Mr.
- When speaking to offenders refer to them as Ms. or Mr. and their last name
- Do not accept gifts or favors from offenders
- Be knowledgeable of Departmental policy and procedure, rules of conduct and laws regarding sexual misconduct and sexual harassment.

A Duty to Report

Staff must report any inappropriate staff/offender behavior immediately. The presence of illegal and unethical behavior by staff compromises the security and safety of the agency. Staff that fail to report such behavior will be held accountable and sanctioned through dismissal. All efforts will be made to ensure the confidentiality of the reporting staff member.

I HAVE READ AND UNDERSTAND THE INFORMATION PROVIDED IN THIS DOCUMENT.

DEPARTMENT OF CORRECTION
DAILY CONTRACTOR TOOL & EQUIPMENT INVENTORY

The contractor tool/equipment form shall be completed and signed by all contractor personnel prior to entering a DOC facility. The following requirements apply:

1. An original signed and dated tool/equipment form shall be prepared each day.
2. This form shall serve as an inventory of all work and personal equipment carried into a Department of Correction facility and will serve to ensure that the inventoried equipment is removed from the facility at the end of the work day.
3. Each piece of work and personal equipment noted on this form shall be described in sufficient detail so that it can easily be identified and matched to the inventory by a Department of Correction staff.
4. Department of Correction strongly recommends that when work/personal equipment is to be carried into a Department of Correction facility on a repetitive basis, the equipment be marked with a unique identifier (e.g. personnel initials + number) so that it can be matched to the same unique identifier noted on the tool/equipment form.
5. Prior to entering and exiting secured areas of a Department of Correction facility, the daily tool/equipment inventory shall be reviewed and signed by the escorting officer.
6. If, prior to exiting a secured area, the preparer of this form determines that he or she cannot account for each piece of equipment, then he or she shall immediately notify the escorting officer.
7. If, prior to exiting a secure area, a Department of Correction staff cannot identify each tool or piece of equipment and reconcile it to the items inventoried on this form, then the Department of Correction staff will hold the group of contractor employees in the secure area until the discrepancy is resolved.
8. The following list of tools and equipment is representative of the items inventoried on the form. All tools and equipment being brought into the institution will be inventoried. Every job box will have an exact inventory of all tool boxes and equipment stored in that box. The box must be lockable and remained locked when not in use. **There are no exceptions to this rule.** List all tools for example hand tools (ex. hammers, pliers, wrenches, and screwdrivers), electrical tools (ex. measuring equipment, splicing equipment), power tools (ex. drills, saws, demolition equipment) and supplies (saw blades, drill bits, fasteners). List all other equipment (ex. two-way radios, writing pads, pens, pencils, etc). However, the list may be expanded to cover equipment specific to a scope of work or project.
9. Items not permitted include, but are not limited to: firearms, medicines, pocket knives, leather man tools, tobacco, matches, lighters, gum, beer, alcohol of any kind, glass bottles or containers, aluminum cans, metal knives spoons or forks, music radios, i-Pods, newspapers, fliers, or magazines.
10. Laptop computers, cameras, cell phones, and pagers are restricted items and their use can only be approved in writing, in advance by the Warden or his designee. Failure to declare an item at the sally port will result in that item being confiscated.
