**I. INTRODUCTION**

**A. Background**

The Delaware General Assembly created the Delaware Health Care Commission (DHCC) in June of 1990 to develop a pathway to basic, affordable health care for all Delawareans.

The DHCC embodies the public/private efforts which have traditionally spelled success for problem solving in Delaware. Four government officials - the Secretary of Finance, Secretary of Health & Social Services, Secretary of Children, Youth & Their Families and the Insurance Commissioner - are joined by six private citizens appointed either by the Governor, the Speaker of the House or the President Pro Tempore of the Senate. The composition is a balance between the executive and legislative branches of government and the public and private sectors.

By creating the DHCC as a policy-setting body the General Assembly gave it a unique position in state government. It is intended to allow creative thinking outside the usual confines of conducting day-to-day state business. The DHCC is expressly authorized to conduct pilot projects to test methods for catalyzing private-sector activities that will help the state meet its health care needs. To achieve its goals, the DHCC strives to balance various viewpoints and perspectives.

The DHCC generally has followed a strategy built on the notion that initial efforts should target areas most in need and gradually build toward a more comprehensive plan. Since 1995, the DHCC has used a committee system as a means of reaching out to the community and involving those impacted by its decisions in the consensus building process.

Additional information about the DHCC can be found at:

<http://dhss.delaware.gov/dhss/dhcc/>

In April, 2013, Delaware was awarded funding to develop a Statewide Healthcare Innovation Plan (SHIP). Between April and September 2013, a broad group of stakeholders came together and drafted a SHIP including specific actions in the following areas:

1. Delivery system transformation
2. Population-based approaches to health promotion

3. Payment model transformation
4. Creating a data and analytic infrastructure to support transformation
5. Workforce transformation
6. Creating a policy framework to support system transformation

Additional information related to this project can be found at:

## **B. Project Goals**

Delaware is developing a State Healthcare Innovation Plan to transform our health care system with support from the Center for Medicare and Medicaid Innovation (CMMI) State Innovation Models (SIM) initiative. We have set ambitious goals for improving health care for Delawareans and improving the sustainability of our health care system and are supported by a broad set of stakeholders who are committed to making real and lasting change - including physicians, hospitals, other providers, insurers, businesses, consumer advocates and our education and research communities.

### **Why Delaware is developing a State Healthcare Innovation Plan**

The goal is the "Triple Aim" - improving the health of Delawareans, improving the patient experience of care, and reducing health care costs. Through the SIM initiative, Delaware is planning to build upon a strong local foundation for innovation to achieve a system-level transformative healthcare plan that can serve as a scalable model for the nation. Our aspiration is to develop and implement a plan for broad-based health system transformation, including new payment and delivery models, which will achieve the Triple Aim.

Delaware has been awarded a "design" grant through the CMMI SIM initiative to provide funding as we develop our State Health Care Innovation Plan. We will be applying for a "Testing" grant - which could provide significant funding to support the implementation of our plan.

State Healthcare Innovation Plans must be Governor-led, multi-payer, and focused on achieving the Triple Aim of improving health, improving the patient experience of care, and reducing health care costs.

### **Our approach**

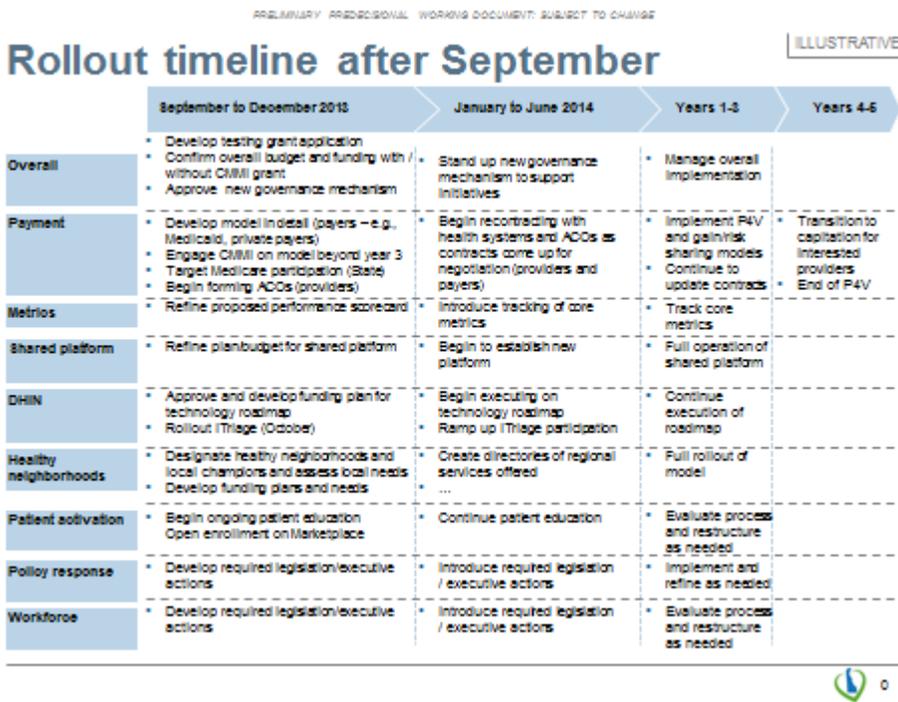

We organized our health transformation approach in six workstreams:

- Delivery system

- Population health
- Payment model
- Data and analytics
- Workforce
- Policy

Throughout the SHIP design process, Delaware has achieved an exceptional level of stakeholder engagement. Maintenance of and support for this inclusive process are critical elements for success.

### Our Proposed Timeline

**The goal of this project is to implement and test Delaware’s proposed State Healthcare Innovation Plan to determine its impact on health outcomes, health care quality and health care costs.**

- b. Population-based approaches to health promotion and disease prevention statewide
- c. Health care payment model transformation including implementation and testing of new multi-payer, value-based models

Subcontractors will be held to the same requirements as the primary contractor. The contract with the primary contractor will bind sub or co-contractors to the primary contractor by the terms, specifications, and

standards of the RFP. All such terms, specifications, and standards shall preserve and protect the rights of the agency under the RFP and any subsequent proposals and contracts with respect to the services performed by the sub or co-contractor, so that the sub or co-contractor will not prejudice such rights. Nothing in the RFP shall create any contractual relation between any sub or co-contractor and the agency.

The proposed subcontractors must be approved by the Delaware Health Care Commission

### **C. Funding Disclaimer Clause**

Delaware Health and Social Services reserves the right to reject or accept any bid or portion thereof, as may be necessary to meet the Department's funding limitations and processing constraints. ### **D. Reserved Rights**

Notwithstanding anything to the contrary, the Department reserves the right to:

- Reject any and all proposals received in response to this RFP;
- Select a proposal other than the one with the lowest cost;
- Waive or seek clarification on any information, irregularities, or inconsistencies in proposals received;
- Negotiate as to any aspect of the proposal with the bidder and negotiate with more than one bidder at a time;
- If negotiations fail to result in an agreement within two (2) weeks, the Department may terminate negotiations and select the next most responsive bidder, prepare and release a new RFP, or take such other action as the Department may deem appropriate.

### **E. Termination Conditions**

The Department may terminate the contract resulting from this RFP at any time that the vendor fails to carry out its provisions or to make substantial progress under the terms specified in this RFP and the resulting proposal.

Prior to taking the appropriate action as described in the contract, the Department will provide the vendor with thirty (30) days notice of conditions endangering performance. If after such notice the vendor fails to remedy the conditions contained in the notice, the Department shall issue the vendor an order to stop work immediately and deliver all work and work in progress to the State. The Department shall be obligated only for those services rendered and accepted prior to the date of notice of termination.

The Contract may be terminated in whole or part:

- a) by the Department upon five (5) calendar days written notice for cause or documented unsatisfactory performance,
- b) by the Department upon fifteen (15) calendar days written notice of the loss of funding or reduction of funding for the stated Contractor services,
- c) by either party without cause upon thirty (30) calendar days written notice to the other Party, unless a longer period is specified.

#### **F. Contractor Monitoring/Evaluation**

The contractor may be monitored/evaluated on-site on a regular basis. Failure of the contractor to cooperate with the monitoring/evaluation process or to resolve any problem(s) identified in the monitoring/evaluation may be cause for termination of the contract.

#### **G. Payment:**

The agencies or school districts involved will authorize and process for payment each invoice within thirty (30) days after the date of receipt. The contractor or vendor must accept full payment by procurement (credit) card and or conventional check and/or other electronic means at the State's option, without imposing any additional fees, costs or conditions.

#### **H. W-9 Information Submission**

**Awarded** vendors will be required to submit their Form W-9 by accessing this website, <http://accounting.delaware.gov/>. The vendor will complete

the secure form, read the affirmation, and submit the form by clicking the "Submit" button. Delaware Division of Accounting staff will review the submitted form for accuracy, completeness, and standardization. Once all the requirements are met, the form will be uploaded to the vendor file and approved. The vendor is then able to be paid for services provided.

For those vendors that do not have internet access, a printable version of the Delaware Substitute Form W-9 can be faxed or mailed to the vendor. Upon completion, the vendor will then fax or mail the form directly to the vendor staff at the Delaware Division of Accounting. The Department reserves the right to award this project to a bidder other than the one with the lowest cost or to decide not to fund this project at all. Cost will be balanced against the score received by each bidder in the rating process. The State of Delaware reserves the right to reject, as technically unqualified, proposals that are unrealistically low if, in the judgment of the evaluation team, a lack of sufficient budgeted resources would jeopardize project success.

# CONTRACT

## A) Introduction

1. This contract is entered into between the Delaware Department of Health and Social Services (the Department), and \_\_\_\_\_(the Contractor).
2. The Contract shall commence on \_\_\_\_\_ and terminate on \_\_\_\_\_ unless specifically extended by an amendment, signed by all parties to the Contract. Time is of the essence.

## B) Administrative Requirements

1. Contractor recognizes that it is operating as an independent Contractor and that it is liable for any and all losses, penalties, damages, expenses, attorney's fees, judgments, and/or settlements incurred by reason of injury to or death of any and all persons, or injury to any and all property, of any nature, arising out of the Contractor's negligent performance under this Contract, and particularly without limiting the foregoing, caused by, resulting from, or arising out of any act of omission on the part of the Contractor in their negligent performance under this Contract.
2. The Contractor shall maintain such insurance as will protect against claims under Worker's Compensation Act and from any other claims for damages for personal injury, including death, which may arise from operations under this Contract. The Contractor is an independent contractor and is not an employee of the State.
3. During the term of this Contract, the Contractor shall, at its own expense, carry insurance with minimum coverage limits as follows:

	a) Comprehensive General Liability	\$1,000,000
and	b) Medical/Professional Liability	\$1,000,000/ \$3,000,000
or	c) Misc. Errors and Omissions	\$1,000,000/\$3,000,000
or	d) Product Liability	\$1,000,000/\$3,000,000

All contractors must carry (a) and at least one of (b), (c), or (d), depending on the type of service or product being delivered.

If the contractual service requires the transportation of Departmental clients or staff, the contractor shall, in addition to the above coverage, secure at its own expense the following coverage:

e) Automotive Liability (Bodily Injury)	\$100,000/\$300,000
f) Automotive Property Damage (to others)	\$ 25,000

4. Notwithstanding the information contained above, the Contractor shall indemnify and hold harmless the State of Delaware, the Department and the Division from contingent liability to others for damages because of bodily injury, including death, that may result from the Contractor's negligent performance under this Contract, and any other liability for damages for which the Contractor is required to indemnify the State, the Department and the Division under any provision of this Contract.
5. The policies required under Paragraph B3 must be written to include Comprehensive General Liability coverage, including Bodily Injury and Property damage insurance to protect against claims arising from the performance of the Contractor and the contractor's subcontractors under this Contract and Medical/Professional Liability coverage when applicable.
6. The Contractor shall provide a Certificate of Insurance as proof that the Contractor has the required insurance. The certificate shall identify the Department and the Division as the "Certificate Holder" and shall be valid for the contract's period of performance as detailed in Paragraph A 2.
7. The Contractor acknowledges and accepts full responsibility for securing and maintaining all licenses and permits, including the Delaware business license, as applicable and required by law, to engage in business and provide the goods and/or services to be acquired under the terms of this Contract. The Contractor acknowledges and is aware that Delaware law provides for significant penalties associated with the conduct of business without the appropriate license.
8. The Contractor agrees to comply with all State and Federal licensing standards and all other applicable standards as required to provide services under this Contract, to assure the quality of services provided under this Contract. The Contractor shall immediately notify the Department in writing of any change in the status of any accreditations, licenses or certifications in any jurisdiction in which they provide services or conduct business. If this change in status regards the fact that its accreditation, licensure, or certification is suspended, revoked, or otherwise impaired in any jurisdiction, the Contractor understands that such action may be grounds for termination of the Contract.

a) If a contractor is under the regulation of any Department entity and has been assessed Civil Money Penalties (CMPs), or a court has entered a civil judgment against a Contractor or vendor in a case in which DHSS or its agencies was a party, the Contractor or vendor is excluded from other DHSS contractual opportunities or is at risk of contract termination in whole, or in part, until penalties are paid in full or the entity is participating in a corrective action plan approved by the Department.

A corrective action plan must be submitted in writing and must respond to findings of non-compliance with Federal, State, and Department requirements. Corrective action plans must include timeframes for correcting deficiencies and must be approved, in writing, by the Department.

The Contractor will be afforded a thirty (30) day period to cure non-compliance with Section 8(a). If, in the sole judgment of the Department, the Contractor has not made satisfactory progress in curing the infraction(s) within the aforementioned thirty (30) days, then the Department may immediately terminate any and/or all active contracts.

9. Contractor agrees to comply with all the terms, requirements and provisions of the Civil Rights Act of 1964, the Rehabilitation Act of 1973 and any other federal, state, local or any other anti discriminatory act, law, statute, regulation or policy along with all amendments and revision of these laws, in the performance of this Contract and will not discriminate against any applicant or employee or service recipient because of race, creed, religion, age, sex, color, national or ethnic origin, disability, status as a person in a marriage versus a person in a civil union, veteran's status or any unlawful discriminatory basis or criteria.
10. The Contractor agrees to provide to the Divisional Contract Manager, on an annual basis, if requested, information regarding its client population served under this Contract by race, color, national origin or disability.
11. This Contract may be terminated in whole or in part by the Department upon five (5) calendar days written notice for cause or documented unsatisfactory performance, provided that, in its sole discretion, the Department may impose sanctions in lieu of termination as set forth in Appendix A attached to and incorporated into this Contract.

This Contract may be terminated in whole or in part by either party in the event of substantial failure of the other party to fulfill its obligations under this Contract through no fault of the terminating party; but only after the other party is given:

- a. Not less than 30 calendar days written notice of intent to terminate; and
- b. An opportunity for consultation with the terminating party prior to termination.

This Contract may be terminated in whole or in part by Delaware for its convenience, but only after Contractor is given:

- a. Not less than 30 calendar days written notice of intent to terminate; and
- b. An opportunity for consultation with Delaware prior to termination.

If termination for default is effected by Delaware, Delaware will pay Contractor that portion of the compensation which has been earned as of the effective date of termination but:

- a. No amount shall be allowed for anticipated profit on performed or unperformed services or other work, and b. Any payment due to Contractor at the time of termination may be adjusted to the extent of any additional costs occasioned to Delaware by reason of Contractor's default.
- b. Upon termination for default, Delaware may take over the work and prosecute the same to completion by agreement with another party or otherwise. In the event Contractor shall cease conducting business, Delaware shall have the right to make an unsolicited offer of employment to any employees of Contractor assigned to the performance of the Contract, notwithstanding any provisions in this document to the contrary.

If after termination for failure of Contractor to fulfill contractual obligations it is determined that Contractor has not so failed, the termination shall be deemed to have been effected for the convenience of Delaware.

The rights and remedies of Delaware and Contractor provided in this section are in addition to any other rights and remedies provided by law or under this Contract.

In the event of termination, all finished or unfinished documents, data, studies, surveys, drawings, models, maps, photographs, and reports or other material prepared by Contractor under this contract shall, at the option of the Department, become the property of the Department.

In the event of termination, the Contractor, upon receiving the termination notice, shall immediately cease work and refrain from purchasing contract related items unless otherwise instructed by the Department.

The Contractor shall be entitled to receive reasonable compensation as determined by the Department in its sole discretion for any satisfactory work completed on such documents and other materials that are usable to the Department. Whether such work is satisfactory and usable is determined by the Department in its sole discretion.

Should the Contractor cease conducting business, become insolvent, make a general assignment for the benefit of creditors, suffer or permit the appointment of a receiver for its business or assets, or shall avail itself of, or become subject to any proceeding under the Federal Bankruptcy Act or any other statute of any state relating to insolvency or protection of the rights of creditors, then at the option of the Department, this Contract shall terminate and be of no further force and effect. Contractor shall notify the Department immediately of such events.

12. Delaware may suspend performance by Contractor under this Contract for such period of time as Delaware, at its sole discretion, may prescribe by providing written notice to Contractor at least 30 working days prior to the date on which Delaware wishes to

suspend. Upon such suspension, Delaware shall pay Contractor its compensation, based on the percentage of the project completed and earned until the effective date of suspension, less all previous payments. Contractor shall not perform further work under this Contract after the effective date of suspension. Contractor shall not perform further work under this Contract after the effective date of suspension until receipt of written notice from Delaware to resume performance.

In the event Delaware suspends performance by Contractor for any cause other than the error or omission of the Contractor, for an aggregate period in excess of 30 days, Contractor shall be entitled to an equitable adjustment of the compensation payable to Contractor under this Contract to reimburse for additional costs occasioned as a result of such suspension of performance by Delaware based on appropriated funds and approval by Delaware.

Any notice required or permitted under this Contract shall be effective upon receipt and may be hand delivered with receipt requested or by registered or certified mail with return receipt requested to the addresses listed below. Either Party may change its address for notices and official formal correspondence upon five (5) days written notice to the other.

13. In the event of amendments to current Federal or State laws which nullify any term(s) or provision(s) of this Contract, the remainder of the Contract will remain unaffected.
14. This Contract shall not be altered, changed, modified or amended except by written consent of all Parties to the Contract.
15. The Contractor shall not enter into any subcontract for any portion of the services covered by this Contract without obtaining prior written approval of the Department. Any such subcontract shall be subject to all the conditions and provisions of this Contract. 17. This Contract shall be interpreted and any disputes resolved according to the Laws of the State of Delaware. Except as may be otherwise provided in this contract, all claims, counterclaims, disputes and other matters in question between the Department and Contractor arising out of or relating to this Contract or the breach thereof will be decided by arbitration if the parties hereto mutually agree, or in a court of competent jurisdiction within the State of Delaware.
18. In the event Contractor is successful in an action under the antitrust laws of the United States and/or the State of Delaware against a vendor, supplier, subcontractor, or other party who provides particular goods or services to the Contractor that impact the budget for this Contract, Contractor agrees to reimburse the State of Delaware, Department of Health and Social Services for the pro-rata portion of the damages awarded that are attributable to the goods or services used by the Contractor to fulfill the requirements of this Contract. In the event Contractor refuses or neglects after reasonable written notice by the Department to bring such antitrust action, Contractor shall be deemed to have assigned such action to the Department.
18. Contractor covenants that it presently has no interest and shall not acquire any interests, direct or indirect, that would conflict in any manner or degree with the performance of this Contract. Contractor further covenants that in the performance of this contract, it shall not employ any person having such interest.
19. Contractor covenants that it has not employed or retained any company or person who is working primarily for the Contractor, to solicit or secure this agreement, by improperly influencing the Department or any of its employees in any professional procurement process; and, the Contractor has not paid or agreed to pay any person, company, corporation, individual or firm, other than a bona fide employee working primarily for the Contractor, any fee, commission, percentage, gift or any other consideration contingent upon or resulting from the award or making of this agreement. For the violation of this provision, the Department shall have the right to terminate the agreement without liability and, at its discretion, to deduct from the contract price, or otherwise recover, the full amount of such fee, commission, percentage, gift or consideration.

Contractor shall have no right to copyright any material produced in whole or in part under this Contract. Upon the request of the Department, the Contractor shall execute additional documents as are required to assure the transfer of such copyrights to the Department.

If the use of any services or deliverables is prohibited by court action based on a U.S. patent or copyright infringement claim, Contractor shall, at its own expense, buy for the Department the right to continue using the services or deliverables or modify or replace the product with no material loss in use, at the option of the Department.

21. Contractor agrees that no information obtained pursuant to this Contract may be released in any form except in compliance with applicable laws and policies on the confidentiality of information and except as necessary for the proper discharge of the Contractor's obligations under this Contract.
22. Waiver of any default shall not be deemed to be a waiver of any subsequent default. Waiver or breach of any provision of this Contract shall not be deemed to be a waiver of any other or subsequent breach and shall not be construed to be a modification of the terms of the Contract unless stated to be such in writing, signed by authorized representatives of all parties and attached to the original Contract.
24. If the amount of this contract listed in Paragraph C2 is over \$25,000, the Contractor, by their signature in Section E, is representing that the Firm and/or its Principals, along with its subcontractors and assignees under this agreement, are not currently subject to either suspension or debarment from Procurement and Non-Procurement activities by the Federal Government.

### C) Financial Requirements

1. The rights and obligations of each Party to this Contract are not effective and no Party is bound by the terms of this contract unless, and until, a validly executed Purchase Order is approved by the Secretary of Finance and received by Contractor, *if required by the State of Delaware Budget and Accounting Manual*, and all policies and procedures of the Department of Finance have been met. 4. The Contractor shall not assign the Contract or any portion thereof without prior written approval of the Department and subject to such conditions and revisions as the Department may deem necessary. No such approval by the Department of any assignment shall be deemed to provide for the incurrence of any obligations of the Department in addition to the total agreed upon price of the Contract.
5. Contractor shall maintain books, records, documents and other evidence directly pertinent to performance under this Contract in accordance with generally accepted accounting principles and practices. Contractor shall also maintain the financial information and data used by Contractor in the preparation of support of its bid or proposal. 7. The cost of any Contract audit disallowances resulting from the examination of the Contractor's financial records will be borne by the Contractor. Reimbursement to the Department for disallowances shall be drawn from the Contractor's own resources and not charged to Contract costs or cost pools indirectly charging Contract costs.
8. When the Department desires any addition or deletion to the deliverables or a change in the services to be provided under this Contract, it shall so notify the Contractor. The Department will develop a Contract Amendment authorizing said change. The Amendment shall state whether the change shall cause an alteration in the price or time required by the Contractor for any aspect of its performance under the Contract.
