

NOTICE OF NON-AWARD

HSS-11-79 and HSS-11-90 are one in the same. 79 was the original RFP # but due to the Hurricane last year and the bid closing around the same time we extended the close date and rereleased the same RFP which was given a new number (90) so that downstate people were able to have a fair chance at submitting their proposals. Please disregard RFP # HSS-11-79.
