

REQUEST FOR INFORMATION

HSS-13-046

The Delaware Division for the Visually Impaired (DVI) Vocational Rehabilitation (VR) program is interested in information from qualified general and internal medicine practitioners. The intent of this RFI is for information only no contract will be awarded as a direct result of response to this RFI.

The DVI-VR program provides services to help eligible persons blind and/or visually impaired prepare for, start and maintain competitive employment, thus becoming productive and independent citizens in their communities. DVI-VR has two offices, an office to serve New Castle County and an office to serve Kent/Sussex Counties with expert staff that work in the community and have in-depth knowledge of both the marketplace and the support services available. Consumers are therefore able to benefit from the opportunity tailored to their specific need.
