**REQUEST FOR PROPOSAL FOR:**  
**Southern Delaware Paternity Outreach and Education Program**  
**FOR**  
**Division of Child Support Enforcement**

**I. INTRODUCTION**

**A. Background**

The Child Support Enforcement Program was established in 1975 as Part D of Title IV (IVD) of the Social Security Act. The purpose of the program is to locate non-custodial parents, establish paternity for children, obtain and enforce child and medical support orders. In Delaware, the Division of Child Support Enforcement (DCSE) is the state agency that is responsible for the management of the IVD program and has a cooperative agreement with the Family Court of the State of Delaware for the establishment of paternity and the establishment and enforcement of child and medical support orders and the DCSE administers the Voluntary Acknowledgement of Paternity (VAP) program in cooperation with the Office of Vital Statistics.

The *Omnibus Budget Reconciliation Act of 1993, section 13721* amended the IVD program and required States to streamline the paternity establishment process, develop a civil process to acknowledge paternity and develop paternity establishment programs in hospitals. The DCSE adopted administrative genetic testing procedures, developed and implemented the VAP program as of January 1, 1995, and employs a Paternity Liaison (PL) to further paternity outreach education in Delaware. The PL targets hospitals located in the Northern (New Castle County) region of Delaware and limited paternity outreach education in hospitals located in the southern counties of Delaware.

**B. Project Goals**

The DCSE issues this Request for Proposal (RFP) for the purpose of obtaining a vendor to develop and implement a comprehensive Paternity Outreach Education program that will educate and instruct the parents of children born in Delaware, in how to establish paternity and inform them about the rights and responsibilities associated with paternity establishment. The implementation of a Paternity Outreach Education program for Southern Delaware is vital to the DCSE's effort to increase overall paternity education statewide with an emphasis on establishing paternity through the Voluntary Acknowledgement of Paternity (VAP) process.

## **II. SCOPE OF SERVICES**

The vendor shall develop and implement a Paternity Outreach Education Program for the Southern Region of Delaware (Kent and Sussex Counties). The vendor shall be responsible for furnishing all material, labor, facilities, equipment, supplies, and postage necessary to provide the services required herein. All costs should be included in the financial bid. The vendor services to be provided include:

### **(1) Develop an outreach plan**

- Identify target audiences to include but not limited to:  
  
Community groups and organizations, educational entities, public health clinics, school wellness centers, hospitals, birthing centers, social service agencies, community health and wellness events, and correctional facilities
- Create and maintain a contact list for each of the identified target audiences. The contact information must be provided to the State and subsequent updates are to be submitted within 10 days of receiving the new information
- Develop a schedule to visit the target audiences on a rotating basis (if visits are authorized) and community events when scheduled

### **(2) Develop paternity outreach education materials**

- The content of paternity outreach education materials should be developed to clearly convey the laws and procedures promulgating paternity establishment in Delaware. Such information is available as follows:

  - Rights, responsibilities, and benefits of paternity establishment
  - Voluntary Acknowledgment of Paternity

- Genetic testing
  - The Family Court's role in legally establishing paternity
  - Statute of limitations for paternity establishment
- Material content must be presented at the sixth-grade level or lower. Target audiences are likely to be unfamiliar with paternity terms and processes; no assumption of knowledge or familiarity with the subject matter should be made in the planning and development of the outreach materials
  - Materials are to be in English and Spanish, at a minimum
  - Develop materials specifically concentrated on the Voluntary Acknowledgment of Paternity program
  - A variety of message presentations are required to appeal to the different priorities and life stages of the diverse cultural backgrounds, ages and educational levels of the various target audiences
  - Brochures, flyers, fact sheets, and FAQs should be developed as part of the outreach effort
  - The outreach education requires integrated delivery mediums to reach the specific targeted audiences. Traditional advertising (radio, print, newspaper, billboards, and public service announcements) and digital advertising (Google Ad Words, Facebook) are media options. Other non-traditional media for consideration are vehicle wraps, gas pump audio-visual messaging and text messaging
  - All outreach education presentations and materials are subject to DCSE approval prior to publication
  - Any changes to paternity laws or processes will require revisions to or development of new outreach education presentations and materials

### **(3) Program implementation**

a) If a contractor is under the regulation of any Department entity and has been assessed Civil Money Penalties (CMPs), or a court has entered a civil judgment against a Contractor or vendor in a case in which DHSS or its agencies was a party, the Contractor or vendor is excluded from other DHSS contractual opportunities or is at risk of contract termination in whole, or in part, until penalties are paid in full or the entity is participating in a corrective action plan approved by the Department.

A corrective action plan must be submitted in writing and must respond to findings of non-compliance with Federal, State, and Department requirements. Corrective action plans must include timeframes for correcting deficiencies and must be approved, in writing, by the Department.

The Contractor will be afforded a thirty (30) day period to cure non-compliance with Section 8(a). c) by either party without cause upon thirty (30) calendar days written notice to the other Party, unless a longer period is specified in Appendix A.

In the event of termination, all finished or unfinished documents, data, studies, surveys, drawings, models, maps, photographs, and reports or other material prepared by Contractor under this contract shall, at the option of the Department, become the property of the Department.

In the event of termination, the Contractor, upon receiving the termination notice, shall immediately cease work and refrain from purchasing contract related items unless otherwise instructed by the Department.

15. The Contractor shall not enter into any subcontract for any portion of the services covered by this Contract without obtaining prior written approval of the Department. Any such subcontract shall be subject to all the conditions and provisions of this Contract. The approval requirements of this paragraph do not extend to the purchase of articles, supplies, equipment, rentals, leases and other day-to-day operational expenses in support of staff or facilities providing the services covered by this Contract.

#### C. Financial Requirements

1. The obligations of the Department under this

Contract are expressly limited to the amount of any approved Purchase Order. The State will not be liable for expenditures made or services delivered prior to Contractor's receipt of the Purchase Order.

2. Total payments under this Contract shall not exceed \$ \_\_\_\_\_ in accordance with the budget presented in Appendix \_\_\_\_\_. Payment will be made upon receipt of an itemized invoice from the Contractor in accordance with the payment schedule, if any. The contractor or vendor must accept full payment by procurement (credit) card and or conventional check and/or other electronic means at the State's option, without imposing any additional fees, costs or conditions. Contractor is responsible for costs incurred in excess of the total cost of this Contract and the Department is not responsible for such costs.
3. The Contractor is solely responsible for the payment of all amounts due to all subcontractors and suppliers of goods, materials or services which may have been acquired by or provided to the Contractor in the performance of this contract. The Department is not responsible for the payment of such subcontractors or suppliers.
4. The Contractor shall not assign the Contract or any portion thereof without prior written approval of the Department and subject to such conditions and revisions as the Department may deem necessary. No such approval by the Department of any assignment shall be deemed to provide for the incurrence of any obligations of the Department in addition to the total agreed upon price of the Contract.
5. Contractor shall maintain books, records, documents and other evidence directly pertinent to performance under this Contract in accordance with generally accepted accounting principles and practices. Contractor shall also maintain the financial information and data used by Contractor in the preparation of support of its bid or proposal. Contractor shall retain this information for a period of five (5) years from the date services were rendered by the Contractor. Records involving matters in litigation shall be retained for one (1) year following the termination of such litigation. The Department shall have access to such books, records, documents, and other evidence for the purpose of inspection, auditing, and copying during normal business hours of the Contractor after giving reasonable notice. Contractor will provide facilities for such access and inspection.
6. The Contractor agrees that any submission by or on behalf of the Contractor of any claim for payment by the Department shall constitute certification by the Contractor that the services or items for which payment is claimed were actually rendered by the Contractor or its agents, and that all information submitted in support of the claims is true, accurate, and complete.
7. The cost of any Contract audit disallowances resulting from the examination of the Contractor's financial records will be borne by the Contractor. Reimbursement to the Department for disallowances shall be drawn from the Contractor's own resources and not charged to Contract costs or cost pools indirectly charging Contract costs.

8. When the Department desires any addition or deletion to the deliverables or a change in the services to be provided under this Contract, it shall so notify the Contractor. The Department will develop a Contract Amendment authorizing said change. The Amendment shall state whether the change shall cause an alteration in the price or time required by the Contractor for any aspect of its performance under the Contract.
