Molecular Testing Instrumentation, Nucleic Acid Extraction

Question and Answers

Q1: Will an early submission aid in the decision process? Or is Delaware required to wait until 1/31 before it can make a final decision?

A1: All bids will be opened on 1/31/19 @ 11:00 am, regardless of how early they are submitted. As shown in Section I.B., Page 4 of the RFP, the evaluation of the bids process does not start until the bids are opened on 1/31/19 and is to be completed by 2/21/19.
