Ms Freeland,

The Division of Management Services has completed the evaluation of proposals submitted in response to HSS 11-034 – *Children’s Health Insurance Program Payment Error Rate Measurement (PERM): Eligibility Component*. We have reviewed your proposal and found it satisfactory and would like to begin negotiations with your company.

We need to confirm that your firm is still interested in the Delaware project. We are also confirming the cost quoted in the proposal is \$275,643.30. Once we hear from you, we will begin steps to finalize the contract with the State of Delaware.

I look forward to hearing from you and working with your firm.

Sincerely,

Linda D. Barnett, for
