A. Background

Background Information

The State of Delaware values knowledge of and experience in administrative law and knowledge and experience with the rules of statutory and regulatory construction. The work is high volume and requires knowledge of administrative law, statutory and regulatory construction, and the applicability of the Delaware Uniform Rules of Evidence. The work requires the ability to decide issues of fact and issues of law efficiently, the ability to interact with underrepresented people and non-professional personnel presenting the State's case at administrative hearings, and writing skills.

Hearing decisions may be sent to the designated State staff person via e-mail and then mailed to the parties. The State may also communicate with the contracted Hearing Officer by email, so an email address is a contract requirement, as is the ability and time to do legal research; i.e., access to Lexis/Nexis or other software or access to a law library.

The Hearing Officer presides at the hearing. He/she makes decisions about the admissibility of evidence and how the proceedings are conducted. A record must be made of the proceedings during the hearing. The Hearing Officer can question witnesses or direct the parties to produce evidence which he/she determines is necessary. However, other than ensuring that the hearing is conducted administratively, the Hearing Officer is not permitted to assist either party in the presentation of his/her/its case.

Based on the procedures of each State agency scheduling the hearing, either the decision of the Hearing Officer is the final decision of the State or the Hearing Officer's recommendation to the agency scheduling the hearing. Judicial review, pursuant to 31 Del. C520, may be taken directly from the Hearing Officer's decision, within thirty (30) days of the decision.

B. Project Goals

The services required of an Administrative Fair Hearing Officer will be provided on a contractual basis upon need of service.

The Department of Health and Social Services intends to contract with one or more qualified and experienced entities to conduct Administrative Fair Hearings, Provider Hearings or Mediation services. The purpose of this contract is to make available upon

need, entities that can mediate and resolve administrative appeals in the best interests of the State and Client / third party vendors in accordance with State regulations, impartiality and the public.

Hearings will be conducted at the discretion of the Division for providers that appeal a Division's decisions. Appeals to be heard may result from various audits, claims denials and any other adverse decisions. The Division may provide reimbursement to health care providers that provide direct medical services to the Division's beneficiaries as indicated in the provider manual.

The contracted entity must comply with Delaware Code, Title 29, Chapter 101: Administrative Procedures where applicable:
<http://delcode.delaware.gov/title29/c101/index.shtml>

2. The Contractor shall maintain such insurance as will protect against claims under Worker's Compensation Act and from any other claims for damages for personal injury, including death, which may arise from operations under this Contract. The Contractor is an independent contractor and is not an employee of the State.
3. During the term of this Contract, the Contractor shall, at its own expense, carry insurance with minimum coverage limits as follows:

e) Automotive Liability (Bodily Injury)	\$100,000/\$300,000
f) Automotive Property Damage (to others)	\$ 25,000

4. - a) If a contractor is under the regulation of any Department entity and has been assessed Civil Money Penalties (CMPs), or a court has entered a civil judgment against a Contractor or vendor in a case in which DHSS or its agencies was a party, the Contractor or vendor is excluded from other DHSS contractual opportunities or is at risk of contract termination in whole, or in part, until penalties are paid in full or the entity is participating in a corrective action plan approved by the Department.

- a. Not less than 30 calendar days written notice of intent to terminate; and
- b. An opportunity for consultation with Delaware prior to termination.

The rights and remedies of Delaware and Contractor provided in this section are in addition to any other rights and remedies provided by law or under this Contract.

In the event of termination, all finished or unfinished documents, data, studies, surveys, drawings, models, maps, photographs, and reports or other material prepared by Contractor under this contract shall, at the option of the Department, become the property of the Department.

In the event of termination, the Contractor, upon receiving the termination notice, shall immediately cease work and refrain from purchasing contract related items unless otherwise instructed by the Department.

Contractor shall notify the Department immediately of such events.

Upon such suspension, Delaware shall pay Contractor its compensation, based on the percentage of the project completed and earned until the effective date of suspension, less all previous payments. Contractor shall not perform further work under this Contract after the effective date of suspension. In the event Delaware suspends performance by Contractor for any cause other than the error or omission of the Contractor, for an aggregate period in excess of 30 days, Contractor shall be entitled to an equitable adjustment of the compensation payable to Contractor under this Contract to reimburse for additional costs occasioned as a result of such suspension of performance by Delaware based on appropriated funds and approval by Delaware.

Any notice required or permitted under this Contract shall be effective upon receipt and may be hand delivered with receipt requested or by registered or certified mail with return receipt requested to the addresses listed below.
