**RFP HSS-15-033**  
**PEER SUPPORT SPECIALIST SERVICES FOR ADULTS SERVICES**  
**PRE-BID MEETING Q&A**

1) Are there credentials for Peer Supervision? **No, there is no specialized credential for peer supervision. The respondent will need to state how and by whom this will occur. We are currently developing a training curriculum and certification for this with the Delaware Certification Board.**

2) Will the certification be available by the start of this program?

**Peer Certification exists currently. There is no Certification for Peer Supervision.**

3) Are the rates on page 48, Negotiable?

**The provider may indicate an “exception” to the rates as published in the RFP; however, at this time the published rates are in effect. Any modifications to rates must go through a revised rate setting methodology and be submitted for approval by both the Division of Substance Abuse and Mental Health and the Division of Medicaid and Medical Assistance.**

4) Is there an anticipated utilization census?

**No, as DSAMH is only now implementing this service and has no history with its use, we cannot estimate the utilization.**
