Opportunity Summary

SUMMARY OVERVIEW:

PURPOSE:

The State of Oregon ("State"), acting by and through its Department of Administrative Services, Procurement Services ("DAS PS"), on behalf of the member states of the NASPO ValuePoint Cooperative Purchasing Program ("NASPO ValuePoint"), issues this Request for Proposal ("RFP") to establish permissive cooperative Master Agreement(s) with qualified vendors to provide Facilities Maintenance and Repair & Operation (MRO), Industrial Supplies.

The State of Oregon (Lead State), Department of Administrative Services, Procurement Services (DAS PS) is requesting proposals for Facilities Maintenance and Repair & Operations (MRO), Industrial Supplies on behalf of the members of the NASPO ValuePoint Cooperative Purchasing Program. The purpose of this Request for Proposals (RFP) is to establish one or more Master Agreement(s) with qualified offerors to provide Janitorial Equipment & Supplies, Sanitation Cleaning Chemicals & Supplies, Fasteners, Material Handling, Plumbing, Power Sources, Outdoor Garden, Lamps & Lighting and Ballasts, Heating Ventilation Air Conditioning (HVAC), Hand Tools, Power Tools (excluding automotive related tools and products), Electrical, Paint, Security, and Safety (does not include any Public Safety Equipment) products, as more particularly described on Attachment A, for all Participating States/Participating Entities. The objective of this RFP is to obtain best value, and in some cases achieve more favorable pricing than is obtainable by an individual state or local government entity because of the collective volume of potential purchases by numerous state and local government entities. The Master Agreement(s) resulting from this procurement may be used by state governments (including departments, agencies, institutions), institutions of higher education, political subdivisions (i.e., colleges, school districts, counties, cities, etc.), the District of Columbia, territories of the United States, and other eligible entities subject to approval of the individual state procurement director and compliance with local statutory and regulatory provisions. All suppliers of Parks and Recreation Equipment and Related Services are invited and encouraged to submit a Proposal.

DAS PS anticipates that this RFP may result in Master Agreement awards to multiple contractors, in the Lead State's discretion. While the primary purpose of this solicitation is to select an Offeror(s) who can offer the Products or Services for all members participating in the NASPO ValuePoint Cooperative Purchasing Program, Offerors will be permitted to submit a Proposal on more limited geographical areas or regions, but not less area than one entire member State. Offerors must clearly describe the geographical limits (e.g. by State name) if proposing a geographical area less than that of all member States. If an Offeror elects to submit a Proposal for a single State or region, then the Offeror must be willing to supply the entire State or region and will not be allowed to add additional States following award or at any time during the term of the Master Agreement(s) or any renewals.

PRE-PROPOSAL CONFERENCE:

Attendance at Pre-Proposal Conference is voluntary.
