Dear Ms. Newman,

Thank you for your interest and the time your organization has taken to develop and submit a proposal for the Delaware Health and Social Services Child Care Development Capacity Building Program #HSS-14-032. The Selection Committee carefully evaluated your proposal. We determined that Children and Families First provides the best answer to the project for which the RFP was submitted.

Please accept our invitation to enter into negotiations. Marleen Waples will be contacting you shortly to schedule a meeting.

We look forward to successful negotiations with you. If you have any questions, Please contact me.

Sincerely,

Elaine Archangelo,
Division Director, DSS
