

Addendum #1 to the Delaware Department of Justice
Request for Proposals for Special Legal Counsel
RFP No. 062317DOJ

July 28, 2017

This addendum is in response to a question posed by interested firms:

Question: Will the Delaware Department of Justice consider an Application in response to this RFP that is submitted jointly on behalf of two law firms, who would work together to handle the representation?

Answer: Yes. The Delaware Department of Justice will consider Applications submitted on behalf of multiple law firms. Because the RFP contemplates the possibility of litigation on behalf of the State of Delaware, at least one of those firms must have an office located in the State. Information provided in an Application in response to Section 3.02.A of the RFP should be clearly separated out for each firm. Additionally, at least one senior member of the team identified in an Application in response to Section 3.02.B of the RFP must be a member of the Delaware Bar. The role that Delaware firms and Delaware attorneys are expected to play will be taken into account in evaluating Applications.
