Dear Mr. Farrell,

The Division of Management Services has completed the evaluation of proposals submitted in response to HSS 13-079-Medicaid and CHIP Eligibility Review Pilots. We have reviewed your proposal and found it satisfactory and would like to begin negotiations with your company.

I will be contacting you to set a time and date for negotiations. This communication is not intended as an award for contract; this communication is to alert you that you have been selected for an opportunity to negotiate only. Please note that no work on the project should begin until a fully executed contract and purchase order is in place.

Sincerely,
