6. BILLING

The successful vendor is required to **"Bill as Shipped" to the respective ordering agency(s).** Ordering agencies shall provide at a minimum the contract number, ship to and bill to address, contract name and phone number.

7. PAYMENT

The agencies or school districts involved will authorize and process for payment each invoice within thirty (30) days after the date of receipt. The contractor or vendor must accept full payment by procurement (credit) card and/or conventional check and/or other electronic means at the State's option, without imposing any additional fees, costs or conditions.

PRODUCT SUBSTITUTION

All items delivered during the life of the contract shall be of the same type and manufacture as specified unless specific approval is given by Government Support Services to do otherwise. Substitutions may require the submission of written specifications and product evaluation prior to any approvals being granted.

8. ORDERING PROCEDURE

Successful contractors are required to have either a local telephone number within the (302) area code, a toll free (800) number, or agree to accept collect calls. Each agency is responsible for placing their orders and may be accomplished by written purchase order, telephone, fax or computer on-line systems. The contractor or vendor must accept full payment by procurement (credit) card and/or conventional check and/or other electronic means at the State's option, without imposing any additional fees, costs or conditions.

9. PURCHASE ORDERS

Agencies that are part of the First State Financial (FSF) system are required to identify the contract number GSS18208-SECURITY on all Purchase Orders (P.O.) and shall complete the same when entering P.O. information in the state's financial reporting system.

10. REQUIREMENTS

This contract will be issued to cover the Security Officer Services – Unarmed requirements for the State of Delaware.

For a complete list of contract specifications please refer to the original bid solicitation document(s). Any contract specific documentation will be accessible through the hyperlink(s) provided on this contract's details page.

11. HOLD HARMLESS

The contractor agrees that it shall indemnify and hold the State of Delaware and all its agencies harmless from and against any and all claims for injury, loss of life, or damage to or loss of use of property caused or alleged to be caused, by acts or omissions of the contractor, its employees, and invitees on or about the premises and which arise out of the contractor's performance, or failure to perform as specified in the Agreement.

12. NON-PERFORMANCE

In the event the contractor does not fulfill its obligations under the terms and conditions of this contract, the ordering agency may purchase equivalent product on the open market. Any difference in cost between the contract prices herein and the price of open market product shall be the responsibility of the contractor.

Under no circumstances shall monies be due the contractor in the event open market products can be obtained below contract cost. Any monies charged to the contractor may be deducted from an open invoice.

13. FORCE MAJEURE

Neither the contractor nor the ordering agency shall be held liable for non-performance under the terms and conditions of this contract due, but not limited to, government restriction, strike, flood, fire, or unforeseen catastrophe beyond either party's control. Each party shall notify the other in writing of any situation that may prevent performance under the terms and conditions of this contract.

14. AGENCY'S RESPONSIBILITIES

The Agency shall:

- a) Examine and review in detail all letters, reports, drawings and other documents presented by the Contractor to the Agency and render to the Contractor in writing, findings and decisions pertaining thereto within a reasonable time so as not to delay the services of Contractor.
- b) Give prompt written notice to the Contractor whenever the Agency observes or otherwise becomes aware of any development that affects the scope or timing of the Contractor's services.
- c) When an ordering agency first experiences a relatively minor problem or difficulty with a vendor, the agency will contact the vendor directly and attempt to informally resolve the problem. This includes failure to perform by the date specified and any unacceptable difference(s) between the purchase order and the merchandise received. Ordering agencies should stress to vendors that they should expedite correction of the differences because failure to reply may result in an unfavorable rating in the execution of the awarded contract.
- d) The state has several remedies available to resolve non-performance issues with the contractor. The Agency should refer to the Contract Terms and Conditions to view these remedies. When a default occurs, the Agency should first review the contract to confirm that the issue is a part of the contract. If the issue is not covered by the contract, the state cannot expect the contractor to perform outside the agreement. If the issue is a part of the contract, the Agency or GSS - Contracting must then contact the contractor, discuss the reasons surrounding the default and establish a date when the contractor will resolve the non-performance issue.
- e) If there is a performance deficiency, a Corrective Action Report (CAR) may be used. Complete this form to report concerns with vendors or commodities. Be sure to furnish as much detail as possible. <http://gss.omb.delaware.gov/divisionwide/forms.shtml>.

15. Amendments/ Changes/ Addendums to original RFP

The below listed modifications are changes to the original Request for Proposal and will include listed amendments and addendums. Refer to the original RFP located on the contracting page for the original Statement of Work. <http://contracts.delaware.gov/>

Saturday: 8:30 AM – 6:30 PM

The Family Visitation Center Coordinator will notify the Contractor of any changes in the work schedule, which will include any closures due to inclement weather, as soon as possible. The Contractor will not bill for hours not worked when ample notice has been provided (a minimum of 6 hours).

A. MEASURABLE OBJECTIVE:

The Family Visitation Center(s) provide individualized safe, supervised visitation sessions, supervised exchanges and supportive services to parents and children who have been the victims of family violence, and to parents who have been perpetrators or alleged perpetrators of domestic abuse, when conducting contact with the children is appropriate and within the Family Visitation Center Rules, Regulations, Policies and Procedures.

B. DUTIES:

1. The Contractor is responsible for providing at least one trained unarmed security officer at visitation center. Officers will have sufficient training in the use of OC Spray, hand-held magnetometers, age appropriate restraint devices, CPR, First Aid, and in issues related to family violence. The Division, Visitation Center Coordinator, and/or designated visitation center staff will notify the Contractor if additional security officers are required, as needed.
2. The Contractor is responsible for providing security officers with OC Spray and hand-held magnetometer when deemed necessary by the visitation center(s).
3. The Contractor will provide at least two hand held two-way radios for each site. The Family Visitation Center Coordinator will advise the Contractor if additional two-way radios are necessary and the Contractor shall provide the additional radios requested. The Contractor will ensure that the hand held two-way radios are in good working condition at all times including supplying batteries, antenna replacement, etc.

4. The Contractor will notify the Visitation Center Coordinator and/or designated visitation center staff, as soon as possible if there are any changes with any security officer's work schedule. A minimum of 6-hours' notice of any changes (lateness, absence) is required. The Contractor will provide a replacement/substitute officer to cover scheduled Security Officer's shift. All replacement/substitute security officers will have prior clearance and be trained in all aspects of the required duties to the satisfaction of the Family Visitation Center Coordinator.
5. All information pertaining to families or family members (to include their identity) that use or plan to use Family Visitation Center services is held in the strictest level of confidence, along with any specific information pertaining to identities and/or visits. All information contained in the case files, on digital recorder, and/or video tape is confidential. No information will be released, unless subpoenaed by a court of law.
6. All Security Officers performing services at the visitation center will notify the Visitation Center Coordinator and/or designated visitation center staff immediately if there is a conflict of interest (i.e. they are related to or are personally familiar with any families or family members that use or plan to use the visitation center). The Contractor will provide a replacement officer (an officer with prior clearance and trained in all aspects of the required duties to the satisfaction of the Family Visitation Center Coordinator). Security Officers will be expected to work a post until a replacement officer can report. Security Officers shall not leave their post until properly relieved of their duties.
7. Surveillance equipment is located throughout the center and will be monitored during the operational hours of the visitation center. All digital recorders will operate in extended play mode, will display time and date stamp, be organized and coded as instructed on site.

Security personnel will:

- a. Closely monitor video equipment to ensure safety of clients and staff.
 - b. Ensure visits are being recorded both visual and audio daily.
 - c. Notify the family visitation center staff if recording equipment is inoperable as well as log the faulty equipment in the officer's daily log.
8. The Contractor will advise the Family Visitation Staff/Coordinator in writing of any problems or issues related to the facility, security or equipment and will document in writing all incidents both intentional and accidental that occur on-site. The contractor will provide a copy of their incident report to the Family Visitation Center Staff/Coordinator upon execution.
- All recording will be reused after 28 days unless an incident has been captured or unless otherwise requested by site. Written documentation denoting the specifics of the incident and referencing the digital recording will be directed to the Visitation Center Program Coordinator. The recording will be removed, marked with the date, time and any other appropriate references and placed in a secure location. The recording will be released as evidence if a court issued subpoena is received. Incidents recorded will be retained for maximum of three years from the date of the incident(s).
9. The Contractor understands that the Security Officers may be subpoenaed to testify in a court of law. Testimony must be limited to the facts of the case and no opinions about any case should be given. Fees for testimony will be limited to the regular hourly rate.
 10. Security Officers will initiate and maintain the Family Visitation Security Log for all clients entering and exiting the building.

11. The Contractor is responsible for providing on-site security for the family visitation center(s) during the previously specified hours. The Security Officers will assist the Visitation Center Coordinator and staff in enforcing the rules of the visitation center. Specific responsibilities of the officers include but are not limited to:

- a. Searching all baggage including pocketbooks, purses, diaper bags, presents/gifts, backpacks, etc. upon arrival;
- b. Confiscating any items that are prohibited as delineated by the visitation center;
- c. Monitoring the outside perimeter on-foot at least twice a day (not to occur during individual supervised visits). Each on-foot patrol will be logged, with time-out and time-in recorded, as well as any incidents or observations.
- d. Active and continuous viewing of surveillance cameras and recording devices within the facility;
- e. Ensuring the safety of children, victims of domestic violence, and the staff while in or on the premises of the visitation center; including walking staff to their vehicles at the close of business;
- f. Interaction with a very diverse population and have a high degree of tolerance; be even tempered; have the ability to diffuse hostile and/or aggressive situations; have the ability to be firm but fair; understanding; and have thoughtful discretion;
