YOUNG ADULT RESIDENTIAL OPIATE TREATMENT PROGRAM

Pre-Bid Questions & Answers

- 1) Will this be one program or multiple programs?

This is a single 16 bed program.

- 2) Are there any requirements in the RFP that states this program cannot be co-located?

Yes, this program cannot be co-located with another residential treatment program due to the IMD exclusion which would prevent it from being eligible to receive Medicaid Fee for Service payments.

- 3) if this proposed program is co-located as stated in the RFP, but kept completely separate, and present no threat to the health or safety of the residents of the proposed program, will the proposal be considered?

The program may not be co-located with another residential treatment program due to the IMD exclusion which would prevent it from being eligible to receive Medicaid Fee for Service payments. Co-location with a non-residential treatment program would be considered.

- 4) If the proposed program is in a completely separate building on the grounds where a program exists will that proposal be considered?

The program cannot be co-located with another residential treatment program.
