2 ADVERTISEMENT OF RFP

2.1 NJPA advertises this solicitation: 1) in the hard copy print and online editions of the USA Today; 2) once each in Oregon's Daily Journal of Commerce, South Carolina's The State and Utah's Salt Lake Tribune; 3) on NJPA's website; and 4) on other third-party websites deemed appropriate by NJPA. 2.2 NJPA also notifies and provides solicitation documentation to each state-level procurement departments for possible re-posting of the solicitation within their systems and at their option for future use and to meet specific state requirements.

3 INTRODUCTION

A. ABOUT NJPA

3.1 The National Joint Powers Alliance[®] (NJPA) is a public agency serving as a national municipal contracting agency established under the Service Cooperative statute by Minnesota Legislative Statute §123A.21 with the authority to develop and offer, among other services, cooperative procurement services to its membership. Eligible membership and participation includes states, cities, counties, all government agencies, both public and non-public educational agencies, colleges, universities and non-profit organizations.

3.2 Under the authority of Minnesota state laws and enabling legislation, NJPA facilitates a competitive solicitation and contracting process on behalf of the needs of itself and the needs of current and potential member agencies nationally. This process results in national procurement contracts with various Vendors of products/equipment and services which NJPA Member agencies desire to procure. These procurement contracts are created in compliance with applicable Minnesota Municipal Contracting Laws. A complete listing of NJPA cooperative procurement contracts can be found at www.njpacoop.org.

3.3 NJPA is a public agency governed by publicly elected officials that serve as the NJPA Board of Directors. NJPA's Board of Directors oversees and authorizes the calls for all new proposals and holds those resulting Contracts for the benefit of its own and its Members use.

3.4 NJPA currently serves over 50,000 member agencies nationally. Both membership and utilization of NJPA contracts continue to expand, due in part to the increasing acceptance of Cooperative Purchasing throughout the government and education communities nationally.

3.5 NJPA is an intergovernmental entity comprised of member school districts and governments joining through an intergovernmental agreement. Membership eligibility is available for all public school districts and nonprofit schools through operation of an intergovernmental agreement at no cost. Member responsibilities and obligations are defined in the intergovernmental agreement. NJPA does not procure goods and services on behalf of its Membership. This solicitation and resulting awarded cooperative purchasing Contract(s) contain explicit language allowing eligible Members to "piggyback" of the terms and conditions of the agreement without creation of a material change. Procurements by NJPA Members are done directly from Vendors under the terms and conditions of this RFP and resulting awarded Contract(s).

B. JOINT EXERCISE OF POWERS LAWS

3.6 NJPA cooperatively shares those contracts with its Members nationwide through various Joint Exercise of Powers Laws or Cooperative Purchasing Statutes established in Minnesota, other states and Canadian provinces. The Minnesota Joint Exercise of Powers Law is Minnesota Statute §471.59 which states "Two or more governmental units...may jointly or cooperatively exercise any power common to the contracting parties..." This Minnesota Statute allows NJPA to serve Member agencies located in all other states.

Municipal agencies nationally can participate in cooperative purchasing activities under their own state law. These laws can be found on our website at <http://www.njpacoop.org/national-cooperative-contract-solutions/legal-authority/>.

C. WHY RESPOND TO A NATIONAL COOPERATIVE PROCUREMENT CONTRACT

3.7 National Cooperative Procurement Contracts create value for Municipal and Public Agencies, as well as for Vendors of products/equipment and services in a variety of ways:

3.7.1 National cooperative contracts potentially save time and effort for municipal and public agencies, who otherwise would have to solicit vendor responses to individual RFPs, resulting in individual contracts, to meet the procurement needs of their respective agencies. Considerable time and effort is also potentially saved by the Vendors who would have had to otherwise respond to each of those individual RFPs. A single, nationally advertised RFP, resulting in a single, national cooperative contract can potentially replace thousands of individual RFPs for the same equipment/products/services that might have been otherwise advertised by individual NJPA member agencies.

3.7.2 NJPA contracts offer our Members nationally leveraged volume purchasing discounts. Our contract terms and conditions offer the opportunity for Vendors to recognize individual member procurement volume commitment through additional volume based contract discounts.

3.8 State laws that permit or encourage cooperative purchasing contracts do so with the belief that cooperative efficiencies will result in lower prices, better overall value, and considerable time savings.

3.9 The collective purchasing power of thousands of NJPA Member agencies nationwide offers the opportunity for volume pricing discounts. Although no sales or sales volume is guaranteed by an NJPA Contract resulting from this RFP, substantial volume is anticipated and volume pricing is requested and justified.

3.10 NJPA and its Members desire the best value for their procurement dollar as well as a competitive price. Vendors have the opportunity to display and highlight value-added attributes of their company, equipment/products and services without constraints of a typical individual proposal process.

D. THE INTENT OF THIS RFP

3.11. National and Regional contracts awarded by NJPA: NJPA seeks the most responsive and responsible Vendor relationship(s) to reflect the best interests of NJPA and its Member agencies. Through a competitive proposal and evaluation process, the NJPA Proposal Evaluation Committee recommends vendors for a national or regional contract awarded by the action of the NJPA Chief Procurement Officer. NJPA's primary intent is to establish and provide a national or regional cooperative procurement contract(s) that offer opportunities for NJPA and our current and potential Member agencies throughout the United States and Canada to procure quality product/equipment and services as desired and needed. The contracts will be marketed nationally through a cooperative effort between the awarded vendor(s) and NJPA. Contracts are expected to offer price levels reflective of the potential and collective volume of NJPA and the nationally established NJPA membership base.

3.12 Beyond our primary intent, NJPA further desires to:

3.12.1 Award a four-year contract with a fifth-year contract option resulting from this RFP. Any fifth-year extension is exercised at NJPA's discretion and results from NJPA's contracting needs or from Member requests; this extension is not intended merely to accommodate an awarded Vendor's request. If NJPA grants a fifth-year extension, it may also terminate the contract (or cause it to expire) within the fifth year if the extended contract is replaced by

a resolicited or newly solicited contract. In exigent circumstances, NJPA may petition NJPA's Board of Directors to extend the contract term beyond five years. This rarely used procedure should be employed only to avoid a gap in contract coverage while a replacement contract is being solicited;

3.12.2 Offer and apply any applicable technological advances throughout the term of a contract resulting from this RFP;

3.12.3 Deliver "Value Added" aspects of the company, equipment/products and services as defined in the "Proposer's Response";

3.12.4 Deliver a wide spectrum of solutions to meet the needs and requirements of NJPA and NJPA Member agencies; and

3.12.5 Award an exclusive contract to the most responsive and responsible vendor when it is deemed to be in the best interest of NJPA and the NJPA Member agencies.

3.13 Exclusive or Multiple Awards: Based on the scope of this RFP and on the responses received, NJPA may award either an exclusive contract or multiple contracts. In some circumstances, a single national supplier may best meet the needs of NJPA Members; in other situations, multiple vendors may be in the best interests of NJPA and the NJPA Members and preferred by NJPA to provide the widest array of solutions to meet the member agency's needs. NJPA retains sole discretion to determine which approach is in the best interests of NJPA Member agencies.

3.14 Non-Manufacturer Awards: NJPA reserves the right to make an award under this RFP to a non-manufacturer or dealer/distributor if such action is in the best interests of NJPA and its Members.

3.15 Manufacturer as a Proposer: If the Proposer is a manufacturer or wholesale distributor, the response received will be evaluated on the basis of a response made in conjunction with that manufacturer's authorized dealer network. Unless stated otherwise, a manufacturer or wholesale distributor Proposer is assumed to have a documented relationship with their dealer network where that dealer network is informed of, and authorized to accept, purchase orders pursuant to any Contract resulting from this RFP on behalf of the manufacturer or wholesale distributor Proposer. Any such dealer will be considered a sub-contractor of the Proposer/Vendor. The relationship between the manufacturer and wholesale distributor Proposer and its dealer network may be proposed at the time of the submission if that fact is properly identified.

3.16 Dealer/Reseller as a Proposer: If the Proposer is a dealer or reseller of the products and/or services being proposed, the response will be evaluated based on the Proposer's authorization to provide those products and services from their manufacturer. When requested by NJPA, Proposers must document their authority to offer those products and/or services.

E. SCOPE OF THIS RFP

3.17 Scope: The scope of this RFP is to award a contract to a qualifying vendor defined as a manufacturer, provider, or dealer/distributor, established as a Proposer, and deemed responsive and responsible through our open and competitive proposal process. This RFP may result in local, regional, and/or national awards to meet the needs of NJPA and all eligible NJPA Members nationwide. Vendors will be awarded contracts based on the proposal and responder's demonstrated ability to meet the expectations of the RFP and demonstrate the overall highest valued solutions which meet and/or exceed the current and future needs and requirements of NJPA and its Member agencies nationally within the scope of FOOD PRODUCTS AND DISTRIBUTION WITH RELATED EQUIPMENT, SUPPLIES, AND SERVICES. **Respondents must be classified as a broadline food distributor.**

3.18 Additional Scope Definitions: In addition to FOOD PRODUCTS AND DISTRIBUTION WITH

RELATED EQUIPMENT, SUPPLIES, AND SERVICES, **this solicitation should be read to include, but not to be limited to the following:**

3.18.1 Food Products: Grocery – Dry, Refrigerated, Frozen; Beverages; Dairy; Meat/Poultry; and, Fresh Produce.

3.18.2 Supplies and Equipment: Related paper products and disposables; related janitorial and chemical supplies; small wares, serving equipment and tabletop items; and, kitchen equipment.

3.18.3 Technology: Food service related software or technology solutions and services.

3.18.4 NJPA reserves the right to limit the scope of this solicitation for NJPA and current and potential NJPA member agencies.

3.18.4.1 [Omitted.]

3.19 Overlap of Scope: When considering equipment/products/services, or groups of equipment/products/services submitted as a part of your response, and whether inclusion of such will fall within a “Scope of Proposal,” please consider the validity of an inverse statement.

3.19.1 For example, pencils and post-it-notes can generally be classified as office supplies and office supplies generally include pencils and post-it-notes.

3.19.2 In contrast, computers (PCs and peripherals) can generally be considered office supplies; however, the scope of office supplies does not generally include computer servers and infrastructure.

3.19.3 In conclusion: With this in mind, individual products and services must be examined individually by NJPA, from time to time and in its sole discretion, to determine their compliance and fall within the original “Scope” as intended by NJPA.

3.20 Best and Most Responsive – Responsible Proposer: It is the intent of NJPA to award a Contract to the best and most responsible and responsive Proposer(s) offering the best overall quality and selection of equipment/products and services meeting the commonly requested specifications of the NJPA and NJPA Members, provided the Proposer’s Response has been submitted in accordance with the requirements of this RFP. Qualifying Proposers who are able to anticipate the current and future needs and requirements of NJPA and NJPA member agencies; demonstrate the knowledge of any and all applicable industry standards, laws and regulations; and possess the willingness and ability to distribute, market to and service NJPA Members in all 50 states are preferred. NJPA requests proposers submit their entire product line as it applies and relates to the scope of this RFP.

3.21 Sealed Proposals: NJPA will receive sealed proposal responses to this RFP in accordance with accepted standards set forth in the Minnesota Procurement Code and Uniform Municipal Contracting Law. Awards may be made to responsible and responsive Proposers whose proposals are determined in writing to be the most advantageous to NJPA and its current or qualifying future NJPA Member agencies.

3.22 Use of Contract: Any Contract resulting from this solicitation shall be awarded with the understanding that it is for the sole convenience of NJPA and its Members. NJPA and/or its members reserve the right to obtain like equipment/products and services solely from this contract or from another contract source of their choice or from a contract resulting from their own procurement process.

3.23 Awarded Vendor’s interest in a contract resulting from this RFP: Awarded Vendors will be able to offer to NJPA, and current and potential NJPA Members, only those products/equipment and services specifically awarded on their NJPA Awarded Contract(s). Awarded Vendors may not offer as “contract

compliant,” products/equipment and services which are not specifically identified and priced in their NJPA Awarded Contract.

3.24 Sole Source of Responsibility- NJPA desires a “Sole Source of Responsibility” Vendor. This means that the Vendor will take sole responsibility for the performance of delivered equipment/products/ services. NJPA also desires sole responsibility with regard to:

3.24.1 Scope of Equipment/Products/Services: NJPA desires a provider for the broadest possible scope of products/equipment and services being proposed over the largest possible geographic area and to the largest possible cross-section of NJPA current and potential Members.

3.24.2 Vendor use of sub-contractors in sourcing or delivering equipment/product/services: NJPA desires a single source of responsibility for equipment/products and services proposed. Proposers are assumed to have sub-contractor relationships with all organizations and individuals whom are external to the Proposer and are involved in providing or delivering the equipment/products/services being proposed. Vendor assumes all responsibility for the equipment/products/services and actions of any such Sub-Contractor. Suggested Solutions Options include:

3.24.3 Multiple solutions to the needs of NJPA and NJPA Members are possible. Examples could include:

3.24.3.1 Equipment/Products Only Solution: Equipment/Products Only Solution may be appropriate for situations where NJPA or NJPA Members possess the ability, either in-house or through local third party contractors, to properly install and bring to operation those equipment/products being proposed.

3.24.3.2 Turn-Key Solutions: A Turn-Key Solution is a combination of equipment/products and services that provides a single price for equipment/products, delivery, and installation to a properly operating status. Generally this is the most desirable solution because NJPA and NJPA Members may not possess, or desire to engage, personnel with the necessary expertise to complete these tasks internally or through other independent contractors

3.24.3.3 Good, Better, Best: Where appropriate and properly identified, Proposers may offer the choice “of good, better, best” multiple-grade solutions to meet NJPA Members’ needs.

3.24.3.4 Proven – Accepted – Leading-Edge Technology: Where appropriate and properly identified, Proposers may provide a spectrum of technology solutions to complement or enhance the proposed solutions to meet NJPA Members’ needs.

3.24.4 If applicable, Contracts will be awarded to Proposer(s) able to deliver a proposal meeting the entire needs of NJPA and its Members within the scope of this RFP. NJPA prefers Proposers submit their complete product line of products and services described in the scope of this RFP. NJPA reserves the right to reject individual, or groupings of specific equipment/products and services proposals as a part of the award.

3.25 Geographic Area to be Proposed: This RFP invites proposals to provide FOOD PRODUCTS AND DISTRIBUTION WITH RELATED EQUIPMENT, SUPPLIES, AND SERVICES to NJPA and NJPA Members throughout the entire United States and possibly internationally. Proposers will be expected to express willingness to explore service to NJPA Members located abroad; however the lack of ability to serve Members outside of the United States will not be cause for non-award. The ability and willingness to serve Canada, for instance, will be viewed as a value-added attribute.

3.26 Contract Term: At NJPA's option, a Contract resulting from this RFP will become effective either on the date awarded by the NJPA Board of Directors or on the day following the expiration date of an existing NJPA procurement contract for the same or similar product/equipment and services.

3.26.1 NJPA is seeking a Contract base term of four years as allowed by Minnesota Contracting Law. Full term is expected. However, one additional one-year renewal/extension may be offered by NJPA to Vendor beyond the original four year term if NJPA deems such action to be in the best interests of NJPA and its Members. NJPA reserves the right to conduct periodic business reviews throughout the term of the contract.

3.27 Minimum Contract Value: NJPA anticipates considerable activity resulting from this RFP and subsequent award; however, no commitment of any kind is made concerning actual quantities to be acquired. NJPA does not guarantee usage. Usage will depend on the actual needs of the NJPA Members and the value of the awarded contract.

3.28 [This section is intentionally blank.]

3.29 Contract Availability: This Contract must be available to all current and potential NJPA Members who choose to utilize this NJPA Contract to include all governmental and public agencies, public and private primary and secondary education agencies, and all non-profit organizations nationally.

3.30 Proposer's Commitment Period: In order to allow NJPA the opportunity to evaluate each proposal thoroughly, NJPA requires any response to this solicitation be valid and irrevocable for ninety (90) days after the date proposals are opened.

3.31.2 Technical Descriptions/Specifications. Excessive technical descriptions and specifications that unduly enlarge the proposal response may cause NJPA to reduce the evaluation points awarded on Form G. Proposers must supply sufficient information to:

All products and equipment should carry a minimum industry standard manufacturer's warranty that includes materials and labor. The Proposer has the primary responsibility to submit product specific warranty as required and accepted by industry standards. Dealer/Distributors agree to assist the purchaser in reaching a solution in a dispute over warranty's terms with the manufacturer. Any manufacturer's warranty that is effective past the expiration of the warranty will be passed on to the NJPA member. Failure to submit a minimum warranty may result in non-award.

3.36 Additional Warrants: The Proposer warrants that all products/equipment and related services furnished hereunder will be free from liens and encumbrances; defects in design, materials, and workmanship; and will conform in all respects to the terms of this RFP including any specifications or standards. 4.9.1 Hard copy original of completed, signed, and dated Forms C, D, F; hard copy of the signed signature-page only from Forms A and P from this RFP;

4.9.2 Signed hard copies of all addenda issued for the RFP;

4.9.3 Hard copy of Certificate of Insurance verifying the coverage identified in this RFP; and

4.9.4 A complete copy of your response on a flash drive (or other approved electronic means). The electronic copy must contain completed Forms A, B, C, D, F, and P, your statement of products and pricing (including apparent discount), and all appropriate attachments. In order to ensure that your full response is evaluated, you must provide an electronic version of any material that you provide in a hard copy format.

As a public agency, NJPA's proposals, responses, and awarded contracts are a matter of public record, except for such data that is classified as nonpublic. Accordingly, public data is available for review through a properly submitted public records request. To redact nonpublic information from your proposal (under Minnesota Statute §13.37), you must make your request within thirty (30) days of the contract award or non-award date.

4.10 All Proposal forms must be submitted in English and must be legible. All appropriate forms must be executed by an authorized signatory of the Proposer. Blue ink is preferred for signatures.

4.11 Proposal submissions should be submitted using the electronic forms provided. Proposers that use alternative documents are responsible for ensuring that the content is substantially similar to the NJPA form and that the document is readable by NJPA.

4.12 The Proposer must ensure that the proposal is in the physical possession of NJPA before the submission deadline.

4.12.1 Proposals must be submitted in a sealed envelope or box properly addressed to NJPA and prominently identifying the proposal number, proposal category name, the message **“Hold for Proposal Opening,”** and the deadline for proposal submission. NJPA is not responsible for untimely proposals. Proposals received by the deadline for proposal submission will be opened and the name of each Proposer and other appropriate information will be publicly read.

4.13 Proposers are responsible for checking directly with the NJPA website for any addendums to this RFP. Addendums to this RFP can change the terms and conditions of the RFP, including the proposal submission deadline.

F. QUESTIONS AND ANSWERS ABOUT THIS RFP

4.14 Upon examination of this RFP document, Proposer should promptly notify NJPA of any ambiguity, inconsistency, or error they may discover. Interpretations, corrections, and changes to this RFP will be considered by NJPA through a written addendum. Interpretations, corrections, or changes that are made in any other manner are not binding, and Proposers must not rely on them.

4.15 Submit all questions about this RFP, in writing, referencing **FOOD PRODUCTS AND DISTRIBUTION WITH RELATED EQUIPMENT, SUPPLIES, AND SERVICES** to Chris Robinson at NJPA 202 12th Street NE, Staples, MN 56479 or to RFP@njpacoop.org. You may also call Chris Robinson at (218) 895-4168. NJPA urges potential Proposers to communicate all concerns well in advance of the submission deadline to avoid misunderstandings. Questions received within seven (7) days before the submission deadline generally cannot be answered. NJPA may, however, field purely procedural questions, questions about NJPA-issued addenda, or questions involving a Proposer withdrawing its response before the RFP submission deadline.

4.16 If NPJA deems that its answer to a question has a material impact on other potential Proposers or on the RFP itself, NJPA will create an addendum to this RFP.

4.17 If NJPA deems that its answer to a question merely clarifies the existing terms and conditions and does not have a material impact on other potential Proposers or the RFP itself, no further documentation of that question is required.

4.18 Addenda are written instruments issued by NJPA that modify or interpret the RFP. All addenda issued by NJPA become a part of the RFP. Addenda will be delivered to all Potential Proposers using the same method of delivery of the original RFP material. NJPA accepts no liability in connection with the delivery of any addenda. Copies of addenda will also be made available on the NJPA website at www.njpacoop.org (under “Current and Pending Solicitations”) and from the NJPA offices. All Proposers must acknowledge their receipt of all addenda in their proposal response.

4.19 Any amendment to a submitted proposal must be in writing and must be delivered to NJPA by the RFP submission deadline.

4.20 through 4.21 [These sections are intentionally blank.]

G. MODIFICATION OR WITHDRAWAL OF A SUBMITTED PROPOSAL

4.22 A submitted proposal must not be modified, withdrawn, or cancelled by the Proposer for a period of ninety (90) days following the date proposals were opened. Before the deadline for submission of proposals, any proposal submitted may be modified or withdrawn by notice to the NJPA Procurement Manager. Such notice must be submitted in writing and must include the signature of the Proposer. The notice must be delivered to NJPA before the deadline for submission of proposals and must be so worded as not to reveal the content of the original proposal. The original proposal will not be physically returned to the potential Proposer until after the official proposal opening. Withdrawn proposals may be

resubmitted up to the time designated for the receipt of the proposals if they fully conform with the proposal instructions.

H. PROPOSAL OPENING PROCEDURE

4.23 Sealed and properly identified responses for this RFP entitled FOOD PRODUCTS AND DISTRIBUTION WITH RELATED EQUIPMENT, SUPPLIES, AND SERVICES will be received by Chris Robinson, Procurement Manager, at NJPA Offices, 202 12th Street NE, Staples, MN 56479 until the deadline identified on page one of this RFP. All Proposal responses must be submitted in a sealed package. The outside of the package must plainly identify FOOD PRODUCTS AND DISTRIBUTION WITH RELATED EQUIPMENT, SUPPLIES, AND SERVICES and the RFP number. To avoid premature opening, the Proposer must label the Proposal response properly. **NJPA documents the receipt of proposals by immediately time- and date-stamping them.** At the time of the public opening, the NJPA Director of Procurement or a representative from the NJPA Proposal Evaluation Committee will read the Proposer's names aloud and will determine whether each submission has met Level-1 responsiveness.

I. NJPA'S RIGHTS RESERVED

4.24 NJPA may exercise the following rights with regard to the RFP.

4.24.1 Reject any and all proposals received in response to this RFP;

4.24.2 Disqualify any Proposer whose conduct or proposal fails to conform to the requirements of this RFP;

4.24.3 Duplicate without limitation all materials submitted for purposes of RFP evaluation, and duplicate all public information in response to data requests regarding the proposal;

4.24.4 Consider and accept for evaluation a late modification of a proposal if 1) the proposal itself was submitted on time, 2) the modifications were requested by NJPA, and 3) the modifications make the terms of the proposal more favorable to NJPA or its members;

4.24.5 Waive any non-material deviations from the requirements and procedures of this RFP;

4.24.6 Extend the Contract, in increments determined by NJPA, not to exceed a total Contract term of five years;

4.24.7 Cancel the Request for Proposal at any time and for any reason with no cost or penalty to NJPA;

4.24.8 Correct or amend the RFP at any time with no cost or penalty to NJPA. If NJPA corrects or amends any segment of the RFP after submission of proposals and before the announcement of the awarded Vendor, all proposers will be afforded a reasonable opportunity to revise their proposals in order to accommodate the RFP amendment and the new submission dates. NJPA will not be liable for any errors in the RFP or other responses related to the RFP; and

4.24.9 Extend proposal due dates.

5 **PRICING**

5.1 NJPA requests that potential Proposers respond to this RFP only if they are able to offer a wide array of products and services at lower prices and with better value than what they would ordinarily offer to a single government agency, a school district, or a regional cooperative.

5.2 This RFP requests pricing for an indefinite quantity of products or related services with potential national sales distribution and service. While most RFP categories represent significant sales opportunities,

NJPA makes no guarantees about the quantity of products or services that members will purchase. **The estimated annual value of this contract is \$100 Million.**

Vendors are expected to anticipate additional volume through potential government, educational, and not-for-profit agencies that would find value in a national contract awarded by NJPA.

5.3 Regardless of the payment method selected by NJPA or an NJPA member, the total cost associated with any purchase option of the products and services must always be disclosed in the proposal and at the time of purchase.

5.4 All proposers must submit “Primary Pricing” in the form of either “Line-Item Pricing,” or “Percentage Discount from Catalog Pricing,” or a combination of these pricing strategies. Proposers are also encouraged to offer optional pricing strategies such as “Hot List,” “Sourced Products,” and “Volume Discounts,” as well as financing options such as leasing. All pricing documents should include a clear effective date. **In addition, for food item pricing, proposers must submit pricing for those items using the methods described in Subsection 5.4.2 below (and subparts).**

5.4.1 Proposer may submit Regional or National pricing proposals. Proposers shall clearly indicate if pricing proposals are to be considered Regional or National. Regional price proposals should be accompanied by additional clarifying information, such as a map or other explanation of the geographic boundaries defining the Proposer’s regions.

5.4.2 Food Items Pricing. For all food items, Proposers are required to submit pricing as follows:

5.4.2.1 K-12 Education Pricing. Proposers are required to submit two prices as defined herein which will apply to all purchased food under this contract by *NJPA Members providing pre-K through Grade 12 education*: “Fixed Fee Per Case” and “Unit Market Basket Pricing”. The combined total of these price components shall result in the delivered product cost and is considered the Total Cost of Acquisition. For all food items, no other fees/charges will apply without express declaration in Proposer’s response. Proposers should include price proposals and associated information for the top 100 items sold within Proposer’s product offerings.

5.4.2.2 Non-K-12 Education Pricing. Proposers may elect to make the K-12 Education Pricing described above available to all NJPA Members, or may propose an alternative pricing method for non-K-12 education NJPA Members. For instance, any of the alternate pricing models described in this RFP, including a Percentage Mark-up or similar alternative model, may be proposed.

A. LINE-ITEM PRICING

5.5 Line-item pricing is a pricing format in which individual products or services are offered at specific Contract prices. Products or services are individually priced and described by characteristics such as manufacture name, stock or part number, size, or functionality. This method of pricing may offer the least amount of confusion, but Proposers with a large number of items may find this method cumbersome. In these situations, a percentage discount from catalog or category pricing model may make more sense and may increase the clarity of the contract pricing format.

5.6 All line-item pricing items must be numbered, organized, sectioned (including SKUs, when applicable), and prepared to be easily understood by the Evaluation Committee and members.

5.7 Submit Line-Item Pricing items in an Excel spreadsheet format and include all appropriate identification information necessary to discern the line item from other line items in each Responder’s proposal.

5.8 Line-item pricing must be submitted to NJPA in a searchable spreadsheet format (e.g., Microsoft® Excel®) in order to facilitate quickly finding any particular item of interest. For that reason, Proposers are responsible for providing the appropriate product and service identification information along with the pricing information that is typically found on an invoice or price quote for such product or services.

5.9 All products or services typically appearing on an invoice or price quote must be individually priced and identified on the line-item price sheet, including any and all ancillary costs.

5.10 Proposers should provide both a published “List Price” as well as a “Proposed Contract Price” in their pricing matrix. Published List Price will be the standard “quantity of one” price currently available to government and educational customers, excluding cooperative and volume discounts.

B. PERCENTAGE DISCOUNT FROM CATALOG OR CATEGORY

5.11 This pricing model involves a specific percentage discount from a catalog or list price, defined as a published Manufacturer’s Suggested Retail Price (MSRP) for the products or services being proposed.

5.12 Individualized percentage discounts can be applied to any number of defined product groupings.

5.13 A percentage discount from MSRP may be applied to all elements identified in MSRP, including all manufacturer options applicable to the products or services.

5.14 When a Proposer elects to use “Percentage Discount from Catalog or Category,” Proposer will be responsible for providing and maintaining current published MSRP with NJPA, and this pricing must be included in its proposal and provided throughout the term of any Contract resulting from this RFP.

C. COST PLUS A PERCENTAGE OF COST

5.15 “Cost plus a percentage of cost” as a primary pricing mechanism is not desirable. It is, however, acceptable for pricing sourced goods or services. **With respect to food item pricing, a “cost plus percentage of cost” or a “percentage mark-up” pricing model is allowable.**

D. HOT LIST PRICING

5.16 Where applicable, a Vendor may opt to offer a specific selection of products or services, defined as “Hot List” pricing, at greater discounts than those listed in the standard Contract pricing. All product and service pricing, including the Hot List Pricing, must be submitted electronically in a format that is acceptable to NJPA. Hot List pricing must be submitted in a line-item format. Products and services may be added or removed from the Hot List at any time through an NJPA Price and Product Change Form.

5.17 Hot List program and pricing may also be used to discount and liquidate close-out and discontinued products and services as long as those close-out and discontinued items are clearly labeled as such. Current ordering process and administrative fees apply. This option must be published and made available to all NJPA Members.

E. CEILING PRICE

5.18 *Except as otherwise provided in this RFP with respect to food item pricing*, Proposal pricing is to be established as a ceiling price. At no time may the proposed products or services be offered under this Contract at prices above this ceiling price without a specific request and approval by NJPA or as permitted in this RFP. Contract prices may be reduced at any time, for example, to reflect volume discounts or to meet the needs of an NJPA Member.

F. FIXED FEE PER CASE PRICE

5.19 Fixed Fee Per Case price encompasses all costs associated with providing and delivering the product under the terms and conditions of this Contract excluding the product itself. Fixed Fee Per Case pricing includes handling, delivery, overhead and profit. Fixed fee per case is the only acceptable method of pricing of delivery/handling of food products under this Proposal *for NJPA Members in pre-K through Grade 12 education*, and cost plus percentage fee proposals will not be accepted for that Member class. Fixed Fee Per Case pricing shall apply to all such food offerings in Proposer's response.

5.19.1 The Fixed Fee Per Case price shall be stated in a dollars and cents format to two (2) decimal points (ex. \$1.00) and shall be inclusive of all costs, delivery and profit. Additional charges will not be accepted by NJPA or NJPA Members.

5.19.2 The Fixed Fee Per Case price will remain fixed and firm throughout the term of the contract. Price Adjustments to the Fixed Fee Per Case price may be requested by Vendor if the request is justified based upon an independent market indicator and detailed data is provided. Vendors may request a price adjustment by submitting a Price and Product Change Request Form to NJPA.

5.19.3 NJPA or NJPA Members shall only be responsible for a prorated portion of the fee for broken cases based on the number of units ordered and damaged from the full case.

G. UNIT MARKET BASKET & EMERGENCY SITUATION PRICING

5.20 Unit Market Basket Pricing is for the product itself and includes any overhead/storage, profit or other costs associated with the product. Unit prices shall be provided by Proposer when required. Proposer must include "No Proposal" for any item where a unit price will not be offered in the response. The unit price shall prevail in any pricing discrepancy.

5.20.1 Unit Prices must be proposed at current market rates. Individual unit market prices are permitted to be changed at any time, however the overall market basket increase may not exceed the rate of inflation according to the BLS CPI for All Urban Consumers, US City Average, Food at Elementary and Secondary Schools Index per year as determined annually based upon the date of award of this Contract.

5.21 NJPA or NJPA Members may occasionally encounter an emergency situation necessitating a requirement for extra deliveries. Proposer may as part of the price proposal submit a per-mile, a per-stop fee, or an alternate method of charging for this service applicable only in emergency situations as determined by NJPA or NJPA Members. The proposal may include a minimum value for extra orders which avoids an extra fee.

5.22-5.23 [Sections omitted.]

H. TOTAL COST OF ACQUISITION

5.24 The Total Cost of Acquisition for the equipment/products and related services being proposed, including those payable by NJPA Members to either the Proposer or a third party, is the cost of the proposed equipment/products product/equipment and related services delivered and operational for its intended purpose in the end-user's location. For example, if you are proposing equipment/products FOB Proposer's dock, your proposal should reflect that the contract pricing does not provide for delivery beyond Proposer's dock, nor any set-up activities or costs associated with those delivery or set-up activities. Any additional costs for delivery and set-up should be clearly disclosed. In contrast, a proposal could state that there are no additional costs of acquisition if the product is delivered to and operational at the end-user's location.

I. SOURCED GOOD or OPEN MARKET ITEM

5.25 A Sourced Good or an Open Market Item is a product that a member wants to buy under contract that is not currently available under the Vendor's NJPA contract. This method of procurement can be satisfied through a contract sourcing process. Sourcing options serve to provide a more complete contract solution to meet our members' needs. Sourced items are generally deemed incidental to the total transaction or purchase of contract items.

5.26 NJPA or NJPA Members may request products, equipment, and related services that are within the related scope of this RFP, even if they are not included in an awarded Vendor's line-item price list or catalog. These items are known as Sourced Goods or Open Market Items.

5.27 An awarded Vendor may source such items to the extent that the items are identified as "Sourced Products/Equipment" or "Open Market Items" on any quotation issued in reference to an NJPA awarded contract, and that this information is provided to either NJPA or an NJPA Member. NJPA is not responsible for determining whether a Sourced Good is an incidental portion of the overall purchase or whether a Member is able to consider a Sourced Good a purchase under an NJPA contract.

5.28 "Cost plus a percentage" pricing is an acceptable option in pricing of Sourced Goods.

J. PRODUCT & PRICE CHANGES

5.29 *Except as it relates to "individual unit market prices" as described above*, Awarded Vendors may request product or service changes, additions, or deletions at any time throughout the contract term. All requests must be made in written format by completing the NJPA Price and Product Change Request Form (located at the end of this RFP and on the NJPA website), signed by an authorized Vendor representative. All changes are subject to review and approval by NJPA. Submit your requests through email to your assigned Contract Manager and to PandP@njpacoop.org.

5.30 NJPA will determine whether the request is both within the scope of the original RFP and in the best interests of NJPA and NJPA Members. Approved Price and Product Change Request Forms will be returned to the Vendor contact through email.

5.31 The Vendor must 1) complete this change request form and individually list or attach all items subject to change, 2) provide a sufficiently detailed explanation and documentation for the change, and 3) include a complete restatement of pricing document in appropriate format (preferably Excel). The pricing document must identify all products and services being offered and must conform to the following NJPA product and price change naming convention: (Vendor Name) (NJPA Contract #) (effective pricing date); for example, "COMPANY 012411-CPY effective 02-12-2016."

5.32 **The new pricing restatement must include all products and services offered, even for those items whose pricing remains unchanged**, and must include a new effective date on the pricing documents. This requirement reduces confusion by providing a single, current pricing sheet for each vendor and creates a historical record of pricing.

5.33 ADDITIONS. New products and related services may be added to a Contract resulting from this RFP at any time during that Contract term to the extent that those products and related services are within the scope of this RFP. Allowable new products and related services generally include updated models of products and enhanced services that reflect new technology and improved functionality.

5.34 DELETIONS. New products and related services may be deleted from a contract if an item is no longer available.

5.35 PRICE CHANGES. A Vendor may request pricing changes by providing reasonable justification for the change. For example, a request for a 3% increase in a product line that relies heavily on petroleum products may be reasonable if the raw cost of required petroleum products has increased substantially. Conversely, a request for a 3% increase in prices based only on a 3% increase in a cost-of-living index may

be considered unreasonable. Although NJPA is sensitive to the possibility of fluctuations in raw material costs, prospective Vendors should make every reasonable attempt to account for normal cost changes by proposing pricing that will be effective throughout the duration of the four-year Contract.

5.35.1 *Price decreases:* NJPA expects Vendors to propose their very best prices and anticipates price reductions that are due to advancement in technology and marketplace efficiencies.

5.35.2 *Price increases:* A Vendor must include reasonable documentation for price-increase requests, along with both current and proposed pricing. Appropriate documentation should be attached to the Price and Product Change Request Form, including letters from suppliers announcing price increases. Price increases must not exceed the industry standard.

5.36 through 5.37 [These sections are intentionally blank.]

5.38 Proposers representing multiple manufacturers, or carrying multiple related product lines may also request the addition of new manufacturers or product lines to their Contract to the extent they remain within the scope of this RFP.

5.39 through 5.43 [These sections are intentionally blank.]

K. SALES TAX

5.44 Sales and other taxes should not be included in the prices quoted. The Vendor will charge state and local sales and other applicable taxes on items for which a valid tax-exemption certification has not been provided. Each NJPA Member is responsible for providing verification of tax-exempt status to the Vendor. When ordering, NJPA Members must indicate that they are tax-exempt entities. Except as set forth herein, no party is responsible for taxes imposed on another party as a result of or arising from the transactions under a Contract resulting from this RFP.

L. SHIPPING

5.45 *For the controlling provision on shipping costs related to food items, see, §5.4.2 Food Items Pricing.*

5.46 Shipping costs can constitute a significant portion of the overall cost of procurement. Consequently, significant weight will be given to the quality of a prospective Vendor's shipping program. Shipping charges should reasonably reflect the actual cost of shipping. NJPA understands that Vendors may use other shipping cost methods for simplicity or for transparency. But to the extent that shipping costs are determined to disproportionately increase a Vendor's profit, NJPA may reduce the points awarded in the "Pricing" criteria.

5.47 [Section omitted.]

5.48 All shipping and restocking fees must be identified in the price program. Certain industries providing made-to-order products may not allow returns. Proposals will be evaluated not only on the actual costs of shipping, but on the relative flexibility extended to NJPA Members relating to restocking fees, shipping errors, customized shipping requirements, the process for rejecting damaged or delayed shipments, and similar subjects.

5.49 through 5.50 [These sections are intentionally blank.]

5.51 Delivered products must be properly packaged. Damaged products may be rejected. If the damage is not readily apparent at the time of delivery, the Vendor must permit the products to be returned within a reasonable time at no cost to NJPA or NJPA Member. NJPA and NJPA Members reserve the right to inspect the products at a reasonable time subsequent to delivery where circumstances or conditions prevent effective inspection of the products at the time of delivery.

5.52 The Vendor must deliver Contract-conforming products in each shipment and may not substitute products without the express approval from NJPA or the NJPA Member.

5.53 NJPA reserves the right to declare a breach of Contract if the Vendor intentionally delivers substandard or inferior products that are not under Contract and described in its paper or electronic price lists or sourced upon request of any Member under this Contract. In the event of the delivery of nonconforming products, the NJPA Member will notify the Vendor as soon as possible and the Vendor will replace nonconforming products with conforming products that are acceptable to the NJPA member.

5.54 Throughout the term of the Contract, Proposer agrees to pay for return shipment on products that arrive in a defective or inoperable condition. Proposer must arrange for the return shipment of the damaged products.

6 EVALUATION OF PROPOSALS

A. PROPOSAL EVALUATION PROCESS

6.1 The NJPA proposal evaluation committee will evaluate proposals received based on a 1,000 point evaluation system. The committee establishes both the evaluation criteria and designates the relative weight of each criterion by assigning possible scores for each category on Form G of this RFP. The committee may adjust the relative weight of the criteria for each RFP. (For example, if the “Warranty” criterion does not apply to a particular RFP, the points normally awarded under “Warranty” may be used to increase the number of potential points in another evaluation category or categories.) The “Pricing” criterion will contain at least a plurality of points for every RFP.

6.2 NJPA uses a scoring system that gives primary importance to “Pricing.” But pricing includes more than just the absolute lowest initial cost of purchasing, for example, a particular product. Other considerations include the total cost of the acquisition and whether the Proposer’s offering represents the best value. The evaluation committee may consider such factors as life-cycle costs, total cost of ownership, quality, and the suitability of an offering in meeting NJPA Members’ needs. Pricing points may be awarded based on pricing clarity and ease of use. NJPA may also award points based on whether a response contains exceptions, exclusions, or limitations of liabilities.

6.3 The NJPA Board of Directors will consider making awards to the selected Proposer(s) based on the recommendations of the proposal evaluation committee. To qualify for the final evaluation, a Proposer must have been deemed responsive as a result of the criteria set forth under “Proposer Responsiveness,” found just below.

B. PROPOSER RESPONSIVENESS

6.4 All responses are evaluated for Level-One and Level-Two Responsiveness. If a response does not substantially conform to substantially all of the terms and conditions in the solicitation, or if it requires unreasonable exceptions, it may be considered nonresponsive.

6.5 All proposals must contain suitable responses to the questions in the proposal forms. The following requirements must be satisfied in order to meet Level-One Responsiveness, which is typically ascertained on the proposal opening date. If these standards are not met, your response may be disqualified as nonresponsive.

6.6 Level-One Responsiveness means that the response

6.6.1 is received before the deadline for submission or it will be returned unopened;

- 6.6.2** is properly addressed and identified as a sealed proposal with a specific RFP number and an opening date and time;
- 6.6.3** contains a pricing document (with apparent discounts) and all other forms fully completed, even if “not applicable” is the answer;
- 6.6.4** includes the original (hard copy) completed, dated, and signed RFP forms C, D, and F. In addition, the response must include the hard-copy signed signature page only from RFP Forms A and P and, if applicable, all signed addenda that have been issued in relation to this RFP;
- 6.6.5** contains an electronic (CD, flash drive, or other suitable) copy of the entire response; and

6.7 Level-Two Responsiveness (including whether the response is within the RFP’s scope) is determined while evaluating the remaining items listed under Proposal Evaluation Criteria below. These items are not arranged in order of importance. Each item draws from multiple questions, and a Proposer’s responses may affect scoring in multiple evaluation criteria. For example, the answers to Industry-Specific Questions may help determine scoring relative to a Proposer’s marketplace success, ability to sell and service nationwide, and financial strength. Any questions not answered without an explanation will likely result in a loss of points and may lead to a nonaward if the proposal evaluation committee cannot effectively review your response.

C. PROPOSAL EVALUATION CRITERIA

6.8 Forms A and P include a series of questions that address the following categories:

- 6.8.1** Company Information and Financial Strength
- 6.8.2** Industry Requirements and Marketplace Success
- 6.8.3** Ability to Sell and Deliver Service Nationwide
- 6.8.4** Marketing Plan
- 6.8.5** Other Cooperative Procurement Contracts
- 6.8.6** Value-Added Attributes
- 6.8.7** Payment Terms and Financing Options
- 6.8.8** Warranty
- 6.8.9** Equipment/Products/Services
- 6.8.10** Pricing and Delivery
- 6.8.11** Industry-Specific Questions

6.9 [This section is intentionally blank.]

D. OTHER CONSIDERATIONS

6.10 In evaluating RFP responses, NJPA has no obligation to consider information that is not provided in the Proposer’s response. NJPA may, however, consider additional information outside the Proposer’s response. This research may include such sources as the Proposer’s website, industry publications, listed references, and user interviews.

6.11 NJPA may organize RFP responses into separate classes or subcategories, depending on the range of responses. For example, NJPA might receive numerous submissions for “Widgets and Related Products and Services.” NJPA may organize these responses into subcategories, such as manufacturers of fully

operational Widgets, manufacturers of component parts for Widgets, and providers of parts and service for Widgets. NJPA reserves the right to award Proposers in some or all of such subcategories without regard to the evaluation score given to Proposers in another subcategory. This specifically allows NJPA to award Vendors that might not have, for instance, the breadth of products of Proposers in another subcategory, but that nonetheless meet a substantial and articulated need of NJPA Members.

6.12 [This section is intentionally blank.]

6.13 NJPA reserves the right to request and test equipment/products and related services and to seek clarification from Proposers. Before the Contract award, the Proposer must furnish the requested information within three (3) days (or within another agreed-to time frame) or provide an explanation for the delay along with a requested time frame for providing the requested information. Proposers must make reasonable efforts to supply test products promptly. All Proposer products remain the property of the Proposer, and NJPA will return such products after the evaluation process. NJPA may make provisional contract awards, subject to a Proposer's proper response to a request for information or products.

6.14 A Proposer's past performance under previously awarded contracts to schools, governmental agencies, and not-for-profit entities is relevant in evaluating a Proposer's current response. Past performance includes the Proposer's record of conforming to published specifications and to standards of good workmanship, as well as the Proposer's history for reasonable and cooperative behavior and for commitment to Member satisfaction. Incumbency as an awarded Vendor does not, by itself, merit positive consideration for a future Contract award.

6.15 NJPA reserves the right to reject any or all proposals.

E. COST COMPARISON

6.16 NJPA may use a variety of evaluation methods, including cost comparisons of specific products. NJPA reserves the right to use this process when the proposal evaluation committee determines that this will help to make a final determination.

6.17 This direct cost comparison process will award points for being low to high Proposer for each cost evaluation item selected. A "Market Basket" of identical (or substantially similar) equipment/products and related services may be selected by the proposal evaluation committee, and the unit cost will be used as a basis for determining the point value. NJPA will select the "Market Basket" from all appropriate product categories as determined by NJPA.

F. MARKETING PLAN

6.18 A Proposer's marketing plan is a critical component of the RFP response. An awarded Vendor's sales force will likely be the primary source of communication with NJPA Members and will directly affect the contract's success. Marketing success depends on communicating the contract's value, knowing the contract thoroughly, and communicating the proper use of contracted products and services to the end user. Much of the success and sales reward is a direct result of the commitment to the contract by the awarded Vendor's sales teams. NJPA reserves the right to deem a Proposer Level-Two nonresponsive or not to award a contract based on an unacceptable or incomplete marketing plan.

6.19 NJPA marketing expectations include the following components.

6.19.1 An awarded Vendor must demonstrate the ability to deploy a national or regional sales force or dealer network. The best RFP responses demonstrate the ability to sell, deliver, and service products through acceptable distribution channels to NJPA members in all 50 states (or in the states within a Proposer's region, as applicable). Proposers' responses should fully demonstrate their sales and service capabilities, should outline their sales force network (both numerically geographically), and should describe their method of distribution of the offered products and related

services. Service may be independent of the product sales pricing, but NJPA encourages related services to be a part of Proposers' response. NJPA reserves the right to award contracts that meet specific Member needs locally or regionally, or that demonstrate the ability to deliver nationwide sales and service.

6.19.2 Proposers are invited to demonstrate their ability to successfully market, promote, and communicate the benefits of an NJPA contract to current and potential Members nationwide. NJPA desires a marketing plan that communicates the value of the contract to as many Members as possible.

6.19.3 Proposers are expected to be receptive to NJPA trainings. Awarded Vendors must provide an appropriate training venue for both management and the sales force. NJPA commits to providing training on all aspects of communicating the value of the awarded contract, including the authority of NJPA to offer the contract to its Members, the value and utility the contract delivers to NJPA Members, the scope of NJPA Membership, the authority of Members to use NJPA procurement contracts, the preferred marketing and sales methods, and the successful use of specific business sector strategies.

6.19.4 Awarded Vendors are expected to demonstrate a commitment to fully embrace the NJPA contract. Proposers should identify both the appropriate levels of sales management and sales force that will need to understand the value of the NJPA contract, as well as the internal procedures needed to deliver the appropriate messaging to NJPA Members. NJPA will provide a general schedule and a variety of methods describing when and how those individuals should be trained.

6.19.5 Proposers should outline their proposed involvement in promoting an NJPA contract through applicable industry trade show exhibits and related customer meetings. Proposers are encouraged to consider participation with NJPA at NJPA-endorsed national trade shows.

6.19.6 Proposers must exhibit the willingness and ability to actively market and develop contract-specific marketing materials including the following items.

6.19.6.1 Complete Marketing Plan. Proposers must submit a marketing plan outlining how they will launch the NJPA contract to current and potential NJPA Members. NJPA requires awarded Vendors to embrace and actively promote the contract in cooperation with the NJPA.

6.19.6.2 Printed Marketing Materials. Awarded Vendors will produce and maintain full color print advertisements in camera-ready electronic format, including company logos and contact information to be used in the NJPA directory and other approved marketing publications.

6.19.6.3 Contract announcements and advertisements. Proposers should outline in the marketing plan their anticipated contract announcements, advertisements in industry periodicals, and other direct or indirect marketing activities promoting the awarded NJPA contract.

6.19.6.4 Proposer's Website. Proposers should identify how an awarded Contract will be displayed and linked on the Proposer's website. An online shopping experience for NJPA Members is desired whenever possible.

6.19.7 An NJPA Vendor contract launch will be scheduled during a reasonable time frame after the award and held at the NJPA office in Staples, MN unless the Vendor and NJPA agree to a different location.

6.20 Proposer shall identify their commitment to develop a sales/communication process to facilitate NJPA membership and establish status of current and potential agencies/members. Proposer should further express their commitment to capturing sufficient member information as is deemed necessary by NJPA.

G. CERTIFICATE OF INSURANCE

6.21 Proposers must provide evidence of liability insurance coverage identified below in the form of a Certificate of Insurance (COI) or an ACORD binder form with their proposal. Upon an award issued under this RFP and before the execution of any commerce relating to such award, the awarded Vendor must provide verification, in the form of a Certificate of Insurance, identifying the coverage required below and identifying NJPA as a “Certificate Holder.” The Vendor must maintain such insurance coverage at its own expense throughout the term of any contract resulting from this solicitation.

6.22 Any exceptions or assumptions to the insurance requirements must be identified on Form C of this RFP. Exceptions and assumptions will be considered as part of the evaluation process. Any exceptions or assumptions that Proposers submit must be specific. If a Proposer does not include specific exceptions or assumptions when submitting the proposal, NJPA will typically not consider any additional exceptions or assumptions during the evaluation process. Upon contract award, the awarded Vendor must provide the Certificate of Insurance identifying the coverage as specified.

6.23 Insurance Liability Limits. The awarded Vendor must maintain, for the duration of its contract, \$1.5 million in general liability insurance coverage or general liability insurance in conjunction with an umbrella for a total combined coverage of \$1.5 million. Work on the Contract will not begin until after the awarded Vendor has submitted acceptable evidence of the required insurance coverage. Failure to maintain any required insurance coverage or an acceptable alternative method of insurance will be deemed a breach of contract.

6.23.1 Minimum Scope and Limits of Insurance. An awarded Vendor must provide coverage with limits of liability not less than those stated below. An excess liability policy or umbrella liability policy may be used to meet the minimum liability requirements provided that the coverage is written on a “following form” basis.

6.23.1.1 Commercial General Liability—Occurrence Form

Policy shall include bodily injury, property damage and broad form contractual liability and XCU coverage.

6.23.1.2 Each Occurrence \$1,500,000

6.24 Insurance Requirements: The limits listed in this RFP are minimum requirements for this Contract and in no way limit any indemnity covenants contained in this Contract. NJPA does not warrant that the minimum limits contained herein are sufficient to protect the Vendor from liabilities that might arise out of the performance of the work under this Contract by the Vendor, its agents, representatives, employees, or subcontractors, and the Vendor is free to purchase additional insurance as may be determined necessary.

6.25 Acceptability of Insurers: Insurance is to be placed with insurers duly licensed or authorized to do business in the State of Minnesota and with an “A.M. Best” rating of not less than A- VII. NJPA does not warrant that the above required minimum insurer rating is sufficient to protect the Vendor from potential insurer solvency.

6.26 Subcontractors: Vendors’ certificate(s) must include all subcontractors as additional insureds under its policies, or the Vendor must furnish to NJPA separate certificates for each subcontractor. All coverage for subcontractors are be subject to the minimum requirements identified above.

H. ORDER PROCESS AND/OR FUNDS FLOW

6.27 NJPA Members typically issue a purchase order directly to a Vendor under a Contract resulting from this RFP. Alternatively, a separate contract may be created to facilitate acquiring products or services offered in response to this RFP. Nothing in this Contract restricts the Member and Vendor from agreeing to add terms or conditions to a purchase order or a separate contract provided that such terms or conditions must not be less favorable to NJPA's Members.

6.28 [This section is intentionally blank.]

I. ADMINISTRATIVE FEES

6.29 Vendors will pay to NJPA an administrative fee in exchange for NJPA facilitating this Contract with its current and potential Members. NJPA may grant a conditional contract award to a Proposer if the proposed administrative fee is unclear, inadequate, or unduly burdensome for NJPA to administer. Sales under this Contract should not be processed until the parties resolve the administrative fee issue.

6.29.1 The administrative fee is typically calculated as a percentage of the dollar volume of all products and services by NJPA Members under this Contract, including anything represented to NJPA Members as falling under this Contract. The Proposer may propose an alternative method of calculation for food items, such as a fixed amount per case.

6.29.2 The administrative fee is included in, and not added to, the pricing included in Proposer's response to the RFP. Awarded Vendors must not charge NJPA Members more than permitted in the then current price list in order to offset the administrative fee.

6.29.3 The administrative fee is designed to cover the costs of NJPA's involvement in contract management, facilitating marketing efforts, Vendor training, and any order processing tasks relating to the Contract. Administrative fees may also be used for other purposes as allowed by Minnesota law.

6.29.4 The typical administrative fee under an NJPA Contract is two percent (2%). For this contract, a fixed amount per case of food items is also typical. While NJPA does not dictate the particular fee percentage or amount per case, we require that the Proposer articulate a specific fee in its response. For example, merely stating that "we agree to pay an administrative fee" is considered nonresponsive. NJPA acknowledges that the administrative fee may differ between vendors, industries, and responses.

6.29.5 NJPA awarded Vendors are responsible for paying the administrative fee at least quarterly and for generating all related reporting. Vendors agree to cooperate with NJPA in auditing these reports to ensure that the administrative fee is paid on all items purchased under the Contract.

6.30 through 6.32 [This section is intentionally blank.]

J. VALUE-ADDED ATTRIBUTES

6.33 Desirability of Value-Added Attributes: Value-added attributes in an RFP response will be given positive consideration in NJPA's evaluation process. Such attributes may increase the benefit of a product or service by improving functionality, performance, maintenance, manufacturing, delivery, energy efficiency, ordering, or other items while remaining within the scope of this RFP.

6.34 Women and Minority Business Enterprise (WMBE), Small Business, and Other Favored Businesses: Some NJPA Members give formal preference to certain types of vendors or contractors. Proposers should document WMBE (or other) status for both their organization and for any affiliates (e.g., supplier networks) involved in fulfilling the terms of this RFP. The ability of a Proposer to provide preferred business entity "credits" to NJPA and NJPA Members under a Contract will be evaluated positively by NJPA and reflected in the "value added" area of the evaluation.

6.35 Environmentally Preferred Purchasing Opportunities: Many NJPA Members consider the environmental impact of the products and services they purchase. “Green” characteristics demonstrated by Proposers will be evaluated positively by NJPA and reflected in the “value added” area of the evaluation. Please identify any green characteristics of any offering in your proposal and identify the sanctioning body determining that characteristic. Where appropriate, please indicate which products have been certified as green and by which certifying agency.

6.36 Online Requisitioning Systems: When applicable, online requisitioning systems will be viewed as a value-added characteristic. Proposers should demonstrate how their system makes online ordering easier for NJPA Members, including how Members could integrate their current e-Procurement or enterprise resource planning (ERP) systems into the Proposer’s ordering process.

6.37 Financing: The ability of the Proposer to provide financing solutions to Members for the products and services being proposed will be viewed as a value-added attribute.

6.38 Technology: Technological advances that appreciably improve the proposed products or services will be considered value-added attributes.

K. WAIVER OF FORMALITIES

6.39 NJPA reserves the right to waive minor formalities (or to accept minor irregularities) in any proposal, when it determines that considering the proposal may be in the best interest of its Members.

7 POST-AWARD OPERATING ISSUES

A. SUBSEQUENT AGREEMENTS

7.1 Purchase Order. Purchase orders for products and services may be executed between NJPA Members and the awarded Vendor (or Vendor’s sub-contractors) under this Contract. NJPA Members and Vendors must indicate on the face of such purchase orders that “This purchase order is issued under NJPA contract #XXXXXXX” (insert the relevant contract number). Purchase order flow and procedure will be developed jointly between NJPA and an awarded Vendor after an award is made.

7.2 Governing Law. Purchase orders must be construed in accordance with, and governed by, the laws of a competent jurisdiction with respect to the Member. (See also Section 8.5 of this RFP.) All provisions required by law to be included in the purchase order should be read and enforced as if they were included. If through mistake or otherwise any such provision is not included, then upon application of either party the Contract shall be physically amended to make such inclusion or correction. The venue for any litigation arising out of disputes related to purchase order will be a court of competent jurisdiction with respect to the Member.

7.3 Additional Terms and Conditions. Additional terms and conditions to a purchase order may be proposed by NJPA, NJPA Members, or Vendors. Acceptance of these additional terms and conditions is optional to all parties to the purchase order. One purpose of these additional terms and conditions is to address job- or industry-specific requirements of law such as prevailing wage legislation. Additional terms and conditions may also include specific local policy requirements and standard business practices of the issuing Member or the Vendor. Such additional terms and conditions are not considered valid to the extent that they interfere with the general purpose, intent, or currently established terms and conditions contain in this RFP document. For example, a Vendor and Member may agree to add a “net 30” payment requirement to the purchase order instead of applying a “net 10” requirement. But the added terms and conditions must not be less favorable to the Member unless NJPA, the Member, and the Vendor agree to a Contract amendment or similar modification.

7.4 Specialized Service Requirements. In the event that the NJPA Member desires service requirements or specialized performance requirements (such as e-commerce specifications, specialized delivery

requirements, or other specifications and requirements) not addressed in the Contract resulting from this RFP, the NJPA Member and the Vendor may enter into a separate, standalone agreement, apart from a Contract resulting from this RFP. Any proposed service requirements or specialized performance requirements require pre-approval by the Vendor. Any separate agreement developed to address these specialized service or performance requirements is exclusively between the NJPA Member and Vendor. NJPA, its agents, and employees shall not be made a party to any claim for breach of such agreement. Product sourcing is not considered a service. NJPA Members will need to conduct procurements for any specialized services not identified as a part of or within the scope of the awarded Contract.

7.5 Performance Bond. At the request of the Member, a Vendor will provide all performance bonds typically and customarily required in their industry. These bonds will be issued pursuant to the requirements of purchase orders for products and services. If a purchase order is cancelled for lack of a required performance bond by the member agency, NJPA recommends that the current pending purchase order be canceled. Each Member has the final decision on purchase order continuation. Any performance bonding required by the Member, the Member's state laws, or by local policy is to be mutually agreed upon and secured between the Vendor and the Member.

7.6 Asset Management Contracts: Asset Management-type Contracts can be initiated under a Contract resulting from this RFP at any time during the term of this Contract. Such a contract could involve, for example, picking up, storing, repairing, inventorying, salvaging, and delivery products falling within the scope of this Contract. The intention in using Asset Management Contracts is to promote the long-term efficiency of NJPA's contracts by (among other things) extending the use and re-use of products. Asset Management Contracts cannot be created under this Contract unless they are executed within the authorized term of a Contract resulting from this RFP. The actual term of the Asset Management Contract may, however, extend beyond the expiration date of this Contract.

B. NJPA MEMBER SIGN-UP PROCEDURE

7.7 Awarded Vendors are responsible for familiarizing their sales and service forces with the various forms of NJPA membership documentation and will encourage and assist potential Members in establishing membership with NJPA. NJPA membership is available at no cost, obligation, or liability to the Member or the Vendor.

C. REPORTING OF SALES ACTIVITY

7.8 Awarded Vendors must report at least quarterly the total gross dollar volume of all products and services purchased by NJPA Members as it applies to this RFP and Contract. This report must include the name and address of the purchasing agency, Member number, amount of purchase, and a description of the items purchased.

7.8.1 Zero sales reports: Awarded Vendors must provide a quarterly Contract sales report regardless of the amount of sales.

D. AUDITS

7.9 NJPA relies substantially on the reasonable auditing efforts of both Members and awarded Vendors to ensure that Members are obtaining the products, services, pricing, and other benefits under all NJPA contracts. Nonetheless, the Vendor must retain and make available to NJPA all order and invoicing documentation related to purchases that Members make from the Vendor under the awarded Contract. NJPA must not request such information more than once per calendar year, and NJPA must make such requests in writing with at least fourteen (14) days' notice. NJPA may employ an independent auditor at its own expense or conduct an audit on its own. In either event, the Vendor agrees to cooperate fully with NJPA or its agents in order to ensure compliance with this Contract.

E. HUB PARTNER

7.10 Hub Partner: NJPA Members may request special services through a “Hub Partner” for the purpose of complying with a law, regulation, or rule that an NJPA Member deems to apply in its jurisdiction. Hub Partners may bring value to the proposed transactions through consultancy, through qualifying for disadvantaged business entity credits, or through other means.

7.11 Hub Partner Fees: NJPA Members are responsible for any transaction fees, costs, or expenses that arise under this Contract for special service provided by the Hub Partner. The fees, costs, or expenses levied by the Hub Vendor must be clearly itemized in the transaction documentation. To the extent that the Vendor stands in the chain of title during a transaction resulting from this RFP, the documentation must clearly indicate that the transaction is “Executed for the Benefit of [NJPA Member name].”

F. TRADE-INS

7.12 The value in US Dollars for Trade-ins will be negotiated between NJPA or an NJPA Member, and an Awarded Vendor. That identified “Trade-In” value shall be viewed as a down payment and credited in full against the NJPA purchase price identified in a purchase order issued pursuant to any Awarded NJPA procurement contract. The full value of the trade-in will be consideration.

G. OUT OF STOCK NOTIFICATION

7.13 The Vendor must immediately notify NJPA Members when they order an out-of-stock item. The Vendor must also tell the Member when the item will be available and whether there are equivalent substitutes. The Member must have the option of accepting the suggested substitute or canceling the item from the order. Under no circumstance may the Vendor make unauthorized substitutions. Unfilled or substituted items must be indicated on the packing list.

H. CONTRACT TERMINATION FOR CAUSE AND WITHOUT CAUSE

7.14 NJPA reserves the right to cancel all or any part of this Contract if the Vendor fails to fulfill any material obligation, term, or condition as described in the following procedure. Before any such termination for cause, the NJPA will provide written notice to the Vendor, an opportunity to respond, and a reasonable opportunity to cure the breach. The following are some examples of material breaches.

7.14.1 The Vendor provides products or services that do not meet reasonable quality standards and that are not remedied under the warranty;

7.14.2 The Vendor fails to ship the products or to provide the services within a reasonable amount of time;

7.14.3 NJPA reasonably believes that the Vendor will not or cannot perform to the requirements or expectations of the Contract, NJPA issues a request for assurance, and the Vendor fails to respond;

7.14.4 The Vendor fails to fulfill any of the material terms and conditions of the Contract;

7.14.5 The Vendor fails to follow the established procedure for purchase orders, invoices, or receipt of funds as established by NJPA and the Vendor;

7.14.6 The Vendor fails to properly report quarterly sales;

7.14.7 The Vendor fails to actively market this Contract within the guidelines provided in this RFP and defined in the NJPA contract launch.

7.15 Upon receipt of the written notice of breach, the Vendor will have ten (10) business days to provide a satisfactory response to NJPA. If the Vendor fails to reasonably address all issues in the written notice, NJPA may terminate the Contract immediately. If NJPA allows the Vendor more time to remedy the breach, such forbearance does not limit NJPA's authority to immediately terminate the Contract for continued breaches for which notice was given to the Vendor. Termination of the Contract for cause does not relieve either party of the financial, product, or service obligations incurred before the termination.

7.16 [This section is intentionally blank.]

7.17 NJPA may terminate the Contract if the Vendor files for bankruptcy protection or is acquired by an independent third party. The Vendor must disclose to NJPA any litigation, bankruptcy, or suspensions/disbarments that occur during the Contract period. Failure to disclose such information authorizes NJPA to immediately terminate the Contract.

7.18 NJPA may terminate the Contract without cause by giving the Vendor sixty (60) days' written notice of termination. Termination of the Contract without cause does not relieve either party of the financial, product, or service obligations incurred before the termination.

7.19 NJPA may immediately terminate any Contract without further obligation if any NJPA employee significantly involved in initiating, negotiating, securing, drafting, or creating the Contract on behalf of NJPA has colluded with any Proposer for personal gain. NJPA may also immediately cancel a Contract if it finds that gratuities, in the form of entertainment, gifts or otherwise, were offered or given by the Vendor or any agent or representative of the Vendor, to any employee of NJPA. Such terminations are effective upon written notice from NJPA or at a later date designated in the notice. Termination of the Contract does not relieve either party of the financial, product, or service obligations incurred before the termination.

8 GENERAL TERMS AND CONDITIONS

8. ADVERTISING A CONTRACT RESULTING FROM THIS RFP

8.1 Proposer/Vendor must not advertise or publish information concerning this Contract before the award is announced by NJPA. Once the award is made, a Vendor is expected to advertise the awarded Contract to both current and potential NJPA Members.

B. APPLICABLE LAW

8.2 [This section is intentionally blank.]

8.3 NJPA Compliance with Minnesota Procurement Law: NJPA has designed its procurement process to comply with best practices in the State of Minnesota. NJPA's solicitation methods are also created to comply with many of the various requirements that our Members must satisfy in their own procurement processes. But these requirements may differ considerably and may change from time to time. So each NJPA Member must make its own determination whether NJPA's solicitation process satisfies the procurement rules in the Member's jurisdiction.

8.4 Governing law with respect to delivery and acceptance: All applicable portions of the Minnesota Uniform Commercial Code, all other applicable Minnesota laws, and the applicable laws and rules of delivery and inspection of the Federal Acquisition Regulations (FAR) laws will govern NJPA contracts resulting from this solicitation.

8.5 Jurisdiction: Any claims that arise against NJPA pertaining to this RFP, and any resulting contract that develops between NJPA and any other party, must be brought only in courts in Todd County in the State of Minnesota unless otherwise agreed to.

8.5.1 Purchase orders or other agreements created pursuant to a contract resulting from this solicitation must be construed in accordance with, and governed by, the laws of the issuing Member. Any claim arising from such a purchase order or agreement must be filed and venued in a court of competent jurisdiction of the Member unless otherwise agreed to.

8.6 through 8.7 [This section is intentionally blank.]

8.8 Indemnification: Each party is responsible for its own acts and is not responsible for the acts of the other party and the results thereof. NJPA's liability is governed by the Minnesota Tort Claims Act (Minn. Stat. §3.736) and other applicable law.

8.9 Prevailing wage: The Vendor must comply with applicable prevailing wage legislation in effect in the jurisdiction of the NJPA Member. The Vendor must monitor the prevailing wage rates as established by the appropriate federal governmental entity during the term of this Contract and adjust wage rates accordingly.

8.10 Patent and copyright infringement: The Vendor agrees to indemnify and hold harmless NJPA and NJPA Members against any and all suits, claims, judgments, and costs instituted or recovered against the Vendor, NJPA, or NJPA Members by any person on account of the use or sale of any articles by NJPA or NJPA Members if the Vendor supplied such articles in violation of applicable patent or copyright laws.

C. ASSIGNMENT OF CONTRACT

8.11 No right or interest in this Contract may be assigned or transferred by the Vendor without prior written permission by the NJPA. No delegation of any duty of the Vendor under this Contract may be made without prior written permission of the NJPA. NJPA will notify Members by posting approved assignments on the NJPA website (www.njpacoop.org).

8.12 If the original Vendor sells or transfers all assets or the entire portion of the assets used to perform this Contract, a successor-in-interest must perform all obligations under this Contract. NJPA reserves the right to reject the acquiring entity as a Vendor. A change of name agreement will not change the contractual obligations of the Vendor.

D. LIST OF PROPOSERS

8.13 NJPA will not maintain a list of interested proposers, nor will it automatically send RFPs to them. All interested proposers must request the RFP as a result of NJPA's national solicitation advertisements. Because of the wide scope of the potential Members and qualified national suppliers, NJPA has determined this to be the best method of fairly soliciting proposals.

E. CAPTIONS, HEADINGS, AND ILLUSTRATIONS

8.14 The captions, illustrations, headings, and subheadings in this RFP are for convenience and ease of understanding and in no way define or limit the scope or intent of this request.

F. DATA PRACTICES

8.15 All materials submitted in response to this RFP become NJPA's property and become public records (under Minn. Stat. §13.591) after the evaluation process is completed. If the Proposer submits information in response to this RFP that it requests to be classified as nonpublic information (as defined by the Minnesota Government Data Practices Act, Minn. Stat. §13.37), the Proposer must meet the following requirements.

8.15.1 The Proposer must make the request within thirty (30) days of the award/nonaward notification, and include the appropriate statutory justification. Pricing, marketing plans, and

financial information is generally not redactable. The NJPA Legal Department will review the request to determine whether the information can be withheld or redacted. If NJPA determines that it must disclose the information upon a proper request for such information, NJPA will inform the Proposer of such determination.

8.15.2 The Proposer must defend any action seeking release of the materials that it believes to be nonpublic information, and it must indemnify and hold harmless NJPA, its agents, and employees, from any judgments or damages awarded against NJPA in favor of the party requesting the materials, and any and all costs connected with that defense. This indemnification survives the term of any contract awarded under this RFP. In submitting a response to this RFP, the Proposer agrees that this indemnification survives as long as NJPA possesses the confidential information.

8.16 [This section is intentionally blank.]

G. ENTIRE AGREEMENT

8.17 This Contract, as defined herein, constitutes the entire agreement between the parties to this Contract. A Contract resulting from this RFP is formed when the NJPA Board of Directors approves and signs the applicable Contract Award & Acceptance document (Form E).

H. FORCE MAJEURE

8.18 Except for payments of sums due, neither party is liable to the other nor deemed in default under this Contract if and to the extent that such party's performance of this Contract is prevented due to force majeure. The term "force majeure" means an occurrence that is beyond the control of the party affected and occurs without its fault or negligence including, but not limited to, the following: acts of God, acts of the public enemy, war, riots, strikes, mobilization, labor disputes, civil disorders, fire, flood, snow, earthquakes, tornadoes or violent wind, tsunamis, wind shears, squalls, Chinooks, blizzards, hail storms, volcanic eruptions, meteor strikes, famine, sink holes, avalanches, lockouts, injunctions-intervention-acts, terrorist events or failures or refusals to act by government authority and/or other similar occurrences where such party is unable to prevent by exercising reasonable diligence. The force majeure is deemed to commence when the party declaring force majeure notifies the other party of the existence of the force majeure and is deemed to continue as long as the results or effects of the force majeure prevent the party from resuming performance in accordance with a Contract resulting from this RFP. Force majeure does not include late deliveries of products and services caused by congestion at a manufacturer's plant or elsewhere, an oversold condition of the market, inefficiencies, or other similar occurrences. If either party is delayed at any time by force majeure, then the delayed party must (if possible) notify the other party of such delay within forty-eight (48) hours.

8.19 through 8.20 [These sections are intentionally blank.]

I. LICENSES

8.21 The Vendor must maintain a valid status on all required federal, state, and local licenses, bonds, and permits required for the operation of the business that the Vendor conducts with NJPA and NJPA Members.

8.22 All responding Proposers must be licensed (where required) and must have the authority to sell and distribute the offered products and services to NJPA and NJPA Members. Documentation of the required licenses and authorities, if applicable, should be included in the Proposer's response to this RFP.

J. MATERIAL SUPPLIERS AND SUB-CONTRACTORS

8.23 The awarded Vendor must supply the names and addresses of sourcing suppliers and sub-contractors as a part of the purchase order when requested by NJPA or an NJPA Member.

K. NON-WAIVER OF RIGHTS

8.24 No failure of either party to exercise any power given to it hereunder, nor a failure to insist upon strict compliance by the other party with its obligations hereunder, nor a custom or practice of the parties at variance with the terms hereof, nor any payment under a Contract resulting from this RFP constitutes a waiver of either party's right to demand exact compliance with the terms hereof. Failure by NJPA to take action or to assert any right hereunder does not constitute a waiver of such right.

L. PROTESTS OF AWARDS MADE

8.25 And protests must be filed with NJPA's Executive Director and must be resolved in accordance with appropriate Minnesota rules. Protests will only be accepted from Proposers. A protest of an award or nonaward must be filed in writing with NJPA within ten (10) calendar days after the public notice or announcement of the award or nonaward. A protest must include the following items.

8.25.1 The name, address, and telephone number of the protester;

8.25.2 The original signature of the protester or its representative (you must document the authority of the representative);

8.25.3 Identification of the solicitation by RFP number;

8.25.4 Identification of the statute or procedure that is alleged to have been violated;

8.25.5 A precise statement of the relevant facts;

8.25.6 Identification of the issues to be resolved;

8.25.7 The aggrieved party's argument and supporting documentation;

8.25.8 The aggrieved party's statement of potential financial damages; and

8.25.9 A protest bond in the name of NJPA and in the amount of 10% of the aggrieved party's statement of potential financial damages.

M. SUSPENSION OR DISBARMENT STATUS

8.26 If within the past five (5) years, any firm, business, person or Proposer responding to an NJPA solicitation has been lawfully terminated, suspended, or precluded from participating in any public procurement activity with a federal, state, or local government or education agency, the Proposer must include a letter with its response setting forth the name and address of the public procurement unit, the effective date of the suspension or debarment, the duration of the suspension or debarment, and the relevant circumstances relating to the suspension or debarment. Any failure to supply such a letter or to disclose pertinent information may result in the termination of a Contract. By signing the proposal affidavit, the Proposer certifies that no current suspension or debarment exists.

N. AFFIRMATIVE ACTION AND IMMIGRATION STATUS CERTIFICATION

8.27 An Affirmative Action Plan, Certificate of Affirmative Action, or other documentation regarding Affirmative Action may be required by NJPA or NJPA Members relating to a transaction from this RFP. Vendors must comply with any such requirements or requests.

8.28 Immigration Status Certification may be required by NJPA or NJPA Members relating to a transaction from this RFP. Vendors must comply with any such requirements or requests.

O. SEVERABILITY

8.29 In the event that any of the terms of a Contract resulting from this RFP are in conflict with any rule, law, or statutory provision, or are otherwise unenforceable under the laws or regulations of any government or subdivision thereof, such terms will be deemed stricken from the Contract, but such invalidity or unenforceability shall not invalidate any of the other terms of an awarded Contract resulting from this RFP.

P. RELATIONSHIP OF PARTIES

8.30 No Contract resulting from this RFP may be considered a contract of employment. The relationship between NJPA and an awarded Vendor is one of independent contractors, each free to exercise judgment and discretion with regard to the conduct of their respective businesses. The parties neither intend the proposed Contract to create, nor is to be construed as creating, a partnership, joint venture, master-servant, principal-agent, or any other, relationship. Except as provided elsewhere in this RFP, neither party may be held liable for acts of omission or commission of the other party and neither party is authorized or has the power to obligate the other party by contract, agreement, warranty, representation, or otherwise in any manner whatsoever except as may be expressly provided herein.

Q. PROVISIONS FOR NON-FEDERAL ENTITY PROCUREMENTS UNDER FEDERAL AWARDS OR OTHER AWARDS

8.31 Procurements by NJPA or NJPA Members utilizing funds under a federal grant or contract may be subject to specific federal laws, regulations, and requirements in addition to those under state and local laws. This may include, but is not limited to, the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 CFR Part 200 (also referred to as the “Uniform Guidance” or “EDGAR”). The terms included in this section express Proposers willingness and ability to comply with certain requirements which may be applicable to specific NJPA Member purchases using federal grant or contract dollars. NJPA Members may also require Proposers to enter into ancillary agreements, in addition to the NJPA contract’s general terms and conditions, to address the Member’s specific contractual needs, including contract requirements for a procurement using federal grants or contracts. NJPA reserves the right at any time within a contract term to require an awarded Vendor to reaffirm or resubmit proper documentation relating to these requirements. The numbering and identification contained within this section is only for reference purposes and does not identify any actual Federal designation or location of the rule. Rules are located in 2 CFR Part 200.

8.32 Contracts for more than the simplified acquisition threshold currently set at \$150,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

National Joint Powers Alliance reserves all rights and privileges under the applicable laws and regulations with respect to this procurement process in the event of breach of contract by either party.

8.33 Contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement.

National Joint Powers Alliance reserves the right to terminate any agreement resulting from this procurement process pursuant to National Joint Powers Alliance RFP sections 7.13 and 7.17. Prior to any termination for cause, the NJPA will provide written notice to the Proposer, opportunity to respond and opportunity to cure. National Joint Powers Alliance reserves the right to terminate any agreement resulting from this procurement process without cause with a required 60-day written notice of termination. Termination of Contract shall not relieve either party of financial, product or service obligations incurred or accrued prior to termination.

8.34 Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of “federally assisted construction contract” in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR part 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.” This provision is hereby incorporated by reference into all applicable contracts.

The equal opportunity clause is incorporated by reference herein.

8.35 Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

Proposer shall be in compliance with all applicable Davis-Bacon Act provisions.

8.36 Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence. This provision is hereby incorporated by reference into all applicable contracts.

Proposer certifies that during the term of an award for all contracts by National Joint Powers Alliance resulting from this procurement process, Proposer shall comply with applicable requirements as referenced above.

8.37 Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of “funding agreement” under 37 CFR § 401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, “Rights

to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

Section 1. Instructions for Vendor

Requests for product or service changes, additions, or deletions will be considered at any time throughout the awarded contract term. All requests must be made in writing by completing sections 2, 3, and 4 of this NJPA Price and Product Change Request Form and signed by an authorized Vendor representative in section 5. All changes are subject to review by the NJPA Contracts & Compliance Manager and to approval by NJPA’s Chief Procurement Officer. Submit request through email to your assigned NJPA Contract Administrator.]

NJPA will determine whether the request is 1) within the scope of the original RFP, and 2) in the best interests of NJPA and NJPA Members. Approved Price and Product Change Request Forms will be signed and emailed to the Vendor contact.

The Vendor must complete this change request form and individually list or attach all items or services subject to change, must provide sufficiently detailed explanation and documentation for the change, and must include a complete restatement of pricing documentation in an appropriate format (preferably Microsoft® Excel®). The pricing document must identify all products and services being offered and must conform to the following NJPA product/price change naming convention: (Vendor Name) (NJPA Contract #) (effective pricing date); for example, “Acme Widget Company #012416-AWC eff. 01-01-2017.”

NOTE: New pricing restatements must include all products and services offered regardless of whether their prices have changed and must include a new “effective date” on the pricing documents. This requirement reduces confusion by providing a single, current pricing sheet for each Vendor and creates a historical record of pricing.

ADDITIONS. New products and related services may be added to a contract if such additions are within the scope of the original RFP.

DELETIONS. New products and related services may be deleted from a contract if, for example, they are no longer available or have been modified to a point where they are outside the scope of the RFP.

PRICE CHANGES: Vendors may request price changes if they provide sufficient rationale for the change. For example, a Vendor that manufactures products that require substantial petroleum-related material might request a 3% price increase because of a 20% increase in petroleum costs.

Price decreases: NJPA expects Vendors to propose their very best prices and anticipates that price reductions might occur because of improved technologies or marketplace efficiencies.

Price increases: Acceptable price increases typically result from specific Vendor cost increases. The Vendor must include reasonable justification for the price increase and must not, for example, offer merely generalized statements about an increase in a cost-of-living index. Appropriate documentation should be attached to this form, including such items as letters from suppliers announcing price increases.

Refer to the RFP for complete “Pricing” details.

Section 2. Vendor Name and Type of Change Request

CHECK ALL CHANGES THAT APPLY:

AWARDED VENDOR NAME:

- Adding Products/Services
- Deleting Products/Services
- Price Increase
- Price Decrease

NJPA CONTRACT NUMBER:

Section 3. Detailed Explanation of Need for Changes

List the products and/or services that are changing or being added or deleted from the previous contract price list, along with the percentage change for each item or category. (Attach a separate, detailed document if changing more than 10 items.)

Provide a general statement and documentation explaining the reasons for these price and/or product changes.

EXAMPLES: 1) "All pricing for paper products and services are increased 5% because of increased raw material and transportation costs (see attached documentation of fuel and raw materials increase)." 2) "The 6400 series floor polisher is being added to the product list as a new model, replacing the 5400 series. The 6400 series 3% increase reflects technological changes that improve the polisher's efficiency and useful life. The 5400 series is now included in the "Hot List" at a 20% discount from the previous pricing until the remaining inventory is liquidated."

If adding products, state how these are within the scope of the original RFP.

If changing prices or adding products or services, state how the pricing is consistent with existing NJPA contract pricing.

Appendix A

NJPA The National Joint Powers Alliance® (NJPA), on behalf of NJPA and its current and potential Member agencies, which includes all governmental, higher education, K-12 education, not-for-profit, tribal governmental, and all other public agencies located in all fifty states, Canada, and internationally, issues this Request For Proposal (RFP) to result in a national contract solution.
