AMERICORPS IN DELAWARE

Serve Delaware – the Delaware Commission for Community and Volunteer Service mobilizes Delawarens to strengthen their communities through volunteering, collaboration, and national service programs. Serve Delaware is committed to uniting individuals in service to their communities and achieving demonstrable results by funding AmeriCorps programs that address Delaware’s unmet educational, economic, environmental, health, veterans and disaster response needs. This Request for Applications (RFP) is being released for applications for AmeriCorps programming operating exclusively within the State of Delaware.

Serve Delaware administers AmeriCorps programming and funds in Delaware as required and governed by federal and state law rules and regulations. Delawarens have a solid history of providing innovative national service programming. AmeriCorps members, and the volunteers they have recruited, have provided thousands of hours in services aiding children, youth, and families in communities throughout the state. It is exciting that you are interested in building on this legacy.

Indian tribes can choose to apply via this Request for Applications or through other applicable funding opportunities.

Serve Delaware encourages organizations to consider or submit AmeriCorps Education Award Only Program applications. Funding for Education Award Only programs assures federal support for the educational awards of enrolled members, but provides very limited operational support -- \$800 per full-time member. Grantees must use their own or other resources to cover any AmeriCorps member living allowances and other program costs. Applicants interested in submitting an Education Award Only Program application or incorporating Education Award Only positions into your program design should contact Serve Delaware Program Officer Charles Harris at 302-255-9677 or charles.a.harris@state.de.us for consultation and special technical assistance.

Serve Delaware strongly recommends that potential applicants thoroughly read and understand this Request for Applications (RFP) prior to writing a response. Serve Delaware further encourages all interested parties to develop a thorough understanding of AmeriCorps prior to applying by visiting the AmeriCorps website, www.americorps.gov

To help you determine whether to pursue creating a proposal, Serve Delaware has created a resource to guide potential applicants entitled **“Is My Organization Ready for an AmeriCorps Grant: A Readiness Assessment”** which will be distributed during the RFP information sessions.

Serve Delaware is committed to providing the most helpful and current information to all applicants. **A list of all questions posed by potential applicants and the answers to these questions will be posted on the State’s bids website, <http://bids.delaware.gov> on April 13, 2012.**

Applicants must carefully put together a proposal that will meet the demands of a potentially strong competition and to consider creative and innovative collaborations. Serve Delaware also encourages applicants to carefully identify ways these activities can be supported with local resources by reaching out to new partners and introducing visionary service methods should Corporation for National & Community Service (CNCS) funding be reduced or eliminated.

INTRODUCTION TO THE APPLICATION PROCESS FOR FORMULA AMERICORPS PROGRAMMING IN DELAWARE

Applications for AmeriCorps program funding are subject to review by Serve Delaware and, if funded, programs are subject to Serve Delaware oversight.

Serve Delaware is very interested in supporting a diversity of programs, including those that provide geographic breadth across our state. Sussex and Kent Counties have traditionally been under-represented in Delaware's portfolio of AmeriCorps programs. To address this, geographic representation in those two counties and rural Delaware will be a factor in the review and selection of grantees. Consideration will also be given to organizations that incorporate bringing people with disabilities into national service and those that select the veterans and military families initiative as their focus area.

All applications must be submitted via eGrants, the online grant submission program operated by the Corporation for National and Community Service (CNCS) accessible at:

<https://egrants.cns.gov/espan/main/login.jsp>

Contact the eGrants Help Desk at (800) 942-2677 [TTY: 800-833-3722] if a problem arises while creating an account, preparing, or submitting an application. Be prepared to provide the application ID. If technical issues will prevent an applicant from submitting an application on time, please contact the eGrants Help Desk prior to the deadline to explain the technical issue and receive a ticket number. If the issue cannot be resolved by the deadline, the applicant must continue working with the eGrants Help Desk to submit via eGrants. If there are significant technical difficulties or if extenuating circumstances prevents the use of the eGrants system, Serve Delaware will consider requests for submission of a paper document if such requests include a written rationale and are made NO LATER than May 4, 2012.

In utilizing eGrants, Serve Delaware **requires all applicants responding to this RFP for 2012-2013 support to submit their grants as "Formula" applications**. Serve Delaware will promptly notify applicants of necessary revisions and resubmission that may be needed during the funding process. Applications submitted for Competitive AmeriCorps funding consideration in 2011 and not funded through that process by the Corporation for National & Community Service will also be considered for state Formula funds. The distinction between Formula and Competitive funding is provided below:

- **Formula** funds are allocated exclusively at the state level to support outstanding programming. Newer and smaller scale programs tend to be supported with Formula funds. Successful applicants are funded based on the decision of the Commission grant review team with approval by the full Commission. The amount of Formula funds available annually to each state is determined through a population-based formula devised by the Corporation for National & Community Service.
- **Competitive** funds are allocated at the national level to support programming with strong performance. Established larger multi-site programs and initiatives with sophisticated, well-developed program designs tend to compete well for this pool of funds. All applications are reviewed and ranked at the state level. Applications for Competitive funding consideration are forwarded with Serve Delaware recommendations to compete against applications put forth by state commissions in other states and with multi-state proposals. The Corporation for National and Community Service makes final decisions on Competitive grant funding.

The following **Key Factors** should be considered in crafting your application:

- All applicants must include a Dun and Bradstreet Data Universal Numbering System (DUNS) number and register with the Central Contractor's Registry (CCR). Securing these early is advised. Details are in the Application and Submission section of this Request for Application.

- Serve Delaware awards funding to programs that consist of teams of ***no fewer than three AmeriCorps members***.
- Applicants for multi-site programs operating exclusively in Delaware must secure and submit a signed ***Host Site Application*** from each host site with their response to this Request for Applications. Host Sites are entities seeking to partner with an applicant and utilize the resources of at least one AmeriCorps member. Internal Departments, Programs, and Divisions of Lead Agencies that utilize AmeriCorps members are considered Host Sites for the purpose of this application.
- ***There is a match requirement for federal funds.*** The match requirement varies based on the longevity of the grant and can be met through any combination of cash and/or in-kind resources. Minimum grantee share is 24%. Starting in Year 4, overall grantee share of total program costs increases gradually to 50% by the tenth year of funding and any year thereafter. Please contact Charles Harris, Serve Delaware Program Officer at charles.a.harris@state.de.us or 302-255-9677 to verify what match ratio applies to your project.
- ***All applicants must NOT exceed the cost per member service year (MSY) of \$13,300.*** This is the maximum amount of federal funds that may be requested. The total amount of funds available for a project can be determined by multiplying \$13,300 times the number of full-time member slots proposed. Actual MSY costs for current grantees may be examined and considered during the grant review process.
- The ***minimum living allowance for AmeriCorps members is \$12,100*** for full-time members for 2012-2013.
- Child Care is a benefit for income eligible AmeriCorps members. Funding of child care for AmeriCorps members is provided directly from the Corporation for National & Community Service and is not included as a budgeted expense through this RFP. Eligibility standards that members must meet can be found in the Delaware State Median Income Chart at <http://www.census.gov/hhes/www/income/data/statistics/4person.html>
- The Educational Award earned by AmeriCorps members is awarded subsequent to service by the National Service Trust and should not be included as a budgeted expense through this RFP.
- **The application narratives cannot exceed 26 double-spaced pages when printed out.** This does not include the Performance Measures or Budget portions of the application.
- The Serve America Act authorizes the Corporation to award fixed-amount grants. The ***Fixed-Amount Pilot*** is only available for new and re-competing applicants. Second and third year Competitive continuation applicants must submit a new application if they are interested in participating in the Fixed-Amount Pilot. For 2012-2013, these fixed-amount grants are available for programs that enroll full-time members only. Fixed-amount grants allow programs to apply for a fixed dollar amount per member. The fixed amount awarded per member is significantly less than the cost of running an AmeriCorps program and the applicant must raise the additional revenue necessary to operate the program. If you are interested in submitting a fixed-amount grant, please contact Charles Harris at 302-255-9677 or charles.a.harris@state.de.us

Serve Delaware expects to announce funding decisions in June 2012.

We are eager to partner with you in enhancing civic engagement and the quality of life in our state. Please contact us freely as you develop your applications.

AmeriCorps State & National Grant Program Dates for New, Recompeting and Continuing Competitive Grants

DELAWARE RFP DEADLINE
May 4, 2012, 11:00 am EST

CNCS SUBMISSION DEADLINE
July 6, 2012, 5:00 pm EST

The mission of the Corporation for National and Community Service (CNCS) is to improve lives, strengthen communities, and foster civic participation through service and volunteering. For more than fifteen years, CNCS—through its Senior Corps, AmeriCorps, and Learn and Serve America programs—has helped to engage millions of citizens in meeting community and national challenges through service and volunteer action.

On April 21, 2009, President Obama signed the Edward M. Kennedy Serve America Act, the most sweeping expansion of national service in a generation. This landmark law not only expands service opportunities, but also focuses national service on key outcomes; builds the capacity of individuals, nonprofits, and communities to succeed; and encourages innovative approaches to solving problems.

In alignment with the Serve America Act, AmeriCorps State and National grantmaking will focus in six Focus Areas identified by the Act:

- Disaster Services
- Economic Opportunity
- Education
- Environmental Stewardship
- Healthy Futures
- Veterans and Military Families

In order to carry out Congress' intent and to maximize the impact of the investment in national service, CNCS is seeking to fund programs that can demonstrate community impact and solve community problems through an evidence-based approach (e.g. performance data, research, theory of change).

In the AmeriCorps competition this year, CNCS especially seeks to prioritize investment in three areas of its work. (1) CNCS will continue to focus on national service programs that improve academic outcomes for children, youth, and young adults. This focus reflects the extensive experience and past success of national service programs in education, and aligns with the efforts of the Department of Education. In addition, (2) CNCS seeks to increase its investment in programs that serve veterans and military families or engage veterans in service. (3) CNCS will also focus investment in programs that increase community resiliency through disaster preparation, response, recovery, and mitigation.

In accordance with the Obama Administration's emphasis on open government, CNCS has moved toward greater openness and transparency in grantmaking. The following information pertaining to this competition for new and recompile applications will be published on the CNCS website at (<http://nationalservice.gov/about/open/grants.asp>), within a period not to exceed 90 business days after all grants are awarded:

- Blank external review template.
- List of all compliant applications submitted.
- Executive summaries of all compliant applications prepared by the applicants as part of the application.
- Copies of the SF424 and Program Narrative submitted by applicants for successful applicants.
- Summary of external reviewer's comments for successful applications.

FUNDING AVAILABILITY ANNOUNCEMENT

I. FUNDING OPPORTUNITY DESCRIPTION

A. What is the purpose of AmeriCorps funding?

The purpose of CNCS is to maximize the power of service and volunteering to improve lives in communities across the country. In the Edward M. Kennedy Serve America Act, Congress directed CNCS to focus national service in areas where service can make a major impact, including education, energy conservation, health, economic opportunity for economically vulnerable individuals, increasing service by and for veterans, and providing disaster services.

CNCS is carrying out Congress's intent by targeting AmeriCorps funding in those six focus areas. In accordance with the Act, through this *Notice* and its other activities, CNCS seeks to:

- Direct the power of national service to solve a common set of challenges.
- Expand opportunities for all Americans to serve.
- Build the enduring capacity of individuals, organizations and communities to effectively use service and volunteering to solve community problems.
- Embrace innovative solutions that work.

AmeriCorps grants are awarded to eligible organizations engaged in evidence-based interventions that utilize AmeriCorps members to strengthen communities. An AmeriCorps member is an individual who is enrolled in an approved national service position and engages in community service with the public. Members may receive a living allowance and other benefits while serving. Upon successful completion of their service members receive a Segal AmeriCorps Education Award from the National Service Trust.

Brief descriptions of the six Focus Areas follow.

Disaster Services:

Grants will help individuals and communities prepare, respond, recover, and mitigate disasters and increase community resiliency. Grant activities will:

- increase the preparedness of individuals,
- increase individuals' readiness to respond,
- help individuals recover from disasters, and
- help individuals mitigate disasters.

Economic Opportunity:

Grants will provide support and/or facilitate access to services and resources that contribute to the improved economic well-being and security of economically disadvantaged people. Grant activities will help economically disadvantaged people to:

- have improved access to services and benefits aimed at contributing to their enhanced financial literacy,
- transition into or remain in safe, healthy, affordable housing, and
- have improved employability leading to increased success in becoming employed.

Education:

Grants will provide support and/or facilitate access to services and resources that contribute to improved educational outcomes for economically disadvantaged people, especially children. CNCS is particularly interested in program designs that support youth engagement and service-learning as strategies to achieve high educational outcomes. Grant activities will improve:

- school readiness for economically disadvantaged young children,
- educational and behavioral outcomes of students in low-achieving elementary, middle, and high schools, and
- the preparation for and prospects of success in post-secondary education institutions for economically disadvantaged students.

Environmental Stewardship:

Grants will provide direct services that contribute to increased energy and water efficiency, renewable energy use, or improving at-risk ecosystems, and support increased citizen behavioral change leading to increased efficiency, renewable energy use, and ecosystem improvements particularly for economically disadvantaged households and economically disadvantaged communities. Grant activities will:

- decrease energy and water consumption,
- improve at-risk ecosystems,
- increase behavioral changes that lead directly to decreased energy and water consumption or improve at-risk ecosystems, and
- increase green training opportunities that may lead to decreased energy and water consumption or improve at-risk ecosystems.

Healthy Futures:

Grants will meet health needs within communities including access to care, aging in place, and addressing childhood obesity. Grant activities will:

- increase seniors' ability to remain in their own homes with the same or improved quality of life for as long as possible,
- increase physical activity and improve nutrition in youth with the purpose of reducing childhood obesity, and
- improve access to primary and preventive health care for communities served by CNCS-supported programs (access to health care).

Veterans and Military Families:

Grants will positively impact the quality of life of veterans and improve military family strength. Grant activities will increase:

- the number of veterans and military service members and their families served by CNCS-supported programs, and
- the number of veterans and military family members engaged in service provision through CNCS-supported programs.

A brief description of Capacity Building follows.

Capacity Building:

In addition to the six Focus Areas described above, grants also will provide support for capacity building activities provided by national service participants. As a general rule, CNCS considers capacity building activities to be *indirect services* that enable CNCS-supported organizations to provide more, better and sustained *direct services*. Capacity building activities cannot be solely intended to support the administration or operations of the organization. Examples of capacity building activities include:

- Recruiting and/or managing community volunteers.
- Implementing effective volunteer management practices.
- Completing community assessments that identify goals and recommendations.
- Developing new systems and business processes (technology, performance management, training, etc.) or enhancing existing systems and business processes.

National Performance Measures:

In 2012, CNCS will implement the third year of the National Performance Measures Pilot. National Performance Measures allow CNCS to demonstrate the aggregated impact of all AmeriCorps programs. This year, we have focused and refined the Measures and aligned them with our Strategic Plan. This refinement process included adding a few new Measures to fill data gaps.

National Performance Measures are split into two groups: ***Priority Measures*** and ***Pilot Measures***.

- ***Priority Measures*** are a subset of the original National Performance Measures Pilot with the addition of capacity building measures.
- ***Pilot Measures*** are the remaining measures from the National Performance Measures Pilot with the addition of capacity building measures not included in the Priority Measures.

New and re-competing applicants are strongly encouraged to utilize the National Performance Measures because ***funding priority*** will be given to these applicants.

Encore Programs

Congress set a goal that 10 percent of AmeriCorps funding should support encore service programs that engage a significant number of participants age 55 or older. CNCS seeks to meet that 10 percent target in this competition and encourages encore programs to apply. Serve Delaware encourages applications that meet this goal.

B. What are the 2012 AmeriCorps funding priorities?

In the 2012 competition CNCS expects to invest a significant amount of available funding to programs working in the six Focus Areas of Disaster Services, Economic Opportunity, Education, Environmental Stewardship, Healthy Futures, and Veterans and Military Families.

In particular, CNCS seeks to target its grantmaking in the Education and Disaster Services Focus Areas for greater impact and increase its investment in the Veterans and Military Families Focus Area. To meet these goals, CNCS will give priority consideration to the following, in descending order of preference:

- **Tier 1:** Programs that select Priority Measures in Education, Veterans and Military Families, and Disaster Services. (NOTE: Applicants and grantees that have programs that fit these Priority Measures are ***required*** to utilize these Measures.)
- **Tier 2:** Programs that select Priority Measures in Economic Opportunity, Environmental Stewardship, Healthy Futures and Capacity Building. (NOTE: Applicants and grantees that have programs that fit these Priority Measures are ***required*** to utilize these Measures.)
- **Tier 3:** Programs that select Pilot Measures.

- **Tier 4:** Programs in the Focus Areas with self-nominated measures.
- **Tier 5:** Programs outside the Focus Areas with self-nominated measures.

Applicants proposing programs that receive priority consideration are not guaranteed funding. Serve Delaware and CNCS will pursue a balanced portfolio across the Focus Areas, and other considerations outlined below in Section V. B. Furthermore, programs must demonstrate significant program focus, design and impact to receive priority consideration.

II. AWARD INFORMATION

Serve Delaware and CNCS anticipate awarding new, recompeting, and continuation AmeriCorps grants for fiscal year 2012. The actual level of funding will be subject to the availability of annual appropriations, which have not yet been made. In awarding funds, continuation grants are considered first, followed by new and recompeting grants. Once again, CNCS and Serve Delaware anticipates that this AmeriCorps grant competition will be **highly** competitive.

Unless otherwise specified, the grant covers a one-year project period. Additional funding is contingent upon satisfactory performance, a grantee's demonstrated capacity to manage a grant and comply with grant requirements, and availability of Congressional appropriations. Serve Delaware and CNCS reserves the right to adjust the amount of a grant award for subsequent years, or elect not to continue funding, on these bases.

III. ELIGIBILITY

A. Who is eligible to apply?

Public or private **nonprofit** organizations, including **faith-based** and other **community organizations; institutions of higher education; government entities** within states or territories (e.g., cities, counties); **Indian Tribes; labor organizations; partnerships and consortia; and intermediaries planning to subgrant funds awarded are encouraged to apply.** Organizations that have been convicted of a Federal crime are disqualified from receiving the assistance described in this Request for Applications.

1. Organizations Operating Exclusively Within Delaware

Organizations that are proposing a project that operates in Delaware must apply via this Request for Application to Serve Delaware, the Governor-appointed State Commission, to be considered for Formula funding.

2. New Applicants

CNCS encourages organizations that have never received funding from CNCS or AmeriCorps to apply for the grants described in this *Notice*. New organizations should submit applications commensurate with the community need.

B. What types of AmeriCorps grants are available in this competition?

The types of AmeriCorps grants in this broad competition are described below. CNCS will not provide more than one grant for the same project in one fiscal year.

1. Formula

These grants are awarded to fund a portion of program costs and members' living allowance.

C. Match Requirements

1. Fixed-Amount Grants

There is no match requirement for fixed-amount grants. However, the fixed-amount grant does not cover all costs. Fixed-amount grantees provide the additional resources needed to operate the program, but are not required to track or report on them.

2. Cost Reimbursement Grants (non-fixed-amount)

A first-time successful applicant is required to match at 24 percent for the first three-year funding period. Starting with year four, the match requirement gradually increases every year to 50 percent by year ten, according to the minimum overall share chart found in 45 CFR 2521.60.

Section 121(e)(5) of the National Community Service Act requires that programs that use other federal funds as match for an AmeriCorps grant report the amount and source of these funds to CNCS on the Federal Financial Report.

The living allowance or salary provided to Professional Corps AmeriCorps members does not count toward the matching requirement.

3. Indian Tribes

Indian Tribal Government programs are subject to the same matching requirements for fixed-amount and cost reimbursement grants. However, in accordance with Executive Order 13175, “Consultation and Coordination with Indian Tribal Governments”. CNCS may expedite approving waivers of matching requirements. Tribal governments that require a waiver must submit a request at least 60 days before the AmeriCorps application is due. For full information on applying for a Tribal waiver, send a request for instructions to TribalMatchWaiver@cns.gov.

4. Alternative Match

Under certain circumstances, applicants may qualify to meet alternative matching requirements that increase over the years to 35 percent instead of 50 percent as specified in the regulations at §2521.60(b). To qualify, applicants must demonstrate that the proposed program is either located in a rural county or in a severely economically distressed community as defined in the Application Instructions. Applicants that plan to request an alternative match schedule must submit a request at least 60 days prior to the application deadline.

D. Other Requirements

1. What are the requirements regarding member living allowance?

The proposed budget must include a living allowance for full-time a member that is between \$12,100 (minimum) and \$24,200 (maximum) per member except as noted below.

For cost-reimbursement grants, this amount must be included in the proposed budget. The living allowance is not required for members serving in less than full-time terms of service. If a program chooses to provide a living allowance to a less than full-time member, it must comply with the maximum limits in the chart below.

While full-time fixed-amount grant applicants don’t submit detailed budgets, they are still required to provide a living allowance to a member that complies with the minimum and maximum requirements. Full-time fixed-amount grant applicants are not required to identify that amount in the application.

Table 1: Minimum and Maximum Living Allowance

Service Term	Minimum # of Hours	Minimum Living Allowance *	Maximum Total Living Allowance +
Full-time	1700	\$12,100	\$24,200
One-year Half-time	900	n/a	\$12,800
Two-year Half-time	900	n/a	\$12,800
Reduced Half-time	675	n/a	\$9,600
Quarter-time	450	n/a	\$6,400
Minimum-time	300	n/a	\$4,300

* Living allowances are not required for less-than-full-time AmeriCorps positions.

+ The Total Living Allowance includes both grant funds and matching resources

2. What are the exceptions to the living allowance requirements?

EAP Fixed-Amount Grantees

EAP grantees are not required to provide a living allowance for less-than-full-time members, but if a living allowance is provided, it must comply with the maximum requirements set forth in the Living Allowance section above.

3. What is the Maximum Cost per Member Service Year (MSY)?

Serve Delaware and CNCS consider comparative costs per MSY in making funding decisions. One MSY is equivalent to at least 1700 service hours, a full-time AmeriCorps position. The CNCS cost per MSY is determined by dividing the CNCS share of budgeted grant costs by the number of MSYs requested. It does not include child care or the value of the education award a member may earn. The maximum amount an applicant may request from CNCS per MSY is determined on an annual basis. Continuation and re-competing grantees requesting a higher cost per MSY than in the previous year must include a compelling rationale for this increased cost. This applies even if the increased cost per MSY is less than the maximum.

2012-2013 Maximum Cost per MSY

Grant Program	Maximum
Program Operating Exclusively in Delaware	\$13,300
Education Award Program Fixed-Amount Grant	\$800
Full-time Fixed-Amount Grant	\$13,000

4. What are the member enrollment requirements for existing grantees?

We expect grantees to enroll all the members included in their grant award. Enrollment rates have a direct bearing on the number of slots and the size of awards approved in the continuation and re-compete processes. Continuation and re-competing grantees that have not achieved full enrollment in the previous year must provide an explanation and a corrective action plan in the application. Applicants that do not fully enroll are likely to receive a decrease in funding in subsequent years.

5. What are the member retention requirements for existing grantees?

We expect grantees to pursue the highest retention rate possible. Retention rates will have a direct bearing on the number of slots and the size of awards approved in the continuation and re-compete processes. Applicants that do not retain members are likely to receive a decrease in funding in subsequent years. We recognize retention rates may vary among equally effective

programs depending on the program model. Continuation or Recompeting grantees that have not achieved full retention in the most recently completed program year must provide an explanation and a corrective action plan in the application.

6. What is the amount of the Segal AmeriCorps Education Award for FY 2012?

AmeriCorps members serving in programs funded with FY 2012 dollars who successfully complete a term of service will receive an Education Award from the National Service Trust of \$5,550 for a year of full-time service, with correspondingly smaller awards for less-than-full-time service. The amount of the Education Award is determined on the basis of the Pell Grant award. A member has up to seven years after the term of service has ended to use the award. Funding for Segal Education Awards should not be included in your project budget.

Term of Service and FY12 Education Award

Term of Service	Minimum # of Hours	FY12 Education Award
Full Time	1700	\$5,550
One-Year Half Time	900	\$2,775
Two-Year Half Time	900	\$2,775
Reduced Half Time	675	\$2,114
Quarter Time	450	\$1,468
Minimum Time	300	\$1,175

IV. APPLICATION AND SUBMISSION INFORMATION

A. How to Apply

Organizations that propose to operate in Delaware apply directly to Serve Delaware through eGrants.

B. Notice of Intent to Apply

Applicants are encouraged to send an email to Charles Harris at charles.a.harris@state.de.us by April 12, 2012 expressing their intent to apply.

Although submission of the Notice of Intent is not mandatory, submitting it will help Serve Delaware plan more efficiently for external and internal review. Include the name of the applicant organization, address, contact person, and phone number in the Notice of Intent. Applicants should state category of funding and other brief details about the scope and intent of the program.

C. Universal Identifier

Applications must include a Dun and Bradstreet Data Universal Numbering System (DUNS) number and register with the Central Contractor's Registry (CCR). The DUNS number does not replace an Employer Identification Number.

DUNS numbers may be obtained at no cost by calling the DUNS number request line at (866) 705-5711 or by applying online: <http://fedgov.dnb.com/webform>.

The website indicates a 24-hour e-mail turnaround time on requests for DUNS numbers; however, we suggest registering well in advance of the application due date. Expedited DUNS numbers may be obtained by following instructions found here: <http://smallbusiness.dnb.com/establish-your-business/12334338-1.htm> 1.

CCR is the primary registrant database for the U.S. Federal Government. CCR collects, validates, stores, and disseminates data in support of Federal agency contracts, grant awards, cooperative agreements, and other forms of federal assistance. All grant recipients are required to maintain a valid registration, which must be renewed annually.

We urge applicants that are not already registered with the CCR to begin the registration process immediately in order to avoid any delays in submitting applications. Applicants must have a DUNS number in order to register with the CCR. It typically takes 3-5 days to finalize CCR registration. To register online go to www.bpn.gov/CCR .

D. Content and Form of Application Submission

1. Submitting in eGrants

CNCS and Serve Delaware require that all applicants submit applications electronically via the CNCS web-based application system, *eGrants*. Applications must be submitted by May 4, 2012 at 11:00a.m. EST in order to be considered. This requirement applies to continuation grantees, as well as new and recompeting applicants. Serve Delaware reserves the right to extend the submission deadline. Any notice of such extended deadline will be posted on the Serve Delaware website, www.servedelaware.org or communicated to applicants via email.

We recommend that applicants create an eGrants account and begin the application at least well before the deadline. Applicants should draft the application as a word processing document, then copy and paste the document into eGrants no later than 5 days before the deadline.

Note that eGrants is format neutral. Colored font, bold and italics will not appear.

Contact the National Service Hotline at 800-942-2677 or <https://questions.nationalservice.gov/app/ask> if a problem arises while creating an account, preparing, or submitting an application. Be prepared to provide the application ID, organization's name, and the NOFO to which your organization is applying. National Service Hotline hours are 8:00 a.m. to 8:00 p.m. ET Monday through Friday.

If technical issues will prevent an applicant from submitting an application on time, please contact the National Service Hotline prior to the deadline to explain the technical issue and receive a ticket number. If the issue cannot be resolved by the deadline, the applicant must continue working with the National Service Hotline to submit via eGrants. Please contact Charles Harris, Serve Delaware Program Officer, at charles.a.harris@state.de.us and share any challenges with online submission.

2. Page Limits

In eGrants, applicants will enter text for

- Evaluation Plan.

You may not exceed 26 double spaced pages in the Narratives, including the Executive Summary and Cover Page, as the pages print out from eGrants. Reviewers will not consider material submitted over the page limit, even if eGrants allows you to enter and submit text over the limit.

From the Review and Submit page, print out your application prior to final submission to ensure it is not over the 26 page limit. This limit does not include the budget and performance measures.

Do not submit supplementary materials such as videos, brochures, letters of support, or any other item not requested in these application instructions. Serve Delaware and CNCS will not review or return them.

3. Late Applications

Serve Delaware may consider an application after the deadline, but only if the applicant submits a letter explaining the extenuating circumstance which caused the delay. If extenuating circumstances make the use of eGrants impossible, applicants may send a hard copy of the application to:

Charles Harris

Serve Delaware, Charles Debnam Building

1901 N. DuPont Highway, New Castle, DE 19720

All deadlines and requirements in this Notice apply to hard copy applications. Hard copy applications must include a cover letter detailing the circumstances that make it impossible to submit via e-Grants.

VI. APPLICATION REVIEW INFORMATION

A. What are the Selection Criteria?

Each application must clearly describe a project that will effectively deploy AmeriCorps members to solve a significant community need and respond to the following criteria.

1. Program Design (50 percent)

In assessing Program Design, reviewers will examine the degree to which the applicant demonstrates how AmeriCorps members are particularly well-suited to solving the identified community needs.

Specifically, reviewers will assess the extent to which the applicant:

- Provides persuasive evidence that the identified needs exist in the targeted community (ies). (5 points)
- Describes the ways in which AmeriCorps members are a highly effective means to solving the identified community needs, including the unique value added by AmeriCorps. (15 points)
- Describes how the interventions the AmeriCorps members and volunteers are engaged in are both evidence-based and will have a measurable community impact. The intervention is evidence-based if programs can demonstrate community impact and solve community problems through an evidence-based approach (e.g. performance data, research, theory of change). (15 points)
- Describes the program components that enable the AmeriCorps members to have powerful service experiences that produce increased community impact and lead to continued civic participation and connectivity with other AmeriCorps and national service participants. (10 points)
- Convincingly links four major elements: (1) the needs identified, (2) the intervention that will be carried out by AmeriCorps members and community volunteers, (3) the ways in which AmeriCorps members are particularly well-suited to deliver the intervention, and (4) the anticipated outcomes. (5 points)

If a new applicant is already working to meet the community need identified in the application, the applicant should describe how the proposed use of AmeriCorps members will add value, i.e., be more effective than what is currently being implemented, or enhance existing efforts.

2. Organizational Capability (25 percent)

Reviewers will assess the extent to which:

- The organization has the experience, staffing, and management structure to plan, implement and evaluate the proposed program.

- The organization has secured, or describes an effective plan for securing, the financial and in-kind resources necessary to support program implementation and to demonstrate community stakeholder support.
- The organization has the ability and structure to ensure its and its subgrantees and/or service locations' compliance with AmeriCorps rules and regulations including prohibited activities.
- Multi-state applicants have consulted with state and territory service commissions to ensure non-duplication and coordination of CNCS resources.
- Current or previous AmeriCorps grantees filled the member positions they were awarded and retained the AmeriCorps members they enrolled or have provided an explanation for less than 100% enrollment and retention.
- Current or previous AmeriCorps grantees have met performance targets and demonstrated compliance with grant terms and conditions.

3. *Cost Effectiveness and Budget Adequacy (25 percent)*

For cost-reimbursement grants, reviewers will assess the extent to which:

- The budget is clear, reasonable, cost-effective, and in alignment with the program narrative.
- The requested funds do not exceed the maximum cost per Member Service Year (MSY), or for existing programs, have not increased over previous years. The amount requested is a competitive factor in the selection process.

For Education Award Programs and Full-time Fixed-amount grants, reviewers will assess:

- The applicant's understanding of total program cost and capacity to raise additional resources beyond the fixed-amount. The amount requested per member. Fixed-amount applicants are encouraged to request less than the full maximum amount allowed per MSY. The amount requested is a competitive factor in the selection process.

B. What are the goals of the review and selection process?

The assessment of applications involves a wide range of factors and considerations. As in the past, Serve Delaware will engage external reviewers to provide insight and input with respect to eligible applications. In addition, Serve Delaware staff will apply their experience and expertise in evaluating applications. In the end, the review and selection process will produce a balanced set of high-quality programs that represent the priorities and selection factors described in this *Notice*.

Specifically, the review and selection process is designed to:

1. *Identify eligible applications that satisfy the following considerations:*

- High alignment with criteria.
- Priorities, in the order of preference outlined in this Request for Applications
- **Additional Considerations:**
 - Recruitment and deployment of community volunteers to leverage impact.
 - Relative risk and opportunity.

2. *Compile a balanced portfolio based on the following characteristics:*

- Geographic representation.
- Equitable treatment of
 - Rural and urban communities.
 - Small and large programs.
- Focus area representation.

- Strategic Characteristics:
 - Organizations that build capacity for individuals, nonprofits and communities to solve problems.
 - Organizations and/or program models that recruit and engage traditionally underrepresented populations in service and expand opportunities for both youth and adults to serve; particularly for new Americans, low-income individuals, rural residents, older Americans, veterans, members of faith-based organizations, communities of color, Native Americans, and people with disabilities.
 - Organizations that embrace innovative approaches to solving problems.

C. What are the stages in the review and selection process?

Serve Delaware Review

1. Compliance Review

Serve Delaware staff will review all applications to determine compliance with eligibility, deadline, and completeness requirements. Applications that are submitted by eligible organizations, submitted by the deadline, and that are complete, will advance to External Review.

2. External Review

External reviewers will assess applications based on the Program Design, particularly focusing on evidence-basis for the proposed solution(s) to the identified community problem(s), appropriateness of national service as a solution, and potential quality of the member experience; Organizational Capability; and Cost Effectiveness and Budget Adequacy. Reviewers will be recruited and selected on the basis of demonstrated expertise in AmeriCorps programming, and/or the selection criteria and focus areas. All external reviewers will be screened for conflicts of interest.

3. Internal Review

Serve Delaware staff will assess Program Design, particularly focusing on evidence-basis for the proposed solution(s) to the identified community problem(s), appropriateness of national service as a solution, and potential quality of the member experience; Organizational Capability; and Cost Effectiveness and Budget Adequacy. Submitted program evaluations and past performance may be considered at this stage.

4. Clarification

Following internal and external reviews, some applicants may receive requests to provide clarifying information. Clarification information is used by CNCS staff in making final recommendations. A request for clarification does not guarantee a grant award. Failure to respond to requests for information in a timely fashion will result in the removal of applications from consideration.

5. Action

Utilizing the results of the Compliance Review, the External Review and staff input, Serve Delaware Commissioners will formulate funding recommendations.

6. Selection for Funding

The Corporation for National & Community Service will act upon the funding recommendations of the Serve Delaware Commission in awarding funding.

D. What feedback will applicants receive?

Following grant awards, each applicant will receive the results of reviews pertaining to their application. Feedback will be based on the review of the original application and may not reflect any information that may have been provided during clarification.

VII. AWARD ADMINISTRATION INFORMATION

A. When will grants be awarded?

Serve Delaware will award grants following the grant selection announcement, with the concurrence of CNCS. We anticipate announcing the results of this competition in June 2012.

B. What documents govern the grant?

The Notice of Grant Award incorporates the approved application as part of a binding commitment under the grant as well as the AmeriCorps regulations and grant provisions.

C. What is the Project/Award Period?

Serve Delaware makes grant awards for one year, with funding in annual increments. Grantees will be eligible for continuation funding in the second and third year contingent on the availability of appropriations, compliance, and satisfactory performance. The project start date may not occur prior to the date Serve Delaware awards the grant. AmeriCorps members may not begin service prior to the beginning of the member enrollment period as designated in the grant award. A program may not certify any hours a member performs prior to the beginning of the member enrollment period. Serve Delaware anticipates that programs will begin September 1, 2012.

Additional funding is contingent upon satisfactory performance, a grantee's demonstrated capacity to manage a grant and comply with grant requirements, and availability of Congressional appropriations. Serve Delaware and CNCS reserve the right to adjust the amount of an additional grant award in subsequent years, or elect not to continue funding, based on these bases.

D. What are the reporting requirements for these grants?

Grantees are required to provide quarterly programmatic and monthly financial reports as defined by Serve Delaware, and an internal or external evaluation report as required by the AmeriCorps regulations §§2522.500-2522.540 and §§2522.700-2522.740.

Participants in the national performance measures pilot might be required to submit a mid-year progress report.

If you receive an award, you will be required to report at www.FSRS.gov on all sub-awards over \$25,000 and may be required to report on executive compensation for your organization and for your subgrantees. You must have the necessary systems in place to collect and report this information. See 2 C.F.R. Part 170 for more information and to determine how these requirements apply.

E. Re-Focusing of Funding

Serve Delaware and CNCS reserve the right to re-focus program dollars in the event of disaster or other compelling need for service.

E. Termination Conditions

The Department may terminate the contract resulting from this RFP at any time that the vendor fails to carry out its provisions or to make substantial progress under the terms specified in this RFP and the resulting proposal.

Prior to taking the appropriate action as described in the contract, the Department will provide the vendor with thirty (30) days notice of conditions endangering performance. If after such notice the vendor fails to remedy the conditions contained in the notice, the Department shall issue the vendor an order to stop work immediately and deliver all work and work in progress to the State. I. Required Reporting: One of the primary goals in administering this contract is to keep accurate records regarding its actual value/usage. This information is essential in order to update the contents of the contract and to establish proper bonding levels if they are required. The integrity of future contracts revolves around our ability to convey accurate and realistic information to all interested Vendors.

A Usage Report (Attachment 1) shall be furnished on the 15th (or next business day after the 15th day) of each month by the successful Vendor **Electronically in Excel format** detailing the purchasing of all items on this contract. The reports (Appendix H) shall be submitted electronically in EXCEL and sent as an attachment to charles.a.harris@state.de.us. It shall contain the six-digit department and

organization code. Any exception to this mandatory requirement may result in cancellation of the award. Failure to provide the report with the minimum required information may also negate any contract extension clauses. Additionally, Vendors who are determined to be in default of this mandatory report requirement may have such conduct considered against them, in assessment of responsibility, in the evaluation of future proposals.

The EXCEL Vendor Usage Report can Template can be obtained online at:

New applicants need to establish an eGrants account by accessing this link:

<https://egrants.cns.gov/espan/main/login.jsp> and selecting “Don’t have an eGrants account? Create an account.”

In eGrants, before Starting Section I you will need to:

- Start a new Grant Application
- Select a Program Area (AmeriCorps)
- Select a NOFA:

Your application consists of the following components. Make sure to complete each section.

- I. Applicant Info
- II. Application Info
- III. Narratives
- IV. Performance Measures
- V. Documents
- VI. Budget
- VII. Review, Authorize, and Submit

I. Applicant Info

Information entered in the Applicant Info, Application Info, and Budget sections will populate the SF 424 Facesheet.

- Select **New** only if you are applying for the first time.
- Enter, or update the requested information in the fields that appear. The contact person needs to be the person who can answer questions about the application.

II. Application Info

In the Application Info Section enter:

- Areas affected by your proposed program. Please include the two-letter abbreviation with both letters capitalized for each state where you plan to operate. Separate each two-letter state abbreviation with a comma. For city or county information, please follow each one with the two-letter capitalized state abbreviation.
- Requested project period start and end dates. A proposal to Serve Delaware for an application to operate exclusively in Delaware should request a program start date of September 1, 2012. The project period is one year.
- Indicate Yes or No if you are delinquent on any federal debt. If yes, send explanation.
- State Application Identifier: Enter N/A.
 - The Application is Subject to Review by State Executive Order 12372 Process: This is pre-filled as “No, this is not applicable.”

Select a waiver type and enter your volunteer leveraging waiver request justification in the narrative field in 2,000 characters or less.

- Leave the box for “Program Initiative” blank.
- The “Estimated Funds Requested” box will be populated automatically after you complete the budget.

III. Narratives

The narrative section of the application is your opportunity to convince reviewers that your project meets the selection criteria. Below are some general recommendations to help you present your project in a way the reviewers will find compelling and persuasive.

- **Lead from your program strengths and be explicit.** Do not make the mistake of trying to stretch your proposed program description to fit each funding priority and special consideration articulated in the regulations or the *Notice*.
- **Be clear and succinct.** Reviewers are not interested in jargon, boilerplate, rhetoric, or exaggeration. They are interested in learning precisely what you intend to do, and how your project responds to the selection criteria presented below.
- **Avoid circular reasoning.** The problem you describe should not be defined as the lack of the solution you are proposing.
- **Explain how.** Avoid simply stating that the criteria will be met. Explicitly describe how the proposed project will meet the criteria.
- **Don’t make assumptions.** Even if you have received funding from CNCS in the past, do not assume your reviewers know anything about you, your proposed program, your partners, or your beneficiaries. Avoid overuse of acronyms.
- **Use an impartial proofreader.** Before you submit your application, let someone who is completely unfamiliar with your project read and critique the project narrative.
- **Follow the instructions and discuss each criterion in the order they are presented in the instructions.** Use headings to differentiate narrative sections by criterion.

In eGrants, you will enter text for

- Executive Summary.
- Rationale and Approach (Program Design).
- Organizational Capability.
- Cost Effectiveness and Budget Adequacy.
- Evaluation Plan.

You may not exceed 26 double-spaced pages for the Narratives, including the Executive Summary and Cover Page, as the pages print out from eGrants. ***Reviewers will not consider material submitted over the page limit, even if eGrants allows you to enter and submit text over the limit. From the Review and Submit page, print out your application prior to final submission to ensure it is not over the 26 page limit. This limit does not include the budget and performance measures.***

Note: The Narratives Section also includes fields for Clarification Information, Amendment Justification, and Continuation Changes. **Please enter N/A in these fields.** They may be used at a later date to enter information for clarification following review, to request amendments once a grant is awarded, and to enter changes in the narrative in continuation requests.

External and staff reviewers will assess your application against the selection criteria. The bullets that follow the criteria are recommendations on how to best respond to the criteria. To best respond to the criteria, we suggest that you include a brief discussion of each bullet if it pertains to your application.

A. Executive Summary

Please provide a one-paragraph executive summary of your proposed program. This summary must be one-half page or less. The summary should include who, what, where, when, and why:

- Who will be serving? Who will be served?
- What will the AmeriCorps members do?
- Where will the activity take place?
- When does the project begin and end?
- What is the expected outcome(s) of the project?

*You may fill in the **green** blanks in the following template to complete your executive summary.*

[Number of] AmeriCorps members will leverage an additional [number of leveraged volunteers, if applicable] to [what the members will be doing] in [where they will be working]. At the end of the [duration of project] period, [anticipated outcome of project]. This project will focus on the CNCS focus area of [Focus Area(s)]. The CNCS investment of \$[amount of request] will be matched with \$[amount of projected match].

B. Selection Criteria

Each application must clearly describe a project that will effectively deploy AmeriCorps members to solve a significant community problem.

Rationale and Approach/ Program Design (50 percent)

In assessing Rationale and Approach/ Program Design, reviewers will examine the degree to which the applicant demonstrates how AmeriCorps members are particularly well-suited to solving the identified community needs.

Specifically, reviewers will assess the extent to which the applicant:

- Provides persuasive evidence that the identified needs exist in the targeted community(ies). (5 points)
- Describes the ways in which AmeriCorps members are a highly effective means to solving the identified community needs, including the unique value added by AmeriCorps. (15 points)
- Describes how the interventions the AmeriCorps members and volunteers are or will be engaged in are both evidence-based and will have a measurable community impact. The intervention is evidence-based if programs can demonstrate community impact and solve community problems through an evidence based approach (e.g. performance data, research, theory of change). (15 points)
- Describes the program components that enable the AmeriCorps members to have powerful service experiences that increase community impact and lead to continued civic participation and connectivity with other AmeriCorps and national service participants. (10 points)
- Convincingly links four major elements: (1) the need(s) identified, (2) the intervention that will be carried out by AmeriCorps members and community volunteers, (3) the ways in which AmeriCorps members are particularly well-suited to deliver the intervention, and (4) the anticipated outcomes. (5 points)

If a new applicant is already working to meet the community need identified in the application, the applicant should describe how the proposed use of AmeriCorps members will add value, i.e., be more effective than what is currently being implemented, or enhance existing efforts. Include what the applicant's efforts and impact have been to date.

In discussing how you will meet the criteria, please include your response to the following:

a. Need

Describe the community need(s) you will be working on. Why did you choose this need? Provide documentation of the extent/severity of the need in the target community. Describe the target community. Why did you select this population to be served? What is the impact of the planned services on this population?

b. Value Added: AmeriCorps Member Roles and Responsibilities

What will members do? Give examples of specific proposed member activities. Why are the members a highly effective means to solve the identified community need? What is the added value of the AmeriCorps members' service? How many members are you requesting? What types of slots (service terms) are needed for these members? If you are requesting different slot types, explain how the different slot types align with your program design and activities.

c. Evidence-Based

Describe how the interventions the AmeriCorps members and volunteers will be engaged in are both evidence-based and will have a measurable community impact.

d. Member Experience

Describe the program components that enable the AmeriCorps members to have powerful service experiences that increase community impact and lead to continued civic participation and connectivity with other AmeriCorps and national service participants. Demonstrate how you will provide structured opportunities for participants to reflect on and learn from their service which will result in a quality member experience and promote a lifelong ethic of service and civic responsibility. Describe how your program will ensure that members are aware they are AmeriCorps members and identify as such to community members, partners, and the general public. Describe how you will connect your members with each other, with other AmeriCorps members and national service participants in the local communities in which they serve, with other AmeriCorps and national service participants in the state, and nationally. How will your program foster a sense of connection and identity with the AmeriCorps brand?

e. Overall Picture

How does your program design link: (1) the need(s) identified, (2) the intervention that will be carried out by AmeriCorps members and community volunteers, (3) the ways in which AmeriCorps members are particularly well-suited to deliver the intervention, and (4) the anticipated outcomes?

f. AmeriCorps Member Selection, Training, and Supervision

Describe your plans for recruiting members for your program. Describe how members will be included from the local communities to be served by your program. If you will be recruiting and engaging traditionally underrepresented populations, please describe the organization's history with working with those populations or how it will ensure success if this is a new population being recruited.

Underrepresented populations may include new Americans, low-income individuals, rural residents, older Americans, veterans, members of faith-based organizations, communities of color, Native Americans and people with disabilities.

Describe your plan for orienting members to AmeriCorps, the community they are serving, their placement site, and to the service they will perform. Describe how you will ensure that training provided to members will prepare members to perform all the activities they will engage in during their term of service. Describe, as necessary, the ongoing training provided to members throughout their terms. What are the anticipated training topics and the timeline for member training? How and when will you ensure

that members are aware of prohibited activities? What, if any, program design and/or member or staff training changes will be made to ensure a positive member experience for underrepresented populations?

Describe your plan for supervising members, and how it ensures that members will receive adequate support and guidance throughout their terms. Who will supervise the AmeriCorps members? Describe how supervisors are selected and trained. Describe how your program provides training, oversight, and support to supervisors.

g. Outcome: Performance Measures

What is the overall change you want to see by the end of the three-year grant cycle? What demonstrable impact will your program have? How will you measure impact? How will you report on this on an annual basis? How did you determine your performance measure targets?

Current Grantees Only: What impact has your program had? How successful have you been in tackling the identified problem?

h. Volunteer Generation

Describe how the proposed program will recruit volunteers to expand the reach/impact in the community. How will volunteers help meet the identified community needs and what will be their role(s)? What role will AmeriCorps members have in volunteer recruitment and management? If you are requesting a waiver of the requirement to recruit or support volunteers (see 45 CFR § 2520.35), enter the rationale in the waiver justification field (see p. 6).

i. Tutoring Programs Only

If you are proposing to operate a tutoring program, describe how your process complies with AmeriCorps requirements for member tutoring qualifications. Members who tutor must have a high school diploma, and successfully complete high-quality, research-based pre- and in-service training for tutors. This requirement does not apply to a member enrolled in a secondary school who is providing tutoring through a structured, school-managed cross-grade tutoring program.

Describe how your strategy for training members complies with AmeriCorps requirements for member tutor training that is high quality and research based, consistent with the instructional program of the local agency and with state academic content standards [section 1111 of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 6311)], includes appropriate member supervision by individuals with expertise in tutoring, and provides specialized pre-service and in-service training consistent with the activities the member will perform.

Organizational Capability (25 percent)

Reviewers will assess the extent to which:

- The organization has the experience, staffing, and management structure to plan, implement and evaluate the proposed program.
- The organization has secured, or describes an effective plan for securing, the financial and in-kind resources necessary to support program implementation and to demonstrate community stakeholder support.
- The organization has the ability and structure to ensure its and its subgrantees and/or service locations' compliance with AmeriCorps rules and regulations including prohibited activities.
- Current or previous AmeriCorps grantees filled the member positions they were awarded and retained the AmeriCorps members they enrolled or have provided an explanation for less than 100% enrollment and retention.
- Current or previous AmeriCorps grantees have met performance targets and demonstrated compliance with grant terms and conditions.

In discussing how you will meet the criteria, please include your response to the following:

a. Organizational Background and Staffing

Provide the organization's mission and a brief history. Identify the primary and secondary contacts for the grant application. Describe your organization's prior experience administering AmeriCorps grants or other federal funds. Describe your organization's experience raising funds to support service activities and initiatives. Please list all sources of organizational funding in this section, and what percent the proposed AmeriCorps project represents in your budget. If you have received support from CNCS during the last five years, please specify what type of support you received. What percentage of your total funding comes from CNCS?

Explain your organization's management structure and how the board of directors (if applicable), administrators, and staff members will support your program.

If you already operate an AmeriCorps program, describe how it is integrated and supported within your organization. Provide evidence that you have managed the program well, have performed satisfactorily, and have a record of compliance and responsiveness.

Who will staff the AmeriCorps program and what is their specific role? What is their relevant experience? If positions are currently vacant, please describe the desired qualifications for each open position. What are your plans for providing financial and programmatic orientation; training and technical assistance; and monitoring program and service sites for compliance?

b. Sustainability

Outline your plans for ensuring that the impact of your program in the community is sustainable beyond the presence of federal support. For example, you might describe how your community relationships will lead to community investment in the program's continued operation; how you will diversify your funding sources to include a wide range of stakeholders (such as state, local, and private sector funding); how your strategies for recruiting and supporting volunteers will sustain member activities after your AmeriCorps grant ends; or how the community will maintain your project once it is completed.

Who are your community stakeholders and partners? How are they involved in planning and implementing the proposed program?

c. Compliance and Accountability

How will your organization ensure compliance with AmeriCorps rules and regulations at the grantee, subgrantee, and service site locations (if applicable)? How will your organization prevent and detect compliance issues in general and specifically as it relates to prohibited activities? How will your organization hold itself, subgrantees, and service site locations (if applicable) accountable if instances of risk or noncompliance are identified?

d. Enrollment and Retention (Current Grantees and Former Grantees Only)

Enrollment: If you enrolled less than 100% of slots received during your last full year of program operation, provide an explanation, and describe your plan for improvement. Enrollment rate is calculated as slots filled plus refill slots filled divided by slots awarded. Full enrollment is a Serve Delaware expectation.

Retention: If you were not able to retain all of your members during your last full year of program operation, provide an explanation, and describe your plan for improvement. While we recognize retention rates may vary among equally effective programs depending on the program model, we expect grantees to pursue the highest retention rate possible. Retention rate is calculated as the number of members exited with award (full or partial award) divided by the number of members enrolled.

e. Performance Targets and Demonstrated Compliance

Performance Targets: Describe your performance against objectives during your last full year of program operation. If you did not meet performance targets, provide an explanation and describe your plan for improvement.

Demonstrated Compliance: Describe any compliance issues and areas of weakness/risk identified during your last full year of program operation at your organization, your subgrantees, service sites (if applicable). If you, your subgrantees, and service sites (if applicable) had compliance or areas of weakness/risk identified, provide an explanation and describe the corrective action taken and your plan for improvement.

f. Operating Sites and Member Service Sites (Multi-Site Applicants Only)

Identify your proposed operating sites and member service sites. Describe your process for selecting operating and service sites and ensuring they have adequate programmatic and financial capabilities to succeed. How will your site selection process incorporate the criteria required by the AmeriCorps regulations 45 CFR §2522.475 (quality, innovation, sustainability, quality of leadership, past performance, community involvement), and the special considerations found in 45 CFR §2522.450 (program models, program activities and programs supporting distressed communities)? What are your current or previous programmatic and funding relationships with the sites? If member service sites are not yet known, describe your timeline for selecting service sites.

For programs operating exclusively in Delaware, *submit Host Site Applications for all known sites to Charles Harris, AmeriCorps Program Officer*, at Charles.a.harris@state.de.us.

g. Special Circumstances

In applying the organizational capability criteria, reviewers may also take into account the following circumstances of individual organizations: The age of your organization and its rate of growth; and whether your organization serves a resource-poor community, such as a rural or remote community, a community with a high poverty rate, or a community with a scarcity of philanthropic and corporate resources. In considering applications, CNCS shall ensure the equitable treatment of applicants from urban areas, applicants from rural areas, applicants of diverse sizes (as measured by the number of participants served), applicants from States, and applicants from national nonprofit organizations.

If you feel that any of the circumstances stated above have an impact on your organizational capability that has not already been discussed, please describe the circumstance and how it affects your organizational capacity.

Cost Effectiveness and Budget Adequacy (25 percent)

For cost-reimbursement grants, reviewers will assess the extent to which:

- The budget is clear, reasonable, cost-effective, and in alignment with the program narrative.
- The requested funds do not exceed the maximum cost per Member Service Year (MSY), or for existing programs, have not increased over previous years. The amount requested is a competitive factor in the selection process.

For Education Award Only Programs and Full-time Fixed-amount grants, reviewers will assess:

- The applicant's demonstrated understanding of total program cost and capacity to raise the additional resources beyond the fixed-amount provided by CNCS.
- The amount requested per member. Fixed-amount applicants are encouraged to request less than the full maximum amount allowed per MSY. The amount requested is a competitive factor in the selection process.

a. Cost Effectiveness

The cost per MSY is determined by dividing the CNCS share of budgeted grant costs by the number of MSYs requested in the application. It does not include childcare or the cost of the education award. One MSY is equivalent to at least 1700 service hours, a full-time AmeriCorps position. The cost per MSY will be automatically calculated once you enter your budget in eGrants.

The maximum allowable cost per MSY is published each year in the *Notice*. Cost effectiveness will be evaluated by analyzing cost per MSY in relation to your program design. If you request above the maximum, please justify. This is rarely approved.

Demonstrate how your program has or will obtain diverse resources for program implementation. Indicate how much funding your program needs from non-Corporation sources to support the project. Indicate the non-CNCS resource commitments (in-kind and cash) that you have obtained to date and the sources of these funds. Indicate what additional commitments you plan to secure, and how you will secure them.

b. Current Grantees Only:

Describe the extent to which you are increasing your share of costs to meet or exceed program goals, or the extent to which you are proposing deeper impact or broader reach without a commensurate increase in Federal funds.

c. Special Circumstances

In applying the cost-effectiveness criteria, CNCS may take into account the following circumstances of individual programs: program age, the extent to which your program expands to new sites; whether your program or project is located in a resource-poor community, such as a rural or remote community, a community with a high poverty rate, or a community with a scarcity of corporate or philanthropic resources; whether your program or project is located in a high-cost, economically distressed community, measured by applying appropriate Federal and State data; and whether the reasonable and necessary costs of your program or project are higher because they are associated with engaging or serving difficult-to-reach populations, or achieving greater program impact as evidenced through performance measures and program evaluation.

If you feel that any of the circumstances stated above have an impact on your organizational capability that has not already been discussed, please describe the circumstance and how it affects your organizational capacity.

d. Budget Adequacy

Unless you are applying for an EAP or Full-time Fixed-Amount grant, discuss the adequacy of your budget to support your program design including how it is sufficient to support your program activities and desired outputs and outcomes. Please explain how the cost of criminal history checks and FBI checks, if applicable, are covered if they are not included in the budget.

e. EAPs and Full-time Fixed-Amount Applicants Only

The extent to which a current grantee is increasing its share of costs will not be considered in assessing a fixed-amount application. However, all other indicators described under Cost Effectiveness and Budget Adequacy will apply and the section will be weighted 25% of the total application.

Discuss how you will raise the additional resources you will need to manage and operate an AmeriCorps program. Identify the total amount you have budgeted to operate the program, including the fixed amount from the CNCS and grantee share and how your program determined that amount. Keep in mind that full-time AmeriCorps program costs include expenditures for the AmeriCorps living allowance, health care and criminal history checks.

Education Award Programs are not required to pay living allowances or cover health care for less-than-full-time members, but must conduct criminal history checks. You will not be required to track or report on your expenditures. However, you must demonstrate that you have planned for total costs. Reviewers will assess the adequacy of your plan to secure resources to support your program design.

C. Evaluation Summary or Plan

If you are competing for the first time, please enter N/A in the Evaluation Summary or Plan field since it pertains only to recompeting grantees. If you are *Recompeting* for AmeriCorps funds for the first time you must submit a summary of your evaluation efforts or plan to date in the Evaluation Summary or Plan field in eGrants. If you are recompeting for a subsequent time, you must submit your evaluation report according to the instructions in V. E., below. An evaluation report may be submitted in place of an evaluation plan.

Your evaluation requirements will differ depending on the amount of your grant, as described in the AmeriCorps Regulations, Section 2522.710:

- If you are State and National grantee (other than an Education Award Program grantee), and your average annual CNCS program grant is \$500,000 or more, you must arrange for an external evaluation of your program, and you must submit the evaluation with any application to CNCS for competitive funds as required in §2522.730 of this subpart.
- If you are State and National grantee whose average annual CNCS program grant is less than \$500,000, or an Education Award Program grantee, you must conduct an internal or an external evaluation of your program, and you must submit the evaluation with any application to CNCS for competitive funds as required in §2522.730 of this subpart.

A formula program will be considered a *Recompeting* application if it satisfies the CNCS definition of “same project” below, and has been funded in formula for at least one three-year cycle. If your project satisfies the definition of same project, and you have completed one three-year cycle, you will be required to submit an evaluation plan, summary, or evaluation report when you *Recompete* for the first time. If your project does not satisfy the definition, it will be considered new and will not be required to submit an evaluation plan, summary, or completed evaluation.

Two projects will be considered the same if they:

- Address the same issue areas.
- Address the same priorities.
- Address the same objectives.
- Serve the same target communities and population.
- Utilize the same sites.
- Use the same program staff and members.

D. Amendment Justification

Enter N/A. This field will be used if you are awarded a grant and need to amend it.

E. Clarification Information

Enter N/A. This field will be used to enter information that requires clarification in the post-review period. Please clearly label new information added during clarification with the date.

F. Continuation Changes

Enter N/A. This field will be used to enter changes in your narratives in your continuation requests.

IV. Performance Measures

All applicants must submit performance measures with their application. Applicants are encouraged to select performance measures from Tier 1, 2, 3.

Serve Delaware will email a copy of a very useful presentation on Performance Measure creation and use created by the Corporation for National Service to all organizations that attend the RFP information sessions.

For more information about Performance Measures go to:

<http://www.nationalserviceresources.org/star/ac>

For more information about the National Performance Measures go to:

<http://www.nationalserviceresources.org/national-performance-measures/home>.

V. Documents

In addition to the application submitted in eGrants, you are required to provide your evaluation, labor union concurrence (if necessary – see B., below) and a federally-approved indirect cost agreement (if budgeted by multi-state applicants, states and territories without commissions, and Tribes only) in hard copy or e-mail, as part of your application. After you have submitted the documents, change their status in eGrants from the default “Not Sent” to the applicable status “Sent,” “Not Applicable,” or “Already on File at CNCS.”.

A. Evaluation

Submit any completed evaluation plan or report. Select Evaluation and select “Sent” once you have submitted a completed evaluation plan or report. If an evaluation is required, you must submit a copy at the time of application even if you think Serve Delaware and/or CNCS may already have it on file.

B. Labor Union Concurrence

- 1) If a program applicant:
 - a) Proposes to serve as the placement site for AmeriCorps members; and
 - b) Has employees engaged in the same or substantially similar work as that proposed to be carried out by AmeriCorps members; and
 - c) Those employees are represented by a local labor organization, then the application must include the written concurrence of the local labor organization representing those employees. Written concurrence can be in the form of a letter or e-mail from the local union leadership.
- 2) If a program applicant:
 - a) Proposes to place AmeriCorps members at sites where they will be engaged in the same or substantially similar work as employees represented by a local labor organization, then the applicant must submit a written description of how it will ensure that:
 - i) AmeriCorps members won't be placed in positions that were recently occupied by paid staff
 - ii) No AmeriCorps member will be placed into a position for which a recently resigned or discharged employee has recall rights as a result of a collective bargaining agreement, from which a recently resigned or discharged employee was removed as a result of a reduction in force, or from which a recently resigned/discharged employee is on leave or strike.

For the purposes of this section, "program applicant" includes any applicant to CNCS or a State Commission, as well as any entity applying for assistance or approved national service positions through a CNCS grantee or subgrantee.

If either 1) or 2) above applies to you, please select "Enter New," name the new document 1) "Labor Union Concurrence," or 2) "Displacement Assurance" and select "Sent."

C. Delinquent on Federal Debt

Any applicant that checks Yes to the question on federal debt delinquency must submit a complete explanation.

D. Submission Instructions for Host Site Agreements, Evaluations, Labor Union Concurrence, and Indirect Cost Rate Agreements

Submit the required documents to charles.a.harris@state.de.us. If this is impossible or impractical you may send hard copy information to:

Serve Delaware
ATT: Charles Harris
Charles Debnam Building
1901 N. DuPont highway
New Castle, DE 19720

This information must be received by Serve Delaware by 11a.m. EST on May 4, 2012.

VI. Budget Instructions

For Fixed-Amount grants, including Education Award Programs: Use the Budget Instructions for Fixed-Amount applicants and the Budget Worksheet to prepare your budget.

A. Match Requirements

Program requirements, including requirements on match are located in the AmeriCorps regulations and summarized below.

Table 2: Match Requirements in the AmeriCorps Regulations

Competition	Match Requirement
State and National Formula	Minimum grantee share is 24% of program costs for the first three years. Overall grantee share of total program costs increases gradually beginning in Year 4 to 50% by the tenth year of funding and any year thereafter.
State EAP Fixed-Amount Grants	There are no specific match requirements for fixed-amount grants. Grantees pay all program costs over \$800 per MSY provided by CNCS.
Full-time Fixed-Amount Grants	There are no specific match requirements for fixed-amount grants. Grantees pay all program costs over the \$13,000 per MSY provided by CNCS

- Grantees are required to meet an overall matching rate that increases over time. You have the flexibility to meet the overall match requirements in any of the three budget areas, as long as the minimum match of 24% for the first three years, and the increasing minimums in years thereafter, are maintained. See 45 CFR §§ 2521.35–2521.90 for the specific regulations.
- If you are applying for the first time, you must match with cash or in-kind contributions at least 24% of the project's **total** Operating Costs (Section I) plus Member Costs (Section II) plus Administrative Costs (Section III).
- The acceptable sources of matching funds are federal, state, local, private sector, and/or other funds in accordance with applicable AmeriCorps requirements.
- In Section III of the budget, enter a brief description of the source of match. Identify each match source separately. Include dollar amount, the match classification (cash, in-kind, or Not Available) and the source type (Private, State/Local, Federal, Other or Not Available),. Define all acronyms the first time they are used.

Note: The CNCS legislation permits the use of non-CNCS federal funds as match for the grantee share of the budget. Please discuss your intention of using federal funds to match an AmeriCorps grant with the other agency prior to submitting your application. Section 121(e)(5) of the National Community Service Act requires that grantees that use other federal funds as match for an AmeriCorps grant report the amount and source of these funds to CNCS. If you use other federal funds as match, you must ensure you can meet the requirements and purpose of both grants. The Federal Financial Report (FFR) will be used to collect the federal match data. Grantees that use federal funds as match will be required to report the sources and amounts on the FFR.

B. Preparing Your Budget

Your proposed budget should be sufficient to allow you to perform the tasks described in your narrative. Reviewers will consider the information you provide in this section in their assessment of the Cost-Effectiveness and Budget Adequacy selection criterion.

Follow the detailed budget instructions to prepare your budget. We recommend that you prepare your budget in the same order as indicated in the Budget Worksheets.

As you enter your detailed budget information, eGrants will automatically populate a budget summary and budget narrative report. Prior to submission be sure to review the Budget Checklist to ensure your budget is compliant. In addition, eGrants will perform a limited compliance check to validate the budget. If it finds any compliance issues you will receive a warning and/or error messages. You must resolve all errors before you can submit your budget.

As you prepare your budget:

- All the amounts you request must be defined for a particular purpose. Do not include miscellaneous, contingency, or other undefined budget amounts.
- Itemize each cost and present the basis for all calculations in the form of an equation.
- Do not include unallowable expenses, e.g., entertainment costs (which include food and beverage costs) unless they are justified as an essential component of an activity.
- Do not include fractional amounts (cents).

Please refer to the relevant OMB Circulars on allowable costs for further guidance. The OMB circulars are online at www.whitehouse.gov/OMB/circulars.

- A-21 - Cost Principles for Educational Institutions, 2 CFR 220
- A-87 - Cost Principles for State, Local, and Indian Tribal Governments, 2 CFR 225
- A-122 - Cost Principles for Non Profit Organizations, 2 CFR 230

Programs must comply with all applicable federal laws, regulations, and OMB circulars for grant management, allowable costs, and audits, including providing audits to the A-133 clearinghouse if expending over \$500,000 in federal funds, as required in OMB Circular A-133.

VII. Review, Authorize, and Submit

eGrants requires that you review and verify your entire application before submitting, by completing the following sections in eGrants:

- Review
- Authorize
- Assurances
- Certifications
- Verify
- Submit

Read the Authorization, Assurances, and Certifications carefully. The person who authorizes the application must be the applicant's Authorized Representative or his/her designee and must have an active eGrants account to sign these documents electronically. An Authorized Representative is the person in your organization authorized to accept and commit funds on behalf of the organization. A copy of the governing body's authorization for this official representative to sign must be on file in the applicant's office.

Be sure to check your entire application to ensure that there are no errors before submitting it. eGrants will also generate a list of errors if there are sections that need to be corrected prior to submission when you verify the application. If someone else is acting in the role of the applicant's authorized representative, that person must log into his/her eGrants account and proceed with Authorize and Submit. After signing off on the Authorization, Assurances, and Certifications, his/her name will override any previous signatory that may appear and show on the application as the Authorized Representative.

Note: Anyone within your organization who will be entering information in the application at any point during application preparation and submission in the eGrants system must have their own eGrants account. Individuals may establish an eGrants account by accessing this link: <https://egrants.cns.gov/espan/main/login.jsp> and selecting "Don't have an eGrants account? Create an account."

VIII. Survey on Ensuring Equal Opportunity for Applicants (Optional)

CNCS and other federal agencies are collaborating with the White House Office of Faith-Based and Community Initiatives to conduct a survey of organizations that apply for federal funding. The purpose of this voluntary information collection is to compile statistics on the types of organizations that apply to CNCS for funds, such as number of employees, budget size, and self-identification as a faith-based/religious organization or a non-religious community-based organization.

This form is ***for applicants that are nonprofit private organizations, not including private universities***. All information from the attached survey will be confidential and the responses will be aggregated in a summary report. Information provided on your form will not be released and will not be considered in any way in making funding decisions. If you are submitting a hard copy application, the form can be found in Attachment J.

You may complete the survey while preparing your application or after submitting your application.

1. To complete the survey while preparing your application, go to the Main Menu, select Enter Survey on Ensuring Equal Opportunity, provide the requested information and submit.
2. If you submit your grant application without completing the survey, a pop-up box will appear and ask you if you would like to complete the survey. You may select Yes, No, or Remind Me Later. If you select Remind Me Later, you will be asked to fill in the survey next time you attempt to submit an application to the Corporation for National and Community Service.

Chapman, E. (2003) "Assessing student engagement rates," ERIC Clearinghouse on Assessment and Evaluation. ERIC identifier: ED482269. ATTACHMENT C: Performance Measures Instructions (eGrants Performance Measures Section)

AmeriCorps Performance Measures

To begin entering performance measures, from your eGrants grant application page select Performance Measures.

All applicants must complete Steps 1-6. Then, if you are:

- Entering applicant-determined performance measures, follow steps 7A-18A.
- Opting in to the National Performance Measures, follow steps 7B-17B.

Step 1: Select Characteristics.

To begin, click one or more boxes in the “Grant Characteristics”

Step 2: Select Focus Areas

Select the Focus Area in which your primary service activity fits. You may also select “Capacity Building” if this is a significant area of member activity. If your primary service activity does not fit into a Focus Area, select “Other” and skip to **Step 5**. You may select multiple Focus Areas to represent significant areas of AmeriCorps member activity. Do not include multiple Focus Areas to describe the same activity. Select the Focus Area that best describes the activity.

Step 3: Choose whether to Opt-in to National Performance Measures:

When you select a Focus Area, eGrants automatically pre-populates the selection “No” in response to the question “Will you be using a national performance measure related to this Focus Area?”

- Leave this selection as “No” if you do not want to participate in the National Performance Measures for that Focus Area.
- Change the selection to “Yes” if you want to opt-in to the National Performance Measures for that Focus Area.

You must consult the “National Performance Measures Instructions” to determine which performance measures are appropriate for your program:

http://www.americorps.gov/for_organizations/funding/nofa_detail.asp?tbl_nofa_id=91. You may also find resources at this link to be helpful:

<http://www.nationalserviceresources.org/national-performance-measures/home>

If you selected “Other” as your only Focus Area, you will skip this step as there are no National Performance Measures for “Other”.

Step 4: Complete the MSY Chart(s)

For each Focus Area selected, complete a Member Service Years (MSY) Chart. If you have selected Capacity Building or Other, complete an MSY Chart for these selections as well. Click the “view/edit MSY Slots” orange link. There are two sets of numbers to enter in each MSY Chart. First, for each slot type, enter the number of members that will be providing service in that Focus Area.

Second, enter the percent of time that members of each slot type will spend on activities in that Focus Area. Use whole numbers to represent the percent. Do not use a % or a decimal. (For example, for 100 percent, type “100.”) eGrants will calculate the total MSYs for each slot type, then aggregate the MSYs for the entire chart in the “Total MSYs Devoted to Priority” field at the bottom of the chart.

Note that MSYs in each category should be mutually exclusive. Do not double count MSYs. The total MSYs across all Focus Areas, Capacity Building, and Other should not exceed the total MSYs requested in the budget.

Step 5: Add a Service Category

For each Focus Area selected above, as well as Capacity Building and Other, you must select a Primary Service Category. Click the “Add a Service Category” orange link. Select your Focus Area from the drop-down menu and click “Go.” (See Attachment B for a list of service categories)

Select your Service Category from the options provided in the pop-up menu. The Service Category you select will determine the Indicator drop-down options in later steps.

If this is the first or only Service Category you select, eGrants will automatically check “Primary” to indicate this is your primary activity. To select more than one Service Category, simply click the “add a service category” link. Only one Service Category should be indicated as the primary per Focus Area. You may add additional service categories if appropriate for your program design. Additional service categories may be labeled as “Secondary.”

Step 6: Add a Performance Measure

You must create at least one aligned set of Performance Measures representing your Primary Service Activity, which is achieved through either National Performance Measures or applicant-determined performance measures. An aligned measure includes an input and an outcome.

If you have opted-in to National Performance Measures, you will see the links for both “add a national performance measure” and “add an applicant performance measure.” If you have not opted-in to National Performance Measures, you will only see the link for “add an applicant performance measure.”

Choose National Performance Measures or Applicant-Performance Measures or

- Follow the instructions **7A – 17A** for each aligned set of applicant-determined measures you need to create.
- Follow the instructions for **7B – 17B** for each aligned set of national performance measures you need to create.

Applicant Performance Measures

Step 7A: Add a Performance Measure

Follow the instructions for **7A – 18A** for each applicant-determined performance measure you will create. Begin by creating the Performance Measure Output and then repeat steps 13A-18A to create an aligned Intermediate Outcome.

Step 8A: Select a Focus Area

The Focus Area drop-down box will consist of all the focus areas that were initially select in the main Focus Area section.

Step 9A Add Performance Measure Title

Give this performance measure a title—usually 3-4 words that describe the activity— and enter it in the text box.

Step 10A: Select a Service Category

Service Category is a drop-down menu of choices based on your earlier identification of Service Categories; select one and continue by pressing the “go” button

Step 11A: Describe Strategies to Achieve Result

Briefly describe the intervention that will lead to the outcome you are proposing. Keep statements to one or two paragraphs with a maximum of 500 characters.

Step 12A: Select a Result Type

You will need to select the Result Type that you intend to track for this activity – output or intermediate outcome – and click “Add New Results Section.” You should begin each aligned measure with the selection of an Output Measure.

Step 13A: Write a Result Statement

Enter 1-2 sentences stating the expected output or outcome.

Step 14A: Select an Indicator

Select an Indicator from the drop- down menu. If the options provided do not include the Indicator you are measuring, select “other” and describe the Indicator in the text box that will appear.

Step 15A: Write a Target Description

In 250 characters or less, include a description of the target. Be sure to include how you determine what is counted in this target. For example: 100 parents will attend the eight-week parenting skills/drop-out prevention class.

Step 16A: Select a Target Number or Percent

Write the number from your target statement in the Target box and indicate whether it is a whole number or percent

Step 17A: Identify your Instruments

Describe the Instruments that will be used to measure your output/outcome in 250 characters or less. These are specific tools to collect information such as a behavior checklist, tally sheet, attitude questionnaire, or interview protocol.

Step 18A: Write a Performance Measure Statement

Provide the expected result and target combined into one or two sentences in 1,000 characters or less.

Once you have completed the output performance measurement information, do the same for your intermediate outcome and/or additional measures, if necessary. Begin by identifying the Result Type as “intermediate outcome” and complete Steps 13A through 18A again. If you would like to enter an “end outcome”, you may do so by completing Steps 13A through 18A again. End outcomes are not required.

National Performance Measures

Follow the instructions for **7B –17B** for each aligned set of National Performance Measures you need to create. You will use these instructions to complete measures if you have opted in to National Performance Measures for any Focus Area. Please refer to National Performance Measures Instructions for complete instructions for aligning measures.

- If you select the Education Focus Area and opt-in to National Performance Measures, you are only allowed to select National Performance Measures. You are not allowed to add any additional, applicant-determined measures.

- If you select the Disaster Services, Economic Opportunity, Environmental Stewardship, Healthy Futures, or Veterans Focus Areas, or Capacity Building, and opt-in to National Performance Measures, you will enter your National Performance Measures. If you choose, you may add additional, applicant-determined Measures after you enter the National Performance Measures.

Step 7B: Add a National Performance Measure

Click the “add a national performance measures” orange link. Then select the Focus Area. Only those Focus Areas that were checked as participating in the National Performance Measures will be displayed.

Step 8B: Add a Performance Measurement Title

Give this performance measure a title — usually 3-4 words that describe the activity — and enter it in the text box. Continue by pressing the “go” button.

Step 9B: Describe Strategies to Achieve Result

Briefly describe the intervention that will lead to the outcome you are proposing. Keep statements to one or two paragraphs with a maximum of 500 characters.

Step 10B: Select a Result Type

You will need to select the Result Type that you intend to track for this activity – output or intermediate outcome– and click “Add New Results Section.” You should begin each aligned measure with the selection of an Output Measure.

Step 11B: Select the Indicator

This is where you select your National Performance Measure. There is a drop-down list containing the National Performance Measures for the Focus Areas that you have selected.

Once you select your first National Performance Measure, eGrants will provide onscreen instructions about other National Performance Measures you must use in conjunction with this measure or if you need to add an applicant-determined intermediate outcome.

If you need to add an applicant-determined intermediate outcome measure, you will select “Other” from the pop-up list.

Step 12B: Write Result Statement

Enter 1-2 sentences stating the expected output or outcome.

Step 13B Write a Target Description

In 250 characters or less, include a description of the target. Be sure to include how you determine what is counted in this target. For example: 100 parents will attend the eight-week parenting skills/drop-out prevention class.

Step 14B: Select a Target Number

Write the number in the Target box from your target description. You are only allowed to use a number.

Step 15B: Identify your Instruments

Describe the Instruments that will be used to measure your output/outcome in 250 characters or less. These are specific tools to collect information such as a behavior checklist, tally sheet, attitude questionnaire, or interview protocol. Check for guidance on appropriate instruments posted at the National Performance Measures resource page: <http://nationalserviceresources.org/national-performance-measures/home>

Step 16B: Write a Performance Measures Statement

Provide the expected result and target combined into one or two sentences (1,000 characters or less).

Step 17B: Create Aligned Measure

After completing the output performance measurement information, do the same for your intermediate outcome. Begin by identifying the Result Type, and then complete Steps **11B to 16B** again.

Once you complete entering an aligned measure as defined by the National Performance Measure, you will return to Step 7 and create any other aligned measures to report member activities in Focus Areas or other areas of service either by:

- **Following Steps 7A – 18A for an applicant-determined measure or**
 - **Following Steps 7B – 17B for an aligned National Performance Measure.**

ATTACHMENT D: Detailed Budget Instructions (eGrants Budget Section)

Section I. Program Operating Costs

Complete Section I, Program Operating Costs, of the Budget Worksheet by entering the “Total Amount,” “CNCS Share,” and “Grantee Share” for Parts A-I, for Year 1 of the grant, as follows:

A. Personnel Expenses

Under “Position/Title Description,” list each staff position separately and provide salary and percentage of effort as percentage of FTE devoted to this award. Each staff person’s role listed in the budget must be described in the application narrative and each staff person mentioned in the narrative must be listed in the budget as either CNCS or Grantee share. Because the purpose of this grant is to enable and stimulate volunteer community service, do not include the value of direct community service performed by volunteers. However, you may include the value of volunteer services contributed to the organization for organizational functions such as accounting, audit work, or training of staff and AmeriCorps members.

B. Personnel Fringe Benefits

Under “Purpose/Description,” identify the types of fringe benefits to be covered and the costs of benefit(s) for each staff position. Allowable fringe benefits typically include FICA, Worker’s Compensation, Retirement, SUTA, Health and Life Insurance, IRA, and 401K. You may provide a calculation for total benefits as a percentage of the salaries to which they apply or list each benefit as a separate item. If a fringe benefit amount is over 30%, please list covered items separately and justify the high cost. Holidays, leave, and other similar vacation benefits are not included in the fringe benefit rates, but are absorbed into the personnel expenses (salary) budget line item.

C. 1. Staff Travel

Describe the purpose for which program staff will travel. Provide a calculation that includes itemized costs for airfare, transportation, lodging, per diem, and other travel-related expenses multiplied by the number of trips/staff. Where applicable, identify the current standard reimbursement rate(s) of the organization for mileage, daily per diem, and similar supporting information. The standard mileage reimbursement should not exceed the federal mileage rate unless a result of applicant policy and justified in the budget narrative. Only domestic travel is allowable.

We expect all applicants to include funds in this line item for travel for staff and site staff to attend CNCS-sponsored technical assistance meetings. There are two to three such opportunities per year, including the Financial Management Institute and the Annual Grantee Meeting in Washington DC in the fall.

Please itemize the costs. For example: Two staff members will attend the Annual Grantee Meeting in Washington, DC. 2 staff X \$750 airfare + \$50 ground transportation + (1 day) X \$400 lodging + \$35 per diem = \$2,470 for Annual Grantee Meeting.

C. 2. Member Travel

Describe the purpose for which members will travel. Provide a calculation that includes itemized costs for airfare, transportation, lodging, per diem, and other related expenses for members to travel outside their service location or between sites. Costs associated with local travel, such as bus passes to local sites, mileage reimbursement for use of car, etc., should be included in this budget category. Where applicable, identify the current standard reimbursement rate(s) of the organization for mileage, daily per diem, and similar supporting information.

D. Equipment

Equipment is defined as tangible, non-expendable personal property having a useful life of more than one year AND an acquisition cost of **\$5,000 or more per unit** (including accessories, attachments, and modifications). Any items that do not meet this definition should be entered in E. Supplies below. Purchases of equipment are limited to 10% of the total CNCS funds requested. If applicable, show the unit cost and number of units you are requesting. Provide a brief justification for the purchase of the equipment under Item/Purpose.

E. Supplies

Include the amount of funds to purchase consumable supplies and materials, including member service gear and equipment that does not fit the definition above. You must individually list any single item costing \$1,000 or more. Except for safety equipment, grantees may only charge the cost of member service gear to the federal share if it includes the AmeriCorps logo. Grantees may also add the AmeriCorps logo to their own local program uniform items using federal funds. All safety gear may be charged to the federal share, regardless of whether it includes the AmeriCorps logo. All other service gear must be purchased with non-CNCS funds.

F. Contractual and Consultant Services

Include costs for consultants related to the project's operations, except training or evaluation consultants, who will be listed in Sections G. and H., below. Payments to individuals for consultant services under this grant should not exceed \$750 per day (excluding costs for travel, supplies, etc.). The \$750 daily rate is a ceiling, and we anticipate budgeted daily rates at considerably lower levels. Indicate the daily rate, number of days, and total cost for consultants you are proposing to use and their contractual services. Daily rates over the maximum amount should be justified in the narrative.

G. 1. Staff Training

Include the costs associated with training staff on project requirements and training to enhance the skills staff need for effective project implementation, i.e., project or financial management, team building, etc. If using a consultant(s) for training, indicate the estimated daily rate, not to exceed the maximum daily rate limit of \$750.

G. 2. Member Training

Include the costs associated with member training to support them in carrying out their service activities. You may also use this section to request funds to support training in Life after AmeriCorps. If using a consultant(s) for training, indicate the estimated daily rate, not to exceed the daily rate limit.

H. Evaluation

Include costs for project evaluation activities, including additional staff time or subcontracts, use of evaluation consultants, purchase of instrumentation, and other costs specifically for this activity not budgeted in Personnel Expenses. This cost does not include the daily/weekly gathering of data to assess progress toward meeting performance measures, but is a larger assessment of the impact your project is having on the community, as well as an assessment of the overall systems and project design. Indicate daily rates of consultants, where applicable.

I. Other Program Operating Costs

Allowable costs in this budget category should include when applicable:

- Criminal history background checks for all members and for all employees or other individuals who receive a salary, education award, living allowance, or stipend or similar payment from the grant (federal or non-federal share).
- Office space rental for projects operating without an approved indirect cost rate agreement that covers office space. If space is budgeted and it is shared with other projects or activities, the costs must be equitably pro-rated and allocated between the activities or projects.

- Utilities, telephone, internet and similar expenses that are specifically used for AmeriCorps members and AmeriCorps project staff, and are not part of the organization's indirect cost allocation pool. If such expenses are budgeted and shared with other projects or activities, the costs must be equitably pro-rated and allocated between the activities or projects.
- Recognition costs for members. List each item and provide a justification in the budget narrative. Gifts and/or food in an entertainment/event setting are not allowable costs.
- Multi-state applicants: Indicate the number of subgrants and the average amount of subgrants. Indicate any match that you will require of your subgrants under the "grantee share" column in this category. Subgranted funds may only cover costs allowable under federal and AmeriCorps regulations and provisions.

Section II. Member Costs

Member Costs are identified as "Living Allowance" and "Member Support Costs." Your required match can be federal, state, local, or private sector funds.

A. Living Allowance

The narrative should clearly identify the number of members you are supporting by category (i.e., full-time, half-time, reduced-half-time, quarter-time, minimum-time) and the amount of living allowance they will receive, allocating appropriate portions between the CNCS share (CNCS Share) and grantee match (Grantee Share).

The minimum and maximum living allowance amounts are provided below.

Minimum and Maximum Living Allowance

Service Term	Minimum # of Hours	Minimum Living Allowance	Maximum Total Living Allowance
Full-time	1700	\$12,100	\$24,200
One-year Half-time	900	n/a	\$12,800
Two-year Half-time	900	n/a	\$12,800
Reduced Half-time	675	n/a	\$9,600
Quarter-time	450	n/a	\$6,400
Minimum-time	300	n/a	\$4,300

In eGrants, enter the total number of members you are requesting in each category. Enter the average amount of the living allowance for each type of member. In addition, enter the number of members for which you are not requesting funds for a living allowance, but for which you are requesting education awards.

B. Member Support Costs

Consistent with the laws of the states where your members serve, you must provide members with the benefits described below.

- **FICA.** Unless exempted by the IRS, all projects must pay FICA for any member receiving a living allowance, even when CNCS does not supply the living allowance. If exempted, please note in the narrative. In the first column next to FICA, indicate the number of members who will receive FICA. Calculate the FICA at 7.65% of the total amount of the living allowance.
- **Worker's Compensation.** Delaware requires worker's compensation for AmeriCorps members. If you cannot pay worker's compensation, you must obtain Occupational, Accidental, Death and Dismemberment coverage for members to cover in-service injury or accidents.

- **Health Care.** You must offer or make available health care benefits to full-time members in accordance with AmeriCorps requirements. Except as stated below, you may not pay health care benefits to less-than-full-time members with CNCS funds. You may choose to provide health care benefits to less-than-full-time members from other sources (i.e., non-federal) but the cost cannot be included in the budget. Less-than-full-time members who are serving in a full-time capacity for a sustained period of time (such as a full-time summer project) are eligible for health care benefits. In your budget narrative, indicate the number of members who will receive health care benefits. CNCS will not pay for dependent coverage.
- **Unemployment Insurance and Other Member Support Costs.** Include any other required member support costs here. Some states require unemployment coverage for their AmeriCorps members. You may not charge the cost of unemployment insurance taxes to the grant unless mandated by state law. Programs are responsible for determining the requirements of state law by consulting State Commissions, legal counsel, or the applicable state agencies.

Section III. Administrative/Indirect Costs

Definitions

Administrative costs are general or centralized expenses of the overall administration of an organization that receives CNCS funds and do not include particular project costs. These costs may include administrative staff positions. For organizations that have an established indirect cost rate for federal awards, administrative costs mean those costs that are included in the organization's indirect cost rate agreement. Such costs are generally identified with the organization's overall operation and are further described in Office of Management and Budget Circulars A-21, A-87, and A-122.

Options for Calculating Administrative/Indirect Costs (choose either A OR B)

Applicants choose one of two methods to calculate allowable administrative costs – a CNCS-fixed percentage rate method or a federally approved indirect cost rate method. Regardless of the option chosen, the CNCS share of administrative costs is limited to 5% of the total CNCS funds **actually expended** under this grant.

A. CNCS-Fixed Percentage Method

Five Percent Fixed Administrative Costs Option

The CNCS-fixed percentage rate method allows you to charge administrative costs up to a cap without a federally approved indirect cost rate and without documentation supporting the allocation. If you choose the CNCS-fixed percentage rate method (Section IIIA in eGrants), you may charge, for administrative costs, a fixed 5% of the total of the CNCS funds expended. In order to charge this fixed 5%, the grantee match for administrative costs may not exceed 10% of all direct cost expenditures.

1. To determine the maximum CNCS share for Section III: Multiply the sum of the CNCS funding shares of Sections I and II by 0.0526. This is the maximum amount you can request as Corporation share. The factor 0.0526 is used to calculate the 5% maximum amount of federal funds that may be budgeted for administrative (indirect) costs, rather than 0.0500, as a way to mathematically compensate for determining Section III costs when the total budget (Sections I + II + III) is not yet established. Enter this amount as the CNCS share for Section III A.
2. To determine the Grantee share for Section III: Multiply the total (both Corporation and grantee share) of Sections I and II by 10% (0.10) and enter this amount as the grantee share for Section III A.
3. Enter the sum of the CNCS and grantee shares under Total Amount.

If a commission elects to retain a share of the 5% of federal funds available to programs for administrative costs, that decision is identified within each subgrant's budget. To calculate these

fractional shares, within Section III of the subgrant budget, **one-fifth (20%) of the federal dollars budgeted for administrative costs is allocated to the commission's share and four-fifths (80%) of the federal dollars budgeted for administrative costs are allocated to the program's share. The allocation between commission and program shares would be calculated as follows:**

$([\text{Section I}] + [\text{Section II}] \times 0.0526) \times (0.20) = \text{Commission Share}$

$([\text{Section I}] + [\text{Section II}] \times 0.0526) \times (0.80) = \text{Subgrantee Share}$

If a commission elects to retain a share that is less than 1% budgeted for administrative costs, adjust the calculation above, as appropriate.

B. Federally Approved Indirect Cost Rate

If you have a federally approved indirect cost rate and choose to use it, the rate will constitute documentation of your administrative costs, including the 5% maximum payable by CNCS. Specify the Cost Type for which your organization has current documentation on file, i.e., Provisional, Predetermined, Fixed, or Final indirect cost rate. Supply your approved IDC rate (percentage) and the base upon which this rate is calculated (direct salaries, salaries and fringe benefits, etc.). It is at your discretion whether or not to claim your entire IDC rate to calculate administrative costs. If you choose to claim a lower rate, please include this rate in the Rate Claimed field.

1. Determine the base amount of direct costs to which you will apply the IDC rate, including both the CNCS and Grantee shares, as prescribed by your established rate agreement (i.e., based on salaries and benefits, total direct costs, or other). Then multiply the appropriate direct costs by the rate being claimed. This will determine the total amount of indirect costs allowable under the grant.
2. To determine the CNCS share: Multiply the sum of the CNCS funding share in Sections I and II by 0.0526. This is the maximum amount you can claim as the CNCS share of indirect costs.
3. To determine the Grantee share: Subtract the amount calculated in step b (the CNCS administrative share) from the amount calculated in step a (the Indirect Cost total). This is the amount the applicant can claim as grantee share for administrative costs.

Source of Match

In the "Source of Match" field that appears at the end of Budget Section III, enter a brief description of the Source of Match, the amount, the match classification (Cash, In-kind, or Not Available) and Match Source (State/Local, Federal, Private, Other or Not Available) **for your entire match**. Define any acronyms the first time they are used.

ATTACHMENT F: Detailed Budget Instructions for Fixed-amount Grants (eGrants Budget Section)

These instructions apply only to applicants for fixed-amount grants, including education award programs (EAPs).

EAP and Fixed-Amount Grant applicants may only request a fixed amount of funding per MSY. Therefore, Fixed-Amount applicants are not required to complete a detailed budget. In addition, the matching requirements in 45 CFR §§ 2521.40– 2521.95 do not apply to EAP and other Fixed-Amount grant applicants. Fixed-Amount applicants, except for EAP applicants, must include only full-time members.

Budget Section II. AmeriCorps Member Positions

A. Budget Section II: Full-Time Fixed-Amount Grants

Enter the number of full-time positions you are requesting under the column labeled without (w/o) living allowance. You may not request less than full-time positions unless you are applying for an Education Award Program.

Under “calculation” you will enter the calculation for your grant request. **Leave all other columns blank.**

Member Positions	Cost per MSY	Total Cost
_____ Full-time (1700 hours) x	\$ _____ =	\$ _____

Enter the total amount requested in the “Total Amount” & “CNCS Share” columns. Leave the “Grantee Share” blank.

Please note that the final amount that a program receives will be adjusted to reflect actual hours served if a member does not serve the minimum number of hours necessary to complete a full term of service.

B. Section II: EAPs

Member Positions

Identify the number of Education Award members you are requesting by category (i.e. full-time, half-time, reduced half-time, quarter-time, minimum-time) and list under the column labeled **#w/o Allow** (without CNCS-funded living allowance.) **Leave all other columns blank.**

The total number of member service years (MSY) will **automatically calculate** at the bottom of the Member Positions chart. The MSY are calculated as follows:

Member Positions	Calculation	MSY
_____ Full-time (1700 hours)	(_____ members x 1.000)	= _____
_____ 1-Year Half-time (900 hours)	(_____ members x 0.500)	= _____

_____ Minimum-time (300 hours)	(_____ members x 0.21164022)	= _____

Total MSY

** Grantees receive the total amount for 2-Year Half-time members in the first year. Therefore, 2-Year Half-time members serving in their second year are not included in the calculation for funds.*

Under “Calculation,” you will enter the calculation for your grant request. Applicants may request up to \$800 per member service year (MSY).

Display your calculation in the following format:

Total # of MSYs _____ x MSY amount (up to \$800) _____ = Total Grant Request \$ _____

Type the total amount requested in the “Total Amount” & “CNCS Share” columns. Leave the “Grantee Share” blank. See example below:

Yes ___ No ___	All single equipment items over \$5000 per unit are specifically listed?
Yes ___ No ___	Justification/explanation of equipment items is included in the budget narrative?

Yes ___ No ___	Are all items in the budget narrative itemized and the purpose of the funds justified?

In Compliance?	Section II. Member Costs
Yes ___ No ___	Are the living allowance amounts correct? Full-time AmeriCorps members must receive at least the minimum living allowance. Note: Programs in existence prior to September 21, 1993 may offer a lower living allowance than the minimum. If such a program chooses to offer a living allowance, it is exempt from the minimum requirement, but not from the maximum requirement.
Yes ___ No ___	Living allowances are not paid on an hourly basis? They may be calculated using service hours and program length to derive a weekly or biweekly distribution amount. Divide the distribution in equal increments that are not based on the specified number of hours served.
Yes ___ No ___	Is FICA calculated correctly? You must pay FICA for any member receiving a living allowance. Unless exempted by the IRS, calculate FICA at 7.65% of the total amount of the living allowance.
Yes ___ No ___	Is the Worker's Compensation calculation correct? Some states require worker's compensation for AmeriCorps members. Check with your local State Department of Labor or State Commission to determine whether or not you are required to pay worker's compensation and at what level (i.e., rate). If you are not required to pay worker's compensation, you need to provide similar coverage for members' on-the-job injuries through their own existing coverage or a new policy purchased in accordance with normal procedures (i.e., Death and Dismemberment coverage).
Yes ___ No ___	Health care is provided for full-time AmeriCorps members only (unless part-time serving in a full-time capacity)? If your project chooses to provide health care to other half-time members, you may not use federal funds to help pay for any portion of the cost. Projects must provide health care coverage to all full-time members who do not have adequate health care coverage at the time of enrollment or who lose coverage due to participation in the project. In addition, projects must provide coverage if a full-time member loses coverage during the term of service through no deliberate act of his/her own.

In Compliance?	Section III. Administrative/Indirect Costs
Yes ___ No ___	Applicant has chosen Option A – CNCS-fixed percentage method and the maximum federal share of administrative costs does not exceed 5% of the total federal funds budgeted? To determine the federal administrative share, multiply all other budgeted federal funds by .0526.
Yes ___ No ___	Applicant has chosen Option A – CNCS fixed percentage method and the maximum grantee share is at 10% or less of total budgeted funds?
Yes ___ No ___	Applicant has chosen Option B – federally approved indirect cost rate method and documentation submitted to CNCS if multi-state, state or territory without commission or Indian Tribe applicant? Administrative costs budgeted include the following: (1) indirect costs such as legal staff, central management and support functions; (2) costs for financial, accounting, audit, internal evaluations, and contracting functions; (3) costs for insurance that protects the entity that operates the project; and (4) the portion of the salaries and benefits of the director and any other project administrative staff not attributable to the time spent in direct support of a specific project.
Yes ___ No ___	Applicant has chosen Option B – The maximum grantee share does not exceed the federally approved rate, less the 5% CNCS share?

In Compliance?	Match
Yes ___ No ___	Is the overall match being met at the required level, based on the year of funding?
Yes ___ No ___	For all matching funds, the source(s) [private, state and local, and federal], the type of contribution (cash or in-kind), and the amount (or an estimate) of match, are clearly identified in the narrative and in the Source of Match field in eGrants?

ATTACHMENT I: Alternative Match Instructions

Grantees are required to meet an overall matching rate that increases over time. You have the flexibility to meet the overall match requirements in any of the three budget areas, as long as the minimum match of 24% for the first three years, and the increasing minimums in years thereafter, are maintained. See 45 CFR §§ 2521.35–2521.90 for the specific regulations.

Special Circumstances for an Alternative Match Schedule: Under certain circumstances, applicants may qualify to meet alternative matching requirements that increase over the years to 35% instead of 50% as specified in the regulations at §2521.60(b). To qualify, you must demonstrate that your program is either located in a rural county or in a severely economically distressed community as defined below.

A. Rural County: In determining whether a program is rural, CNCS will consider the most recent Beale code rating published by the U.S. Department of Agriculture for the county in which the program is located. Any program located in a county with a Beale code of 6, 7, 8 or 9 is eligible to apply for the alternative match requirement. See Attachment K for the Table of Beale codes.

B. Severely Economically Distressed County: In determining whether a program is located in a severely economically distressed county, CNCS will consider the following list of county-level characteristics. See Attachment K for a list of website addresses where this publicly available information can be found.

- The county-level per capita income is less than or equal to 75 percent of the national average for all counties using the most recent census data or Bureau of Economic Analysis data;
- The county-level poverty rate is equal to or greater than 125 percent of the national average for all counties using the most recent census data; and
- The county-level unemployment is above the national average for all counties for the previous 12 months using the most recently available Bureau of Labor Statistics data.
- The areas served by the program lack basic infrastructure such as water or electricity.

C. Program Location: Except when approved otherwise, CNCS will determine the location of your program based on the legal applicant's address. If you believe that the legal applicant's address is not the appropriate way to consider the location of your program, you must provide relevant facts about your program location in your request. CNCS will, in its sole discretion, determine whether some other address is more appropriate for determining a program's location.

If your program is located in one of these areas, see the instructions below for applying for this alternative match schedule. You must submit your request to the alternative schedule at least 60 days before the AmeriCorps application is due. CNCS will review your request and notify you within 30 days if you qualify for the alternative schedule and provide instructions for entering your budget into eGrants under the Alternative Match Schedule.

If approved for the alternative schedules, programs will base their budget in the upcoming application on the approved alternative match. The alternative match requirement will be in effect for whatever portion of the three-year project period remains or if applying as a new grantee, for the upcoming three-year grant cycle.

D. Instructions for the Alternative Match Schedule: Programs operating in one state must send their requests to the State Commission for review and approval. The Commission will then forward the approved request to CNCS for consideration.

Submit e-mail applications at least 60 days prior to the application deadline to:

- State Programs – submit to your State Commission
- Multi-state Programs – submit to ACAlternateMatchScheduleRequests@cns.gov

- State Commissions (on behalf of state programs) – submit to ACAlternateMatchScheduleRequests@cns.gov

E-mail subject line: AmeriCorps Alternative Match Request

Send your request in memo format. You must respond to each item below. Please include both the item and your response in your request.

1. Basis of Request

- Identify the basis for your request as either a rural county or a severely economically distressed community as described above.
- Describe where your program operates and include the address of the legal applicant.

2. Rural Counties

- Describe the economic conditions.
- Confirm that your county has a Beale code of 6, 7, 8, or 9.

3. Economically Distressed Counties:

- Provide your county per-capita income, poverty, and unemployment levels.
- Demonstrate that your county per-capita income, poverty, and unemployment levels are above or below the national averages. Identify the data source(s) used to make your determination.
- Provide any other statistics you deem relevant to demonstrate your county is economically distressed.

4. Program Location: If you believe the location of your program should not be based on the address of the legal applicant, describe your justification for requesting an alternative location(s).

5. Other: Provide any other justification and information for your request that is not presented in the responses to the above.

2. The Contract shall commence on _____ and terminate on _____ unless specifically extended by an amendment, signed by all parties to the Contract. Time is of the essence. (Effective contract start date is subject to the provisions of Paragraph C. 1. of this Agreement.)

B. Administrative Requirements

1. Contractor recognizes that it is operating as an independent Contractor and that it is liable for any and all losses, penalties, damages, expenses, attorney's fees, judgments, and/or settlements incurred by reason of injury to or death of any and all persons, or injury to any and all property, of any nature, arising out of the Contractor's negligent performance under this Contract, and particularly without limiting the foregoing, caused by, resulting from, or arising out of any act of omission on the part of the Contractor in their negligent performance under this Contract.
2. The Contractor shall maintain such insurance as will protect against claims under Worker's Compensation Act and from any other claims for damages for personal injury, including death, which may arise from operations under this Contract. The Contractor is an independent contractor and is not an employee of the State.
3. During the term of this Contract, the Contractor shall, at its own expense, carry insurance with minimum coverage limits as follows:

a) Comprehensive General Liability	1,000,000
and	
b) Medical/Professional Liability	\$1,000,000/ \$3,000,000

c) Misc. Errors and Omissions	\$1,000,000/\$3,000,000
or	
d) Product Liability	\$1,000,000/\$3,000,000

All contractors must carry (a) and at least one of (b), (c), or (d), depending on the type of service or product being delivered.

If the contractual service requires the transportation of Departmental clients or staff, the contractor shall, in addition to the above coverage, secure at its own expense the following coverage:

- e) Automotive Liability (Bodily Injury) \$100,000/\$300,000
- f) Automotive Property Damage (to others) \$ 25,000

4. Notwithstanding the information contained above, the Contractor shall indemnify and hold harmless the State of Delaware, the Department and the Division from contingent liability to others for damages because of bodily injury, including death, that may result from the Contractor's negligent performance under this Contract, and any other liability for damages for which the Contractor is required to indemnify the State, the Department and the Division under any provision of this Contract.

a) If a contractor is under the regulation of any Department entity and has been assessed Civil Money Penalties (CMPs), or a court has entered a civil judgment against a Contractor or vendor in a case in which DHSS or its agencies was a party, the Contractor or vendor is excluded from other DHSS contractual opportunities or is at risk of contract termination in whole, or in part, until penalties are paid in full or the entity is participating in a corrective action plan approved by the Department.

A corrective action plan must be submitted in writing and must respond to findings of non-compliance with Federal, State, and Department requirements. Corrective action plans must include timeframes for correcting deficiencies and must be approved, in writing, by the Department.

The Contractor will be afforded a thirty (30) day period to cure non-compliance with Section 8(a). If, in the sole judgment of the Department, the Contractor has not made satisfactory progress in curing the infraction(s) within the aforementioned thirty (30) days, then the Department may immediately terminate any and/or all active contracts.

9. Contractor agrees to comply with all the terms, requirements and provisions of the Civil Rights Act of 1964, the Rehabilitation Act of 1973 and any other federal, state, local or any other anti discriminatory act, law, statute, regulation or policy along with all amendments and revision of these laws, in the performance of this Contract and

c) by either party without cause upon thirty (30) calendar days written notice to the other Party, unless a longer period is specified in Appendix A.

In the event of termination, all finished or unfinished documents, data, studies, surveys, drawings, models, maps, photographs, and reports or other material prepared by Contractor under this contract shall, at the option of the Department, become the property of the Department.

In the event of termination, the Contractor, upon receiving the termination notice, shall immediately cease work and refrain from purchasing contract related items unless otherwise instructed by the Department.

The Contractor shall be entitled to receive reasonable compensation as determined by the Department in its sole discretion for any satisfactory work completed on such documents and other materials that are usable to the Department. 14. This Contract shall not be altered, changed, modified or amended except by written consent of all Parties to the Contract.
15. The Contractor shall not enter into any subcontract for any portion of the services covered by this Contract without obtaining prior written approval of the Department. Any such subcontract shall be subject to all the conditions and provisions of this Contract. The approval requirements of this paragraph do not extend to the purchase of articles, supplies, equipment, rentals, leases and other day-to-day operational expenses in support of staff or facilities providing the services covered by this Contract.

In the event Contractor refuses or neglects after reasonable written notice by the Department to bring such antitrust action, Contractor shall be deemed to have assigned such action to the Department.
19. Contractor covenants that it presently has no interest and shall not acquire any interests, direct or indirect, that would conflict in any manner or degree with the performance of this Contract. Contractor further covenants that in the performance of this contract, it shall not employ any person having such interest.
20. Contractor covenants that it has not employed or retained any company or person who is working primarily for the Contractor, to solicit or secure this agreement, by improperly influencing the Department or any of its employees in any professional procurement process; and, the Contractor has not paid or agreed to pay any person, company, corporation, individual or firm, other than a bona fide employee working primarily for the Contractor, any fee, commission, percentage, gift or any other consideration contingent upon or resulting from the award or making of this agreement. Upon the request of the Department, the Contractor shall execute additional documents as are required to assure the transfer of such copyrights to the Department.

If the use of any services or deliverables is prohibited by court action based on a U.S. patent or copyright infringement claim, Contractor shall, at its own expense, buy for the Department the right to continue using the

Waiver or breach of any provision of this Contract shall not be deemed to be a waiver of any other or subsequent breach and shall not be construed to be a modification of the terms of the Contract unless stated to be such in writing, signed by authorized representatives of all parties and attached to the original Contract.
24. If the amount of this contract listed in Paragraph C2 is over \$25,000, the Contractor, by their signature in Section E, is representing that the Firm and/or its Principals, along with its subcontractors and assignees under this agreement, are not currently subject to either suspension or debarment from Procurement and Non-Procurement activities by the Federal Government.

C. Financial Requirements

The obligations of the Department under this Contract are expressly limited to the amount of any approved Purchase Order. The State will not be liable for expenditures made or services delivered prior to Contractor's receipt of the Purchase Order.
2. Total payments under this Contract shall not exceed \$ _____ in accordance with the budget presented in Appendix _____. Payment will be made upon receipt of an itemized invoice from the Contractor in accordance with the payment schedule, if any. The contractor or vendor must accept full payment by procurement (credit) card and or conventional check and/or other electronic means at the State's option, without imposing any additional fees, costs or conditions. Contractor is responsible for costs incurred in excess of the total cost of this Contract and the Department is not responsible for such costs.
3. The Contractor is solely responsible for the payment of all amounts due to all subcontractors and suppliers of goods, materials or services which may have been acquired by or provided to the Contractor in the performance of this contract. The Department is not responsible for the payment of such subcontractors or suppliers.
4. The Contractor shall not assign the Contract or any portion thereof without prior written approval of the Department and subject to such conditions and revisions as the Department may deem necessary. No such approval by the Department of any assignment shall be deemed to provide for the incurrence of any obligations of the Department in addition to the total agreed upon price of the Contract.
5. Contractor shall maintain books, records, documents and other evidence directly pertinent to performance under this Contract in accordance with generally accepted accounting principles and practices. Contractor shall also maintain the financial information and data used by Contractor in the preparation of support of its bid or proposal. Contractor shall retain this information for a period of five (5) years from the date services were rendered by the Contractor. Records involving matters in litigation shall be retained for one (1) year following the termination of such litigation. The Department shall have access to such books, records, documents, and other evidence for the purpose of inspection, auditing, and copying during normal business hours of the Contractor after giving reasonable notice. Contractor will provide facilities for such access and inspection.
6. The Contractor agrees that any submission by or on behalf of the Contractor of any claim for payment by the Department shall constitute certification by the Contractor that the services or items for which payment is claimed

were actually rendered by the Contractor or its agents, and that all information submitted in support of the claims is true, accurate, and complete.

7. The cost of any Contract audit disallowances resulting from the examination of the Contractor's financial records will be borne by the Contractor. Reimbursement to the Department for disallowances shall be drawn from the Contractor's own resources and not charged to Contract costs or cost pools indirectly charging Contract costs.
8. When the Department desires any addition or deletion to the deliverables or a change in the services to be provided under this Contract, it shall so notify the Contractor. The Department will develop a Contract Amendment authorizing said change. The Amendment shall state whether the change shall cause an alteration in the price or time required by the Contractor for any aspect of its performance under the Contract. Pricing of changes shall be consistent with those prices or costs established within this Contract. Such amendment shall not be effective until executed by all Parties pursuant to Paragraph B.14.

D. Miscellaneous Requirements
