Dear Mr. Parcher:

The Division of Public Health has completed the evaluation of proposals submitted in response to RFP#HSS13-007- Smart Start/ Healthy Families America, providing home visiting services to the substance abuse populations. Based on the outcome of the evaluation process, the Division wishes to begin contract negotiations with Kent/ Sussex Counseling Services as soon as possible. Gary Webb, Health Program Coordinator for the Division of Public Health, will be contacting you with information about the next steps. Please be advised that you may not begin service delivery until you have a signed contract and purchase order in hand.

Thank you for your interest in working with the Division of Public Health. We look forward to successful contract negotiations. If you have any questions, please contact me at (302)744-4825.

Sincerely,
