REQUEST FOR PROPOSAL NO. HSS-13-019
PEER/CONSUMER-RUN PROGRAM ADMINISTRATION
Pre-Bid Meeting Questions and Answers
MAY 8, 2013

Q1. Do all the organizations have an advisory council? Are all the members peers?

They do not all have advisory councils, but will need to develop them. of those that exist, they are mixed between Peers and other interested members of the community.

Q2. Is the state not interested in an organization that has run similar kinds of services to subsume these organizations under that umbrella to continue to perform and grow under that agency's auspices?

The State would be interested in a organization with previous experience. As stated in the Pre-bid meeting, the ultimate goal is for these peer run organizations to be able stand independently, however DSAMH recognizes that this will take time and that some of the organizations may not meet this goal for many years, if ever.

Q3. Is it the expectation that the organization that is awarded this contract have these Peer Centers become independent and not a part of the organization?
