Dear Ms. Newman,

Thank you for your interest and the time your organization has taken to develop and submit a proposal for the Delaware Health and Social Services Child Care Development Fund Resource and Referral Services HSS-12-019. The Selection Committee carefully evaluated each proposal. We determined that Children and Families First provides the best answer to the project for which the RFP was submitted.

Please accept our invitation to begin contract negotiations with DHSS. Upon your acceptance, Barbara McCaffery, Program Manager for these services, will contact you regarding next steps.

We look forward to a successful contractual relationship with you.

Sincerely,

Elaine Archangelo
Division Director
