   c. Alternative Formats for Learning Materials (Please describe)
   d. Physical Accessibility (Please describe)

10. Please read this definition of ADVOCACY and complete questions A – D.

   Advocacy is acting in a purposeful way to help you, another person, and/or a group of people get treatment in a society. People advocate for many reasons and they can advocate at the local, national, and international level to help make the lives of all people better. Advocacy can come in many forms. It may mean talking with legislators to change harmful laws or making speeches to your community about an issue important to you. Junior Partners in Policymaking ® is about learning how to become an advocate in our society.

   A. Please list any membership in advocacy, school or sports clubs organizations, and indicate any office held. It is important to note that membership is not a requirement for participation in the Partners program.
B. What types of experience have you had in advocating for yourself or other people with disabilities?

C. Please tell us a little about your life experience, education and special interests:

D. Describe how you would use the advocacy skills and information taught in the summer program after the program finishes.

14. Please list two references:

1. Name: __________________________ Phone: __________________________
   Address: __________________________

2. Name: __________________________ Phone: __________________________
   Address: __________________________

15. How did you first find out about the Junior Partners Program? __________________________
16. Are you your own legal guardian? __________Yes __________ No

17. Did someone help you complete this application? __________ Yes __________ No
   If yes, who? ____________________________________________________________
