Dear Ms. Sweeney,

Thank you for your interest and the time your organization has taken to develop and submit a proposal for the Delaware Health and Social Services Child Care Development Capacity Building Program #HSS-12-058. The Selection Committee carefully evaluated each proposal. We determined that Workplace Solutions provides the best answer to the project.

Please accept our invitation to enter into negotiations. Barbara McCaffery, Social Service Senior Administrator will be contacting you shortly to schedule a meeting.

We look forward to successful negotiations with you. If you have any questions, please contact Barbara McCaffery at (302) 255-9611.

Sincerely,

Elaine Archangelo
