DEFINITIONS
AND
GENERAL PROVISIONS

The attached Definitions and General Provisions apply to all contracts and are part of each invitation to bid. The requirement to furnish a bid bond and performance bond is applicable unless waived in the Special Provisions. Should the General Provisions conflict with the Special Provisions, the Special Provisions shall prevail. Bidders or their authorized representatives are required to fully acquaint themselves as to State procurement laws and regulations prior to submitting bid.

STATE OF DELAWARE
Department of Health and Social Services
Division of Management Services

DEFINITIONS

Whenever the following terms are used, their intent and meaning shall be interpreted as follows:

STATE: The State of Delaware

AGENCY: State Agency as noted on cover sheet.

DESIGNATED OFFICIAL: The agent authorized to act for the Agency.

BID INVITATION: The "bid invitation" or "invitation to bid" is a packet of material sent to vendors and consists of General Provisions, Special Provisions, specifications, and enclosures.

GENERAL PROVISIONS: General Provisions are instructions pertaining to contracts in general. They contain, in summary, requirements of laws of the State, policies of the Agency, and instructions to vendors.

SPECIAL PROVISIONS: Special Provisions are specific conditions or requirements peculiar to the contract under consideration and are supplemental to the General Provisions. Should the Special Provisions conflict with the General Provisions, the Special Provisions shall prevail.

BIDDER OR VENDOR: Any individual, firm, or corporation formally submitting a proposal for the material or work contemplated, acting directly or through a duly authorized representative.

PROPOSAL: The offer of the bidder submitted on the approved form and setting forth the bidder's prices for performing the work or supplying the material or equipment described in the specifications.

SURETY: The corporate body which is bound with and for the contract, or which is liable, and which engages to be responsible for the contractor's payments of all debts pertaining to and for its acceptable performance of the work for which it has contracted.

BIDDER'S DEPOSIT: The security designated in the proposal to be furnished by the bidder as a guaranty of good faith to enter into a contract with the Agency if the work to be performed or the material or equipment to be furnished is awarded to the bidder.

CONTRACT: The written agreement covering the furnishing and delivery of material or work to be performed.

CONTRACTOR: Any individual, firm, or corporation with whom a contract is made by the Agency.

CONTRACT BOND: The approved form of security furnished by the contractors and its surety as a guaranty of good faith on the part of the contractor to execute the work in accordance with the terms of the contract.

SECTION A: GENERAL PROVISIONS

1. **BID INVITATION:**

See "Definitions".

2. **PROPOSAL FORMS:**

The invitation to bid shall contain either pre-printed forms for use by the vendor in submitting its bid or a specification page(s) detailing product(s) requirements. In the case of pre-printed forms, the forms shall contain basic information such as description of the item and the estimated quantities and shall have blank spaces for use by the vendor for entering information such as unit bid price, total bid price, etc.

3. **INTERPRETATION OF ESTIMATES:**

- a. The attention of bidders is called to the fact that, unless stated otherwise, the quantities given in the proposal form are to be considered to be approximate only and are given as a basis for the comparison of bids. The Agency may increase or decrease the amount of any item as may be deemed necessary or expedient, during the period of the contract.
- b. An increase or decrease in the quantity for any item is not sufficient ground for an increase or decrease in the unit price.

4. **SILENCE OF SPECIFICATIONS:**

The apparent silence of the specifications as to any detail, or the apparent omission from it of detailed description concerning any point, shall be regarded as meaning that only the best commercial practice is to prevail and only material and workmanship of the first quality are to be used. Proof of specifications compliance will be the responsibility of the vendor.

5. **EXAMINATION OF SPECIFICATIONS AND PROVISIONS:**

The bidder shall examine carefully the proposal and the contract forms for the material contemplated. The bidder shall investigate and satisfy itself as to the conditions to be encountered, quality and quantities of the material to be furnished, and the requirements of the Special Provisions and the contract. The submission of a bid shall be conclusive evidence that the bidder has made examination of the aforementioned conditions.

6. **PREPARATION OF PROPOSAL:**

- a. The bidder's submission shall be written in ink or typewritten on the form provided unless the inclusion of such form is waived.
- b. If items are listed with a zero quantity, bidder shall state unit price **ONLY** (intended for open end purchases where estimated requirements are not known). The proposal shall show a total bid price for each item bid and the total bid price of the proposal excluding zero quantity items.

STATE OF DELAWARE
Department of Health and Social Services
Division of Management Services

7. **PRICES QUOTED:**

The prices quoted are those for which the material will be furnished F.O.B. Destination and include all charges that may be imposed during the period of the contract.

8. **DISCOUNT:**

No qualifying letter or statements in or attached to the proposal, or separate discounts will be considered in determining the low bid except as may be otherwise herein noted. Cash or separate discounts should be computed and incorporated into unit bid price(s).

9. **SAMPLES OR BROCHURES:**

Samples or brochures may be required by the agency in reasonable quantities for evaluation purposes. They shall be such as to permit the Agency to compare and determine if the item offered complies with the intent of the specifications. Required samples or brochures are to be supplied free of charge.

10. **PROPOSAL GUARANTY; BID BOND:**

- a. Each bidder shall submit with its proposal a guaranty in sum equal to at least 10% of the total value of its bid, according to Delaware Code Title 29, Section 6927(a) unless this requirement is waived under Special Provisions.
- b. This bid bond shall be submitted in the form of good and sufficient bond drawn upon an insurance or bonding company authorized to do business in the State of Delaware, to the State of Delaware for the benefit of the Agency, or a certified check drawn on a reputable banking institution and made payable to the Agency in the requirement amount. If Agency bond form is not utilized, the substituted bond forms must conform to the minimum of conditions specified in the Agency bond form.

11. **DELIVERY OF BIDS:**

Bids shall be delivered in sealed envelopes, and shall bear on the outside the name and address of the bidder as well as the designation of the contract. Bids submitted by other than hand delivery must be sent in a manner requiring a signature on receipt. We recommend an overnight or second day delivery service. Bids must be delivered to the address listed below. All bids must clearly display the bid number on the envelope.

It is the bidder's responsibility to ensure their bid is received on time. All bids will be accepted until the date and time shown on page 2 of this document. Bidder bears the risk of delays in delivery. Proposals received after the time set for public opening will be returned unopened.

12. **WITHDRAWAL OF PROPOSALS:**

A bidder may withdraw its proposal unopened after it has been deposited, if such a request is made prior to the time set for the opening of the proposal.

13. **PUBLIC OPENING OF PROPOSALS:**

The bids shall be publicly opened at the time and place specified by the Agency. Bidders or their authorized representatives are invited to be present.

14. **PUBLIC INSPECTION OF PROPOSALS:**

If the bidder designates a portion of its bid as confidential, it shall isolate and identify in writing the confidential portions. The bidder shall include with this designation a statement that explains and supports the firm's claim that the bid items identified as confidential contain trade secrets or other proprietary data.

15. **DISQUALIFICATION OF BIDDERS:**

Any one or more of the following causes may be considered as sufficient for the disqualification of a bidder and the rejection of its bid or bids:

- a. More than one bid for the same contract from an individual, firm, or corporation under the same or different names.
- b. Evidence of collusion among bidders.
- c. Unsatisfactory performance record as evidenced by past experience.
- d. If the unit prices are obviously unbalanced either in excess or below reasonable cost analysis values.
- e. If there are any unauthorized additions, interlineations, conditional or alternate bids or irregularities of any kind which may tend to make the proposal incomplete, indefinite, or ambiguous as to its meaning.
- f. Non-attendance of mandatory pre-bid meetings will be cause of disqualification.

16. **BID AND FINAL CONTRACT:**

The contents of each bid will be considered binding. The contents of the successful bid will be included by reference in the resulting contract.

17. **ADDENDA TO ITB:**

If it becomes necessary to revise any part of this ITB, revisions will be posted at www.bids.delaware.gov. It is the responsibility of the vendor to monitor this website for updates.

SECTION B: AWARD AND EXECUTION OF CONTRACT

1. **CONSIDERATION OF BIDS:**

- a. After the proposals have been opened, the bids will be tabulated. Tabulations of the bids will be based on the correct summation of items at the unit price bid.
- b. The right is reserved to waive technicalities, to reject any or all bids, or any portion thereof, to advertise for new bids, to proceed to do the work otherwise, or to abandon the work, if in the judgment of the Agency or its agent, the best interest of the State will be promoted thereby.

2. **MATERIAL GUARANTY:**

Before any contract is awarded, the successful bidder may be required to furnish a complete statement of the origin, composition and manufacture of any or all of the material to be used in the contract together with such samples as may be requested for the purpose of testing.

3. **CONTRACT AWARD:**

Within thirty days from the date of opening bids, the bid will be awarded or the bid rejected.

4. **FACILITY REQUIREMENTS**

The awarded vendor must submit a spreadsheet to the Contract Coordinator no more than 10 days after the bid acceptance notification with the information from the survey required from the Technical Specifications. Receipt of this spreadsheet is a pre-requisite to an executed contract.

5. **EXECUTION OF CONTRACT:**

- a. The bidder to whom the award is made shall execute a formal contract and bond within twenty days after date of official notice of the award of the contract.
- b. If the successful bidder fails to execute the required contract and bond, as aforesaid, within twenty days after the date of official notice of the award of the contract, its proposal guaranty shall immediately become forfeited as liquidated damages. Award will then be made to the next most responsive and responsible qualified bidder of the work or re-advertised, as the Agency may decide.

6. **REQUIREMENT OF CONTRACT / PERFORMANCE BOND:**

- a. Successful bidders shall furnish bond, simultaneously with the execution of the formal contract, to the State of Delaware for the benefit of the Agency with surety in the amount of 100% of the total contract award or as otherwise provided in the Special Provisions. Said bonds shall be conditioned upon the faithful performance of the contract.
- b. The bond forms shall be provided by the Agency and the surety shall be acceptable to the Agency.

STATE OF DELAWARE
Department of Health and Social Services
Division of Management Services

7. **WARRANTY:**

The successful bidder(s) shall be required to extend any policy guarantee usually offered to the general public, FEDERAL, STATE, COUNTY, or MUNICIPAL governments, on material in this contract against defective material, workmanship, and performance.

8. **THE CONTRACT(S):**

The contract(s) with the successful bidder(s) will be executed with the Department of Health and Social Services / Division of Management Services acting for all participating agencies. The State reserves the right to add or delete an Agency, especially during times of reorganization, restructure or fiscal obligations.

9. **RETURN OF BIDDER'S DEPOSIT:**

The deposits shall be returned to the successful bidder upon the execution of the formal contract. The deposits of unsuccessful bidders shall be returned to them immediately upon the awarding of the contract or rejection of their bids.

10. **INFORMATION REQUIREMENT:**

The successful bidders shall be required to advise the Department of Health and Social Services / Division of Management Services of the gross amount of purchases made as a result of the contract.

11. **CONTRACT EXTENSION:**

The State reserves the right to extend this contract on a month-to-month basis for a period of up to three months.

12. **TERMINATION FOR CONVENIENCE:**

Contracts shall remain in effect for the time period and quantity specified unless the contract is terminated by the State. The State may terminate the contract at any time by giving written notice of such termination and specifying the effective date thereof, at least sixty (60) days before the effective date of termination.

13. **TERMINATION FOR CAUSE:**

If, for any reasons, or through any cause, the Contractor fails to fulfill in timely and proper manner its obligations under this Contract, or if the Contractor violates any of the covenants, agreements, or stipulations of this Contract, the State shall thereupon have the right to terminate this contract by giving written notice to the Contractor of such termination and specifying the effective date thereof, at least 5 days before the effective date of such termination. In that event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs, and reports or other material prepared by the Contractor under this Contract shall, at the option of the State, become its property, and the Contractor shall be entitled to receive just and equitable compensation for any satisfactory work completed on such documents and other materials which is usable to the State.

STATE OF DELAWARE
Department of Health and Social Services
Division of Management Services

SECTION C: GENERAL

1. **AUTHORITY OF AGENCY:**

On all questions concerning the interpretation of specifications, the acceptability and quality of material furnished and/or work performed, the classification of material, the execution of the work, and the determination of payment due or to become due, the decision of the Agency shall be final and binding.

2. **LAWS TO BE OBSERVED:**

The contractor is presumed to know and shall strictly comply with all National, State, or County laws, and City or Town ordinances and regulations in any manner affecting the conduct of the work. The contractor shall indemnify and save harmless the State of Delaware, the Agency, and all Officers, Agency and Servants thereof against any claim or liability arising from or based upon the violation of any such laws, ordinances, regulations, orders, or decrees whether by itself or by its employees.

3. **PERMITS AND LICENSES:**

All necessary permits, licenses, insurance policies, etc. required by local, State or Federal laws, shall be provided by the contractor at its own expense.

4. **PATENTED DEVICES, MATERIAL AND PROCESSES:**

- a. The contractor shall provide for the use of any patented design, device, material, or process to be used or furnished under this contract by suitable legal agreement with the patentee or owner, and shall file a copy of this agreement with the Agency.
- b. The contractor and the surety shall hold and save harmless the State of Delaware, the Agency, the Director, their Officers or Agents from any and all claims because of the use of such patented design, device, material, or process in connection with the work agreed to be performed under this contract.

5. **EMERGENCY TERMINATION OF CONTRACT:**

- a. Due to restrictions which may be established by the United States Government on material, or work, a contract may be terminated by the cancellation of all or portions of the contract.
- b. In the event the contractor is unable to obtain the material required to complete the items of work included in the contract because of restrictions established by the United States Government and if, in the opinion of the Agency, it is impractical to substitute other available material, or the work cannot be completed within a reasonable time, the incomplete portions of the work may be cancelled, or the contract may be terminated.

STATE OF DELAWARE
Department of Health and Social Services
Division of Management Services

6. **TAX EXEMPTION:**

- a. Material covered by this proposal is exempt from all FEDERAL and STATE TAXES. Such taxes shall not be included in prices quoted.
- b. Any material which is to be incorporated in the work or any equipment required for the work contemplated in the proposal may be consigned to the Agency. If the shipping papers show clearly that any such material is so consigned, the shipment will be exempt from the tax on the transportation of property under provisions of Section 3475 (b) of the Internal Revenue Code, as amended by Public Law 180 (78th Congress). All transportation charges shall be paid by the contractor. Each bidder shall take its exemption into account in calculating its bid for its work.

7. **OR EQUAL (PRODUCTS BY NAME):**

Specifications of products by name are intended to be descriptive of quality or workmanship, finish and performance. Desirable characteristics are not intended to be restrictive. Substitutions of products for those named will be considered provided the vendor certifies that the function, characteristics, performance and endurance qualities of the material offered is equal or superior to that specified.

8. **BID EVALUATION AND AWARD:**

The Department of Health and Social Services / Division of Management Services will award this contract to the lowest responsible bidder(s) which in their judgment best serves the interest of the State of Delaware in accordance with Delaware Code Title 29, Section 6923(k). Personnel with experience and technical background may be utilized by the Department of Health and Social Services / Division of Management Services in making judgment. In case of error in price extension, the unit price(s) shall prevail.

9. **INVOICING:**

After the contracts are executed, the agencies participating in the bid may forward their purchase orders to the successful bidder(s) in accordance with State Purchasing Procedures. The State will generate a payment voucher upon receipt of an invoice from the vendor.

10. **DELIVERY:**

Pick-up and disposal must be made as stipulated in the bid or quotation and resulting contract. The decision of the Procurement Administrator as to reasonable compliance with delivery terms shall be final. The burden of proof of delay claimed to be beyond the contractor's control shall rest with the contractor.

15. **OWNERSHIP OF INTELLECTUAL PROPERTY:**

All copyright and patent rights to all papers, reports, forms, materials, creations, or inventions created or developed in the performance of this contract shall become the sole property of the State of Delaware. On request, the contractor shall promptly provide an acknowledgment or assignment in a tangible form satisfactory to the State to evidence the State's sole ownership of specifically identified intellectual property created or developed in the performance of the contract.

16. **NON-PERFORMANCE:**

In the event the vendor does not fulfill its obligations under the terms and conditions of this contract, the ordering agency may purchase equivalent product on the open market. Any difference in cost between the contract prices herein and the price of open market product shall be the responsibility of the vendor. Under no circumstances shall monies be due the vendor in the event open market products can be obtained below contract cost. Any monies charged to the vendor may be deducted from an open invoice.

17. **FORCE MAJEURE:**

Neither the vendor nor the ordering agency shall be held liable for non-performance under the terms and conditions of this contract due, but not limited to, government restriction, strike, flood, fire, or unforeseen catastrophe beyond either party's control. Each party shall notify the other in writing of any situation that may prevent performance under the terms and conditions of this contract.

18. **CONTRACTOR NON-ENTITLEMENT:**

State of Delaware Contractors for Materiel and for Services shall not have legal entitlement to, nor seek business from another Contractors' Central Contract. Additionally, they shall not utilize other Central Contracts to fulfill the requirements of their respective contract as they are not a "Covered Agency" as defined by Title 29 Chapter 69 of the State Procurement Code.

19. **ITB and Final Contract:**

The contents of the ITB will be incorporated into the final contract by reference and will become binding upon the successful bidder. If the bidder is unwilling to comply with any of the requirements, terms, and conditions of the ITB, objections must be clearly stated in the bid cover letter on or before the date and time of the deadline to respond. Objections will be considered and may be subject to negotiation at the discretion of the state.

20. **FUNDING OUT:**

The continuation of this contract is contingent upon funding appropriated by the legislature.

STATE OF DELAWARE

21. **MANDATORY USAGE REPORT:**

One of the primary goals in administering this contract is to keep accurate records regarding its actual value.

A report shall be furnished by the successful contractor **MONTHLY Electronically in Excel format** detailing the purchasing of all items on this contract. The format to be followed is described herein and shall be filed within fifteen (15) days after the end of each reporting period. Any exception to this mandatory requirement may result in cancellation of the award. Failure to provide the report with the minimum required information may also negate any contract extension clauses. Additionally, contractors who are determined to be in default of this mandatory report requirement may have such conduct considered against them, in assessment of responsibility, in the evaluation of future proposals. Vendors not having activity during a specific month, shall reply with a “no activity” if there is no activity during the reporting period.

The report shall be submitted electronically in EXCEL and sent as an attachment to sylvia.adams@state.de.us. It shall contain the six-digit department and organization code.

22. **ORDERING PROCEDURE:**

Successful contractors are required to have either a local telephone number within the (302) area code, a toll free (800) number, or agree to accept collect calls. Each agency is responsible for placing their orders and may be accomplished by written purchase order, telephone, fax or computer on-line systems. The contractor or vendor must accept full payment by procurement (credit) card and/or conventional check and/or other electronic means at the State's option, without imposing any additional fees, costs or conditions.

23. **BILLING:**

The successful vendor is required to "Bill as Shipped" to the respective ordering agency(s). Ordering agencies shall provide contract number, ship to and bill to address, contact name and phone number. The Vendor shall not charge a late fee that exceeds more than one percent (1%) per month, not to exceed twelve percent (12%) per annum.

24. **PAYMENT:**

The agencies or school districts involved will authorize and process for payment each invoice within thirty (30) days after the date of receipt of a correct invoice. The contractor or vendor must accept full payment by procurement (credit) card and/or conventional check and/or other electronic means at the State's option, without imposing any additional fees, costs or conditions.

25. **PRODUCT SUBSTITUTION:**

All items delivered during the life of the contract shall be of the same type and manufacture as specified or accepted as part of the bid unless specific approval is given by Department of Health and Social Services / Division of Management Services to do otherwise. However, awarded vendors are highly encouraged to offer any like substitute product (s); either generic or brand name, at any time during the subsequent contract term, especially if an opportunity for cost savings to the state exists. In such cases, the state may require the submission of reasonable quantities of written specifications and/or product samples for evaluation prior to any approvals being granted.

26. **BID/CONTRACT EXECUTION:**

Both the non-collusion statement that is enclosed with this Invitation to Bid and the contract form delivered to the successful bidder for signature **shall** be executed by a representative who has the legal capacity to enter the organization into a formal contract with the State of Delaware, Department of Health and Social Services / Division of Management Services. The awarded vendor(s) will be required to complete the new W-9 Form by visiting the Division of Accounting's Website: <http://accounting.delaware.gov>.

27. **LIFE CYCLE COSTING:**

If applicable, the specifications contained within this ITB have been developed through Life Cycle Cost Analysis that will allow the State to realize the lowest total cost of ownership and operation over the useful life of the equipment.

28. **ENERGY STAR PRODUCTS:**

The contractor **must** provide products that earn the ENERGY STAR rating and meet the ENERGY STAR specifications for energy efficiency. The offeror is encouraged to visit www.energystar.gov for complete product specifications and updated lists of qualifying products.

29. **TERMINATION FOR CONVENIENCE:**

Contracts shall remain in effect for the time period and quantity specified unless the contract is terminated by the State. The State may terminate the contract at any time by giving written notice of such termination and specifying the effective date thereof, at least sixty (60) days before the effective date of termination.

30. **TERMINATION FOR CAUSE:**

If, for any reasons, or through any cause, the Contractor fails to fulfill in timely and proper manner its obligations under this Contract, or if the Contractor violates any of the covenants, agreements, or stipulations of this Contract, the State shall thereupon have the right to terminate this contract by giving written notice to the Contractor of such termination and specifying the effective date thereof, at least 5 days before the effective date of such termination. In that event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs, and reports or other material prepared by the Contractor under this Contract shall, at the option of the State, become its property, and the Contractor shall be entitled to receive just and equitable compensation for any satisfactory work completed on such documents and other materials which is usable to the State.

+++ Items after this point require a detailed response in the bid proposal +++

31. **PERSONNEL - CONTRACTOR RESPONSIBILITY:**

The State will enter into a contract with the successful contractor. The successful contractor shall be responsible for all products and services as required by this ITB. Subcontractors, if any, shall be clearly identified in the bid response.

- a. The Contractor represents that they have, or will secure at their own expense, all personnel required to perform the services required under this contract.
- b. All of the services required hereunder shall be performed by the Contractor or under its direct supervision, and all personnel, including subcontractors, engaged in the work shall be fully qualified and shall be authorized under State and local law to perform such services.
- c. Contractor shall insure work is performed and employees are monitored in a manner that will protect the safety, rights, and confidentiality of patients and facility employees.
- d. None of the work or services covered by this contract shall be subcontracted without the prior written approval of the State.

32. **UNSPS CODE:** Bidders are required to reference the appropriate UNSPS Code for all items in their bids. The UNSPS Code can be accessed at www.top500.de/lexikon/unspsc.php.

33. **VENDOR EMERGENCY RESPONSE POINT OF CONTACT:**

The awarded vendor(s) shall provide the name(s), telephone, or cell phone number(s) of those individuals who can be contacted twenty four (24) hours a day, seven (7) days a week to meet a critical need for commodities or services when the Governor of the State of Delaware declares a state of emergency under the current Delaware Emergency Operations Plan. Failure to provide this information could render the bid as non-responsive.

34. **BUSINESS REFERENCES:**

In order to have your bid considered, please supply three (3) business references consisting of current or previous customers with your reply. Please include name, address, telephone number, and a contact person.

TECHNICAL SPECIFICATIONS

INFECTIOUS WASTE PICK-UP AND DISPOSAL

SCOPE OF WORK

This shall establish a Contract for the pick-up and disposal of infectious “Sharps and Bio-Medical Waste” for the State of Delaware, Delaware Health and Social Services (DHSS), various Divisions.

The successful bidder agrees to provide DHSS, the service of pick-up and disposal of infectious waste from designated locations in three counties: New Castle, Kent, and Sussex. Contractor transportation vehicles will transport the sharps and bio-medical waste to an EPA authorized disposal facility, which will dispose of the infectious waste in a manner permitted by law.

It is the intent to award this contract to a single vendor to service all of Delaware.

All infectious waste must be disposed of following current and existing Federal, State of Delaware and Local guidelines and regulations.

I. SPECIFICATIONS

A. General

1. Contractor must provide all labor, materials (with the exception of sharps containers) and equipment necessary for the proper handling, loading, transportation, treatment and disposal of regulated infectious waste from designated facility locations.

Infectious waste: Those solid wastes, which may cause human disease or may pose a substantial present or potential hazard to human health or the environment when improperly treated, stored, transported, disposed of or otherwise managed. Types of solid wastes designated as infectious include but are not limited to bio-hazardous medical waste and laboratory waste.

Sharps: Sharps is defined as any discarded article that may cause puncture or cuts. Such wastes include, but not limited to, needles, disposable scissors, scalpels, glass slides and razors.

2. The frequency of collection will be a maximum of once a week. The quantities and frequency of collection will depend on individual facility needs. The State reserves the right to add or delete any agency and change the frequency of pick-up at any facility, especially during times of reorganization, restructure or fiscal obligations. However, the frequency will not be more than once a week.
3. New and replacement containers, red biohazard bag inserts, packaging tape, and bio-hazard stickers must be supplied for on-site use. Labels with Contractor name, address, and phone number along with representative name shall be provided on all containers. The purpose is for easy contact when needed.
 - a. Cardboard box containers. Special containers will be required by the Medical Examiner's Office. Container size requirements may be obtained during the vendor survey.

STATE OF DELAWARE
Department of Health and Social Services
Division of Management Services

- b. Red biohazard bag inserts shall be puncture resistant and leak proof. Thickness and size requirements may be obtained during the vendor survey.

Each facility is responsible for procuring sharps containers through a separate contract.

4. Trained service persons in infectious waste removal will be required to come to all facilities to collect used sharps and other infectious bio-medical waste.
5. Contractor shall assign unique account numbers to each facility for invoice tracking.
6. Invoices shall be sent to the "Bill To" address as designated on each purchase order. Invoices must contain the site #, date, manifest/order number, quantity, description, weight, price of each container and any additional information as requested by the Agency. Signed certificate of destruction as proof of disposal from an EPA approved disposal location must accompany the invoice.
7. Before service can begin, a thorough survey of all facilities will be necessary by the awarded vendor and must be established via e-mail. Contact information for 32 facilities is listed following these specifications. The survey shall consist of but is not limited to:
 - a. Frequency of collection
 - b. Estimated quantity
 - c. Facility's IWG number
 - d. Facility's designated pick-up area(s)
 - e. Containers, biohazard inserts and supply requirements

The collected data must be summarized on a spreadsheet and submitted to the Contract Coordinator as stated in Section B, Award and Execution of Contract.

B. Duties of Contractor

1. Contractor will come to all facilities to collect infectious sharps and other infectious bio-medical waste per agreed upon schedule at the designated pick-up area locations.
2. Will maintain an adequate number and deliver new and replacement containers, red biohazard bag inserts, bio-hazard stickers, packaging tape and Contractor labels for on-site use.
3. An EPA approved manifest shall be provided to each location when the contractor picks up medical wastes.
4. The contractor shall submit a signed certificate of destruction of the medical waste destroyed in accordance with EPA regulations.

C. Duties of Participating Facilities

1. It shall be the duty of each facility to see that used sharps and bio-medical waste are safely and properly packaged, labeled and taken to the designated pick-up area.
 - a. All used sharp containers and infectious waste shall be packaged and labeled in accordance with current Federal, State of Delaware and Local guidelines and regulations. The purpose for following

STATE OF DELAWARE
Department of Health and Social Services
Division of Management Services

these guidelines is to prepare the infectious waste to be transported to an EPA approved disposal site, for proper destruction, even when that transport is wholly within the boundaries of the State.

2. Any Infectious Control Nurse or Department designated person responsible for infectious waste shall give prompt written notice to the vendor whenever the agency observes or otherwise becomes aware of any development that affects the scope or timing of the vendor's services.

II. SPECIAL CRITERIA

A. Permits

The contractor must submit with their bid response copies of all applicable Federal (EPA), State and Local authorizations and permits for transportation and disposal of infectious waste. Contractor must have a State of Delaware Transporters Permit. Permits can be obtained (at contractor's expense) by calling Ken Green from Delaware Natural Resources & Environmental Control (DNREC) at (302) 739-9403. Failure to provide this information may result in non-consideration.

B. Citations

The contractor must submit with their bid verifiable information relating to any and all Federal, State and Local citations issued against their firm or their contractor's firm within the last two (2) years. This must include dates, reasons, dispositions and resolutions. The State will determine whether this information may result in non-consideration. If there are no citations, reply "No Citations".

C. Transfer of Infectious Waste and Title

The State of Delaware's infectious waste will be transferred to the contractor at the individual facility's designated location at the time of pick-up. At that time the Contractor takes possession of the waste; title, risk of loss and all other incidents of ownership to the waste shall be transferred from the State of Delaware and vested in the Contractor.

D. Contractor Warrantees

The Contractor warrants that it understands the known hazards which are presented to persons property and environment in the transportation, storage and disposal of the described infectious waste; it will transport, store and dispose of such materials in full compliance with all Federal, State of Delaware and Local guidelines and regulations; the storage and disposal facilities are now licensed and permitted to store and dispose of infectious waste, and, in the event the storage or disposal facility losses its permitted status hereafter during the term of the contract, Contractor will promptly notify the State of Delaware.

E. State of Delaware Warrantees

The State of Delaware warrants that the description of its infectious waste is true and correct; bio-medical and sharps waste to be transferred to the Contractor will conform to such description; packing and shipping containers of bio-medical waste transferred to the Contractor will be marked, labeled and otherwise be in conformance with Federal, State of Delaware and Local guidelines and regulations.

STATE OF DELAWARE
Department of Health and Social Services
Division of Management Services

F. Contact with State Employees

Direct contact with State of Delaware employees other than the Contract Coordinator regarding this ITB is expressly prohibited unless approved by the Procurement Administrator. Vendors directly contacting State of Delaware employees risk elimination of their bid response from further consideration. Exceptions exist only for organizations currently doing business in the State who require contact in the normal course of doing that business.

G. Service Schedule

All pick-up service must be made during regular business hours, between 8:00 A.M. and 3 P.M. Monday through Friday. For “on-call” customers, servicing to the facility must be provided within 72 hours of notification by the agency and during regular business hours.

H. Service Response Time to Agency

Response to an e-mail request by an agency regarding any development that affects the scope or timing of the vendor’s services must be provided within 2 hours. On-site response, if necessary must be within 48 hours of the e-mail response to the request.

I. Training

Contractor shall provide training documentation/literature on infectious waste acceptance and segregation, if requested by the Agency.
