

The WSCA-NASPO RFP for Public Safety Radios has been released by the State of Washington. It is now appropriate to place any required legal notices in your state and to distribute the URL and solicitation information below to prospective suppliers that you may be aware of who would be interested in responding to the RFP. I encourage you to post this solicitation to reserve your state's ability to participate at some point in the future, even if you don't immediately have plans to participate.

The Solicitation is now available to download online at: <https://fortress.wa.gov/ga/webs/home.html>

Search for the solicitation titled: **Public Safety Communication Equipment #06913**

All Addendum's will also be posted and available to download at the same location. If assistance is needed to download, please call the Washington Helpline at 360-902-7400.

The RFP is scheduled to close on Thursday, May 15 2014 at 2:00 p.m. Pacific Time.

*The purpose of this solicitation is to solicit proposals from manufacturers of public safety communication equipment to establish contracts/master agreements for the purchase of voice communication equipment.*

The RFP posting information is also available on the **WSCA-NASPO Current Opportunities** page at [http://www.aboutwsca.org/content.cfm/id/wsca\\_current\\_opportunities](http://www.aboutwsca.org/content.cfm/id/wsca_current_opportunities)

We express our appreciation to Robert Paulson, Dale Colbert and the State of Washington for leading this project and the sourcing team members from Oregon, California, Nevada, Idaho, Alaska, Delaware, and Arkansas for their contributions in the development of the RFP.
