**ADDENDUM #1**

The purpose of this addendum is to update the Conforming Products list and answer questions submitted regarding the solicitation.

**Conforming Product List:**

This section is hereby updated to reflect the August 15, 2018 update. Appendix A – Conforming Products and Appendix B – Pricing Sheet have been updated accordingly. Updated Appendix B – Pricing Sheet must be submitted with proposal responses.

**Questions & Answers:**

Q1: Should we assume that Delaware is no longer planning to be part of the NASPO contract?

A1: Given the timing of the NASPO solicitation and the State's ongoing need, it has been determined that competing a solicitation independently is in the best interest of the State. The State reserves the right to consider cooperative pricing, prior to making a determination.

All other terms and conditions remain the same.
