Questions must be submitted in writing and will be addressed in writing.

Questions are due by **November 9th, 2013**. The complete list of questions and their answers will be posted on the internet at <http://bids.delaware.gov>

Following the submission of written questions after the Pre-Bid meeting, bidder communication is limited to Kieran Mohammed, Delaware Health and Social Services. Collusion or Fraud

Any evidence of agreement or collusion among Vendor(s) and prospective Vendor(s) acting to illegally restrain freedom from competition by agreement to offer a fixed price, or otherwise, will render the offers of such Vendor(s) void.

By responding, the Vendor shall be deemed to have represented and warranted that its proposal is not made in connection with any competing Vendor submitting a separate response to this RFP, and is in all respects fair and without collusion or fraud; that the Vendor did not participate in the RFP development process and had no knowledge of the specific contents of the RFP prior to its issuance; and that no employee or official of the State of Delaware participated directly or indirectly in the Vendor's proposal preparation.

Advance knowledge of information which gives any particular Vendor advantages over any other interested Vendor(s), in advance of the opening of proposals, whether in response to advertising or an employee or representative thereof, will potentially void that particular proposal.

Lobbying and Gratuities

Lobbying or providing gratuities shall be strictly prohibited. Vendors found to be lobbying, providing gratuities to, or in any way attempting to influence a State of Delaware employee or agent of the State of Delaware concerning this RFP or the award of a contract resulting from this RFP shall have their proposal immediately rejected and shall be barred from further participation in this RFP.

The selected Vendor will warrant that no person or selling agency has been employed or retained to solicit or secure a contract resulting from this RFP upon agreement or understanding for a commission, or a percentage, brokerage or contingent fee. For breach or violation of this warranty, the DVR shall have the right to annul any contract resulting from this RFP without liability or at its discretion deduct from the contract price or otherwise recover the full amount of such commission, percentage, brokerage or contingent fee.

All contact with State of Delaware employees, contractors, vendors or agents of the State of Delaware concerning this RFP shall be conducted in strict accordance with the manner, forum and conditions set forth in this RFP.

Solicitation of State Employees Prohibited

Until contract award, Vendors shall not, directly or indirectly, solicit any employee of the State of Delaware to leave the State of Delaware's employ in order to accept employment with the Vendor, its affiliates, actual or prospective contractors, or any person acting in concert with Vendor, without prior written approval of the DHSS' contracting officer. Solicitation of State of Delaware employees by a Vendor may result in rejection of the Vendor's proposal.

This paragraph does not prevent the employment by a Vendor of a State of Delaware employee who has initiated contact with the Vendor. However, State of Delaware employees may be legally prohibited from accepting employment with the Vendor or subcontractor under certain circumstances. Vendors may not knowingly employ a person who cannot legally accept employment under State or Federal law. If a Vendor discovers that they have done so, they must terminate that employment immediately.

Independent contractors

The parties to the contract shall be independent contractors to one another, and nothing herein shall be deemed to cause this agreement to create an agency, partnership, joint venture or employment relationship between parties. Each party shall be responsible for compliance with all applicable workers compensation, unemployment, disability insurance, social security withholding and all other similar matters. Neither party shall be liable for any debts, accounts, obligations or other liability whatsoever of the other party or any other obligation of the other party to pay on the behalf of its employees or to withhold from any compensation paid to such employees any social benefits, workers compensation insurance premiums or any income or other similar taxes. It may be at the DHSS' discretion as to the location of work for the contractual support personnel during the contract period.

Licenses and Permits

In performance of the contract, the Vendor will be required to comply with all applicable Federal, State and local laws, ordinances, codes, and regulations. The cost of permits and other relevant costs required in the performance of the contract shall be borne by the successful Vendor. The Vendor shall be properly licensed and authorized to transact business in the State of Delaware as provided in 30 *Del. C.* § 2301.

Prior to receiving an award, the successful Vendor shall either furnish the DSAMH with proof of State of Delaware Business Licensure or initiate the process of application where required. An application may be requested in writing to: Division of Revenue, Carvel State Building, P.O. Box 8750, 820 N. French Street, Wilmington, DE 19899 or by telephone to one of the following numbers: (302) 577-8200—Public Service, (302) 577-8205—Licensing Department.

Information regarding the award of the contract will be given to the Division of Revenue. Failure to comply with the State of Delaware licensing requirements may subject Vendor to applicable fines and/or interest penalties.

Indemnification

1. General Indemnification.

Vendor will hold harmless, indemnify and defend the Department, the State of Delaware and their agents, employees, or officers of the State of Delaware from any and all suits, actions, losses, liability, damages (including punitive damages), expenses, reasonable attorney fees (including salaries of attorneys regularly employed by the State of Delaware), judgments, or settlements incurred by the Department, the State of Delaware or their agents, employees, or officers arising out of the provision of services by vendor, its employees, or subcontractors under the contract, including direct or indirect negligence or intentional acts of omission or commission, and professional malpractice regardless of any negligence by employees or officials of the Department. The legal duties and responsibilities set forth in this paragraph include the duty to cooperate with the Department, its employees, and attorneys in the defense of any legal action against the State, its agents, employees, or officers arising out of the provision of services by Vendor, which involve claims related to an offender's medical care, or which require information or testimony from vendor's employees or contractors.

2. Proprietary Rights Indemnification

Vendor shall warrant that all elements of its solution, including all equipment, software, documentation, services and deliverables, do not and will not infringe upon or violate any patent, copyright, trade secret or other proprietary rights of any third party. In the event of any claim, suit or action by any third party against the State of Delaware or DHSS, DHSS shall promptly notify the Vendor in writing and Vendor shall defend such claim, suit or action at Vendor's expense, and Vendor shall indemnify the State of Delaware and the DHSS against any loss, cost, damage, expense or liability arising out of such claim, suit or action (including, without limitation, litigation costs, lost employee time, and counsel fees) whether or not such claim, suit or action is successful.

If any equipment, software, services (including methods) products or other intellectual property used or furnished by the Vendor (collectively "Products") is or in Vendor's reasonable judgment is likely to be, held to constitute an infringing product, Vendor shall at its expense and option either:

- (a) Procure the right for the DHSS to continue using the Product(s);
- (b) Replace the product with a non-infringing equivalent that satisfies all the requirements of the contract; or

- (c) Modify the Product(s) to make it or them non-infringing, provided that the modification does not materially alter the functionality or efficacy of the product or cause the Product(s) or any part of the work to fail to conform to the requirements of the Contract, or only alters the Product(s) to a degree that the DHSS agrees to and accepts in writing.

Contract term is one (1) year with the possibility of renewal for up to four (4) additional years contingent on funding and satisfactory performance.

B. Subcontractors

The use of subcontractors will be permitted for this project. If a subcontractor is going to be used, this needs to be specified in the proposal, with an identification of the proposed subcontractor, the service(s) to be provided, and its qualifications to provide such service(s). Subcontractors will be held to the same requirements as the primary contractor. The contract with the primary contractor will bind sub or co-contractors to the primary contractor by the terms, specifications, and standards of the RFP. All such terms, specifications, and standards shall preserve and protect the rights of the agency under the RFP and any subsequent proposals and contracts with respect to the services performed by the sub or co-contractor, so that the sub or co-contractor will not prejudice such rights. Nothing in the RFP shall create any contractual relation between any sub or co-contractor and the agency.

The proposed subcontractors must be approved by the Division of Substance Abuse & Mental Health, Division of Vocational Rehabilitation and Division for the Visually Impaired.

C. Funding Disclaimer Clause

Delaware Health and Social Services reserves the right to reject or accept any bid or portion thereof, as may be necessary to meet the Department's funding limitations and processing constraints. The Department reserves the right to terminate any contractual agreement upon fifteen (15) calendar day's written notice in the event the state determines that state or federal funds are no longer available to continue said contractual agreement.

D. Reserved Rights

Notwithstanding anything to the contrary, the Department reserves the right to:

- Reject any and all proposals received in response to this RFP;
- Select a proposal other than the one with the lowest cost;
- Waive or seek clarification on any information, irregularities, or inconsistencies in proposals received;
- Negotiate as to any aspect of the proposal with the bidder and negotiate with more than one bidder at a time;
- If negotiations fail to result in an agreement within two (2) weeks, the Department may terminate negotiations and select the next most responsive bidder, prepare and release a new RFP, or take such other action as the Department may deem appropriate.

E. Termination Conditions

The Department may terminate the contract resulting from this RFP at any time that the vendor fails to carry out its provisions or to make substantial progress under the terms specified in this RFP and the resulting proposal.

Prior to taking the appropriate action as described in the contract, the Department will provide the vendor with thirty (30) days notice of conditions endangering performance. If after such notice the vendor fails to remedy the conditions contained in the notice, the Department shall issue the vendor an order to stop work immediately and deliver all work and work in progress to the State. The Department shall be obligated only for those services rendered and accepted prior to the date of notice of termination.

The Contract may be terminated in whole or part:

- a) by the Department upon five (5) calendar days written notice for cause or documented unsatisfactory performance,
- b) by the Department upon fifteen (15) calendar days written notice of the loss of funding or reduction of funding for the stated Contractor services,
- c) by either party without cause upon thirty (30) calendar days written notice to the other Party, unless a longer period is specified.

F. Contractor Monitoring/Evaluation

The contractor may be monitored/evaluated on-site on a regular basis. Failure of the contractor to cooperate with the monitoring/evaluation process or to resolve any problem(s) identified in the monitoring/evaluation may be cause for termination of the contract.

G. Payment:

The Division of Substance Abuse & Mental Health, Division of Vocational Rehabilitation and Division for the Visually Impaired will authorize and process for payment each invoice within thirty (30) days after the date of receipt. The contractor or vendor must accept full payment by procurement (credit) card and or conventional check and/or other electronic means at the State’s option, without imposing any additional fees, costs or conditions.

H. W-9 Information Submission

Awarded vendors will be required to submit their Form W-9 by accessing this website, <http://accounting.delaware.gov/w9.shtm>. The vendor will complete the secure form, read the affirmation, and submit the form by clicking the “Submit” button. Delaware Division of Accounting staff will review the submitted form for accuracy, completeness, and

standardization. Once all the requirements are met, the form will be uploaded to the vendor file and approved. The vendor is then able to be paid for services provided.

For those vendors that do not have internet access, a printable version of the Delaware Substitute Form W-9 can be faxed or mailed to the vendor. Upon completion, the vendor will then fax or mail the form directly to the vendor staff at the Delaware Division of Accounting. Any exception to this mandatory requirement may result in cancellation of the award. Upon receipt of a proposal accompanied by such a separate, sealed envelope, the DHSS will open the envelope to determine whether the procedure described above has been followed. All data, documentation, and innovations developed as a result of these contractual services shall become the property of the State of Delaware.

If a bidder wishes to request a debriefing, he must submit a formal letter to the Procurement Administrator, Herman M. Holloway Campus, Delaware Health and Social Services Main Building, 2nd Floor, Room 257, 1901 N. DuPont Highway, New Castle,

a) If a contractor is under the regulation of any Department entity and has been assessed Civil Money Penalties (CMPs), or a court has entered a civil judgment against a Contractor or vendor in a case in which DHSS or its agencies was a party, the Contractor or vendor is excluded from other DHSS contractual opportunities or is at risk of contract termination in whole, or in part, until penalties are paid in full or the entity is participating in a corrective action plan approved by the Department.

This Contract may be terminated in whole or in part by either party in the event of substantial failure of the other party to fulfill its obligations under this Contract through no fault of the terminating party; but only after the other party is given:

- a. Not less than 30 calendar days written notice of intent to terminate; and
- b. An opportunity for consultation with the terminating party prior to termination.

This Contract may be terminated in whole or in part by Delaware for its convenience, but only after Contractor is given:

- a. Not less than 30 calendar days written notice of intent to terminate; and
- b. An opportunity for consultation with Delaware prior to termination.

If termination for default is effected by Delaware, Delaware will pay Contractor that portion of the compensation which has been earned as of the effective date of termination but:

- a. No amount shall be allowed for anticipated profit on performed or unperformed services or other work, and b. Any payment due to Contractor at the time of termination may be adjusted to the extent of any additional costs occasioned to Delaware by reason of Contractor's default.

In the event Contractor shall cease conducting business, Delaware shall have the right to make an unsolicited offer of employment to any employees of Contractor assigned to the performance of the Contract, notwithstanding any provisions in this document to the contrary.

If after termination for failure of Contractor to fulfill contractual obligations it is determined that Contractor has not so failed, the termination shall be deemed to have been effected for the convenience of Delaware.

The rights and remedies of Delaware and Contractor provided in this section are in addition to any other rights and remedies provided by law or under this Contract.

In the event of termination, all finished or unfinished documents, data, studies, surveys, drawings, models, maps, photographs, and reports or other material prepared by Contractor under this contract shall, at the option of the Department, become the property of the Department.

In the event of termination, the Contractor, upon receiving the termination notice, shall immediately cease work and refrain from purchasing contract related items unless otherwise instructed by the Department.

The Contractor shall be entitled to receive reasonable compensation as determined by the Department in its sole discretion for any satisfactory work completed on such documents

and other materials that are usable to the Department. Whether such work is satisfactory and usable is determined by the Department in its sole discretion.

Should the Contractor cease conducting business, become insolvent, make a general assignment for the benefit of creditors, suffer or permit the appointment of a receiver for its business or assets, or shall avail itself of, or become subject to any proceeding under the Federal Bankruptcy Act or any other statute of any state relating to insolvency or protection of the rights of creditors, then at the option of the Department, this Contract shall terminate and be of no further force and effect. Contractor shall notify the Department immediately of such events.

12. Delaware may suspend performance by Contractor under this Contract for such period of time as Delaware, at its sole discretion, may prescribe by providing written notice to Contractor at least 30 working days prior to the date on which Delaware wishes to suspend. Upon such suspension, Delaware shall pay Contractor its compensation, based on the percentage of the project completed and earned until the effective date of suspension, less all previous payments. Contractor shall not perform further work under this Contract after the effective date of suspension. Contractor shall not perform further work under this Contract after the effective date of suspension until receipt of written notice from Delaware to resume performance.

In the event Delaware suspends performance by Contractor for any cause other than the error or omission of the Contractor, for an aggregate period in excess of 30 days, Contractor shall be entitled to an equitable adjustment of the compensation payable to Contractor under this Contract to reimburse for additional costs occasioned as a result of such suspension of performance by Delaware based on appropriated funds and approval by Delaware.

Any notice required or permitted under this Contract shall be effective upon receipt and may be hand delivered with receipt requested or by registered or certified mail with return receipt requested to the addresses listed below. Either Party may change its address for notices and official formal correspondence upon five (5) days written notice to the other.

4. The Contractor shall not assign the Contract or any portion thereof without prior written approval of the Department and subject to such conditions and revisions as the Department may deem necessary. Lesser Sanctions

The Division(s) reserve the right to reduce the number of people a Contractor currently serves, restrict the number of referrals a Contractor may receive, or rescind authorization to operate one or more service sites (e.g., neighborhood home, apartment) or any combination of such measures as sanctions for documented unsatisfactory contract performance as determined by the Division(s). The Division(s) may impose such sanctions for a period of between 30 to 365 days, with the right to renew the sanctions at the Divisions' sole discretion.

1. Funds received and expended under the contract must be recorded so as to permit the Division(s) to audit and account for all contract expenditures in conformity with the terms, conditions, and provisions of this contract, and with all pertinent federal and state laws and regulations. The Division(s) retain the right to approve this accounting system.
2. The Contractor shall recognize that no extra contractual services are approved unless specifically authorized in writing by the Division(s). Further, the Contractor shall recognize that any and all services performed outside the scope covered by this Contract and attached budgets will be deemed by the Division(s) to be gratuitous and not subject to any financial reimbursement.
3. All products are expected to be free of misspellings and typos, as well as punctuation, grammatical and design errors. Acronyms should be avoided; when used, they should be spelled out on first reference with the acronym in parentheses after that reference. For example, 'Division of Social Services (DSS)' on first reference.
4. No part of any funds under this contract shall be used to pay the salary or expenses of any contractor or agent acting for the contractor, to engage in any activity (lobbying) designed to influence legislation or appropriations pending before the State Legislature and/or Congress.
5. The contractor agrees that, if defunding occurs, all equipment purchased with Division funds for \$1,000.00 or more and a useful life expectancy of one (1) year, will be returned to the Division(s) within thirty (30) days.
6. Contractors receiving Federal funds must comply with all the requirements of the Federal Office of Management and Budget (OMB) Circular A-133, Audits of State, Local Governments, and Non-profit Organizations.
