I. INTRODUCTION

A. PURPOSE

The purpose of this Request for Proposal is to obtain sealed proposals for Clothing, Footwear and Scrubs. It is the goal of this Request for Proposal to identify a vendor(s) and execute a contract to meet the Clothing, Footwear and Scrubs needs of the State.

1. COMPETITIVE SEALED PROPOSAL

It has been determined by Director, Government Support Services, pursuant to Delaware Code Title 29, Chapter 6924 (a) that this solicitation be offered as a request for competitive sealed proposals because the use of competitive sealed bidding is not practical and/or not in the best interest of the State. The use of competitive sealed proposals is necessary to:

- Use a contract other than a fixed-price type; or
- Conduct oral or written discussions with vendors concerning technical and price aspects of their proposals; or
- Afford vendors an opportunity to revise their proposals through best and final offers; or
- Compare the different price, quality and contractual factors of the proposals submitted; or
- Award a contract in which price is not the determining factor.

2. CONTRACT REQUIREMENTS

This contract will be issued to cover the requirements for all State Agencies and shall be accessible to any School District, Political Subdivision, Municipality, Volunteer Fire Company or higher education entity receiving state funds. Furthermore, this contract shall be accessible to all other entities as identified by Del. Code, Chapter 69, Title 29 § 6910.

3. MANDATORY USE CONTRACT

REF: Title 29, Chapter 6911(d) Delaware Code. All Covered Agencies as defined in 29 Del. C. §6902(6) shall procure all material, equipment and nonprofessional services through the statewide contracts administered by Government Support Services, Office of Management and Budget. Delaware State University, Delaware Technical and Community College, school districts, and the Legislative Branch are specifically exempted from the requirements of this subchapter. In addition, the Delaware Transit Corporation is exempt from the entire procurement chapter. Pursuant to 29 Del. C. §6904(l) and (n) respectively, the Department of Elections and the Board of Pension Trustees have certain exemptions from the procurement chapter which may or may not apply to this Request for Proposals.

4. COOPERATIVE USE OF AWARD

As a publicly competed contract awarded in compliance with 29 DE Code Chapter 69, this contract is available for use by other states and/or governmental entities through a participating addendum. Interested parties should contact the State Contract Procurement Officer identified in the contract for
instruction. Final approval for permitting participation in this contract resides with the Director of Government Support Services and in no way places any obligation upon the awarded vendor(s).

5. MULTIPLE SOURCE AWARD

The Agency reserves the right to award this contract to more than one vendor pursuant to 29 Del.C. §6926. Government Support Services reserves the right to reject any or all bids in whole or in part, to make multiple awards, partial awards, award by types, item by item, or lump sum total, whichever may be most advantageous to the State of Delaware.

6. POTENTIAL CONTRACT OVERLAP

Vendors shall be advised that the State, at its sole discretion, shall retain the right to solicit for goods and/or services as required by its agencies and as it serves the best interest of the State. As needs are identified, there may exist instances where contract deliverables, and/or goods or services to be solicited and subsequently awarded, overlap previous awards. The State reserves the right to reject any or all bids in whole or in part, to make partial awards, to award to multiple vendors during the same period, to award by types, on a zone-by-zone basis or on an item-by-item or lump sum basis item by item, or lump sum total, whichever may be most advantageous to the State of Delaware.

7. SUPPLEMENTAL SOLICITATION

The State reserves the right to advertise a supplemental solicitation during the term of the Agreement if deemed in the best interest of the State.

8. CONTRACT PERIOD

Each Vendor’s contract shall be valid for a two year period from October 1, 2019 to September 30, 2021. Each contract may be renewed for three (3) one (1) year periods through negotiation between the Vendor and Government Support Services. Negotiation may be initiated no later than ninety (90) days prior to the termination of the current agreement.

The State reserves the right to extend this contract on a month-to-month basis for a period of up to three months after the term of the full contract has been completed.

This will allow issuance of any necessary addenda. It will also help prevent the opening of a defective proposal and exposure of vendor’s proposal upon which award could not be made. All unresolved issues should be addressed in the proposal.

Protests based on any omission or error, or on the content of the solicitation, will be disallowed if these faults have not been brought to the attention of the Designated Contact, in writing, no later than ten (10) calendar days prior to the time set for opening of the proposals.

Bidders may elect to take *minor exception* to the terms and conditions of this RFP by completing Attachment 3. Government Support Services shall evaluate each exception according to the intent of the terms and conditions contained herein, but Government Support Services must reject exceptions that do not conform to State bid law and/or create inequality in the treatment of bidders. Exceptions shall be considered only if they are submitted with the bid or before the date and time of the bid opening.

**Exceptions must be submitted utilizing Attachment 3 to be considered.** Exceptions listed elsewhere in the Vendor’s proposal will not be considered. Government Support Services maintains sole discretion to reject any vendor exceptions that are submitted.

**W. BUSINESS REFERENCES**

Using Attachment 6a, follow directions for requesting references be completed and returned to GSS by a minimum of 3 references. **X. DOCUMENT(S) EXECUTION**

The awarded vendor(s) will be presented with the contract form for signature and seal, if appropriate. Both of these documents shall be executed by a representative who has the legal capacity to enter the organization into a formal contract with Government Support Services.

The State of Delaware requires registration in the [State of Delaware eSupplier Portal](https://supplier.delovery) to make payments to vendors. Successful completion of this form enables the creation of a State of Delaware vendor record. The Taxpayer ID (SSN or EIN) and Applicant (vendor) name are submitted to the Internal Revenue Service for “matching.” If the Taxpayer ID and name do not match, the vendor record cannot be approved.

It is the applicant’s responsibility to select the appropriate 1099 Withholding Type and Class. If incorporated, a business is not subject to 1099 reporting unless the business is providing legal or medical services.

Any questions about completing this form or specific comments about a form that you have submitted, please contact the Division of Accounting by phone at 302-672-5000 or by email at FSF_Supplier_Maintenance@delaware.gov.

**Y. SUBCONTRACTS**

Subcontracting is permitted under this RFP and contract. However, every subcontractor shall be identified in the Proposal using Attachment 7.

**Z. CONFIDENTIALITY**

Subject to applicable law or the order of a court of competent jurisdiction to the contrary, all documents submitted as part of the vendor’s proposal will be treated as confidential during the evaluation process. As such, vendor proposals will not be available for review by anyone other than the State of Delaware/Proposal Evaluation Team or its designated agents. There shall be no disclosure of any
vendor’s information to a competing vendor prior to award of the contract unless such disclosure is required by law or by order of a court of competent jurisdiction.

The State of Delaware and its constituent agencies are required to comply with the State of Delaware Freedom of Information Act, 29 Del. C. § 10001, et seq. (“FOIA”). FOIA requires that the State of Delaware’s records are public records (unless otherwise declared by FOIA or other law to be exempt from disclosure) and are subject to inspection and copying by any person upon a written request. Once a proposal is received by the State of Delaware and a decision on contract award is made, the content of selected and non-selected vendor proposals will likely become subject to FOIA’s public disclosure obligations.

The State of Delaware wishes to create a business-friendly environment and procurement process. As such, the State respects the vendor community’s desire to protect its intellectual property, trade secrets, and confidential business information (collectively referred to herein as “confidential business information”). Proposals must contain sufficient information to be evaluated. If a vendor feels that they cannot submit their proposal without including confidential business information, they must adhere to the following procedure or their proposal may be deemed unresponsive, may not be recommended for selection, and any applicable protection for the vendor’s confidential business information may be lost.

In order to allow the State to assess its ability to protect a vendor’s confidential business information, vendors will be permitted to designate appropriate portions of their proposal as confidential business information.

Vendor(s) may submit portions of a proposal considered to be confidential business information in a separate, sealed envelope labeled “Confidential Business Information” and include the specific RFP number. The envelope must contain a letter from the Vendor’s legal counsel describing the documents in the envelope, representing in good faith that the information in each document is not “public record” as defined by 29 Del. C. § 10002, and briefly stating the reasons that each document meets the said definitions.

Upon receipt of a proposal accompanied by such a separate, sealed envelope, the State of Delaware will open the envelope to determine whether the procedure described above has been followed. A vendor’s allegation as to its confidential business information shall not be binding on the State. The State shall independently determine the validity of any vendor designation as set forth in this section. Any vendor submitting a proposal or using the procedures discussed herein expressly accepts the State’s absolute right and duty to independently assess the legal and factual validity of any information designated as confidential business information. Accordingly, Vendor(s) assume the risk that confidential business information included within a proposal may enter the public domain.

AA. PRICE NOT CONFIDENTIAL

Vendors shall be advised that as a publically bid contract, no Vendor shall retain the right to declare their pricing confidential.

   a. Unless stated otherwise, the quantities given in the RFP are to be considered to be approximate only and are given as a basis for the comparison of bids. The Agency may increase or decrease the amount of any item as may be deemed necessary or expedient, during the period of the contract. Any adjustments to a core list must receive prior written approval from the State before a core list can be changed by the Vendor. Changes include but are not limited to the migration of items on and off the core list as well as any price adjustments from the original agreed upon pricing.

5. PUBLIC INSPECTION OF PROPOSALS

All documents submitted as part of the vendor’s proposal will be deemed confidential during the evaluation process. Vendor proposals will not be available for review by anyone other than the State of Delaware/Proposal Evaluation Committee or its designated agents. There shall be no disclosure of any vendor’s information to a competing vendor prior to award of the contract.

The State of Delaware is a public agency as defined by state law, and as such, it is subject to the Delaware Freedom of Information Act, 29 Del. C. Ch. 100. Under the law, all the State of Delaware’s records are public records (unless otherwise declared by law to be confidential) and are subject to inspection and copying by any person. Vendor(s) shall not include any information in their proposal that is proprietary in nature or that they would not want to be released to the public. Proposals must contain sufficient information to be evaluated and a contract written without reference to any proprietary information. If a vendor feels that they cannot submit their proposal without including proprietary information, they must adhere to the following procedure or their proposal may be deemed unresponsive and will not be recommended for selection. Vendor(s) must submit such information in a separate, sealed envelope labeled “Proprietary Information” with the RFP number. The envelope must contain a letter from the Vendor’s legal counsel describing the documents in the envelope, representing in good faith that the information in each document is not “public record” as defined by 29 Del. C. § 10002(d), and briefly stating the reasons that each document meets the said definitions.

11. EMERGENCY TERMINATION OF CONTRACT

a. Due to restrictions which may be established by the United States Government on material, or work, a contract may be terminated by the cancellation of all or portions of the contract.

b. In the event the Vendor is unable to obtain the material required to complete the items of work included in the contract because of restrictions established by the United States Government and if,
in the opinion of the Agency, it is impractical to substitute other available material, or the work cannot be completed within a reasonable time, the incomplete portions of the work may be cancelled, or the contract may be terminated.

All transportation charges shall be paid by the Vendor. Each Vendor shall take its exemption into account in calculating its bid for its work.

16. COOPERATIVES

Vendors, who have been awarded similar contracts through a competitive bidding process with a cooperative, are welcome to submit the cooperative pricing for this solicitation.

17. PRICE ADJUSTMENT

The Vendor is not prohibited from offering a price reduction on its services or materiel offered under the contract. The State is not prohibited from requesting a price reduction on those services or materiel during the initial term or any subsequent options that the State may agree to exercise.

If agreement is reached to extend this contract beyond the initial two year period, Government Support Services shall have the option of offering a determined price adjustment that shall not exceed the current Philadelphia All Urban Consumers Price Index (CPI-U), U.S. City Average. If the CPI-U is used, any increase/decrease shall reflect the change during the previous published twelve (12) month period at the time of renegotiation.

20. INDEPENDENT CONTRACTORS

The parties to any contract from this solicitation shall be independent contractors to one another, and nothing herein shall be deemed to cause the agreement to create an agency, partnership, joint venture or employment relationship between parties. Each party shall be responsible for compliance with all applicable workers compensation, unemployment, disability insurance, social security withholding and all other similar matters. Neither party shall be liable for any debts, accounts, obligations or other liability whatsoever of the other party or any other obligation of the other party to pay on the behalf of its employees or to withhold from any compensation paid to such employees any social benefits, workers compensation insurance premiums or any income or other similar taxes.

21. TEMPORARY PERSONNEL ARE NOT STATE EMPLOYEES UNLESS AND UNTIL THEY ARE DIRECTLY HIRED

Vendor agrees that any individual or group of temporary staff person(s) provided to the State of Delaware pursuant to this Solicitation shall remain the employee(s) of Vendor for all purposes including any required compliance with the Affordable Care Act by the Vendor. Vendor agrees that it shall not allege, argue, or take any position that individual temporary staff person(s) provided to the State pursuant to this Solicitation must be provided any benefits, including any healthcare benefits by the State of Delaware and Vendor agrees to assume the total and complete responsibility for the provision of any healthcare benefits required by the Affordable Care Act to aforesaid individual temporary staff person(s). Notwithstanding the content of the preceding paragraph, should the State of Delaware subsequently directly hire any individual temporary staff employee(s) provided pursuant to this Solicitation, the aforementioned obligations to hold harmless, indemnify, and defend the State of Delaware shall cease and terminate for the period following the date of hire. Vendor will waive any separation fee provided an employee works for both the vendor and hiring agency, continuously, for a three (3) month period and is provided thirty (30) days written notice of intent to hire from the agency. Notice can be issued at second month if it is the State’s intention to hire.

22. ACA SAFE HARBOR
The State and its utilizing agencies are not the employer of temporary or contracted staff. However, the State is concerned that it could be determined to be a Common-law Employer as defined by the Affordable Care Act (“ACA”). Therefore, the State seeks to utilize the “Common-law Employer Safe Harbor Exception” under the ACA to transfer health benefit insurance requirements to the staffing company. The Common-law Employer Safe Harbor Exception can be attained when the State and/or its agencies are charged and pay for an “Additional Fee” with respect to the employees electing to obtain health coverage from the Vendor.

The Common-law Employer Safe Harbor Exception under the ACA requires that an Additional Fee must be charged to those employees who obtain health coverage from the Vendor, but does not state the required amount of the fee. The State requires that all Vendors shall identify the Additional Fee to obtain health coverage from the Vendor and delineate the Additional Fee from all other charges and fees. The Vendor shall identify both the Additional Fee to be charged and the basis of how the fee is applied (i.e. per employee, per invoice, etc.). The State will consider the Additional Fee and prior to award reserves the right to negotiate any fees offered by the Vendor. Further, the Additional Fee shall be separately scored in the proposal to ensure that neither prices charged nor the Additional Fee charged will have a detrimental effect when selecting vendor(s) for award.

23. FUNDING OUT or NON-APPROPRIATION

In the event the General Assembly fails to appropriate the specific funds necessary to enter into or continue the contractual agreement, in whole or part, the agreement shall be terminated as to any obligation of the State requiring the expenditure of money for which no specific appropriation is available at the end of the last fiscal year for which no appropriation is available or upon the exhaustion of funds.

27. NON-PERFORMANCE

In the event the Vendor does not fulfill its obligations under the terms and conditions of this contract, in addition to proceeding with termination of the contract, the ordering agency may terminate any individual orders in accordance with General Provisions, Item 47 below and purchase equivalent product on the open market. Failure to provide the report with the minimum required information may also negate any contract extension clauses. Additionally, Vendors who are determined to be in default of this mandatory report requirement may have such conduct considered against them, in assessment of responsibility, in the evaluation of future proposals.

44. VENDOR BACKGROUND CHECK REQUIREMENTS

Vendor(s) selected for an award that access state property or come in contact with vulnerable populations, including children and youth, shall be required to complete background checks on employees serving the State’s on premises contracts. The Agency’s decision to allow or deny access to any individual identified on a registry database is final and at the Agency’s sole discretion.

By Agency request, the Vendor(s) shall provide a list of all employees serving an awarded contract, and

At its discretion the State may reject in writing the Vendor’s proposed action plan and proceed with the original contract cancellation timeline.

b. **Termination for Convenience**: The State may terminate this Contract at any time by giving written notice of such termination and specifying the effective date thereof, at least sixty (60) days before the effective date of such termination. In that event, all finished or unfinished documents, data, studies, surveys, drawings, models, photographs, reports, supplies, and other materials shall, at the option of the State, become its property and the Vendor shall be entitled to receive compensation for any satisfactory work completed on such documents and other materials, and which is usable to the State.

c. **Termination for Non-Appropriations**: In the event the General Assembly fails to appropriate the specific funds necessary to enter into or continue the contractual agreement, in whole or part, the agreement shall be terminated as to any obligation of the State requiring the expenditure of money for which no specific appropriation is available at the end of the last fiscal year for which no appropriation is available or upon the exhaustion of funds. This is not a termination for convenience and will not be converted to such.

51. CHANGES

Both parties may, from time to time, require changes in the services to be provided by the Vendor under the Scope of Work. Such changes, including any increase or decrease in the amount of the Vendor's compensation, which are mutually agreed upon by and between the Agency and the Vendor shall be incorporated in written amendments to the Purchase Order or contract.
52. INTEREST OF VENDOR

A separate purchase order shall be issued for every project or order.

For breach or violation of this warranty, the State shall have the right to annul this contract without liability or in its discretion to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fees.
58. GRATUITIES

a. The amount of such exemplary damages shall be in the sole discretion of the State.

59. AFFIRMATION

The Vendor must affirm that within the past five (5) years the firm or any officer, controlling stockholder, partner, principal, or other person substantially involved in the contracting activities of the business is not currently suspended or debarred and is not a successor, subsidiary, or affiliate of a suspended or debarred business.

60. AUDIT ACCESS TO RECORDS

The Vendor shall maintain books, records, documents, and other evidence pertaining to this Contract to the extent and in such detail as shall adequately reflect performance hereunder. The Vendor agrees to preserve and make available to the State, upon request, such records for a period of five (5) years from the date services were rendered by the Vendor. Records involving matters in litigation shall be retained for one (1) year following the termination of such litigation. The Vendor agrees to make such records available for inspection, audit, or reproduction to any official State representative in the performance of their duties under the Contract. Upon notice given to the Vendor, representatives of the State or other duly authorized State or Federal agency may inspect, monitor, and/or evaluate the cost and billing records or other material relative to this Contract. The contractor will maintain a list of employees authorized access. Such list will be provided to the agency and, upon request, to the IRS reviewing office.

The agency will have the right to void the contract if the contractor fails to provide the safeguards described above.

**Criminal/Civil Sanctions**

Each officer or employee of any person to whom returns or return information is or may be disclosed shall be notified in writing by such person that returns or return information disclosed to such officer or employee can be used only for a purpose and to the extent authorized herein, and that further disclosure of any such returns or return information for a purpose or to an extent unauthorized herein constitutes a felony punishable upon conviction by a fine of as much as $5,000 or imprisonment for as long as five years, or both, together with the costs of prosecution. Such person shall also notify each such officer and employee that any such unauthorized future disclosure of returns or return information may also result in an award of civil damages against the officer or employee in an amount not less than $1,000 with respect to each instance of unauthorized disclosure. These penalties are prescribed by IRCs 7213 and 7431 and set forth at 26 CFR 301.6103(n)-1.

Each officer or employee of any person to whom returns or return information is or may be disclosed shall be notified in writing by such person that any return or return information made available in any format shall be used only for the purpose of carrying out the provisions of this contract. Additionally, it is incumbent upon the contractor to inform its officers and employees of the penalties for improper disclosure imposed by the Privacy Act of 1974, 5 U.S.C. 552a. Specifically, 5 U.S.C. 552a(i)(1), which is made applicable to contractors by 5 U.S.C. 552a(m)(1), provides that any officer or employee of a contractor, who by virtue of his/her employment or official position, has possession of or access to agency records which contain individually identifiable information, the disclosure of which is prohibited by the Privacy Act or regulations established thereunder, and who knowing that disclosure of the specific material is so prohibited, willfully discloses the material in any manner to any person or agency not entitled to receive it, shall be guilty of a misdemeanor and fined not more than $5,000.

Granting a contractor access to FTI must be preceded by certifying that each individual understands the agency's security policy and procedures for safeguarding IRS information. Contractors must maintain their authorization to access FTI through annual recertification. The initial certification and recertification must be documented and placed in the agency's files for review. As part of the certification and at least annually afterwards, contractors must be advised of the provisions of IRCs 7431, 7213, and 7213A (see Exhibit 4, Sanctions for Unauthorized Disclosure, and Exhibit 5, Civil Damages for Unauthorized Disclosure). The training provided before the initial certification and annually thereafter must also cover the incident response policy and procedure for reporting unauthorized disclosures and data breaches. The IRS and the Agency, with 24 hour notice, shall have the right to send its inspectors into the offices and plants of the contractor to inspect facilities and operations performing any work with FTI under this contract for compliance with requirements defined in IRS Publication 1075. The IRS' right of inspection shall include the use of manual and/or automated scanning tools to perform compliance and vulnerability assessments of information technology (IT) assets that access, store, process or transmit FTI. On the basis of such inspection, corrective actions may be required in cases where the contractor is found to be noncompliant with contract safeguards.

**62. REMEDIES**

Except as otherwise provided in this contract, all claims, counterclaims, disputes, and other matters in question between the State and the Vendor arising out of, or relating to, this contract, or a breach of it may be decided by arbitration if the parties mutually agree, or in a court of competent jurisdiction within the State of Delaware.

64. AGENCY’S RESPONSIBILITIES

b. Give prompt written notice to the Contractor whenever the Agency observes or otherwise becomes aware of any development that affects the scope or timing of the Contractor’s services.

c. When an ordering agency first experiences a relatively minor problem or difficulty with a vendor, the agency will contact the vendor directly and attempt to informally resolve the problem. This includes failure to perform by the date specified and any unacceptable difference(s) between the purchase order and the merchandise received. Ordering agencies should stress to vendors that they should expedite correction of the differences because failure to reply may result in an unfavorable rating in the execution of the awarded contract.

d. The state has several remedies available to resolve non-performance issues with the contractor. The Agency should refer to the Contract Terms and Conditions to view these remedies. When a default occurs, the Agency should first review the contract to confirm that the issue is a part of the contract. If the issue is not covered by the contract, the state cannot expect the contractor to perform outside the agreement. If the issue is a part of the contract, the Agency or GSS - Contracting must then contact the contractor, discuss the reasons surrounding the default and establish a date when the contractor will resolve the non-performance issue.

e. If there is a performance deficiency, a Corrective Action Report (CAR) may be used. Complete this form to report concerns with vendors or commodities. Be sure to furnish as much detail as possible. Corrective Action Report

INSTRUCTIONS TO THE OFFEROR:

Offerors will be scored on three (3) completed reference questionnaires (if fewer than three (3) are received prior to the RFP closing date and time, the Offeror will receive a zero (0) for all questions not scored and questionnaires not received). Scores from reference questionnaires will be averaged. The reference questionnaires must be from individuals, companies, or agencies for whom the Offeror provided products or services that are similar in nature and scope to those requested by this RFP, and within the last five (5) years from the date this RFP was posted. Only one (1) reference will be received/qualify per reference company/agency. If multiple references are received from the same company/agency, only the first received will be accepted.

References outside the requisite number of years (See paragraph above), and references determined by the State, in its sole discretion, to be not of a similar nature and scope to the products or services requested in this RFP will receive a score of zero (0). Determination of similar will be made by using the information provided by the reference in Section II of the Reference Questionnaire, General Information, and any additional information provided by the reference, or otherwise obtained by the State. It is in the State’s sole discretion as to whether or not any references will be contacted for clarification or for additional information.

REFERENCES MUST BE RECEIVED BY THE RFP LEAD, DIRECTLY FROM THE REFERENCE, IN ORDER TO BE CONSIDERED.

1. Offerors must complete the following information on page 2 of the “Reference’s Response To” document before sending it to the Reference for response.
   a. Print the name of your reference (company/organization) on the “REFERENCE NAME” line.
   b. Print the name of your company/organization on the “OFFEROR NAME” line.
   c. Be certain that the RFP closing date and time in Instruction 5, on the following page, is correct.

2. Send the “Reference’s Response To” document to your references to complete.

NOTES: It is the Offeror’s responsibility to follow up with its references to ensure timely receipt of all questionnaires. Offerors may e-mail the RFP Lead prior to the RFP closing date to verify receipt of references.

References are not scored by a Technical Proposal evaluation committee. References will provide scores via the reference questionnaires and the RFP Lead will enter the scores for qualifying references into a spreadsheet that will calculate averaged scores.

PROPOSAL REPLY REQUIREMENTS

The response should contain the following minimum information:

1. A brief Cover Letter signed including an Applicant's experience, if any, providing similar services.

2. Vendor shall provide a detailed description of services to be provided, and shall respond to the Scope of Work identified. Failure to adequately describe the extent of their abilities may affect how the state evaluates and scores the vendor proposal.

   Include catalogs or links, if that is what is asked for.

   Vendors are encouraged to review the Evaluation criteria to see how the proposals will be scored and verify that the response has sufficient documentation to support each scoring criteria identified.

3. Complete, signed and notarized copy of the Non-Collusion Agreement (Attachment 2). “ORIGINAL” PAPER PROPOSAL MUST HAVE ORIGINAL SIGNATURES AND NOTARY MARK – Form must be included.

4. Completed RFP Exception Form (Attachment 3) – please check box if no information – Form must be included.

5. Completed Profile and Capabilities Form (Attachment 4)

6. Completed Confidentiality Form (Attachment 5) – please check if no information is deemed confidential – Form must be included.

7. Completed Business Reference Form (Attachment 6) – please provide references other than State of Delaware contacts – Form must be included.

8. Complete and signed copy of the Subcontractor Information Form (Attachment 7) for each subcontractor – only provide if applicable.

9. Complete OSD Application (see link on Attachment 10) – optional, only provide if applicable

The items listed above provide the basis for evaluating each vendor’s proposal. Failure to provide all appropriate information may deem the submitting vendor as “non-responsive” and exclude the vendor from further consideration. If an item listed above is not applicable to your company or proposal, please make note in your submission package.
Vendors shall compile all documentation noted above, and all other documents as required in the Scope of Work, Appendix A, and shall provide in the following format(s):

1. **Two (2)** paper copies of the vendor proposal paperwork.

2. **Two (2)** electronic copy of the vendor proposal saved to CD or DVD media disk, or USB memory stick. Any copies of electronic price files shall be included on the same electronic media, but shall be saved separately from.

**SAMPLES**

Samples are to be submitted in a separate and clearly marked package from proposal response, on or before the date and time of the bid opening. Samples submitted by a third party supplier for a responding vendor must adhere to the sample labeling requirements.

Anyone not bidding on the exact manufacturer and style number shall submit samples of the garments as part of the bid response. The sample garments must meet or exceed the minimum specifications. Therefore, samples submitted must be of the same material, quality, style, construction, workmanship and finish as those proposed to be furnished. Samples must be supplied without cost to the State of Delaware, if bidder is successful and their bid items are accepted, those samples will be retained for the term of the contract to assure delivered goods are in compliance with the specifications.

The samples to be submitted will include one of each of the specified items in the Request for Proposal (RFP). Each sample must carry a tag listing the name of the bidder, item number (Part, Section, Item #) in the RFP and the size. It should be clearly understood that the bid samples will be used to determine the quality of workmanship and conformance to the specifications. Therefore, the State of Delaware reserves the right to open seams, or linings, to gain access to inner construction and also reserves the right to reject any bidder whose samples do not meet specifications. Any determination by the State of Delaware as to whether a bidder's bid samples meet or do not meet specifications shall be final.

Failure to provide bid samples with the bid shall be sufficient cause for rejection of the bid for that line item. The bid samples must meet or exceed specifications.

Vendors bidding on an alternative brand that do not submit samples will be rejected for that item(s).
Intent to Load Catalogs in State eProcurement Solution

Bidders will be required to provide catalog(s) and the corresponding price list(s) for all awarded goods that are being offered to the State for purchase, and shall include all applicable and awarded price tiers available for each product in the pricing format required of this solicitation. These documents may be required and supplied by the vendor in an electronic format as determined by the State over the life of the contract. The prices listed therein will be the prices paid by the State for purchases during the contract term.

At the discretion of the State, all awarded items will need to be provided in an electronic format for use in a hosted catalog offering which will be presented in the State’s eProcurement solution. All single items listed must reflect one (1) price, at the discounted rate as offered by the vendor in their proposal and as accepted by the State. Volume discounts offered for multiple units or multi-unit packaging shall be listed as a separate line item(s) in any catalog submitted for posting to the State’s eProcurement solution.

The awarded vendor(s) will be directed to supply the catalog file to an identified state representative and/or the State’s designated eProcurement vendor at any time after execution of the contract, but no later than 45 days after the contract execution.

A zero dollar catalog shall be submitted to the eProcurement solution vendor no later than 30 days prior to the end of the contract term, and shall be the final catalog update provided under the agreement. The State will approve this catalog, after the contract end date, to remove all items and pricing from the eProcurement Solution. The zero dollar catalog serves as a correcting entry to maintain system integrity of valid and currently awarded items. The failure by the Vendor to comply and submit this correcting entry will be viewed as a major performance deficiency, and may prevent the State from awarding the Vendor on a future contract opportunity.

At any time during the contract term, (1) the vendor shall remove individual or categories of items from the catalog offering if requested by the State; (2) consider expanding the catalog offering with additional items or categories if requested and accepted by the State; and/or (3) the State may take unilateral action on the items listed in the eProcurement solution to hide or otherwise make unauthorized any items the State believes is outside the scope of the awarded categories.

The failure and/or inability to comply with this hosted catalog requirement may subject the awarded vendor to corrective action, up to and possibly including termination of the contract.

A hosted catalog is defined as a vendor supplied electronic catalog of all awarded items, including item descriptions, attributes and the award prices, which will be stored and publically visible in the State’s eProcurement solution. At the sole discretion of the State, the contract team will consider implementation and use of a punchout catalog solution in lieu of the hosted catalog option. A punchout catalog uses the eProcurement system to access to the Vendor’s electronic catalog. Users can then shop, select and retrieve items back into the eProcurement system, allowing the original to execute an order.
A. GENERAL REQUIREMENTS

Vendors are not required to bid all sections in order to be considered. Please note that some sections require vendors to bid all items within the section in order to be considered for that section. Carefully read the entire Scope of Work and Appendices for full requirements.

1. Appendix B

Appendix B provides the Department of Corrections (DOC) specific uniform and clothing specifications.

2. Appendix C

Appendix C shows sample pictures of some of the patches, emblems, badges and insignias as well as embroidery and silk screening that may be needed during the contract term.

3. Appendix D

Appendix D outlines the Clothing, Linen & Textiles, Footwear and Scrubs requirements. Appendix D is broken out into numerous tabs separating the Agency requirements and outlines the already approved brands. This Appendix is also is utilized for vendors to submit their pricing. Items may be added or deleted from the Sections during the term of the contract to meet the changing clothing needs of the State. Vendors are also asked to offer the State a discount (catalog, online) for those clothing items purchased through the contract not specifically listed in Appendix D. Vendors are to bid products based on the size breakdowns provided in Appendix D. Vendors are asked to identify if additional sizes and/or colors are available for each line item. Additional sizes and/or colors will be priced by quote, as needed.

Vendors are to note that some tabs require vendors to bid all items within the tab in order to be considered while other tabs allow vendors to bid some, but not all items within the tab in order to be considered.

4. Specifications

Vendors are to bid items as specified. Any changes to the specifications, i.e. description, quantity, sizing, color, packaging, etc., shall render your bid for that item non-responsive. Items shall be bid as requested. If you cannot provide the item requested, submit a no bid. **Do not change the description.**

The specifications are used to establish the minimum acceptable standards for items the State of Delaware intends to purchase. Styling, design and color selection availability is essential to this contract. The approved brand is intended to establish the minimum level of quality, design or composition for items that will be acceptable by the State of Delaware. Bids based on manufacturers other than specified in the Request for Proposal (RFP), must be clearly identified as such, and bidders must include detailed fabric and feature/construction specifications for each article with the bid. In the event that an apparent low bidder proposes an alternate, the burden of proof to demonstrate equivalency by samples, technical specifications and by a presentation.
The State of Delaware shall be the sole judge as to whether or not items submitted meet specifications and whether or not items being bid are equal. Failure of the delivered uniforms to be of the same quality of the approved sample shall completely release the State of Delaware from any or all contractual obligations to the successful vendor, his agents.

Failure of the completed order to meet specifications or is proven not to be of equal quality as the sample shall release the agency from any and all obligations to the vendor, their agents, or their dealers, and shall enable the agency to place another order with whosoever the agency pleases, without obligation or restrictions to the manner of purchasing.

Item specifications can be found in Appendix D, also used for pricing submission. The workbook is formatted to allow only 2 decimal place pricing. Do not change the format of the workbook.

5. Samples

Samples are to be submitted in a separate and clearly marked package from proposal response, on or before the date and time of the bid opening. Samples submitted by a third party supplier for a responding vendor must adhere to the sample labeling requirements.

Anyone not bidding on the exact manufacturer and style number shall submit samples of the garments as part of the bid response. The sample garments must meet or exceed the minimum specifications. Therefore, samples submitted must be of the same material, quality, style, construction, workmanship and finish as those proposed to be furnished. Samples must be supplied without cost to the State of Delaware, if bidder is successful and his bid items are accepted, those samples will be retained for the term of the contract to assure delivered goods are in compliance with the specifications.

The samples to be submitted will include one of each of the specified items in the Request for Proposal (RFP). Each sample must carry a tag listing the name of the bidder, item number (Part, Section, Item #) in the RFP and the size. It should be clearly understood that the bid samples will be used for two purposes including (1) determining the quality of workmanship and conformance to the specifications, and (2) to determine the lowest qualified bidder meeting specifications. Therefore, the State of Delaware reserves the right to open seams, or linings, to gain access to inner construction and also reserves the right to reject any bidder whose samples does not meet specifications. Any determination by the State of Delaware as to whether a bidder’s bid samples meet or do not meet specifications shall be final.

Failure to provide bid samples with the bid shall be sufficient cause for rejection of the bid for that line item. The bid samples must meet or exceed specifications.

Vendors bidding on an alternative brand that do not submit samples will be rejected for that item(s).

B. CUSTOMER SERVICE/QUALITY CONTROL

1. Active Agency vs. Passive Agency

An active agency is defined as one who gives the vendor a list of items, colors, size and quantities to be inventoried and which will be purchased within a specific period of time. The purpose of being an active agency is to ensure product availability and to reduce the delivery time. An active agency may also be defined as one who gives the vendor advanced notice that their agency will be placing an order to facilitate a seasonal change or to uniform a graduating class.

A passive agency is defined as one who has NOT communicated to the vendor of their intent to purchase items covered by this contract but still wishes to place an order when the need to do so occurs.

2. Fit

Vendor must fit each employee and guarantee the clothing delivered is the correct size as measured/fitted. Vendor is not liable for any weight fluctuations between fitting and delivery.

3. Quality of Clothing

Vendors are hereby informed that clothing shall be first quality, no irregulars.

4. Measurements/Alterations/Tailoring

The cost of measurements, alterations and custom fittings shall be included in the quoted price for each applicable item. The time and date for custom fittings shall be at the convenience of the agency(s).

The successful vendors shall have on the premises tailoring and sewing equipment and skilled tailoring personnel to make quick, expert alterations and to take measurements. The successful vendor shall also have a tailor on duty that shall visit each agency to take measurements (including cadet classes), and make alterations.

When using samples for measuring and alteration purposes, the sample must be the exact style that is to be ordered.

**Tailor shall visit the agency, at an agreed upon date, time and location, within 3 to 5 days after notification.**

5. Large Uniform Replacements

For large uniform replacements the State Agency will contact the vendor to set up a meeting to discuss logistics. A meeting will be held prior to fittings/measurements to discuss uniform specifics (approved uniform items), schedule for fittings/measurements, timing for order processing approval, estimated delivery timeline based on replacement size, and follow-up meeting schedule. A follow-up meeting will be held once all fittings/measurements are completed to go over any questions on individual orders. Once the order has been approved, in writing, by the State Agency the vendor will communicate, in writing as appropriate, with the Agency as to the status of the order.

Vendors are required to identify what quantities they consider “LARGE” orders and will require a longer shipping time. **This information must be submitted with the bid.**

63

Partial delivery will **not** be accepted for any item unless prior arrangements have been made with the agency. **Delivery for all clothing items SHALL be within the timeframe outlined in the pricing spreadsheet as “Delivery in Days”.** It should be noted, “delivery in days” notated for each item, is for the item only unless the description includes embellishments (silk screen, embroidery, patches). Alterations to any apparel; to include, but not limited to: size/fit alterations, silk screen, embroidery, patches, will increase the “delivery in days” timeline for the product.

Standard size items **SHALL** be delivered within thirty (30) business days. All other items are to be delivered within sixty (60) calendar days. A penalty of $1.00 per day per item will be charged after sixty (60) calendar days, if the delay is the fault of the vendor. This charge and collection shall be done by the individual agency, upon approval of Government Support Services, with written documentation from vendor meeting(s) as support. Deductions can be made from any outstanding invoices. The only exception to this charge is if the vendor provides written documentation of notice to the Purchasing Administrator from the manufacturer stating that item(s) are on back order.

Vendors are required to identify which size they consider “CUSTOM” sizes and will require a longer shipping time. **This information must be submitted with the bid.**

7. **Back Order**

It is the responsibility of the vendor to notify the ordering agency, in writing, immediately upon notification from the Manufacturer that an item is on back order. The vendor shall state the reason for the back order and the date the agency can expect delivery. After receiving this information the agency will make the determination to wait for the item or cancel it. An adjusted delivery date must be submitted.

8. **Packaging**

All deliveries shall be packaged individually and the package shall be clearly marked on the outside with the purchase order number. The packing list shall include detailed information i.e.; customer name and sizes enclosed as needed in accordance with the purchase order to facilitate inspection and distribution of the product at destination.
