Any proposal received after the Deadline for Receipt of Proposals date shall not be considered and shall be returned unopened. The proposing vendor bears the risk of delays in delivery and any costs for returned proposals. The contents of any proposal shall not be disclosed as to be made available to competing entities during the negotiation process.

Upon receipt of vendor proposals, each vendor shall be presumed to be thoroughly familiar with all specifications and requirements of this RFP. The failure or omission to examine any form, instrument or document shall in no way relieve vendors from any obligation in respect to this RFP.

3. Proposal Modifications
Any changes, amendments or modifications to a proposal must be made in writing, submitted in the same manner as the original response and conspicuously labeled as a change, amendment or modification to a previously submitted proposal. Changes, amendments or modifications to proposals shall not be accepted or considered after the hour and date specified as the deadline for submission of proposals.

4. Proposal Costs and Expenses
The State of Delaware will not pay any costs incurred by any Vendor associated with any aspect of responding to this solicitation, including proposal preparation, printing or delivery, attendance at vendor’s conference, system demonstrations or negotiation process.

5. Proposal Expiration Date
Prices quoted in the proposal shall remain fixed and binding on the bidder at least through June 30th 2021. The State of Delaware reserves the right to ask for an extension of time if needed.

6. Late Proposals
Proposals received after the specified date and time will not be accepted or considered. To guard against premature opening, sealed proposals shall be submitted, plainly marked with the proposal title, vendor name, and time and date of the proposal opening. Evaluation of the proposals is expected to begin shortly after the proposal due date. To document compliance with the deadline, the proposal will be date and time stamped upon receipt.

7. Proposal Opening
The State of Delaware will receive proposals until the date and time shown in this RFP. Proposals will be opened in the presence of State of Delaware personnel. Any unopened proposals will be returned to the submitting Vendor.

The Agency will conduct a public opening of proposals and complete a public log of the names of all vendor organizations that submitted proposals. The contents of any proposal shall not be disclosed in accordance with Executive Order #31 and Title 29, Delaware Code, Chapter 100.

8. Non-Conforming Proposals
Non-conforming proposals will not be considered. Non-conforming proposals are defined as those that do not meet the requirements of this RFP. The determination of whether an RFP requirement is substantive or a mere formality shall reside solely within the State of Delaware.

9. Concise Proposals
The State of Delaware discourages overly lengthy and costly proposals. It is the desire that proposals be prepared in a straightforward and concise manner. Unnecessarily elaborate brochures or other promotional materials beyond those sufficient to present a complete and effective proposal are not desired. The State of Delaware’s interest is in the quality and responsiveness of the proposal.

10. Realistic Proposals
It is the expectation of the State of Delaware that vendors can fully satisfy the obligations of the proposal in the manner and timeframe defined within the proposal. Proposals must be realistic and must represent the best estimate of time, materials and other costs including the impact of inflation and any economic or other factors that are reasonably predictable.

The State of Delaware shall bear no responsibility or increase obligation for a vendor’s failure to accurately estimate the costs or resources required to meet the obligations defined in the proposal.

11. Confidentiality of Documents
Subject to applicable law or the order of a court of competent jurisdiction to the contrary, all documents submitted as part of the vendor’s proposal will be treated as confidential during the evaluation process. As such, vendor proposals will not be available for review by anyone other than the State of Delaware/Proposal Evaluation Team or its designated agents. There shall be no disclosure of any vendor’s information to a competing vendor prior to award of the contract unless such disclosure is required by law or by order of a court of competent jurisdiction.

The State of Delaware and its constituent agencies are required to comply with the State of Delaware Freedom of Information Act, 29 Del. C. § 10001, et seq. (“FOIA”). FOIA requires that the State of Delaware’s records are public records (unless otherwise declared by FOIA or other law to be exempt from disclosure) and are subject to inspection and copying by any person upon a written request. Once a proposal is received by the State of Delaware and a decision on contract award is made, the content of selected and non-selected vendor proposals will likely become subject to FOIA’s public disclosure obligations.

The State of Delaware wishes to create a business-friendly environment and procurement process. As such, the State respects the vendor community’s desire to protect its intellectual property, trade secrets, and confidential business information (collectively referred to herein as “confidential business information”). Proposals must contain sufficient information to be evaluated. If a vendor feels that they cannot submit their proposal without including confidential business information, they must adhere to the following procedure or their proposal may be deemed unresponsive, may not be
recommended for selection, and any applicable protection for the vendor’s confidential business information may be lost.

In order to allow the State to assess its ability to protect a vendor’s confidential business information, vendors will be permitted to designate appropriate portions of their proposal as confidential business information.

Vendor(s) may submit portions of a proposal considered to be confidential business information in a separate, sealed envelope labeled “Confidential Business Information” and include the specific RFP number. The envelope must contain a letter from the Vendor’s legal counsel describing the documents in the envelope, representing in good faith that the information in each document is not “public record” as defined by 29 Del. C. § 10002, and briefly stating the reasons that each document meets the said definitions.

Upon receipt of a proposal accompanied by such a separate, sealed envelope, the State of Delaware will open the envelope to determine whether the procedure described above has been followed. A vendor’s allegation as to its confidential business information shall not be binding on the State. The State shall independently determine the validity of any vendor designation as set forth in this section. Any vendor submitting a proposal or using the procedures discussed herein expressly accepts the State’s absolute right and duty to independently assess the legal and factual validity of any information designated as confidential business information. Accordingly, Vendor(s) assume the risk that confidential business information included within a proposal may enter the public domain.

12. Price Not Confidential
Vendors shall be advised that as a publicly bid contract, no Vendor shall retain the right to declare their pricing confidential.

13. Multi-Vendor Solutions (Joint Ventures)
Multi-vendor solutions (joint ventures) will be allowed only if one of the venture partners is designated as the “prime contractor”. The “prime contractor” must be the joint venture’s contact point for the State of Delaware and be responsible for the joint venture’s performance under the contract, including all project management, legal and financial responsibility for the implementation of all vendor systems. If a joint venture is proposed, a copy of the joint venture agreement clearly describing the responsibilities of the partners must be submitted with the proposal. Services specified in the proposal shall not be subcontracted without prior written approval by the State of Delaware, and approval of a request to subcontract shall not in any way relieve Vendor of responsibility for the professional and technical accuracy and adequacy of the work. Further, vendor shall be and remain liable for all damages to the State of Delaware caused by negligent performance or non-performance of work by its subcontractor or its sub-subcontractor.

Multi-vendor proposals must be a consolidated response with all cost included in the cost summary. Where necessary, RFP response pages are to be duplicated for each vendor.
a. **Primary Vendor**

The State of Delaware expects to negotiate and contract with only one “prime vendor”. The State of Delaware will not accept any proposals that reflect an equal teaming arrangement or from vendors who are co-bidding on this RFP. The prime vendor will be responsible for the management of all subcontractors.

Any contract that may result from this RFP shall specify that the prime vendor is solely responsible for fulfillment of any contract with the State as a result of this procurement. The State will make contract payments only to the awarded vendor. Payments to any subcontractors are the sole responsibility of the prime vendor (awarded vendor).

Nothing in this section shall prohibit the State of Delaware from the full exercise of its options under Section IV.B.18 regarding multiple source contracting.

b. **Sub-contracting**

The vendor selected shall be solely responsible for contractual performance and management of all subcontract relationships. This contract allows subcontracting assignments; however, vendors assume all responsibility for work quality, delivery, installation, maintenance, and any supporting services required by a subcontractor.

Use of subcontractors must be clearly explained in the proposal, and major subcontractors must be identified by name. **The prime vendor shall be wholly responsible for the entire contract performance whether or not subcontractors are used.** Any sub-contractors must be approved by State of Delaware.

c. **Multiple Proposals**

A primary vendor may not participate in more than one proposal in any form. Subcontracting vendors may participate in multiple joint venture proposals.

14. **Sub-Contracting**

The vendor selected shall be solely responsible for contractual performance and management of all subcontract relationships. This contract allows subcontracting assignments; however, vendors assume all responsibility for work quality, delivery, installation, maintenance, and any supporting services required by a subcontractor.

Use of subcontractors must be clearly explained in the proposal, and subcontractors must be identified by name. Any sub-contractors must be approved by State of Delaware.

15. **Discrepancies and Omissions**

Vendor is fully responsible for the completeness and accuracy of their proposal, and for examining this RFP and all addenda. Failure to do so will be at the sole risk of vendor. Should vendor find discrepancies, omissions, unclear or ambiguous intent or meaning, or should any questions arise concerning this RFP, vendor shall notify the State of Delaware’s Designated Contact, in writing, of such findings at least ten (10) days before the proposal opening. This will allow issuance of any necessary addenda. It will also help prevent the opening of a defective proposal and exposure of vendor’s
proposal upon which award could not be made. All unresolved issues should be addressed in the proposal.

Protests based on any omission or error, or on the content of the solicitation, will be disallowed if these faults have not been brought to the attention of the Designated Contact, in writing, at least ten (10) calendar days prior to the time set for opening of the proposals.

a. RFP Question and Answer Process
The State of Delaware will allow written requests for clarification of the RFP. All questions shall be received no later than May 21, 2020. All questions will be consolidated into a single set of responses and posted on the State’s website at www.bids.delaware.gov by the date of May 28, 2020. Vendor names will be removed from questions in the responses released. Questions should be submitted in the following format. Deviations from this format will not be accepted.

Section number
Paragraph number
Page number
Text of passage being questioned

Questions not submitted electronically shall be accompanied by a CD and questions shall be formatted in Microsoft Word.

16. State’s Right to Reject Proposals
The State of Delaware reserves the right to accept or reject any or all proposals or any part of any proposal, to waive defects, technicalities or any specifications (whether they be in the State of Delaware’s specifications or vendor’s response), to sit and act as sole judge of the merit and qualifications of each product offered, or to solicit new proposals on the same project or on a modified project which may include portions of the originally proposed project as the State of Delaware may deem necessary in the best interest of the State of Delaware.

17. State’s Right to Cancel Solicitation
The State of Delaware reserves the right to cancel this solicitation at any time during the procurement process, for any reason or for no reason. The State of Delaware makes no commitments expressed or implied, that this process will result in a business transaction with any vendor.

This RFP does not constitute an offer by the State of Delaware. Vendor’s participation in this process may result in the State of Delaware selecting your organization to engage in further discussions and negotiations toward execution of a contract. The commencement of such negotiations does not, however, signify a commitment by the State of Delaware to execute a contract nor to continue negotiations. The State of Delaware may terminate negotiations at any time and for any reason, or for no reason.
18. State’s Right to Award Multiple Source Contracting
Pursuant to 29 Del. C. § 6986, the State of Delaware may award a contract for a particular professional service to two or more vendors if the agency head makes a determination that such an award is in the best interest of the State of Delaware.

19. Potential Contract Overlap
Vendors shall be advised that the State, at its sole discretion, shall retain the right to solicit for goods and/or services as required by its agencies and as it serves the best interest of the State. As needs are identified, there may exist instances where contract deliverables, and/or goods or services to be solicited and subsequently awarded, overlap previous awards. The State reserves the right to reject any or all bids in whole or in part, to make partial awards, to award to multiple vendors during the same period, to award by types, on a zone-by-zone basis or on an item-by-item or lump sum basis item by item, or lump sum total, whichever may be most advantageous to the State of Delaware.

20. Supplemental Solicitation
The State reserves the right to advertise a supplemental solicitation during the term of the Agreement if deemed in the best interest of the State.

21. Notification of Withdrawal of Proposal
Vendor may modify or withdraw its proposal by written request, provided that both proposal and request is received by the State of Delaware prior to the proposal due date. Proposals may be re-submitted in accordance with the proposal due date in order to be considered further.

Proposals become the property of the State of Delaware at the proposal submission deadline. All proposals received are considered firm offers at that time.

22. Revisions to the RFP
If it becomes necessary to revise any part of the RFP, an addendum will be posted on the State of Delaware’s website at www.bids.delaware.gov. The State of Delaware is not bound by any statement related to this RFP made by any State of Delaware employee, contractor or its agents.

23. Exceptions to the RFP
Any exceptions to the RFP, or the State of Delaware’s terms and conditions, must be recorded on Attachment 3. Acceptance of exceptions is within the sole discretion of the evaluation committee.

24. Business References
Provide at least three (3) business references consisting of current or previous customers of similar scope and value using Attachment 5. Include business name, mailing address, contact name and phone number, number of years doing business with, and type of work performed. Personal references cannot be considered.

25. Award of Contract
The final award of a contract is subject to approval by the State of Delaware. The State of Delaware has the sole right to select the successful vendor(s) for award, to
reject any proposal as unsatisfactory or non-responsive, to award a contract to other than the lowest priced proposal, to award multiple contracts, or not to award a contract, as a result of this RFP.

Notice in writing to a vendor of the acceptance of its proposal by the State of Delaware and the subsequent full execution of a written contract will constitute a contract, and no vendor will acquire any legal or equitable rights or privileges until the occurrence of both such events.

a. RFP Award Notifications
   After reviews of the evaluation committee report and its recommendation, and once the contract terms and conditions have been finalized, the State of Delaware will award the contract.

   The contract shall be awarded to the vendor whose proposal is most advantageous, taking into consideration the evaluation factors set forth in the RFP.

   It should be explicitly noted that the State of Delaware is not obligated to award the contract to the vendor who submits the lowest bid or the vendor who receives the highest total point score, rather the contract will be awarded to the vendor whose proposal is the most advantageous to the State of Delaware. The award is subject to the appropriate State of Delaware approvals.

   After a final selection is made, the winning vendor will be invited to negotiate a contract with the State of Delaware; remaining vendors will be notified in writing of their selection status.

26. Cooperatives
   Vendors, who have been awarded similar contracts through a competitive bidding process with a cooperative, are welcome to submit the cooperative pricing for this solicitation. State of Delaware terms will take precedence.

C. RFP Evaluation Process
   An evaluation team composed of representatives of the State of Delaware will evaluate proposals on a variety of quantitative criteria. Neither the lowest price nor highest scoring proposal will necessarily be selected.

   The State of Delaware reserves full discretion to determine the competence and responsibility, professionally and/or financially, of vendors. Vendors are to provide in a timely manner any and all information that the State of Delaware may deem necessary to make a decision.

1. Proposal Evaluation Team
   The Proposal Evaluation Team shall be comprised of representatives of the State of Delaware. The Team shall determine which vendors meet the minimum requirements pursuant to selection criteria of the RFP and procedures established in 29 Del. C. §§ 6981 and 6982. Professional services for this solicitation are considered under 29 Del. C. §6982(b). The Team may negotiate with one or more vendors during the same period and may, at its discretion, terminate negotiations with any or all vendors. The
Team shall make a recommendation regarding the award to the Division of Substance Abuse and Mental Health Director, who shall have final authority, subject to the provisions of this RFP and 29 Del. C. § 6982(b), to award a contract to the successful vendor in the best interests of the State of Delaware.

2. Proposal Selection Criteria
The Proposal Evaluation Team shall assign up to the maximum number of points for each Evaluation Item to each of the proposing vendor’s proposals. All assignments of points shall be at the sole discretion of the Proposal Evaluation Team.

The proposals shall contain the essential information on which the award decision shall be made. The information required to be submitted in response to this RFP has been determined by the State of Delaware to be essential for use by the Team in the bid evaluation and award process. Therefore, all instructions contained in this RFP shall be met in order to qualify as a responsive and responsible contractor and participate in the Proposal Evaluation Team’s consideration for award. Proposals which do not meet or comply with the instructions of this RFP may be considered non-conforming and deemed non-responsive and subject to disqualification at the sole discretion of the Team.

The Team reserves the right to:
• Select for contract or for negotiations a proposal other than that with lowest costs.
• Reject any and all proposals or portions of proposals received in response to this RFP or to make no award or issue a new RFP.
• Waive or modify any information, irregularity, or inconsistency in proposals received.
• Request modification to proposals from any or all vendors during the contract review and negotiation.
• Negotiate any aspect of the proposal with any vendor and negotiate with more than one vendor at the same time.
• Select more than one vendor pursuant to 29 Del. C. §6986. Such selection will be based on the following criteria:

Bidders must circle Yes or No to the following questions and include the answers in their response.

1) Does the bidder have a Supplier Diversity plan currently in place? Yes/No

2) Does the bidder have any diverse sub-contractors as outlined in Attachment 8 Tier II Sub-contractors? Yes/No

3) Does the bidder have a written inclusion policy in place? If yes, attach a clearly identifiable copy of the inclusion plan to your proposal. Yes/No

Answers to these 3 questions are mandatory and do not affect the weighted evaluation of this proposal. However, an affirmative answer to question 2 may directly impact quarterly sub-contracting reporting as illustrated in Attachment 8 in those instances where an awarded contract includes subcontracting activity.

Vendors are encouraged to review the evaluation criteria and to provide a response that addresses each of the scored items. Evaluators will not be able to make assumptions about a vendor’s capabilities so the responding vendor should be detailed in their proposal responses.
3. **Proposal Clarification**
   The Evaluation Team may contact any vendor in order to clarify uncertainties or eliminate confusion concerning the contents of a proposal. Proposals may not be modified as a result of any such clarification request.

4. **References**
   The Evaluation Team may contact any customer of the vendor, whether or not included in the vendor's reference list, and use such information in the evaluation process. Additionally, the State of Delaware may choose to visit existing installations of comparable systems, which may or may not include vendor personnel. If the vendor is involved in such site visits, the State of Delaware will pay travel costs only for State of Delaware personnel for these visits.

5. **Oral Presentations**
   After initial scoring and a determination that vendor(s) are qualified to perform the required services, selected vendors may be invited to make oral presentations to the Evaluation Team. All vendor(s) selected will be given an opportunity to present to the Evaluation Team.

   The selected vendors will have their presentations scored or ranked based on their ability to successfully meet the needs of the contract requirements, successfully demonstrate their product and/or service, and respond to questions about the solution capabilities.

   The vendor representative(s) attending the oral presentation shall be technically qualified to respond to questions related to the proposed system and its components. All of the vendor's costs associated with participation in oral discussions and system demonstrations conducted for the State of Delaware are the vendor’s responsibility.

V. **Contract Terms and Conditions**

1. **Contract Use by Other Agencies**
   **REF: Title 29, Chapter 6904(e) Delaware Code.** If no state contract exists for a certain good or service, covered agencies may procure that certain good or service under another agency's contract so long as the arrangement is agreeable to all parties. Agencies, other than covered agencies, may also procure such goods or services under another agency's contract when the arrangement is agreeable to all parties.

2. **Cooperative Use of Award**
   As a publicly competed contract awarded in compliance with 29 DE Code Chapter 69, this contract is available for use by other states and/or governmental entities through a participating addendum. Interested parties should contact the State Contract Procurement Officer identified in the contract for instruction. Final approval for permitting participation in this contract resides with the Director of Government Support Services and in no way places any obligation upon the awarded vendor(s).

3. **As a Service Subscription**
   As a Service subscription license costs shall be incurred at the individual license level only as the individual license is utilized within a fully functioning solution.
Subscription costs will not be applicable during periods of implementation and solution development prior to the State’s full acceptance of a working solution. Additional subscription license requests above actual utilization may not exceed 5% of the total and are subject to Delaware budget and technical review.

4. **General Information**
   a. The term of the contract between the successful bidder and the State shall be for 1 year with 4 optional extensions for a period of one (1) year for each extension.
   b. The selected vendor will be required to enter into a written agreement with the State of Delaware. The State of Delaware reserves the right to incorporate standard State contractual provisions into any contract negotiated as a result of a proposal submitted in response to this RFP. Any proposed modifications to the terms and conditions of the standard contract are subject to review and approval by the State of Delaware. Vendors will be required to sign the contract for all services, and may be required to sign additional agreements.
   c. The selected vendor or vendors will be expected to enter negotiations with the State of Delaware, which will result in a formal contract between parties. Procurement will be in accordance with subsequent contracted agreement. This RFP and the selected vendor’s response to this RFP will be incorporated as part of any formal contract.
   d. The State of Delaware’s standard contract will most likely be supplemented with the vendor’s software license, support/maintenance, source code escrow agreements, and any other applicable agreements. The terms and conditions of these agreements will be negotiated with the finalist during actual contract negotiations.
   e. The successful vendor shall promptly execute a contract incorporating the terms of this RFP within twenty (20) days after award of the contract. No vendor is to begin any service prior to receipt of a State of Delaware purchase order signed by two authorized representatives of the agency requesting service, properly processed through the State of Delaware Accounting Office and the Department of Finance. The purchase order shall serve as the authorization to proceed in accordance with the bid specifications and the special instructions, once it is received by the successful vendor.
   f. If the vendor to whom the award is made fails to enter into the agreement as herein provided, the award will be annulled, and an award may be made to another vendor. Such vendor shall fulfill every stipulation embraced herein as if they were the party to whom the first award was made.
   g. The State reserves the right to extend this contract on a month-to-month basis for a period of up to three months after the term of the full contract has been completed.
   h. Vendors are not restricted from offering lower pricing at any time during the contract term.

5. **Collusion or Fraud**
   Any evidence of agreement or collusion among vendor(s) and prospective vendor(s) acting to illegally restrain freedom from competition by agreement to offer a fixed price, or otherwise, will render the offers of such vendor(s) void.
By responding, the vendor shall be deemed to have represented and warranted that its proposal is not made in connection with any competing vendor submitting a separate response to this RFP, and is in all respects fair and without collusion or fraud; that the vendor did not participate in the RFP development process and had no knowledge of the specific contents of the RFP prior to its issuance; and that no employee or official of the State of Delaware participated directly or indirectly in the vendor’s proposal preparation.

Advance knowledge of information which gives any particular vendor advantages over any other interested vendor(s), in advance of the opening of proposals, whether in response to advertising or an employee or representative thereof, will potentially void that particular proposal.

6. Lobbying and Gratuities
Lobbying or providing gratuities shall be strictly prohibited. Vendors found to be lobbying, providing gratuities to, or in any way attempting to influence a State of Delaware employee or agent of the State of Delaware concerning this RFP or the award of a contract resulting from this RFP shall have their proposal immediately rejected and shall be barred from further participation in this RFP.

The selected vendor will warrant that no person or selling agency has been employed or retained to solicit or secure a contract resulting from this RFP upon agreement or understanding for a commission, or a percentage, brokerage or contingent fee. For breach or violation of this warranty, the State of Delaware shall have the right to annul any contract resulting from this RFP without liability or at its discretion deduct from the contract price or otherwise recover the full amount of such commission, percentage, brokerage or contingent fee.

All contact with State of Delaware employees, contractors or agents of the State of Delaware concerning this RFP shall be conducted in strict accordance with the manner, forum and conditions set forth in this RFP.

7. Solicitation of State Employees
Until contract award, vendors shall not, directly or indirectly, solicit any employee of the State of Delaware to leave the State of Delaware’s employ in order to accept employment with the vendor, its affiliates, actual or prospective contractors, or any person acting in concert with vendor, without prior written approval of the State of Delaware’s contracting officer. Solicitation of State of Delaware employees by a vendor may result in rejection of the vendor’s proposal.

This paragraph does not prevent the employment by a vendor of a State of Delaware employee who has initiated contact with the vendor. However, State of Delaware employees may be legally prohibited from accepting employment with the contractor or subcontractor under certain circumstances. Vendors may not knowingly employ a person who cannot legally accept employment under state or federal law. If a vendor discovers that they have done so, they must terminate that employment immediately.
8. General Contract Terms

a. Independent Contractors

The parties to the contract shall be independent contractors to one another, and nothing herein shall be deemed to cause this agreement to create an agency, partnership, joint venture or employment relationship between parties. Each party shall be responsible for compliance with all applicable workers compensation, unemployment, disability insurance, social security withholding and all other similar matters. Neither party shall be liable for any debts, accounts, obligations or other liability whatsoever of the other party or any other obligation of the other party to pay on the behalf of its employees or to withhold from any compensation paid to such employees any social benefits, workers compensation insurance premiums or any income or other similar taxes.

It may be at the State of Delaware’s discretion as to the location of work for the contractual support personnel during the project period. The State of Delaware may provide working space and sufficient supplies and material to augment the Contractor’s services.

b. Temporary Personnel are Not State Employees Unless and Until They are Hired

Vendor agrees that any individual or group of temporary staff person(s) provided to the State of Delaware pursuant to this Solicitation shall remain the employee(s) of Vendor for all purposes including any required compliance with the Affordable Care Act by the Vendor. Vendor agrees that it shall not allege, argue, or take any position that individual temporary staff person(s) provided to the State pursuant to this Solicitation must be provided any benefits, including any healthcare benefits by the State of Delaware and Vendor agrees to assume the total and complete responsibility for the provision of any healthcare benefits required by the Affordable Care Act to aforesaid individual temporary staff person(s). In the event that the Internal Revenue Service, or any other third party governmental entity determines that the State of Delaware is a dual employer or the sole employer of any individual temporary staff person(s) provided to the State of Delaware pursuant to this Solicitation, Vendor agrees to hold harmless, indemnify, and defend the State to the maximum extent of any liability to the State arising out of such determinations.

Notwithstanding the content of the preceding paragraph, should the State of Delaware subsequently directly hire any individual temporary staff employee(s) provided pursuant to this Solicitation, the aforementioned obligations to hold harmless, indemnify, and defend the State of Delaware shall cease and terminate for the period following the date of hire. Nothing herein shall be deemed to terminate the Vendor’s obligation to hold harmless, indemnify, and defend the State of Delaware for any liability that arises out of compliance with the ACA prior to the date of hire by the State of Delaware. Vendor will waive any separation fee provided an employee works for both the vendor and hiring agency, continuously, for a three (3) month period and is provided thirty (30) days written notice of intent to hire from the agency. Notice can be issued at second month if it is the State’s intention to hire.
c. ACA Safe Harbor
The State and its utilizing agencies are not the employer of temporary or contracted staff. However, the State is concerned that it could be determined to be a Common-law Employer as defined by the Affordable Care Act (“ACA”). Therefore, the State seeks to utilize the “Common-law Employer Safe Harbor Exception” under the ACA to transfer health benefit insurance requirements to the staffing company. The Common-law Employer Safe Harbor Exception can be attained when the State and/or its agencies are charged and pay for an “Additional Fee” with respect to the employees electing to obtain health coverage from the Vendor.

The Common-law Employer Safe Harbor Exception under the ACA requires that an Additional Fee must be charged to those employees who obtain health coverage from the Vendor, but does not state the required amount of the fee. The State requires that all Vendors shall identify the Additional Fee to obtain health coverage from the Vendor and delineate the Additional Fee from all other charges and fees. The Vendor shall identify both the Additional Fee to be charged and the basis of how the fee is applied (i.e. per employee, per invoice, etc.). The State will consider the Additional Fee and prior to award reserves the right to negotiate any fees offered by the Vendor. Further, the Additional Fee shall be separately scored in the proposal to ensure that neither prices charged nor the Additional Fee charged will have a detrimental effect when selecting vendor(s) for award.

d. Licenses and Permits
In performance of the contract, the vendor will be required to comply with all applicable federal, state and local laws, ordinances, codes, and regulations. The cost of permits and other relevant costs required in the performance of the contract shall be borne by the successful vendor. The vendor shall be properly licensed and authorized to transact business in the State of Delaware as provided in 30 Del. C. § 2502.

Prior to receiving an award, the successful vendor shall either furnish the State of Delaware with proof of State of Delaware Business Licensure or initiate the process of application where required. An application may be requested in writing to: Division of Revenue, Carvel State Building, P.O. Box 8750, 820 N. French Street, Wilmington, DE 19899 or by telephone to one of the following numbers: (302) 577-8200—Public Service, (302) 577-8205—Licensing Department.

Information regarding the award of the contract will be given to the Division of Revenue. Failure to comply with the State of Delaware licensing requirements may subject vendor to applicable fines and/or interest penalties.

e. Notice

      any third party. In the event of any claim, suit or action by any third party
      against the State of Delaware, the State of Delaware shall promptly notify the
      vendor in writing and vendor shall defend such claim, suit or action at vendor’s
      expense, and vendor shall indemnify the State of Delaware against any loss,
      cost, damage, expense or liability arising out of such claim, suit or action
      (including, without limitation, litigation costs, lost employee time, and counsel
      fees) whether or not such claim, suit or action is successful.

      If any equipment, software, services (including methods) products or other
      intellectual property used or furnished by the vendor (collectively “Products”)
      is or in vendor’s reasonable judgment is likely to be, held to constitute an
      infringing product, vendor shall at its expense and option either:

      a. Procure the right for the State of Delaware to continue using the
         Product(s);
      b. Replace the product with a non-infringing equivalent that satisfies all the
         requirements of the contract; or
      c. Modify the Product(s) to make it or them non-infringing, provided that the
         modification does not materially alter the functionality or efficacy of the
         product or cause the Product(s) or any part of the work to fail to conform
         to the requirements of the Contract, or only alters the Product(s) to a
         degree that the State of Delaware agrees to and accepts in writing.

   g. Insurance
      1. Vendor recognizes that it is operating as an independent contractor and that it
         is liable for any and all losses, penalties, damages, expenses, attorney’s fees,

         and all persons, or injury to any and all property, of any nature, arising out of
         the vendor’s negligent performance under this contract, and particularly without
         limiting the foregoing, caused by, resulting from, or arising out of any act of
         omission on the part of the vendor in their negligent performance under this
         contract.
2. The vendor shall maintain such insurance as will protect against claims under Worker’s Compensation Act and from any other claims for damages for personal injury, including death, which may arise from operations under this contract. The vendor is an independent contractor and is not an employee of the State of Delaware.

Failure to provide this information could render the proposal as non-responsive.

   In the event of a serious emergency, pandemic or disaster outside the control of the State, the State may negotiate, as may be authorized by law, emergency performance from the Contractor to address the immediate needs of the State, even if not contemplated under the original Contract or procurement.    The contract resulting from this RFP may be terminated as follows by Department of Health and Social Services, Division of Substance Abuse and Mental Health.

   1. Termination for Cause
      If, for any reasons, or through any cause, the Vendor fails to fulfill in timely and proper manner its obligations under this Contract, or if the Vendor violates any of the covenants, agreements, or stipulations of this Contract, the State shall thereupon have the right to terminate this contract by giving written notice to the Vendor of such termination and specifying the effective date thereof, at least twenty (20) days before the effective date of such termination. In that event, all
finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs, and reports or other material prepared by the Vendor under this Contract shall, at the option of the State, become its property, and the Vendor shall be entitled to receive just and equitable compensation for any satisfactory work completed on such documents and other materials which is usable to the State.

On receipt of the contract cancellation notice from the State, the Vendor shall have no less than five (5) days to provide a written response and may identify a method(s) to resolve the violation(s). A vendor response shall not effect or prevent the contract cancellation unless the State provides a written acceptance of the vendor response. If the State does accept the Vendor’s method and/or action plan to correct the identified deficiencies, the State will define the time by which the Vendor must fulfill its corrective obligations. Final retraction of the State’s termination for cause will only occur after the Vendor successfully rectifies the original violation(s). At its discretion the State may reject in writing the Vendor’s proposed action plan and proceed with the original contract cancellation timeline.

2. Termination for Convenience
The State may terminate this Contract at any time by giving written notice of such termination and specifying the effective date thereof, at least twenty (20) days before the effective date of such termination. In that event, all finished or unfinished documents, data, studies, surveys, drawings, models, photographs, reports, supplies, and other materials shall, at the option of the State, become its property and the Vendor shall be entitled to receive compensation for any satisfactory work completed on such documents and other materials, and which is usable to the State.

3. Termination for Non-Appropriations
In the event the General Assembly fails to appropriate the specific funds necessary to enter into or continue the contractual agreement, in whole or part, the agreement shall be terminated as to any obligation of the State requiring the expenditure of money for which no specific appropriation is available at the end of the last fiscal year for which no appropriation is available or upon the exhaustion of funds. This is not a termination for convenience and will not be converted to such.

s. Non-discrimination
In performing the services subject to this RFP the vendor, as set forth in Title 19 Delaware Code Chapter 7 section 711, will agree that it will not discriminate against any employee or applicant with respect to compensation, terms, conditions or privileges of employment because of such individual's race, marital status, genetic information, color, age, religion, sex, sexual orientation, gender identity, or national origin. The successful vendor shall comply with all federal and state laws, regulations and policies pertaining to the prevention of discriminatory employment practice. Failure to perform under this provision constitutes a material breach of contract.
**t. Covenant against Contingent Fees**

The successful vendor will warrant that no person or selling agency has been employed or retained to solicit or secure this contract upon an agreement of understanding for a commission or percentage, brokerage or contingent fee excepting bona-fide employees, bona-fide established commercial or selling agencies maintained by the Vendor for the purpose of securing business. For breach or violation of this warranty the State of Delaware shall have the right to annul the contract without liability or at its discretion to deduct from the contract price or otherwise recover the full amount of such commission, percentage, brokerage or contingent fee.

**u. Vendor Activity**

No activity is to be executed in an off shore facility, either by a subcontracted firm or a foreign office or division of the vendor. The vendor must attest to the fact that no activity will take place outside of the United States in its transmittal letter. Failure to adhere to this requirement is cause for elimination from future consideration.

**v. Vendor Responsibility**

The State will enter into a contract with the successful Vendor(s). The successful Vendor(s) shall be responsible for all products and services as required by this RFP whether or not the Vendor or its subcontractor provided final fulfillment of the order. 3. None of the equipment and/or services covered by this contract shall be subcontracted without the prior written approval of the State. Only those subcontractors identified in Attachment 6 are considered approved upon award. Changes to those subcontractor(s) listed in Attachment 6 must be approved in writing by the State.

**x. Fair Background Check Practices**

Pursuant to 29 Del. C. §6909B, the State does not consider the criminal record, criminal history, credit history or credit score of an applicant for state employment during the initial application process unless otherwise required by state and/or federal law. Vendors doing business with the State are encouraged to adopt fair background check practices. Vendors can refer to 19 Del. C. §711(g) for applicable established provisions.
y. Vendor Background Check Requirements

Vendor(s) selected for an award that access state property or come in contact with vulnerable populations, including children and youth, shall be required to complete background checks on employees serving the State’s on premises contracts. Unless otherwise directed, at a minimum, this shall include a check of the following registry:

- Delaware Sex Offender Central Registry at: https://sexoffender.dsp.delaware.gov/

Individuals that are listed in the registry shall be prevented from direct contact in the service of an awarded state contract, but may provide support or off-site premises service for contract vendors. Should an individual be identified and the Vendor(s) believes their employee’s service does not represent a conflict with this requirement, may apply for a waiver to the primary agency listed in the solicitation. The Agency’s decision to allow or deny access to any individual identified on a registry database is final and at the Agency’s sole discretion.

By Agency request, the Vendor(s) shall provide a list of all employees serving an awarded contract, and certify adherence to the background check requirement. Individual(s) found in the central registry in violation of the terms stated, shall be immediately prevented from a return to state property in service of a contract award. A violation of this condition represents a violation of the contract terms and conditions, and may subject the Vendor to penalty, including contract cancellation for cause.

Individual contracts may require additional background checks and/or security clearance(s), depending on the nature of the services to be provided or locations accessed, but any other requirements shall be stated in the contract scope of work or be a matter of common law. The Vendor(s) shall be responsible for the background check requirements of any authorized Subcontractor providing service to the Agency’s contract.

z. Drug Testing Requirements for Large Public Works

Pursuant to 29 Del.C. §6908(a)(6), effective as of January 1, 2016, OMB has established regulations that require Contractors and Subcontractors to implement a program of mandatory drug testing for Employees who work on Large Public Works Contracts funded all or in part with public funds. The regulations establish the mechanism, standards and requirements of a Mandatory Drug Testing Program that will be incorporated by reference into all Large Public Works Contracts awarded pursuant to 29 Del.C. §6962.

In the event there is any discrepancy between any of these contract documents, the following order of documents governs so that the former prevails over the latter: contract, State of Delaware's RFP, Vendor's response to the RFP and purchase order. No other documents shall be considered. These documents will constitute the entire agreement between the State of Delaware and the vendor.

If any vendor fails to comply with (1) through (5) of this paragraph, the State of Delaware reserves the right to disregard the proposal, terminate the contract, or consider the vendor in default.

The selected vendor shall keep itself fully informed of and shall observe and comply with all applicable existing Federal and State laws, and County and local ordinances, regulations and codes, and those laws, ordinances, regulations, and codes adopted during its performance of the work.

dd. Severability
If any term or provision of this Agreement is found by a court of competent jurisdiction to be invalid, illegal or otherwise unenforceable, the same shall not affect the other terms or provisions hereof or the whole of this Agreement, but such term or provision shall be deemed modified to the extent necessary in the court's opinion to render such term or provision enforceable, and the rights and obligations
of the parties shall be construed and enforced accordingly, preserving to the fullest permissible extent the intent and agreements of the parties herein set forth.

**ee. Assignment Of Antitrust Claims**

As consideration for the award and execution of this contract by the State, the Vendor hereby grants, conveys, sells, assigns, and transfers to the State of Delaware all of its right, title and interest in and to all known or unknown causes of action it presently has or may now or hereafter acquire under the antitrust laws of the United States and the State of Delaware, regarding the specific goods or services purchased or acquired for the State pursuant to this contract. Upon either the State’s or the Vendor notice of the filing of or reasonable likelihood of filing of an action under the antitrust laws of the United States or the State of Delaware, the State and Vendor shall meet and confer about coordination of representation in such action.

**ff. Scope of Agreement**

If the scope of any provision of the contract is determined to be too broad in any respect whatsoever to permit enforcement to its full extent, then such provision shall be enforced to the maximum extent permitted by law, and the parties hereto consent and agree that such scope may be judicially modified accordingly and that the whole of such provisions of the contract shall not thereby fail, but the scope of such provisions shall be curtailed only to the extent necessary to conform to the law.

**gg. Affirmation**

The Vendor must affirm that within the past five (5) years the firm or any officer, controlling stockholder, partner, principal, or other person substantially involved in the contracting activities of the business is not currently suspended or debarred and is not a successor, subsidiary, or affiliate of a suspended or debarred business.

**hh. Audit Access to Records**

The Vendor shall maintain books, records, documents, and other evidence pertaining to this Contract to the extent and in such detail as shall adequately reflect performance hereunder. The Vendor agrees to preserve and make available to the State, upon request, such records for a period of five (5) years from the date services were rendered by the Vendor. Records involving matters in litigation shall be retained for one (1) year following the termination of such litigation. The Vendor agrees to make such records available for inspection, audit, or reproduction to any official State representative in the performance of their duties under the Contract. Upon notice given to the Vendor, representatives of the State or other duly authorized State or Federal agency may inspect, monitor, and/or evaluate the cost and billing records or other material relative to this Contract. The cost of any Contract audit disallowances resulting from the examination of the Vendor’s financial records will be borne by the Vendor. Reimbursement to the State for disallowances shall be drawn from the Vendor’s own resources and not charged to Contract cost or cost pools indirectly charging Contract costs.
ii. IRS 1075 Publication (If Applicable)

1. Performance

In performance of this contract, the Contractor agrees to comply with and assume responsibility for compliance by his or her employees with the following requirements:

All work will be performed under the supervision of the contractor or the contractor’s responsible employees.

The contractor and the contractor’s employees with access to or who use FTI must meet the background check requirements defined in IRS Publication 1075.

Any Federal tax returns or Federal tax return information (hereafter referred to as returns or return information) made available shall be used only for the purpose of carrying out the provisions of this contract. Information contained in such material shall be treated as confidential and shall not be divulged or made known in any manner to any person except as may be necessary in the performance of this contract. Inspection by or disclosure to anyone other than an officer or employee of the contractor is prohibited.

All returns and return information will be accounted for upon receipt and properly stored before, during, and after processing. In addition, all related output and products will be given the same level of protection as required for the source material.

No work involving returns and return information furnished under this contract will be subcontracted without prior written approval of the IRS.

The contractor will maintain a list of employees authorized access. Such list will be provided to the agency and, upon request, to the IRS reviewing office.

The agency will have the right to void the contract if the contractor fails to provide the safeguards described above.

The contractor shall comply with agency incident response policies and procedures for reporting unauthorized disclosures of agency data. (Include any additional safeguards that may be appropriate)

2. Criminal/Civil Sanctions

Each officer or employee of any person to whom returns or return information is or may be disclosed shall be notified in writing by such person that returns or return information disclosed to such officer or employee can be used only for a purpose and to the extent authorized herein, and that further disclosure of any such returns or return information for a purpose or to an extent unauthorized herein constitutes a felony punishable upon conviction by a fine of as much as $5,000 or
imprisonment for as long as five years, or both, together with the costs of prosecution. Such person shall also notify each such officer and employee that any such unauthorized future disclosure of returns or return information may also result in an award of civil damages against the officer or employee in an amount not less than $1,000,000 with respect to each instance of unauthorized disclosure. These penalties are prescribed by IRCs 7213 and 7431 and set forth at 26 CFR 301.6103(n)-1.

Each officer or employee of any person to whom returns or return information is or may be disclosed shall be notified in writing by such person that any return or return information made available in any format shall be used only for the purpose of carrying out the provisions of this contract. Information contained in such material shall be treated as confidential and shall not be divulged or made known in any manner to any person except as may be necessary in the performance of this contract. Inspection by or disclosure to anyone without an official need-to-know constitutes a criminal misdemeanor punishable upon conviction by a fine of as much as $1,000.00 or imprisonment for as long as 1 year, or both, together with the costs of prosecution. Such person shall also notify each such officer and employee that any such unauthorized inspection or disclosure of returns or return information may also result in an award of civil damages against the officer or employee [United States for Federal employees] in an amount equal to the sum of the greater of $1,000.00 for each act of unauthorized inspection or disclosure with respect to which such defendant is found liable or the sum of the actual damages sustained by the plaintiff as a result of such unauthorized inspection or disclosure plus in the case of a willful inspection or disclosure which is the result of gross negligence, punitive damages, plus the costs of the action. The penalties are prescribed by IRCs 7213A and 7431 and set forth at 26 CFR 301.6103(n)-1.

Additionally, it is incumbent upon the contractor to inform its officers and employees of the penalties for improper disclosure imposed by the Privacy Act of 1974, 5 U.S.C. 552a. Specifically, 5 U.S.C. 552a(l)(1), which is made applicable to contractors by 5 U.S.C. 552a(m)(1), provides that any officer or employee of a contractor, who by virtue of his/her employment or official position, has possession of or access to agency records which contain individually identifiable information, the disclosure of which is prohibited by the Privacy Act or regulations established thereunder, and who knowing that disclosure of the specific material is so prohibited, willfully discloses the material in any manner to any person or agency not entitled to receive it, shall be guilty of a misdemeanor and fined not more than $5,000.

Granting a contractor access to FTI must be preceded by certifying that each individual understands the agency’s security policy and procedures for safeguarding IRS information. Contractors must maintain their authorization to access FTI through annual recertification. The initial certification and recertification must be documented and placed in the agency’s files for review. As part of the certification and at least annually afterwards, contractors must be advised of the provisions of IRCs 7431, 7213, and 7213A (see Exhibit 4, Sanctions for Unauthorized Disclosure, and Exhibit 5, Civil Damages for Unauthorized Disclosure). The training provided before the initial certification and annually
thereafter must also cover the incident response policy and procedure for reporting unauthorized disclosures and data breaches. (See Section 10) For both the initial certification and the annual certification, the contractor must sign, either with ink or electronic signature, a confidentiality statement certifying their understanding of the security requirements.

3. Inspection

The IRS and the Agency, with 24 hour notice, shall have the right to send its inspectors into the offices and plants of the contractor to inspect facilities and operations performing any work with FTI under this contract for compliance with requirements defined in IRS Publication 1075. The IRS’ right of inspection shall include the use of manual and/or automated scanning tools to perform compliance and vulnerability assessments of information technology (IT) assets that access, store, process or transmit FTI. On the basis of such inspection, corrective actions may be required in cases where the contractor is found to be noncompliant with contract safeguards.

Additionally there shall be no minimum or maximum limits on any P-Card transaction under the contract.

14. **Additional Terms and Conditions** – The State of Delaware reserves the right to add terms and conditions during the contract negotiations.

**VI. RFP Miscellaneous Information**

1. **No Press Releases or Public Disclosure**
   The State of Delaware reserves the right to pre-approve any news or broadcast advertising releases concerning this solicitation, the resulting contract, the work performed, or any reference to the State of Delaware with regard to any project or contract performance. Any such news or advertising releases pertaining to this solicitation or resulting contract shall require the prior express written permission of the State of Delaware.

Appendix B- Scope of work and Technical Requirements
DRUG COURT DIVERSION PROGRAM SERVICES

I  INTRODUCTION

A. Background

The Department of Health and Social Services, Division of Substance Abuse and Mental Health (DSAMH), is seeking proposals from DSAMH licensed substance abuse treatment agencies to provide assessment, psycho-education, case management, referrals, counseling, interventions and urine drug screen services to individuals entered into the Superior Court and/or Court of Common Pleas Drug Court diversion programs. DSAMH intends to contract with the successful applicant(s) for five years, as long as sufficient funding is available and the contractor’s performance is satisfactory, consistently meets performance targets, and continues to meet the service system design needs of the DSAMH.

B. Project Goals/Overview

Delaware’s Drug Court System was established in 1995 to expedite the processing of drug cases by the courts and to enable litigants with substance abuse problems to receive specialized services and treatment in the community.

Delaware was one of the first jurisdictions to introduce drug courts. The Delaware Drug Court system follows nationally accepted standards and procedures. The structure involves the close collaboration and cooperation of the judiciary, the Attorney General, the Public Defender or private counsel, and the Behavioral Health treatment system. In consultation with the criminal justice system, DSAMH provides funding and administrative oversight (primarily through the Treatment Access Center – TASC) of the treatment component of the Drug Court System, including the community-based diversion programs.

The organization of the Delaware Drug Court System provides expedited case processing. Once the Attorney General’s office has deemed offenders “charge eligible”, they are placed on one of the established Drug Court Tracks. Track I referrals are primarily for offenders arrested on drug offenses that are currently serving a Superior Court probation sentence (Probation Violator Track), while Track II is for offenders who do not have serious criminal histories (the Diversion Track).

This Request for Proposals targets Track II, Diversion services. Since the fall of 2004, both Superior Court and the Court of Common Pleas have had Drug Court Diversion programs operating in all three counties. The Superior Court Drug Diversion program requires a minimum of six months participation, while the Court of Common Pleas requires a minimum of four months participation.

The project will serve adults (age 18 and older) who were arrested in the State of Delaware and who volunteer for the Drug Diversion program and are accepted into the program by the judicial officer. Defendants arrested for drug offenses with minimal prior criminal conviction records and whose charges may carry a mandatory sentence of incarceration may elect to participate in the Diversion Program. Drug Court Diversion providers will receive referrals from the courts and will be responsible to provide the key components of the program: assessment, psycho-education groups, case management, early intervention services (ASAM Level .5) and random drug testing. In
In addition, Drug Court Diversion providers will be required to work in close collaboration with the referring court, including submitting regular progress reports to the court and attending all Drug Court Diversion proceedings. When appropriate and clinical needs dictate, the Diversion program will actively work to link a client in need of treatment services to an appropriate treatment provider.

Drug Court Diversion providers will be required to monitor client progress and, as appropriate, to make recommendations to the court for adjustments in the level of care and additional services that may be needed. Providers will be responsible for assuring that clients have access to the appropriate level of substance abuse treatment utilizing Delaware Treatment and Referral Network (DTRN) and other ancillary services (e.g., GED classes, housing, employment, voc-ed services, etc.) that are needed. Providers will adhere to all DSAMH policies and procedures for the use of DTRN. Providers will be expected to provide case management services, monitor clients closely and provide reports to the court for those clients who are referred to other agencies for services. Case Managers/supervisors will be expected to be available for Court when dictated by the judicial officer.

C. Applicant Organization Eligibility

Applicants must be currently licensed or eligible to be licensed by DSAMH to provide substance abuse treatment services. The applicant organization must be able to document a minimum of one year’s experience providing substance abuse assessments, case management and/or counseling services to individuals involved in the criminal justice system.

Any individual, business, organization, corporation, consortium, partnership, joint venture, or any other entity including subcontractors currently debarred or suspended is ineligible to bid. Any entity ineligible to conduct business in the State of Delaware for any reason is ineligible to respond to the RFP.

Applications for this RFP will be accepted from any non-profit, for profit or faith-based organizations whose hiring and operational practices comply with all federal and State of Delaware laws and regulations. The organization will be required to provide evidence that both the applicant organization and the lead management staff proposed for the program have the knowledge, experience and utilize best practices, as well as the depth of staffing, to provide the required services.

II TARGET POPULATION

The target population will consist of defendants, identified by the Attorney General’s Office, who have been arrested for drug offenses with no or minimal prior criminal conviction records and whose charges may not carry a mandatory sentence of incarceration. The project will serve adults (age 18 and older) who were arrested in the State of Delaware and who volunteer to participate in the program.

Drug Court Diversion Programs operate in all three counties. Applicants must clearly indicate the specific court or courts that they propose to serve and present a staffing pattern that will adequately provide the required services to the caseload size listed below for each court.
III SCOPE OF SERVICES

Drug Court Diversion programs will be expected to provide the following core services:

**A. Screening and Engagement:**

Agency staff will be present in court at the entry hearing to complete an initial screening with potential participants. Consent and release of information forms must be signed at this time and an orientation appointment scheduled within five business days of the client’s formal entry into diversion.

**B. Assessment:**

An assessment must be completed on all diversion clients. The contractor may wish to use a risk assessment instrument that assists in determining clients with high and low needs, and high and low risk. Applicant must identify the proposed assessment tool to be utilized and its understanding/agreement of moving to a DSAMH specified assessment tool during the course of this contract.

In addition to this, Use of the Columbia- Suicide Severity Rating Scale (C-SSRS) is strongly encouraged. Please see the following link for more information:

Currently, assessments must be scheduled and completed within five business days of orientation. Reports must be submitted to Court within 5 business days of the assessment UNLESS the Court determines it needs to be submitted sooner. The proposal should outline how this will be tracked and reported to DSAMH on a monthly basis.
In the event that a diversion client needs a higher level of care at any time during his/her participation in the diversion program, ASAM Patient Placement Criteria must be used to determine the appropriate level of care. DSAMH Eligibility and Enrollment Unit (EEU) approval must be obtained when required by DSAMH procedures.

C. Case Management:

Every client will be assigned a case manager who will be his/her primary contact person throughout his/her stay with the agency. Duties of the case manager will include:

- Develop an individualized plan of services based on the information obtained at the screening and assessment. The plan will be updated regularly as the client progresses through the program.
- Meet individually with clients on his/her caseload each month prior to the client’s court status conference.
- Assure that clients attend the psycho-education sessions as required by the Drug Court Diversion program protocols.
- Conduct psycho-educational groups as assigned by program administrators.
- Provide brief, individual counseling to clients as needed. NOTE: Clients who need ongoing individual or group counseling should be referred and linked to a DSAMH funded outpatient treatment program, or a higher level of care when warranted.
- Assure that clients who need additional services or higher levels of care receive those services.
- Provide the court liaison with updated, accurate information to be included in the progress reports to the courts.
- Apply rewards and sanctions in accordance with the program’s protocols, and in collaboration with the Drug Court Judge in order to incentivize success and compliance and to deter non-compliance.
- Assure that drug testing is completed on a random basis and that reports are provided to the court in a timely manner.

Applicants must clearly describe the caseload size for each case manager.

D. Psycho-Education:

Psycho-education groups will be the core component of the Drug Court Diversion program services for most clients. When necessary, Motivational Interviewing, with fidelity, must be used. Bidders will propose the evidence-based psycho-educational groups they will use. Program length, curricula, modules, group size etc… should all be incorporated into the proposal. The proposal must also outline how program success will be achieved and how this will be tracked and reported to DSAMH (on quarterly basis).

Peer Specialists (people with the experience of being in recovery from SUD) are strongly suggested to be included in the applicant’s workforce plan. Furthermore, implementing A certification plan and routine training schedule for all peer specialists is strongly encouraged.

E. Court Status Conferences and Reports to the Court:
Clients will be scheduled to appear in court to update the Judge on progress or lack thereof on a regularly scheduled basis throughout the duration of the Drug Court Diversion program.

The Drug Court Diversion Program requires providers to submit reports to the court (time frame to be determined by the Judicial Officer) prior to the client’s court appearance for:

- Regularly scheduled status conferences
- Special status conferences scheduled because of non-compliance, need to make a significant change in the level of care, etc.

These reports must be prepared in the stipulated format agreed to by each court and submitted within the timeframe and at the frequency expected by each court.

An agency liaison will attend all status conferences to answer questions that the Judge or Commissioner may have regarding client progress, the status reports and urine testing results. The liaison will be responsible to accurately present recommendations for sanction, reward, program completion or termination to the Judge or Commissioner. The liaison will also be responsible for ongoing communication with the Attorney General, Public Defender or private counsel and TASC. Therefore, in their response to this RFP, applicants must describe the process they will employ to assure that court liaisons have knowledge of every case on the calendar for each state conference.

F. Drug Testing:

The Drug Court Diversion Program requires participants to submit to randomly scheduled drug tests on a weekly basis. Drug testing must meet the requirements as directed by the specified court.

Providers will incorporate the costs of urine/drug screening into their proposals. It should include the costs for oral swabs as needed, as well as specialized testing. The results of the drug testing must be available for the Court and incorporated into any electronic health care record for the program and in concert with DSAMH.

Applicants must include any expected costs to meet these requirements in the proposed budget submitted in response to this RFP.

NOTE: Providers will also be required to submit Consumer Reporting Forms (CRF) to the DSAMH MIS Office within the stipulated monthly timeframes on admission, transfer and discharge of clients from their Drug Court Diversion Program.

H. Language Accessibility:

The provider must demonstrate that they have access to the requisite language resources for individuals assigned to their program who do not speak English.

I. Peer Involvement:

DSAMH expects that organizations fully incorporate peers into program operations. The proposal will need to identify how the organization is utilizing peers in this program.
J. Required Elements for DSAMH contracted Treatment providers:

The applicant is expected to comply with DSAMH policies regarding

a. Provision of Culturally and Linguistically Appropriate Services:
b. Discharge from Treatment
c. Trauma Informed Care
d. DTRN
e. Critical Incident Reporting

K. FUNDING

O. CONSUMER REPORT FORM (CRF)

All Contracted Providers are required to submit CRF data for all publicly funded clients served. That would include all Medicaid, Medicare and DSAMH funded clients.

Performance outcomes will be measured through submission of the Consumer Reporting Form (CRF). DSAMH SRU maintains all CRF submission information and requirements at [http://dhss.delaware.gov/dhss/dsamh/cpfrms.html](http://dhss.delaware.gov/dhss/dsamh/cpfrms.html). The Division reserves the right to update the website at the Division’s discretion, and if updated, will notify the Contractor. The Contractor is responsible for complying with any updates and/or changes.

The Contractor shall implement policies and procedures for ensuring the complete, accurate and timely submission of encounter data (CRF) for all services for which Contractor has incurred any financial liability, whether directly or through subcontracts or other arrangements. Encounter data shall include data elements specified in DSAMH’s most recent requirements related to CRF data reporting. The Contractor must comply with: completing all data elements as defined; reporting deadlines; and format submission requirements. Contractor shall have in place mechanisms, including edits and reporting systems sufficient to assure encounter data transfer is complete and accurate prior to submission to DSAMH SRU. Contractor shall upload encounter data to DSAMH SRU by the 10th business day of each month in the form and manner specified at [http://dhss.delaware.gov/dhss/dsamh/cpfrms.html](http://dhss.delaware.gov/dhss/dsamh/cpfrms.html) related to data reporting.

Upon written notice by DSAMH SRU that the encounter data (CRF) has not been uploaded, is incomplete or has not met the 95% threshold for error rate, the Contractor shall ensure that corrected data is transferred within the ten (10) business days of receipt of DSAMH notification. Upon Contractor’s written request, DSAMH may provide a written extension for submission of corrected encounter data.

If encounter data (CRF) is not transferred after DSAMH has notified the contractor that the data is incomplete or does not meet the 95% error threshold, invoice payment for services will be withheld until the required CRFs are submitted with an accuracy rate of 95%.

Data Submission

All providers submitting electronic data are required to use the state’s Secure File Transfer Protocol (SFTP) site. Providers who are not able to install the SFTP software must submit a request to use other reporting methods. Other reporting methods include encrypted message or hand carried. The request must clearly explain the provider’s inability to use the SFTP site. Contact the DSAMH Statistics and Research (SRU) unit for information on creating an account and any other questions or concerns about data reporting requirements.

Data submission elements will be specified in the scope of work for each contract.

To accomplish this several authorization forms need to be completed and returned to the DSAMH SRU. In addition, SFTP client software is required to be installed on your computer for the file transfer. This software is available free on the Internet.

The following links contain instructions necessary for setting up the software and authorization forms.

1. Secure File Transfer Memorandum of Agreement
Providers requiring access to the SFTP site must identify an organizational point of contact and list all employees who will require site access. The Provider will maintain the accuracy of the list providing updates to DSAMH as changes occur.

Contractors with Electronic Health Record system will be given ninety (90) days advance notice of any changes for required data collection. This is to help prepare their external/internal vendors for coming adjustments to their system.

P. **Performance Measurements:**

The Division of Substance Abuse and Mental Health (DSAMH) and its providers are responsible for developing and providing a person-centered, recovery-oriented system of care for the consumers. Services provided are expected to be trauma-informed and equipped to working with consumers with co-occurring disorders, including those with histories of trauma. These fundamental principles are inherent and expected in each scope of service. Every aspect of working with consumers, including: the role of peers, screening, assessment, treatment planning, service provision, case management, social service and other, must be sensitive to these core principles. Contract monitoring and DSAMH’s quality assurance activities will be geared toward assuring these core principles are in place. It is DSAMH’s intentions to design (when not present) and institute performance-based contracts operationalizing these and other principles.

1. DSAMH has the right to conduct any on-site evaluation and monitoring of the Vendor’s activity at any time.
2. The extension of the service period of the contract is based on, but not limited to, the past performance of the Vendor and availability of funds.
3. The determination of performance shall be based on, but not limited to, considerations of the following factors:

**Q. SERVICE PERIOD**

- Service period is one contract year with four (4) optional extensions for a period of one (1) year for each extension. Extensions will be contingent upon the availability of appropriated funds, needs of the Department/Division, and performance of the Contractor(s) (see section Performance Measurements).
- Contractor(s) shall submit a Work Plan and costing and pricing data (Budget Workbook) **annually** to DSAMH **before** it will exercise an option to extend the contract.
The proposed annual operating budget is to capture the requirements of the successful vendor in meeting the service requirements of the program. The budget to be submitted as part of this RFP is to reflect the proposed operational costs of providing these services and will not be the basis of reimbursement in the awarded contract.

Business proposals including budget information must be presented separate from the Technical Proposals.

Applicants must submit reasonable budgets based on the resources needed to implement their projects in their specific geographic location. The budget should display a clear link between the specific project activities and the proposed budget items. Specifically, the budget should not contain any items that are not detailed in the project narrative. The budget narrative must support all costs included in the budget and explain how the costs of goods and services are determined and how they will fulfill the overall objective of the project.

Note-The following Appendix C documents are separate documents that can be found at http://bids.delaware.gov:

Appendix C.1: Budget Workbook Instructions
Appendix C.2: Budget Workbook
Appendix C.3: RFP Financial Survey

Financial stability as determined by completion of Appendix C.3 and review of financial information provided by the Applicant; perceived ability to start up and manage the program in the time required using the staff, structure and phase in required in the RFP. Financial stability should be demonstrated through production of balance sheets and income statements or other generally accepted business record for the last 3 years that includes the following: the Applicant's Earnings before Interest & Taxes, Total Assets, Net Sales, Market Value of Equity, Total Liabilities, Current Assets, Current Liabilities, and Retained Earnings.

In addition to financial information, discuss any corporate reorganization or restructuring that has occurred within the last three years and discuss how the restructuring will impact the Applicant's ability to provide services proposed.

The Department of Health and Social Services, Division of Substance Abuse and Mental Health reserves the right to terminate the contract, based upon merger or acquisition of the Vendor, during the course of the contract. The applicant must include a description of any current or anticipated business or financial obligations, which will coincide with the term of this contract.

THESE INSTRUCTIONS ARE ASSOCIATED WITH THE BUDGET WORKBOOK ASSIGNED TO
RFP/CONTRACT NUMBER: HSS-20-028
PROGRAM/SERVICE: DRUG COURT DIVERSION SERVICES

1. General Budget Guidelines

Please read these guidelines thoroughly before beginning to complete the budget workbook.

Organizations are required to complete a Budget Form to determine the appropriateness of agency costs allocated to the Department of Health and Social Services, Division of Substance Abuse and Mental Health (DSAMH) contracts, and to assist in making cost comparisons among similar programs and services. Those contracts include cost reimbursable contracts and contracts that have previously been cost reimbursable but have been converted to a unit cost contract. A separate budget form must be filled out for each vendor funded in this contract.

1.1 Types of Costs

The total cost of contracts is comprised of the allowable program costs, plus the allocable portion of agency administrative costs. Therefore, for purposes of this budget form, contracted costs are categorized into those two separate and distinct types: Program Costs and Administrative Costs. Definitions of these costs are provided below. Certain costs incurred by contractors may be deemed unallowable for inclusion in DSAMH contracts and, therefore, should not be included in the proposed budget in the Budget Workbook. These are enumerated later in this document.

1.1.1 Program Costs - Program costs are defined as those costs incurred in the provision of services to clients (for a further discussion of the difference between program costs and administrative costs of personnel). Examples of program costs are: salaries and applicable other employment costs, travel, contractual services (such as telephone, postage, and rent), supplies, and capital outlay/equipment.

One method of distinguishing administrative personnel from program service personnel is by their proximity to client services. For instance service workers would include staff working with clients and their supervisor, if they spend 100% of their time in supervision. As appropriate, the next level of Supervision/management may also be considered as part of the program staff if their principal accountability is related to the on-site oversight of the program. All levels of personnel above this level should be considered administrative staff. Full Time Equivalent (FTE) positions should be prorated if they spend time working in multiple programs.
Certain costs, such as those for space or utilities, can be either administrative or program-related, depending on what type of employee occupies the space.

1.1.2 Administrative Costs - Administrative costs are defined as those costs incurred to provide central support functions to the service components of the program. Administrative costs are those that have been incurred for the overall general executive and administrative offices of the organization and other expenses of a general nature that do not relate solely to any major program area of the organization. In general, administrative costs cannot be readily identified to a specific program objective without effort disproportionate to the results. This category may also include the allocable share of salaries and fringe benefit costs, operation and maintenance expense, depreciation and use allowances, and interest costs. Examples of costs that fit in this category include central office functions, such as the director's office, the office of finance, business services, budget and planning, personnel, payroll, safety and risk management, general counsel and management information systems.

1.1.3 Startup Costs - Startup costs are the expenses incurred during the process of creating a new project. Startup costs (if allowable) will be discussed during contract negotiations.

1.2 Unallowable Costs

DSAMH will not pay for the following costs:

1.2.1 Costs incurred before the effective date or after the termination date of any contract.

1.2.2 Costs for services which:

1.2.2.1 have not been rendered;

1.2.2.2 cannot be verified as having been provided, according to standard DSAMH monitoring and audit procedures

1.2.2.3 have not been provided by DSAMH approved agencies and programs;

1.2.2.4 have been provided to persons not authorized by DSAMH;

1.2.2.5 have been provided to persons of less than 18 years of age, unless such persons have been approved in writing by DSAMH as eligible to receive services under this Contract;

1.2.2.6 have been paid for by Medicaid or Medicare, by other third-party payers, by or on behalf of the recipient of services; or
1.2.2.7 are a benefit offered as a covered service in any healthcare plan under which the client has been determined to be covered, or for which the client has been found to be eligible, unless such clients are specifically approved in writing by DSAMH as eligible to receive services under this Contract.

1.2.3 Costs incurred prior to the approval of the Purchase Order by the Delaware State Department of Finance.

1.2.4 Costs incurred in violation of any provision of the contract or the Operating Guidelines (if available).

1.2.5 Costs of acquisition, renovation or improvement of facilities or land. Ongoing costs of facility maintenance and repair are distinguished from improvement and are allowable.

1.2.6 Costs incurred for the purchase and maintenance of Vehicles.

1.2.7 Costs of acquisition of Computer system purchases including electronic health record software.

1.2.8 Costs of political activities, including: transportation of voters or prospective voters to the polls, activities in connection with an election or a voter registration effort, contributions to political organizations and expenses related to lobbying.

1.2.9 Costs of idle facilities. Idle facilities mean completely unused facilities that are excess to the organization’s current needs. Unallowable costs related to the idle facility include: maintenance, repair, rent, property tax, insurance and depreciation or use allowances.

1.2.10 Interest payments, late payment fees and penalties charged by vendors as a result of late invoicing.

1.2.11 Costs related to fines or penalties imposed on the agency or legal fees related to the defense of the agency or any of its employees in any civil or criminal action.

1.2.12 Costs that violate any requirement or are identified as a prohibited activity in the Scope of Work (Appendix B of Contract / RFP).

1.2.13 Costs that violate any applicable Federal or State statute or regulation.

In determining unallowable costs listed as 1.2.1-1.2.8, DSAMH used, Subpart E of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, which replaced OMB (Office of Management and Budget) Circulars A-21, A-87 and A-122 Federal Cost Principles on December 26, 2013. 2. **General Information Regarding Budget Workbook**

The budget workbook is a standardized format for the Department of Health and Social Services, Division of Substance Abuse and Mental Health (DSAMH)

2.1 The budget is an Excel workbook. The workbook consists of:
   - 2.1.1 Personnel Detail Worksheet;
   - 2.1.2 Budget Worksheet;
   - 2.1.3 Budget Narrative

2.2 Portions of the budget workbook and its worksheets are automated. Some items are calculated by the worksheet and some are transferred from other areas of the worksheet and workbook. As a result, the Salary and Budget worksheets require the most entries and time. Questions should be directed to the appropriate DSAMH representative.

2.3 A complete budget workbook must be submitted as part of the Request for Proposal (RFP) Appendix C-Business Proposal or during the annual contract renewal/amendment process as requested by DSAMH. If part of the contract, the budget workbook is listed under Appendix C-of the contract.

2.4 Develop a methodology for allocation of costs to each funding stream. This will speed the completion of the salary, fringe benefit and budget worksheets. In reviewing the budget proposal, DSAMH may ask for an explanation of the methodology.

2.5 A DSAMH representative will provide additional instructions as appropriate.

3. **Definitions**

3.1 Funding stream refers to the source of funds for each service/program.
   - 3.1.1 Requested Funds: legislative and federal appropriations administered by DSAMH.
   - 3.1.2 Other Resources: any other funding sources the agency utilizes to cover expenses.

3.2 Indirect Costs are those costs that have been incurred for common or joint objectives, and thus are not readily subject to treatment as direct costs (program costs) of a specific program/service or other ultimate or revenue producing cost centers. An indirect cost rate represents the ratio between the total indirect costs and benefiting total direct costs, after excluding and or reclassifying unallowable costs, and extraordinary or distorting expenditures. (i.e., capital expenditures and major contracts and subgrants). Indirect costs should not exceed a level beyond the Department of Health and Social Services cap of 12%.

3.3 Direct costs are costs that can be identified specifically with a project and therefore are charged to that project. The accounting system records these costs as they are incurred within the series of accounts assigned for that purpose and further distribution is not required. In the past, this may also have been referred to as program costs.

4. **Instructions for Completing the Budget Workbook**
4.1 Before beginning – save the budget workbook file with a new name for each service/program.

4.2 Vendors must complete the columns named “Requested Funds”; and “Other Resources”; No entries are needed or permitted in the areas shaded blue, green, purple, yellow, brown, or orange.

5. **Personnel Detail Worksheet**

5.1 The first step in the development of the budget is to complete the Personnel Detail Worksheet.

5.2 In the boxes provided at the top of the page, enter the Applicant Agency, for this budget.

**Column**

5.3 A. Name of Staff

In this Column list the name of each person (include each person’s credentials) scheduled to work on the project. If this is a new position or currently a vacant position, put “To Be Hired” in this Column.

Group the staff into two sections:
- DIRECT STAFF: (intake staff, staff providing the services to the clients under this contract, etc.).
- INDIRECT STAFF: (support staff, staff that are not directly providing the services but are necessary for the overall operation of the agency that provides the services under this contract, like accounting, CEO, etc.).

5.4 B. Title/Position

In this Column, enter the title or position of each person.

5.5 C. FTE

Enter the Full Time Equivalent for each position listed from the perspective of the agency regardless of how many hours are spent on this contracted service.

For example, if the standard workweek for your agency is 40 hours per week and person #1 will work only 30 hours per week for your agency, enter 0.75. If person #2 will work 40 hours per week for your agency, enter 1.0

5.6 D. Annual Salary

Enter the total annual salary for each individual. This may be more than the salary paid from project funds. For positions “To Be Hired”, enter the salary to be paid from the estimated time of hire until the end of the contract year.

The annual salary is the payment for the total number of time the employee works for the agency as a whole, not just for this contract.

5.7 E. % of Time on Project

This is the percent of the individual’s total work time that is spent on this project.
5.8 F-G. Salary Breakouts
In Columns F through G, indicate the dollar amount of salary paid from each funding stream used in this contract, as appropriate. The individual’s salary may be paid from just one funding stream or more than one. For example, part of salary is paid with Requested funds and the balance by Other Resources.

5.9 H. Total Contract Salary
This Column calculates sum of Columns F through G.

5.10 Line 61 Totals
The totals are automatically calculated for each Column.

6. Budget Worksheet

Budget Worksheet Note: Sections C-1 and C-2 are automatically imported from the Personnel Detail Worksheet for columns D-F. For sections C-3 through C-7, no entries are needed or permitted in the colored areas.

6.1 Other Resources Column
If the agency is utilizing other resources to cover the expenses of this program, enter the dollar value of each additional resource that is going to be utilized for this line item.

6.2 Section C-3 Travel and Training Expenses

6.2.1 Line 12
Line 12 is the sum of lines 13 through 15. The values for this line are automatically calculated.

6.2.2 Line 13 Mileage
Mileage expense is the projected number of miles that will be driven by staff and volunteers in their personal vehicles for agency purposes multiplied by the rate per mile reimbursement. This rate cannot exceed the State of Delaware’s maximum allowable of forty cents ($0.40) per mile. If an agency chooses to exceed the maximum, it may do so as long as the amount over the maximum is paid by the agency from other sources. http://delcode.delaware.gov/title29/c071/index.shtml

Enter the value of the total number of miles multiplied by the reimbursement rate under appropriate funding stream(s), Columns D through F.

Use the Budget Narrative C-3 Mileage to identify the quantity of the miles that the agency is projecting to use.

For example, if agency projects 100 miles to be driven by the staff under this project, then enter 100*$0.40=$40.00.
6.3.3 Line 14 Training
Enter the cost of staff training for this project under appropriate funding stream(s).

6.3.4 Line 15 (Other specify)
Use this line if you need to specify additional Travel or Training Cost. In the Column B, instead of Other (specify), enter the name of the travel or training budget line item and enter the cost of that line item under appropriate funding stream(s).

6.4 Section C-4 Contractual

6.4.1 Line 16
Line 16 is the sum of Lines 17 through 32. The values for this line are automatically calculated.

6.4.2 Line 17 Rent
Enter the cost of space rental under appropriate funding stream(s). Use the Budget Narrative C-4 Rent to identify each space rented, the square footage and the cost per square foot.

6.4.3 Lines 18-24
- Electricity
- Heat
- Telephone/Internet Utilities (Other)
- Printing/Advertising Postage
- Insurance
Enter the cost for each line item under appropriate funding stream(s).

6.4.4 Line 25 Repairs
Enter the cost of repairs under appropriate funding stream(s). Use the Budget Narrative C-4 Repairs to describe the proposed repairs and the need for them.

6.4.5 Line 26 Audit
Enter the cost of Audit under appropriate funding stream(s). Use the Budget Narrative C-4 Audit to describe what audit fees and what percent of the audit fees agency is allocating to the project expense.

6.4.6 Lines 27-32 Other (specify)
Use this line if you need to specify additional Contractual Costs. In the Column B, instead of Other (specify), enter the name of the contractual budget line item and enter the cost of that line item under appropriate funding stream(s).

6.5 Section C5 Supplies

6.5.1 Line 33
Line 33 is the sum of the lines 34 through 43. The values for this line are automatically calculated.

6.5.2 Lines 34-38 Office Supplies
Enter the cost for each line item under appropriate funding stream(s).
6.5.3 Lines 39-43 Other (specify) Use this line if you need to specify additional Supplies Costs. In the Column B, instead of Other (specify), enter the name of the supply budget line item and enter the cost of that line item under appropriate funding stream(s).

6.6 Section C6 Equipment/Other Direct Costs

6.6.1 If replacement or additional equipment is being requested, use the Budget Narrative to provide details on the specific piece of equipment requested and explain why it is needed.

6.6.6 Lines 44-46 Other (specify) Use this line if you need to specify additional Equipment/Other Direct Costs. In the Column B, instead of Other (specify), enter the name of the direct cost budget line item and enter the cost of that line item under appropriate funding stream(s).

6.7 Section C7 Indirect Costs

Explain how Indirect Cost was determined.

6.8 Section C8 Total Budget

The values for this line are automatically calculated.

7. Budget Narrative

For each section of the Budget Worksheet, use the Budget Narrative Worksheet to explain how a particular cost was calculated, explain why a certain cost is necessary or provide more information to clarify items in “Other Specify”. This is the budget justification and narrative.

The amount requested to DSAMH for each Section will appear to the right of each Section heading on the Budget Narrative.

7.1 C1 Staff Salaries

Explain how staff salaries were determined and allocated to this project. Explain any increases/decreases in salaries from the previous contract with the State (if applicable).
