RFP HSS 11 067
OPERATIONAL SUPPORT FOR THE DELAWARE PERINATAL COOPERATIVE
Questions and Answers
March 18, 2011

1. Is there any problem with our bid since we are members of DHMIC?

Answer: Direct contracts with members of the Delaware Healthy Mother and Infant Consortium (DHMIC) are subject to review and approval by the Delaware Public Integrity Commission. Information about the Commission can be found at: <http://depic.delaware.gov/>

2. What is the amount of available funding for this?

Answer: Vendors should submit a budget that reflects the costs of providing services outlined in the scope of services section of the Request for Proposal (RFP).

3. How are you thinking about the medical director - is that someone on DPH staff that you would want us to work with? Some one on DHMIC - like Garrett Colmorgen, or are we supposed to arrange that as part of RFP.

Answer: In January 2011, Dr. Garrett Colmorgen was elected the Medical Director of the Perinatal Cooperative. He was unanimously voted on by the Delaware Healthy Mother and Infant Consortium (DHMIC). The Medical Director position is an unpaid (volunteer) position with a 3-year term. The Medical Director will receive oversight and direction from the Executive Committee of the DHMIC.

4. How would this work interface with the DHMIC committee and council leadership?

Answer: The Perinatal Cooperative and Cooperative Medical Director operate under the oversight of the DHMIC. They interface with the Standards of Care Committee of the DHMIC.

5. How would this interface with DPH/MCH staff?

Answer: DPH staff serve as facilitators for both the Perinatal Cooperative and the DHMIC.
