RE: RFP # HSS 12 017

Dear Ms. Carroll-Grant,

The Division of Public Health has completed the evaluation of proposals submitted in response to RFP#HSS 12 017- Diabetes Community Screenings, Education and Referral Project. Based on the outcome of the evaluation process, the Division wishes to begin contract negotiations with the Delaware Pharmacists Society as soon as possible. I, Don Post, Diabetes Prevention and Control Program, Program Manager for the Division of Public Health, will be contacting you with information about the next steps. Please be advised that you may not begin service delivery until you have a signed contract and purchase order in hand.

Thank you for your interest in working with the Division of Public Health. We look forward to successful contract negotiations. If you have any questions, please contact me at (302) 739-1020.

Sincerely,

Don Post, Program Manager
