6. REQUIREMENTS

1. For each campaign, the Contractor shall provide a detailed budget and schedule appropriate to the specific campaign (a breakdown by week may be appropriate for a campaign of short duration and a monthly schedule may be most efficient for a long-term campaign of up to a year) that includes a firm price quotation (quotations shall be provided to the State of Delaware on the Budget Quotation Sheet found on the pricing spreadsheet. The campaign proposal must include a timeframe for project completion, a specific description of deliverable items, a background analysis, objectives, target audiences, the period of performance, a scope of work, budget, measurement criteria, and delivery dates. Unless indicated otherwise, deliveries shall be made directly to the ordering Agency.

i. The Contractor shall be responsible for immediately advising the ordering Agency of any circumstance or event that could result in late completion of any task or subtask called for to be completed on a date certain.

In addition, adjusted budgets must be provided reflecting any modification approved by the ordering Agency in the proposed expenditures. A final budget must be submitted at the conclusion of each campaign.
i. Robust agency campaigns will be quoted on a project specific basis. The vendor may offer and the State may request a price reduction on core services or material. At no time will pricing exceed the maximum listed contract pricing.

At no time shall such additional detail conflict with the terms and conditions of the contract nor shall the communicated needs exceed the intended scope of the contract.

   i. Should a vendor take exception to additionally defining language on the grounds that such language conflicts with or exceeds the contractual requirements the vendor has the following resolution options available in the sequence identified:

   1. Provide alternative, contractually compliant options to the Ordering Agency.
   2. Contact the contract officer managing the contract for resolution mediation.

   1. If it is determined the services of the Printing and Publishing Office are to be utilized, the Contractor will work with the ordering Agency and the Printing and Publishing Office on production timelines, file transfers and delivery instructions for print work.

   2. If the ordering Agency receives a waiver from the use of Printing and Publishing Services and the Outsourced Print contract the Contractor shall solicit quotations from at least three (3) approved sources and shall select a subcontractor with the approval of the ordering Agency.
